(1) Annual base salary of \$600,000 effective as of January 21, 2009, the date of Mr. Ryan's appointment as President and Chief Executive Officer;

(2) Target bonus percentage of 100%, effective as of January 1, 2009, for awards under the MoneyGram International, Inc. Management and Line of Business Incentive Plan, as amended and restated March 24, 2008;

(3) Non-qualified stock options to purchase 8,000,000 shares of common stock of the Corporation, with an exercise price of \$1.74, which grant was made under the MoneyGram International, Inc. 2005 Omnibus Incentive Plan (the "Omnibus Plan") as amended by the Board of Directors on February 9, 2009 subject to stockholder approval, pursuant to the Non-Qualified Stock Option Agreement dated May 6, 2009. The option has a 10-year term expiring on May 6, 2019. Options for 50% of the shares are considered "Time Vested" and options for 50% of the shares are considered "Performance Vested." Except with respect to 500,000 option shares (allocated pro-rata between Time Vested and Performance Vested), the options will not vest and are subject to forfeiture if the stockholders of the Corporation do not approve an amendment to the Omnibus Plan to remove the limitation on the number of options shares that may be granted to an executive officer in any year. Affiliates of Thomas H. Lee Partners, L.P. have provided an executed Proxy appointing Teresa H. Johnson, the Corporation's Executive Vice President, General Counsel and Secretary, as attorney and proxy to vote "FOR" the amendment to the Omnibus Plan at the next annual meeting of stockholders of the Corporation.

The Time Vested options (4,000,000 shares) will vest as follows:

Time-Vesting Date Aggregate Percentage Vested Time-Based Option

On the Grant Date 15%

On March 15, 2010 35%

On March 15, 2011 55%

On March 15, 2012 75%

On March 15, 2013 90%

On March 15, 2014 100%

The Performance Vested options (4,000,000 shares) will vest as follows: Options for 50% of the shares will vest when the value of the common stock of the Corporation has reached \$3.00 per share for a period of 20 consecutive trading days during the 5-year period following the grant date; and options for 50% of the shares will vest when the value of the common stock of the Corporation has reached \$4.50 per share for a period of 20 consecutive trading days during the 5-year period following the grant date. If the shares of common stock of the Corporation are not publicly traded, then vesting for the options that are Performance Vested will be vested in the manner set forth in the stock option agreement. This summary is subject to the full text of the non-qualified stock option agreement, a copy of which is filed herewith as Exhibit 10.01;

(4) In consideration of Mr. Ryan's receipt of benefits under the Non-Qualified Stock Option Agreement and his relinquishment of his rights under the Amended and Restated MoneyGram International, Inc. Executive Severance Plan (Tier I), the Corporation and Mr. Ryan entered into a Severance Agreement dated May 6, 2009, which provides that, if, on or after March 24, 2010, Mr. Ryan's employment is terminated by the Corporation without Cause or if Mr. Ryan resigns his employment for Good Reason, he would receive the following benefits: (i) \$1.8 million as salary severance payable in equal monthly installments over an eighteen month period following his date of termination (calculated to be the approximate equivalent of salary and bonus at target for 18 months); (ii) continuation of group medical and dental insurance for eighteen months; and (iii) continuation of basic and supplemental life insurance coverage for eighteen months. No severance benefits are paid in the event of termination for Cause or resignation without Good Reason or in the event of death or Disability.
