Item 1.01 Entry into a Material Definitive Agreement.

On June 14, 2018, EastGroup Properties, Inc. and certain subsidiaries (the "Company"), entered into a Fourth Amended and Restated Credit Agreement (the "Revolving Facility") that replaced the Company's existing \$300 Million unsecured revolving credit facility. The Revolving Facility allows for borrowings in the aggregate principal amount of up to \$350 Million and borrowings will bear interest, at the Company's option, at the Base Rate Option (as defined in the Loan Agreement) plus a margin of 0.00% to 0.55% or LIBOR plus a margin of 0.825% to 1.55%, in each case depending on the Company's credit ratings. The Revolving Facility initially bears interest at LIBOR plus 1.0% which is the equivalent of 3.05725% at June 14, 2018. The facility fee of the Revolving Facility may range between 0.125% to 0.30% per annum (currently 0.20%), also based upon the Company's credit ratings. The Revolving Facility includes a \$150 Million accordion amount and has an initial maturity date of July 30, 2022 with two six-month extensions at the Company's option. PNC Capital Markets LLC and Regions Capital markets are joint lead arrangers and joint bookrunners and PNC Bank, National Association is the administrative agent for the Revolving Facility, which includes Regions Bank, Bank of America, N.A., U.S. Bank National Association, Wells Fargo Bank, National Association, The Bank of New York Mellon, Trustmark National Bank, BankPlus and Raymond James Bank, N.A.

Financial covenants of the Revolving Facility require the Company to maintain (i) its ratio of total liabilities to total asset value at 60% or less, subject to certain exceptions, (ii) its secured debt to total asset value at 40% or less, (iii) a fixed charge coverage ratio of at least 1.50:1.00 and (iv) a ratio of unencumbered net operating income to total unsecured interest expense of at least 1.75:1.00. In addition, the Company may not pay dividends or make distributions with respect to its equity in excess of 90% of the Company's funds from operations, as defined, except to the extent necessary to enable EastGroup Properties, Inc. to continue to qualify as a REIT for Federal income tax purposes. These covenants and restrictions also limit the Company's ability to incur additional indebtedness, merge, consolidate or sell all or substantially all of its assets and enter into transactions with affiliates.

The Revolving Facility also includes customary events of default, including failure to pay principal, interest or fees when due, failure to comply with covenants, if any representations or warranty made by the Company is false or misleading in any material respect, default under certain other indebtedness, certain insolvency or receivership events affecting the Company and its subsidiaries, the occurrence of certain material judgments, or a change in control of the Company. The amounts outstanding under the Revolving Facility may be accelerated upon certain events of default.

Some of the lenders or their affiliates from time to time have provided in the past and may provide in the future commercial lending services to the Company and its affiliates in the ordinary course of business.

The foregoing summary description of the Revolving Facility does not purport to be complete and is qualified in its entirety by reference to the Fourth Amended and Restated Credit Agreement Dated June 14, 2018 among EastGroup Properties, L.P.; EastGroup Properties, Inc.; PNC Bank, National Association, as Administrative Agent; Regions Bank, as Syndication Agent, Wells Fargo Bank, National Association, Bank of America, N.A. and U.S. Bank National Association, as Co-Documentation Agents, PNC Capital Markets LLC and Regions Capital Markets, as Joint Lead Arrangers and Joint Bookrunners and the Lenders thereunder, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

See Item 1.01 above.

The Working Cash Line was extended under substantially the same terms and conditions as the Revolving Facility.
