FORWARD-LOOKING STATEMENTS

This Prospectus, together with the documents incorporated by reference herein, contain statements about expected future events and financial and operating results of TELUS that are forward-looking. 2

risks and uncertainties. There is significant risk that predictions, assumptions (see below) and other forward-looking statements will not prove to be accurate. Readers of this document are cautioned not to place undue reliance on forward-looking statements as a number of factors could cause actual future results, conditions, actions or events to differ materially from financial and operating targets, expectations, estimates or intentions expressed in the forward-looking statements.

Assumptions underlying these statements about expected future events and financial and operating results include: economic growth consistent with recent provincial and national estimates by the Conference Board of Canada, including 2007 real GDP (gross domestic product) growth of approximately 2.5% in Canada; increased wireline competition in both business and consumer markets, particularly from cable-TV and voice over Internet Protocol (VoIP) companies; forbearance for local retail wireline services in major urban incumbent markets by the second half of 2007; no further price cap mandated consumer price reductions; a wireless industry market penetration gain of 4.5 to five percentage points; restructuring expenses not to exceed \$35 million; statutory tax rate of 33 to 34%; a discount rate of 5.0% and an expected long-term average return of 7.25% for pension accounting, unchanged from 2006; average shares outstanding of 330 to 335 million shares; and no prospective significant acquisitions or divestitures. Earnings per share, cash balances, net debt and common equity may be affected by the potential purchases of up to 24 million TELUS shares over a 12-month period under the normal course issuer bid that commenced December 20, 2006.

Factors that could cause actual results to differ materially include but are not limited to: competition; economic growth and fluctuations (including pension performance, funding and expenses); capital expenditure levels (including possible spectrum asset purchases); financing and debt requirements (including share repurchases); tax matters (including acceleration or deferral of required payments of significant amounts of cash taxes); human resource developments (including possible labour disruptions); technology (including reliance on systems and information technology); regulatory developments (including local forbearance, wireless number portability, the timing, rules, process and cost of future spectrum auctions, and possible changes to foreign ownership restrictions); process risks (including internal reorganizations, conversion of legacy systems and billing system integrations); health, safety and environmental developments; litigation and legal matters; business continuity events (including manmade and natural threats); any prospective acquisitions or divestitures; and other risk factors discussed in the applicable Prospectus Supplement and in the documents incorporated by reference herein and therein, and listed from time to time in TELUS reports, public disclosure documents or other filings with securities commissions in Canada (filed on SEDAR at www.sedar.com) and the United States (filed on EDGAR at www.sec.gov).

The Trust Indenture contains provisions to the effect that the Company will not, nor will it permit any Restricted Subsidiary (as defined below) to create or assume any Lien (as defined below) upon any present or future Principal Property (as defined below), or any Property (as defined below) which, together with any other Property subject to Liens in the same transaction or a series of related transactions, would in the aggregate constitute a Principal Property, of the Company or any Restricted Subsidiary, to secure Indebtedness (as defined below) of the Company or a Restricted Subsidiary unless the Debt Securities, other than Debt Securities which by their terms do not have the benefit of the Negative Pledge (together with, if the Company shall so determine, any other Indebtedness of the Company or any Restricted Subsidiary ranking at least equally with the Debt Securities then existing or thereafter created), shall be concurrently secured equally and ratably with (or prior to) such other Indebtedness so long as such Lien is outstanding.

The restrictions set forth above shall not apply to Permitted Liens, which are defined in the Trust Indenture to include:

- (i) with respect to any series of Debt Securities, Liens existing on the Closing Date (as defined below) for such series;
- (ii) Liens on any Property of any Person existing at the time such Person becomes a Restricted Subsidiary, or at the time such Person amalgamates or merges with the Company or a Restricted Subsidiary, which Liens are not created in contemplation of such Person becoming a Restricted Subsidiary or effecting such amalgamation or merger;
- (iii) Liens on any Property existing at the time such Property is acquired by the Company or a Restricted Subsidiary, or Liens to secure the payment of all or any part of the purchase price of such Property upon the acquisition of such Property by the Company or a Restricted Subsidiary or to secure any Indebtedness incurred prior to, at the time of, or within 270 days after, the later of the date of acquisition of such Property and the date such Property is placed in service, for the purpose of financing all or any part of the purchase price thereof, or Liens to secure any Indebtedness incurred for the purpose of financing the cost to the Company or a Restricted Subsidiary of improvements to such acquired Property or to secure any indebtedness incurred for the purpose of financing all or any part of the purchase price or the cost of construction of the Property subject to such Liens;
- (iv) Liens securing any Indebtedness of a Restricted Subsidiary owing to the Company or to another Restricted Subsidiary;

- (v) Liens on Property of the Company or a Restricted Subsidiary securing indebtedness or other obligations issued by Canada or the United States of America or any state or any department, agency or instrumentality or political subdivision of Canada or the United States of America or any state, or by any other country or any political subdivision of any other country, for

- the purpose of financing all or any part of the purchase price of, or, in the case of real property, the cost of construction on or improvement of, any property or assets subject to the Liens, including Liens incurred in connection with pollution control, industrial revenue or similar financings;
- (vi) Liens securing any extension, renewal or replacement (or successive extensions, renewals or replacements) in whole or in part of any Permitted Lien pursuant to the Trust Indenture; provided, however, that such new Lien is limited to the Property which was subject to the prior Lien immediately before such extension, renewal or replacement, and provided, further, that the principal amount of Indebtedness secured by the prior Lien immediately prior to such extension, renewal or replacement is not increased;
 - (vii) any other Liens not otherwise qualifying as a Permitted Lien provided that, at the applicable time, the aggregate principal amount of the Indebtedness secured by all such other Liens, when added to the Attributable Debt determined at such time of the then outstanding Unrestricted Sale and Lease-Back Transactions (as defined below) to which the Company or a Restricted Subsidiary is a party, does not exceed 15% of the then applicable Consolidated Net Tangible Assets (as defined below);
 - (viii) any interest or title of a lessor in the property subject to any capitalized lease or operating lease; and
 - (ix) any other Liens identified in the Prospectus Supplement relating to the series of Debt Securities issued.

Limitation on Sale and Lease-Back Transactions

- (i) any Sale and Lease-Back Transaction constituting a Permitted Lien under the Trust Indenture (other than clause (vii) or (viii)); or
- (ii) any Sale and Lease-Back Transaction that is not otherwise permitted under clause (i) above or (iii) below, and in respect of which the Company or such Restricted Subsidiary would be entitled, in the manner described under Negative Pledge above, to incur Indebtedness secured by a Lien on the applicable Property at least equal in amount to the Attributable Debt in respect of such Sale and Lease-Back Transaction without equally and ratably securing the Debt Securities (any Sale and Lease-Back Transaction entered into in compliance with this paragraph being an Unrestricted Sale and Lease-Back Transaction); or
- (iii) any Sale and Lease-Back Transaction if the Company or such Restricted Subsidiary shall apply or cause to be applied, in the case of such sale or transfer for cash, an amount equal to the greater of the fair market value of the Principal Property sold or transferred and leased back pursuant to such Sale and Lease-Back Transaction or the net proceeds of such Sale and Lease-Back Transaction and, in the case of such sale or transfer otherwise

Modification of the Trust Indenture

With certain exceptions, the Trust Indenture, the rights and obligations of the Company and the rights of the holders of a particular series of Debt Securities may be modified by the Company with the consent of the holders of not less than a majority in aggregate principal amount of such series of Debt Securities or a majority in principal amount of such series voted at a duly constituted meeting; but no such modification may be made which would: (i) reduce in any manner the amount of, or change the currency of payment of, or delay the time of any payments (whether of principal, premium, interest or otherwise); (ii) change the definition of or the manner of calculating amounts (including any change in the applicable rate or rates of interest) to which any holder is entitled; or (iii) reduce the above-stated percentage of Debt Securities of such series, in each case without the consent of the holder of each Debt Security of such series so affected or the consent of 100% of the principal amount of such the Debt Securities of such series voted at a duly constituted meeting.

Events of Default

The Trust Indenture provides that any one or more of the following events shall constitute an event of default with respect to any series of Debt Securities thereunder: (i) a default in the payment by the Company of the principal of (or premium, if any, on) any Debt Securities of such series when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise, or in any obligation to repurchase Debt Securities of such series when required pursuant to the Indenture; (ii) a default in the payment by the Company of interest on any Debt Securities of such series when the same becomes due and payable, and such default continues for a period of 30 days; (iii) default by the Company in the performance of or breach of any other covenant or agreement of the Company with respect to such series of Debt Securities and such default or breach continues for a period of 60 days after written notice to the Company by the Trustee or the holders of 25% or more in aggregate principal amount of the outstanding Debt Securities of such series; (iv) if any representation or warranty made by the Company in relation to a series of Debt Securities was incorrect in any material respect when made and, if it is capable of being corrected, such misrepresentation is not corrected within 60 days after written notice to the Company by the Trustee or the holders of 25% or more in aggregate principal amount of the outstanding Debt Securities of such series; (v) any failure by the Company or any Subsidiary to pay when due or within any applicable grace period, any payment of Indebtedness of the Company or any Subsidiary in an aggregate principal amount in excess of US\$75 million (or its equivalent in any other currency or currencies), or any default occurs in respect of any Indebtedness of the Company or any Subsidiary in respect of any series of Debt Securities having an aggregate principal amount exceeding US\$75 million (or its equivalent in any other currency or currencies) after the expiration of any applicable grace period, if such default has resulted in such Indebtedness in excess of such aggregate principal amount becoming due prior to its stated maturity; (vi) a distress, attachment, execution or other similar legal process for any amount exceeding US\$75 million (or its equivalent in any other currency or currencies) is levied or enforced against any part of the Property of the Company or any Subsidiary and is not paid out, satisfied or withdrawn within 60 days of the date of such levy or enforcement; or (vii) certain events of bankruptcy,

9

insolvency or reorganization of the Company or any Subsidiary. The Company is required to file with the Trustee an annual officers' certificate as to the absence of certain defaults under the Trust Indenture.

The Trust Indenture provides that if an event of default (other than an event of default specified in clause (vii) above in relation to the Company) shall occur and be continuing with respect to a series of Debt Securities issued thereunder, the Trustee may in its discretion and shall upon request of the holders of not less than 25% in principal amount of the outstanding Debt Securities of such series declare the principal of, together with accrued interest on, all Debt Securities of such series to be due and payable. In certain cases, the holders of a majority in aggregate principal amount of such series of Debt Securities or a majority in principal amount of such series voted at a duly constituted meeting may on behalf of the holders of all such Debt Securities waive any past default or event of default and rescind and annul any such declaration and its consequences.

The Trust Indenture further provides that if an event of default specified in clause (vii) in relation to the Company occurs, the principal of and any accrued interest on the Debt Securities then outstanding shall become immediately due and payable; provided however that at any time after an automatic acceleration with respect to the Debt Securities has been made, the holders of a majority in aggregate principal amount of such series of Debt Securities or a majority in principal amount of such series voted at a duly constituted meeting may, under certain circumstances, rescind and annul such acceleration and its consequences.

The Trust Indenture contains a provision entitling the Trustee, subject to its duty during a default to act with the required standard of care, to be indemnified by the holders of Debt Securities of such series before proceeding to exercise any right or power under the Trust Indenture at the request of such holders. The Trust Indenture provides that no holder of Debt Securities of any series may pursue a remedy with respect to the Trust Indenture except in the case of failure of the Trustee to act.

Defeasance

Defeasance of Certain Obligations

If the supplement to the Trust Indenture provides, the Company may elect, with respect to any series of Debt Securities, either to be discharged from its obligations or to be released from its obligations to comply with the terms, provisions or conditions relating to the negative pledge, the restriction on Sale and Lease-Back Transactions, the restrictions on amalgamations described below, any other covenants or any event of default

Other Defeasance Arrangements

If so described in the Prospectus Supplement related to Debt Securities of a specific series, the Company may enter into certain other arrangements providing for the due payment and ultimate satisfaction of its obligations with respect to such series of Debt Securities by the deposit with the Trustee of funds or obligations of the type referred to under "Defeasance of Certain Obligations". The Prospectus Supplement will more fully describe the provisions, if any, relating thereto.

DESCRIPTION OF SHARE CAPITAL

General

The following sets forth the terms and provisions of the existing capital of the Company. The particular terms and provisions of the Equity Securities offered by a Prospectus Supplement and the extent to which these general terms and provisions apply will be described in such Prospectus Supplement. The Company is authorized under its Notice of Articles to issue up to 1,000,000,000 shares of each class of first preferred shares (the *First Preferred Shares*), second preferred shares (the *Second Preferred Shares*), non-voting shares (the *Non-Voting Shares*) or common shares (the *Common Shares*). Certain of the rights and attributes of each class are described below.

First Preferred Shares

Shares Issuable in Series

The First Preferred Shares may be issued at any time or from time to time in one or more series. Before any shares of a series are issued, the Board of Directors of the Company shall fix the number of shares that will form such series and shall, subject to the limitations set out in the articles of the Company, determine the designation, rights, privileges, restrictions and conditions to be attached to the First Preferred Shares of such series, except that no series shall be granted the right to vote at a general meeting of the shareholders of the Company or the right to be convertible or exchangeable for Common Shares, directly or indirectly.

Priority

The First Preferred Shares of each series shall rank on a parity with the First Preferred Shares of every other series with respect to dividends and return of capital and shall be entitled to a preference over the Second Preferred Shares and the Common Shares and Non-Voting Shares and over any other shares ranking junior to the First Preferred Shares with respect to priority in payment of dividends and in the distribution of assets in the event of liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding-up its affairs.

Voting Rights

Except as required by law, holders of the First Preferred Shares as a class shall not be entitled to receive notice of, to attend or to vote at any meeting of the shareholders of the Company, provided that the rights, privileges, restrictions and conditions attached to the First Preferred Shares as a class may be added to, changed or removed only with the approval of the holders of the First Preferred Shares given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by the holders of not less than two-thirds of the First Preferred Shares then outstanding, or passed by an affirmative vote of at least two-thirds of the votes cast at a meeting of the holders of the First Preferred Shares duly called for that purpose.

Second Preferred Shares

Shares Issuable in Series

The Second Preferred Shares may be issued at any time or from time to time in one or more series. Before any shares of a series are issued, the Board of Directors of the Company shall fix the number of shares that will form such series and shall, subject to the limitations set out in the articles of the Company, determine the designation, rights, privileges, restrictions and conditions to be attached to the Second Preferred Shares of such series, except that no series shall be granted the right to vote at a general meeting of the shareholders of the Company or the right to be convertible or exchangeable for Common Shares, directly or indirectly.

Priority

The Second Preferred Shares of each series shall rank on a parity with the Second Preferred Shares of every other series with respect to dividends and return of capital and shall, subject to the prior rights of the holders of the First Preferred Shares, be entitled to a preference over the Common Shares and the Non-Voting Shares and over any other shares ranking junior to the Second Preferred Shares with respect to priority in payment of dividends and in the distribution of assets in the event of liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding-up its affairs.

Voting Rights

Except as required by law, holders of the Second Preferred Shares as a class shall not be entitled to receive notice of, to attend or to vote at any meeting of the shareholders of the Company, provided that the rights, privileges, restrictions and conditions attached to the Second Preferred Shares as a class may be added to, changed or removed only with the approval of the holders of the Second Preferred Shares given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by the holders of not less than two-thirds of the Second Preferred Shares then outstanding, or passed by an affirmative vote of at least two-thirds of the votes cast at a meeting of the holders of the Second Preferred Shares duly called for that purpose.

Common Shares and Non-Voting Shares

Priority

The holders of Common Shares and Non-Voting Shares shall be entitled to participate equally with each other as to dividends and the Company shall pay dividends thereon, as and when declared by the Board of Directors of the Company out of monies properly applicable to the payment of dividends, in amounts per

share and at the same time on all such Common Shares and Non-Voting Shares at the time outstanding as the Board of Directors of the Company may from time to time determine. In the event of the liquidation, dissolution or winding-up of the Company or other distribution of assets of the Company among its shareholders for the purpose of winding-up its affairs, all the property and assets of the Company which remain after payment to the holders of any shares ranking in priority to the Common Shares and Non-Voting Shares in respect of payment upon

liquidation, dissolution or winding-up of all amounts attributed and properly payable to such holders of such other shares in the event of such liquidation, dissolution or winding-up or distribution, shall be paid and distributed equally, share for share, to the holders of the Common Shares and the Non-Voting Shares, without preference or distinction.

Voting Rights

The holders of the Common Shares shall be entitled to receive notice of and to attend (in person or by proxy) and be heard at all general meetings of the shareholders of the Company (other than separate meetings of the holders of shares of any other class of shares of the Company or any other series of shares of such other class of shares) and to vote at all such general meetings with each holder of Common Shares being entitled to one vote per Common Share held at all such meetings. The holders of Non-Voting Shares shall be entitled to receive notice of and to attend (in person or by proxy) and be heard at all general meetings of the shareholders of the Company (other than at separate meetings of the holders of shares of any other class of shares of the Company or of shares of any other series of shares of any such other class of shares other than the Common Shares) and shall be entitled to receive all notices of meetings, information circulars and other written information from the Company that the holders of Common Shares are entitled to receive from the Company but not to vote at such general meetings, unless otherwise required by law.

Anti-Dilution

Neither the Common Shares nor the Non-Voting Shares shall be subdivided, consolidated, reclassified or otherwise changed unless contemporaneously therewith the other class is subdivided, consolidated, reclassified or otherwise changed in the same proportion and in the same manner.

Non-Voting Share Conversion Rights

In the event an offer is made to purchase Common Shares that (i) must, by reason of applicable securities legislation or the requirements of a stock exchange on which the Common Shares are listed, be made to all or substantially all of the holders of Common Shares who are in a province of Canada to which the requirement applies, and (ii) is not made concurrently with an offer to purchase Non-Voting Shares that is identical to the offer to purchase Common Shares in terms of price per share and percentage of outstanding shares to be taken up exclusive of shares owned immediately prior to the offer by the Offeror (as defined in the articles of the Company), and in all other material respects, and that has no condition attached thereto other than the right not to take up and pay for shares tendered if no shares are purchased pursuant to the offer for Common Shares, then each outstanding Non-Voting Share shall be convertible into one fully paid and non-assessable Common Share at the option of the holder thereof exercisable during the period commencing on the eighth day after the date on which the offer to purchase Common Shares was made or deemed to be made and expiring on the expiry date of such offer.

If all of the Telecommunications Regulations, the Radiocommunication Regulations and the Broadcasting Direction (each as defined below) are changed so that there is no restriction on any non-Canadians (as defined in the Telecommunications Regulations or the Broadcasting Direction, as applicable) holding Common Shares in the Company and no requirement that Canadians (as defined in the Radiocommunication Regulations) hold Common Shares in the Company, a holder of one or more Non-

Voting Shares shall have the right, at his or her option, at any time after the date of the last to change of the Telecommunications Regulations, the Radiocommunication Regulations and the Broadcasting Direction; and prior to the closing of business 90 days thereafter (the Regulatory Conversion Period) to convert any one or more of such Non-Voting Shares into Common Shares on a one-for-one basis. If all of the Telecommunications Regulations, the Radiocommunication Regulations and the Broadcasting Direction are changed so that there is no restriction on any non-Canadians (as defined in the Telecommunications Regulations and the Broadcasting Direction, as applicable) holding Common Shares in the Company and no requirement that Canadians (as defined in the Radiocommunication Regulations) hold Common Shares in the Company and following the Regulatory Conversion Period there are Non-Voting Shares still outstanding, all holders of Non-Voting Shares shall be deemed to have exercised their right to convert the Non-Voting Shares held by them into Common Shares upon receipt by all of the holders of written notice by the Company stating that the Company is requiring all holders to convert their Non-Voting Shares to Common Shares on the date specified in such notice. Telecommunications Regulations mean the Canadian Telecommunication Common Carrier

Ownership and Control Regulations made pursuant to the *Telecommunications Act* (Canada); Radiocommunication Regulations mean the Regulations respecting Radiocommunications, Radio Authorizations, Exemptions from Authorizations and the Operation of Radio Apparatus, Radio-Sensitive Equipment and Interface Causing Equipment, P.C. 1996 1679 5 November, 1996, as amended or replaced from time to time, whether by statute, regulation, direction or by any other form of legislative instrument, and includes any licences under the *Radiocommunication Act* (Canada) held by entities controlled (as defined in the foregoing Regulations) by the Company; and Broadcasting Direction means the Direction to the Canadian Radio-television and Telecommunications Commission (Ineligibility of Non-Canadians) P.C. 1997 486 8 April 1997, as amended from time to time and any replacement direction or regulation under the *Broadcasting Act* (Canada) or any other form of legislative instrument, with respect thereto.

Common Share Conversion Right

The Company shall provide notice to each holder of Common Shares at least 10 days before the record date in respect of each general meeting of shareholders of the Company at which the holders of the Non-Voting Shares will be entitled to vote as a class. In such event and to the extent that, after taking into account the conversion, the class of persons, each of whom is a non-Canadian as defined in the Telecommunications Regulations or the Broadcasting Direction, or is not a Canadian as defined in the Radiocommunication Regulations (the Constrained Class), would continue to hold no more than the maximum number of Common Shares that may be owned and controlled by persons in the Constrained Class in accordance with the Telecommunications Regulations, the Radiocommunication Regulations or the Broadcasting Directions, whichever is the lowest so that, when added to all other voting shares (as defined in the Telecommunications Regulations, the Radiocommunication Regulations or the Broadcasting Direction, as the case may be) owned or controlled by the Constrained Class, the Company will be and will continue to be a qualified corporation as defined in the Telecommunications Regulations, a corporation that is Canadian (as defined in the Radiocommunication Regulations) that controls (as defined in the Radiocommunication Regulations) a person or entity that holds licences under the *Radiocommunication Act* (Canada) and a corporation that is qualified under the Broadcasting Direction to be the parent of a corporation that is a qualified corporation as defined in the Broadcasting Direction, each outstanding Common Share shall be convertible into one Non-Voting Share on a one-for-one basis.

Ownership and Voting Restrictions

Non-Canadian shareholders shall not beneficially own or control, other than by way of security only, more than 33 1/3% (or such other percentage as may then be prescribed by the Telecommunications Regulations, the Radiocommunication Regulations or the Broadcasting Directions, whichever is the

16

lowest percentage, as the percentage of voting shares that may be beneficially owned or controlled, by non-Canadians, in order for a corporation to be a qualified corporation as defined in the Telecommunications Regulations, a corporation that is Canadian (as defined in the Radiocommunication Regulations) that controls (as defined in the Radiocommunication Regulations) a person or entity that holds licences under the *Radiocommunication Act* (Canada) and a corporation that is qualified under the Broadcasting Direction to be the parent of a corporation that is a qualified corporation as defined in the Broadcasting Direction, provided that if no such percentage is prescribed the relevant percentage shall be deemed to be 100% (the Restricted Percentage) of the issued and outstanding Common Shares of the Company (the Non-Canadian Share Constraint). In the event that it appears from the central securities register of the Company that, or in the event of a Directors determination (as provided for in the articles of the Company) that there is a contravention of the Non-Canadian Share Constraint: (a) the Company may pursuant to a Directors determination make a public announcement, whether by press release, newspaper advertisements or otherwise, reasonably expected to inform the markets in which voting shares are traded of the contravention; and (b) the Company may refuse to (i) accept any subscription for voting shares from any non-Canadian, (ii) issue any voting shares to any non-Canadian, (iii) register or otherwise recognize the transfer of any voting shares from any Canadian to any non-Canadian, or (iv) purchase or otherwise acquire any voting shares, except as provided in the articles of the Company.

In the event of a Directors determination that there is a contravention of the Non-Canadian Share Constraint and that to do so would be practicable and would not be unfairly prejudicial to, and would not unfairly disregard the interests of, persons beneficially owning or controlling voting shares who are non-Canadians, the Company shall send a disposition notice to the registered holders of such of those voting shares as

shall be chosen on the basis of inverse order of registration of all non-Canadians. The Company may, by Directors' determination, suspend all rights of a shareholder to vote that would otherwise be attached to any voting shares beneficially owned, or controlled, by non-Canadians so that the proportion of the voting shares beneficially owned, or controlled, or considered by the Telecommunications Regulations, the Radiocommunication Regulations or the Broadcasting Direction to be beneficially owned, or controlled, by non-Canadians and with respect to which voting rights are not suspended is reduced to not more than the Restricted Percentage of the total issued and outstanding voting shares of the Company. Any disposition notice required to be sent to a registered holder of shares pursuant to the foregoing shall, among other things: (a) specify a date, which shall not be less than 60 days, after the date of the disposition notice, by which the excess voting shares are to be sold or otherwise disposed of or, if the Directors determine it to be in the interest of the Company to permit a conversion, converted into Non-Voting Shares; and (b) state that unless (i) the registered holder either sells or otherwise disposes of or converts the excess voting shares into Non-Voting Shares by the date specified in the disposition notice on a basis that does not result in any contravention of the Non-Canadian Share Constraint and provides to the Company written evidence satisfactory to the Company of such sale, other disposition or conversion, or (ii) provides written evidence satisfactory to the Company that no such sale, other disposition or conversion of excess voting shares is required, such default shall result in the consequence of suspension of voting rights and may result in a consequence of sale or conversion or repurchase or redemption and the disposition notice shall specify in reasonable detail the nature and timing of those consequences.

TELUS Rights Plan

TELUS adopted the Rights Plan in March 2000 and issued one right (a Series A Right) in respect of each Common Share outstanding as at such date and issued one right (a Series B Right) in respect of each Non-Voting Share outstanding as of such date. The Rights Plan has a term of 10 years subject to shareholder confirmation every three years. The Rights Plan was amended and confirmed as amended by the shareholders in 2003 and in May 2005. As currently stated, the Rights Plan will again require confirmation in 2008. Each Series A Right, other than those held by an Acquiring Person (as defined in

17

the Rights Plan) and certain of its related parties, entitles the holder in certain circumstances following the acquisition by an Acquiring Person of more than 20% of the voting shares of TELUS (otherwise than through the Permitted Bid requirements of the Rights Plan) to purchase from TELUS \$320 worth of Common Shares for \$160 (i.e., at a 50% discount). Each Series B Right, other than those held by an Acquiring Person (as defined in the Rights Plan) and certain of its related parties, entitles the holder in certain circumstances following the acquisition by an Acquiring Person of 20% or more of the voting shares of TELUS (otherwise than through the Permitted Bid requirements of the Rights Plan) to purchase from TELUS \$320 worth of Non-Voting Shares for \$160 (i.e., at a 50% discount).

The following sets forth certain general terms and provisions of the Warrants offered under this Prospectus. The specific terms of the Warrants, and the extent to which the general terms described in this section apply to those Warrants, will be set forth in the applicable Prospectus Supplement.

- (vi) the date or dates, if any, on or after which the Debt Warrants and the related securities will be transferable separately;

DESCRIPTION OF SHARE PURCHASE CONTRACTS

AND SHARE PURCHASE OR EQUITY UNITS

The Company may issue share purchase contracts, including contracts obligating holders to purchase from the Company, and the Company to sell to the holders, a specified number of Equity Securities, at a future date or dates, or similar contracts issued on a prepaid basis (in each case, Share Purchase

19

Contracts). The price per Equity Security and the number of Equity Securities may be fixed at the time the Share Purchase Contracts are issued or may be determined by reference to a specific formula set forth in the Share Purchase Contracts. The Share Purchase Contracts will require either the share purchase price be paid at the time the Share Purchase Contracts are issued or that payment be made at a specified future date. The Share Purchase Contracts may be issued separately or as part of units consisting of a Share Purchase Contract and Debt Securities or obligations of third parties (including U.S. treasury securities) (the Share Purchase or Equity Units), and may, or may not serve as collateral for a holder's obligations. The Share Purchase Contracts may require holders to secure their obligations thereunder in a specified manner. The Share Purchase Contracts also may require the Company to make periodic payments to the holders of the Share Purchase Contracts or *vice versa*, and such payments may be unsecured or refunded on some basis.

The applicable Prospectus Supplement will describe the terms of the Share Purchase Contracts or Share Purchase or Equity Units. The description in the Prospectus Supplement will not necessarily be complete, and reference will be made to the Share Purchase Contracts, and, if applicable, collateral, depository or custodial arrangements, relating to the Share Purchase Contracts or Share Purchase or Equity Units. Material United States and Canadian federal income tax considerations applicable to the holders of the Share Purchase or Equity Units and the Share Purchase Contracts will also be discussed in the applicable Prospectus Supplement.

DENOMINATIONS, REGISTRATION AND TRANSFER

The Securities will be issued in fully registered form without coupons attached in either global or definitive form and in denominations and integral multiples as set out in the applicable Prospectus Supplement (unless otherwise provided with respect to a particular series of Debt Securities pursuant to the provisions of the Trust Indenture, as supplemented by a supplemental indenture). Other than in the case of book-entry only securities, Securities may be presented for registration of transfer (with the form of transfer endorsed thereon duly executed) in the city specified for such purpose at the office of the registrar or transfer agent designated by the Company for such purpose with respect to any issue of Securities referred to in the Prospectus Supplement. No service charge will be made for any transfer, conversion or exchange of the Securities but the Company may require payment of a sum to cover any transfer tax or other governmental charge payable in connection therewith. Such transfer, conversion or exchange will be effected upon such registrar or transfer agent being satisfied with the documents of title and the identity of the Person making the request. If a Prospectus Supplement refers to any registrar or transfer agent designated by the Company with respect to any issue of Securities, the Company may at any time rescind the designation of any such registrar or transfer agent and appoint another in its place or approve any change in the location through which such registrar or transfer agent acts.

In the case of book-entry only securities, a global certificate or certificates representing the Securities will be held by a designated depository for its participants. The Securities must be purchased or transferred through such participants, which includes securities brokers and dealers, banks and trust companies. The depository will establish and maintain book-entry accounts for its participants acting on behalf of holders of the Securities. The interests of such holders of Securities will be represented by entries in the records maintained by the participants. Holders of Securities issued in book-entry only form will not be entitled to receive a certificate or other instrument evidencing their ownership thereof, except in limited circumstances. Each holder will receive a customer confirmation of purchase from the participants from which the Securities are purchased in accordance with the practices and procedures of that participant.

20

RISK FACTORS

Prospective investors in the Securities should consider carefully the matters set forth in any of the sections entitled Risks and Risk Management in the MD&A and in the Interim MD&A, each of which is being incorporated herein by reference.

PLAN OF DISTRIBUTION

The Company may sell the Securities to or through underwriters or dealers, and also may sell Securities to one or more other purchasers directly or through agents. Each Prospectus Supplement will set forth the terms of the offering, including the name or names of any underwriters or agents, the purchase price or prices of the Securities and the proceeds to the Company from the sale of the Securities.

Edgar Filing: TELUS CORP - Form F-10

The Securities may be sold, from time to time in one or more transactions at a fixed price or prices which may be changed or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

Underwriters, dealers and agents who participate in the distribution of the Securities may be entitled under agreements to be entered into with the Company to indemnification by the Company against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters, dealers or agents may be required to make in respect thereof. Such underwriters, dealers and agents may be customers of, engage in transactions with, or perform services for, the Company in the ordinary course of business.

In connection with any offering of Securities, the underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Securities offered at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time.

LEGAL MATTERS

Certain legal matters in connection with any offering hereunder will be passed upon by Bennett Jones LLP, Toronto, Ontario and by Skadden, Arps, Slate, Meagher & Flom LLP, New York, New York for the Company. The partners and associates of such law firms as a group beneficially own, directly or indirectly, less than one percent of the outstanding securities of the Company.

PURCHASERS' STATUTORY RIGHTS

Securities legislation in certain of the provinces of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment. In several of the provinces, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, damages, if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province for the particulars of these rights or consult with a legal adviser. Rights and remedies also may be available to purchasers under U.S. law; purchasers may wish to consult with a U.S. lawyer for particulars of these rights.

160 Subject to section 163, a company may do one or both of the following:

- (a) indemnify an eligible party against all eligible penalties to which the eligible party is or may be liable;
- (b) after the final disposition of an eligible proceeding, pay the expenses actually and reasonably incurred by an eligible party in respect of that proceeding.

161 Subject to section 163, a company must, after the final disposition of an eligible proceeding, pay the expenses actually and reasonably incurred by the eligible party in respect of that proceeding if the eligible party

- (a) has not been reimbursed for those expenses, and
- (b) is wholly successful, on the merits or otherwise, in the outcome of the proceeding or is substantially successful on the merits in the outcome of the proceeding.

162 (1) Subject to section 163 and subsection (2) of this section, a company may pay, as they are incurred in advance of the final disposition of an eligible proceeding, the expenses actually and reasonably incurred by an eligible party in respect of that proceeding.

(2) A company must not make the payments referred to in subsection (1) unless the company first receives from the eligible party a written undertaking that, if it is ultimately determined that the payment of expenses is prohibited by section 163, the eligible party will repay the amounts advanced.

163 (1) A company must not indemnify an eligible party under section 160 (a) or pay the expenses of an eligible party under section 160 (b), 161 or 162 if any of the following circumstances apply:

- (a) if the indemnity or payment is made under an earlier agreement to indemnify or pay expenses and, at the time that the agreement to indemnify or pay expenses was made, the company was prohibited from giving the indemnity or paying the expenses by its memorandum or articles;
- (b) if the indemnity or payment is made otherwise than under an earlier agreement to indemnify or pay expenses and, at the time that the indemnity or payment is made,

II-1

the company is prohibited from giving the indemnity or paying the expenses by its memorandum or articles;

- (c) if, in relation to the subject matter of the eligible proceeding, the eligible party did not act honestly and in good faith with a view to the best interests of the company or the associated corporation, as the case may be;
- (d) in the case of an eligible proceeding other than a civil proceeding, if the eligible party did not have reasonable grounds for believing that the eligible party's conduct in respect of which the proceeding was brought was lawful.

(2) If an eligible proceeding is brought against an eligible party by or on behalf of the company or by or on behalf of an associated corporation, the company must not do either of the following:

- (a) indemnify the eligible party under section 160 (a) in respect of the proceeding;
- (b) pay the expenses of the eligible party under section 160 (b), 161 or 162 in respect of the proceeding.

Article 20 of the Articles of the Registrant provides as follows:

20.2 Mandatory Indemnification of Eligible Parties

Subject to the Business Corporations Act, the Company must indemnify an eligible party and his or her heirs and legal personal representatives against all eligible penalties to which such person is or may be liable, and the Company must, after the final disposition of an eligible proceeding, pay the expenses actually and reasonably incurred by such person in respect of that proceeding. Each eligible person is deemed to have contracted with the Company on the terms of the indemnity contained in this Article 20.2.

The Company may purchase and maintain insurance for the benefit of any person (or his or her heirs or legal personal representatives) who:

- (1) is or was a director, officer, employee or agent of the Company;

To the extent permitted by law, the Company has entered into an indemnification agreement with its directors for liabilities incurred while performing their duties. The Company also maintains Directors & Officers Liability and Fiduciary Liability insurance which protect

II-3

individual directors and officers and the Company against claims made, provided they acted in good faith on behalf of the Company, subject to policy restrictions.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is therefore unenforceable.
