Item 8.01 Other Events.

On April 24, 2012, Biolase Technology, Inc. (the "Company") received notice that CAO Group, Inc. ("CAO") has filed a lawsuit against the Company in the United States District Court for the District of Utah. The complaint alleges patent infringement involving the Company's ezlase diode laser. As of the date of filing of this Current Report on Form 8-K, CAO has not served the complaint on the Company.

Although the Company intends to defend vigorously the allegations contained in the complaint, the outcome of litigation is inherently difficult to predict, so there can be no assurance that an unfavorable outcome would not have a material adverse effect on the operating results, liquidity, or financial position of the Company.
