Item 1.01. Entry into a Material Definitive Agreement.

On March 28, 2017, Core-Mark Holding Company, Inc. (the "Company") and its subsidiaries entered into a Tenth Amendment to its credit facility, which, after giving effect to the amendment, matures in March 2022. In addition to extending the maturity date, the amendment increases the size of the Company's credit facility from \$600 million to \$750 million. The amendment also includes an expansion feature to give the Company the option to further increase the size of the credit facility by an additional \$200 million to a total of \$950 million if exercised.

In addition to extending the maturity and increasing the size of the Company's credit facility, the amendment revises the formula for the Company's borrowing base to allow for additional borrowing against eligible inventory. The availability thresholds for the pricing grid under the credit facility were also revised to increase the amount of excess availability needed for the lower pricing tiers to apply. In addition, the pro forma availability tests relating to certain negative covenant baskets were revised to lower the proforma availability thresholds.

The foregoing description is not complete and is qualified in its entirety by reference to the full text of the Tenth Amendment which is filed as Exhibit 10.1 to this Form 8-K and incorporated herein by reference.
