Amended and Restated Short-Term Incentive Compensation Program

On December 10, 2005, the Board of Directors of Hillenbrand Industries, Inc., based on a recommendation from its Compensation and Management Development Committee (the "Committee"), approved an Amended and Restated Short-Term Incentive Compensation Program (the "Amended Program"). The Amended Program amends the previously adopted Short-Term Incentive Compensation Program to conform to certain terms and conditions contained in the Short-Term Incentive Compensation Plan for fiscal 2006 approved by the Committee and disclosed in Hillenbrand's Form 8-K dated September 30, 2005, which disclosure is incorporated herein by reference. Specifically, the Amended Program reduces the maximum Incentive Compensation Opportunity (as this term is used in the Amended Program) for the Chief Financial Officer from 75% to 50% and provides the Committee with the flexibility to base all or part of compensation under the Amended Program on non-financial criteria.
