Item 2.05 Costs Associated with Exit or Disposal Activities.

On April 16, 2012, Piper Jaffray Companies (the "Company") determined to implement certain expense reduction measures as a means to better align its cost infrastructure with its revenues. The measures include the reduction of approximately two to three percent of the Company's workforce and the reduction of leased office space.

These expense reduction measures are expected to be completed by June 30, 2012, and are expected to result in a one-time pre-tax restructuring charge in the second quarter of 2012 within a range of \$4.0 million to \$5.0 million. The restructuring charge will be comprised of severance benefits in a range of \$2.0 million to \$3.0 million, and the reduction of leased office space is estimated to be \$2.0 million. Substantially all of the restructuring charge is expected to require future cash expenditures by the Company.

This current report on Form 8-K contains forward-looking statements. Statements that are not historical or current facts are forward-looking statements. These forward-looking statements include the timing of the restructuring charge and the amount thereof. Forward-looking statements are subject to known and unknown risks and uncertainties that could cause actual results to differ materially from those anticipated, including the factors identified in the sections entitled "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's Annual Report on Form 10-K for the year ended December 31, 2011, as updated in the Company's subsequent reports filed with the SEC (available at the Company's Web site at www.piperjaffray.com and at the SEC Web site at www.sec.gov). Forward-looking statements speak only as of the date they are made and the Company undertakes no obligation to update them in light of new information or future events.
