Each of the following shall constitute an “Event of Default” under the respective Indenture for the Notes:

- (i) failure to pay principal of or premium on any Note of that series on the date such amount is due and payable, upon optional redemption, acceleration or otherwise;
- (ii) failure to pay interest on any Note of that series within 30 calendar days after the due date for such payment;
- (iii) failure by Sinopec Capital (2013) or the Company to comply with its obligations under the covenants described under “— Certain Covenants — Consolidation, Merger and Sale of Assets,” “— Repurchase upon a Change of Control Triggering Event” or “— Repurchase upon Occurrence of Certain Events” in the section entitled “Description of the Notes” in the Offering Memorandum;
- (iv) failure to perform any other covenant or agreement of the Company or Sinopec Capital (2013) in the respective Indenture, and such failure continues for 60 days after there has been given, by registered or certified mail, to the Company or Sinopec Capital (2013), as the case may be, by the Trustee or by the holders of at least 25% in aggregate principal amount of the Notes of that series then outstanding (with a copy to the Trustee) a written notice specifying such failure and requiring it to be remedied and stating that such notice is a “Notice of Default” under the Indenture;
- (v) the Guarantees shall cease to be in full force or effect or the Company shall deny or disaffirm its obligations under the Guarantees;
- (vi) if any regulatory, legislative, executive, judicial or constitutional authorization necessary to enable Sinopec Capital (2013) or the Company to perform their respective obligations under the Notes and the Guarantees or the Indentures cease to remain in full force and effect or at any time it otherwise becomes unlawful for the Company or Sinopec Capital (2013) to perform any of its payment obligations under the Indentures, the Guarantees or the Notes;
- (vii) (a) failure to pay upon final maturity (after giving effect to the expiration of any applicable grace period therefor) the principal of any Indebtedness of the Company, Sinopec Capital (2013) or any Principal Subsidiary, (b) acceleration of the maturity of any Indebtedness of the Company, Sinopec Capital (2013) or any Principal Subsidiary following a default by the Company, Sinopec Capital (2013) or such Principal Subsidiary, if such Indebtedness is not discharged, or such acceleration is not annulled, within 10 calendar days after receipt by the

Trustee of the written notice from the Company or Sinopec Capital (2013) as provided in the respective Indenture, or (c) failure to pay any amount payable by the Company, Sinopec Capital (2013) or any Principal Subsidiary under any guarantee or indemnity in respect of any Indebtedness of any other Person if such obligation is not discharged or otherwise satisfied within 10 calendar days after receipt by the Trustee of written notice as provided in the respective Indenture; provided, however, that no such event set forth in clause (a), (b) or (c) shall constitute an Event of Default unless the aggregate outstanding Indebtedness to which all such events relate exceeds the higher of US\$100,000,000 (or its equivalent in any other currency) and 1.0% of the Guarantor's Total Equity;

(ix) certain events in bankruptcy, insolvency or reorganization in respect of the Company, Sinopec Capital (2013) or any Principal Subsidiary as provided in the Indenture.

If an Event of Default (other than an Event of Default described in clause (ix) above) with respect to the Notes of that series shall occur and be continuing, either the Trustee or the holders of at least 25% in aggregate principal amount of the Notes of that series then outstanding by notice as provided in the respective Indenture may declare the principal amount of the Notes and any accrued and unpaid interest thereon to be due and payable immediately. If an Event of Default in clause (ix) above with respect to the Notes shall occur, the unpaid principal amount of all the Notes of that series and any accrued and unpaid interest thereon will automatically, and without any action by the Trustee or any holder of Notes of that series, become immediately due and payable. After any such acceleration but before a judgment or decree based on acceleration has been obtained, the holders of at least a majority in aggregate principal amount of the Notes of that series then outstanding may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal, have been cured or waived as provided in the respective Indenture.

Covenants

The Company will covenant in the Indentures, with certain exceptions, not to, and not permit Sinopec Capital (2013) or any Principal Subsidiary to, create, incur, assume or permit to exist certain liens upon any of its property or assets now owned or hereafter acquired, to secure any Indebtedness of the Company, Sinopec Capital (2013) or such Principal Subsidiary (or any guarantees or indemnity in respect thereof) unless certain conditions are satisfied. The Notes and the Indentures do not otherwise restrict or limit the Company's ability to incur additional indebtedness by itself or its subsidiaries or its ability to enter into transactions with, or to pay dividends or make other payments to, affiliates.

Redemption

At any time, Sinopec Capital (2013) as the issuer or the Company as the guarantor may at its option redeem the Notes, in whole or in part, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the applicable premium as of, and accrued and unpaid interest, if any, to the redemption date.
