The Company's bylaws provide that the holders of a majority of the stock issued and outstanding and entitled to vote generally in the election of directors, present in person or represented by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted as present for the purpose of determining the presence of a quorum.

Voting Your Proxy. Exercise your vote in accordance with the method of your choice, via the Internet or by telephone. The proxy will be voted as you direct. In the event no directions are specified, your shares will be voted (1) **FOR** the election of the nominees named below as directors; and (2) **FOR** the authorization to amend the Articles of Incorporation; and (3) **FOR** the ratification of the selection of Mayer Hoffman McCann, CPA's; and at the discretion of the designated proxy holders as to other matters that may properly come before the Annual Meeting.

If your shares are held in a stock brokerage account with you as a beneficial owner, your broker will **not** be able to vote your shares with respect to the election of directors if you have not provided directions to your broker. We strongly encourage you to exercise your right to vote as a shareholder. In order to do so,

An abstention will have the same effect as a negative vote on a matter submitted to shareholders for a vote. If a broker indicates that it does not have discretionary authority to vote on a particular matter, broker non-votes, those shares will be counted as shares present in determining the presence of a quorum for the meeting but will not be considered present or entitled to vote with respect to that particular matter.

The stock options granted were at an exercise price not less than 100% of the fair market value of the common stock at the grant date and had a term of five (5) years from date of grant; options granted under earlier, now expired plans had ten year terms. If an individual's directorship terminated because of death or permanent disability, the stock options may be exercised within one year after termination. BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the Exchange Act) requires our directors and officers, and persons who own more than five percent of the Common Stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC) SEC regulations require reporting persons to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports received or written representations from certain reporting persons, we believe all reporting persons complied with all applicable reporting requirements.

CERTAIN RELATIONSHIPS, RELATED TRANSACTIONS, DIRECTOR INDEPENDENCE

Our Board of Directors determined that when a director s services are outside the normal duties of a director, we compensate the director at the rate of \$1,000 per day, plus expenses, which is the same amount we pay a director for attending a one-day Board meeting. We classify these amounts as consulting expenses, included in personnel and other direct expenses relating to revenues.

All of CTTC s Board Directors - Brennan, Hornidge, Howard, Moussa, and Yarbro - are considered to be independent directors.

REPORT OF THE COMPENSATION COMMITTEE

This report of the Compensation Committee (the "Committee") shall not be deemed incorporated by reference by any general statement incorporating the Proxy Statement by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (the "Acts"), except to the extent that CTTC specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

CTTC's compensation program consists of base salary, bonus, stock options, other incentive awards and other benefits, which the Committee generally reviews annually. The Committee's overall philosophy is to align compensation with our business strategy and to support achievement of our long-term goals. In order to attract and retain competent executives, we believe it is essential to maintain an executive compensation program that provides overall compensation competitive with that paid to executives with comparable qualifications and experience.

In May 2011, the Committee presented the 2011 Employees, Directors and Consultants Stock Option Plan (The 2011 Plan) to the Board of Directors, which voted to approve it. The 2011 Plan was filed 2011 with the U.S. Securities and Exchange Commission as Exhibit 10.1 of the Registration Statement on Form S-8 filed on May 26, 2011.

The Board of Directors is in the process of reviewing all compensation plans to assure effectiveness and fiduciary responsibility.

Compensation Committee Report:

We have reviewed and discussed with management certain Executive Compensation and Compensation Discussion and Analysis provisions to be included in the Company's Annual Report on

Form 10-K, filed pursuant to the Securities Exchange Act of 1934, as amended (the "Annual Report"). Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the Executive Compensation and Compensation Discussion and Analysis provisions referred to above be included in the Company's Annual Report.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviewed and discussed with management our audited financial statements as of and for the year ended December 31, 2011, as well as our Annual Report on Form 10-K and Quarterly Reports on Form 10-Q for the year ended December 31, 2011, before those reports were filed.

The Audit Committee discussed with our independent registered accountants, Mayer Hoffman McCann, CPAs, the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as issued, modified or supplemented.

The Audit Committee received the written disclosures from Mayer Hoffman McCann required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as issued, modified or supplemented. The Audit Committee discussed with Mayer Hoffman McCann their independence from management and from CTTC.

The Audit Committee discussed with Mayer Hoffman McCann the overall scope, plans and budget for its audit. In addition, the Audit Committee meets with Mayer Hoffman McCann regularly, with or without management present, to discuss the results of Mayer Hoffman McCann's examination, evaluation of CTTC's internal controls, and the overall quality of CTTC's financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements as of and for the five months ended December 31, 2010 and the year ended December 31, 2011, be included in our Annual Report on Form 10-K for the year ended December 31, 2011.

EXECUTIVE OFFICER

On September 3, 2010, the Board of Directors appointed Johnnie D. Johnson, managing member of IR Services, LLC, as Chief Executive Officer of the Company. The office of President is currently vacant.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

We have a standing compensation committee on our Board. Our President, or in the absence of a president, our Chief Executive Officer, makes recommendations to the committee as to employee benefit programs and officer and employee compensation.

Johnnie D. Johnson is currently serving as Chief Executive Officer and Chief Financial Officer of the Company, per an amended consulting agreement with IR Services, LLC, a Connecticut company of which Mr. Johnson is managing member. Prior to September 2010, IR Services, LLC had a consulting agreement with CTTC to provide CTTC with managerial advice, investor relations services and public relation services. In September 2010, the Consulting Agreement was amended to include the provision of management services, specifically that of Chief Executive Officer. Per the Agreement, CTTC pays IR Services, LLC an additional \$5,000 per month for the management services of Mr. Johnson, in addition to the \$20,000 monthly fee for the aforementioned services still provided under the original agreement.

Annual Cash Bonus. In addition to the competitive annual base salary, we intend to reward executive officers each year for the achievement of specific goals, which may be financial, operational or technological. We consider objectively measurable goals, such as obtaining new investment capital, negotiating valuable contracts and achieving research and regulatory milestones, and more subjective goals, such as quality of management performance and consistency of effort. CTTC's objectives include operating, strategic and financial goals the board considers critical to CTTC's overall goal of building shareholder value. Our recommendations for cash bonuses also take into account CTTC's liquidity and capital resources in any given year.

Because CTTC did not meet its financial goals for the fiscal year and because of other concerns, the Compensation Committee of the Board of Directors determined not to award cash bonuses to any executive officers or to any employees for the fiscal year ended December 31, 2011, with the exception of \$25,900 which was paid to one former employee.

The following table summarizes the total compensation awarded to, earned by or paid by us for services rendered by the 3 highest paid employees that served during the year ended December 31, 2011, the five months ended December 31, 2010 and the year ended July 31, 2010.

Other Arrangements

401(k) Retirement Savings Plan

We have an employee defined contribution plan qualified under section 401(k) of the Internal Revenue Code for all our employees who have attained the age of 21 and meet certain service requirements. The Plan has been in effect since January 1, 1997. Participation in the Plan is voluntary. Employees may defer compensation up to a specific dollar amount determined by the Internal Revenue Service for each calendar year. We do not make matching contributions, and employees are not allowed to invest in our stock under the Plan.

Our directors may authorize a discretionary contribution to the Plan, allocated according to the provisions of the Plan, and payable in shares of our common stock valued as of the date the shares are contributed. No contributions were authorized in the year ended December 31, 2011.

Annual Incentive Plan

The Competitive Technologies, Inc. Annual Incentive Plan was approved by our Board on November 22, 2005, replacing a prior plan. The Compensation Committee administers the Incentive Plan. The Compensation Committee may suspend or amend the Incentive Plan at any time from time to time, and the Board may terminate the Incentive Plan.

The Incentive Plan provides for eligible employees to earn an annual bonus incentive in cash. The targeted annual bonus incentive award is a percentage of the participant's salary earned during the plan year, as defined in the Incentive Plan, and is comprised of two parts, 50% of which is dependent upon attainment of financial performance metrics that serve as our company wide goals and objectives and are set at the beginning of the year, the Company Component; and 50% of which is dependent upon the individual's performance compared to each individual's pre-established goals and objectives, the Individual Component. If our financial performance is less than 70% of its goal, there will be no award for the Company Component. If our financial performance is more than 120% of its goal, then the Company Component award will increase to 125% of the award, and may, under certain conditions, as defined, increase up to a maximum of 200% of the award. If a participant meets his or her individual goals, we may pay the Individual Component regardless of whether the Company Component is met.

No payments were authorized or made under this plan for fiscal year 2011. Because CTTC did not meet its financial goals for the fiscal year 2010 and because of other concerns, the Compensation Committee of the Board of Directors determined not to award cash bonuses to any executive officers or to any employees for the fiscal year ended December 31, 2011, with the exception of \$29,600 awarded to the former Executive Vice President, Business Development.

1997 Employees Stock Option Plan

The 1997 Employees Stock Option Plan provided for the granting of stock options to purchase our Common Stock. Stock options granted under the Stock Option Plan may have been incentive stock options pursuant to Section 422 of the Internal Revenue Code or non-statutory stock options. Stock options granted under the Stock Option Plan must have been granted at not less than 100% of the fair market value on the date of grant. The Compensation Committee determines the vesting period for the stock options. Stock options expire upon termination of the grantee's employment, or ten years after the grant date. In certain instances stock options which are vested or become vested upon the occurrence of an event or events specified by the Compensation Committee, may continue to be exercisable through up to ten years after the grant date, irrespective of the termination of the optionee's employment with us. No options were allowed to be granted pursuant to this plan after September 30, 2007.

At December 31, 2011, this table provides details of the remaining options awarded under this plan:

Plan Category	Number of securities to be issued upon exercise of outstanding options	Weighted-average exercise price of outstanding options	Number of securities remaining available for future issuance (excluding options outstanding)
Equity compensation plans approved by security holders	113,000	\$ 2.44	-

At March 26, 2012 the number of securities to be issued upon exercise of outstanding options was 113,000.

2. AUTHORIZATION TO AMEND THE ARTICLES OF INCORPORATION

The Amendment

The Board of Directors of CTTC has approved, and has submitted to the stockholders a resolution to amend the Articles of Incorporation of the company to increase authorized capital to 40,000,000 shares of common stock, par value \$0.01 and 35,920 shares of preferred stock, par value \$25.00. The only change to authorized capital stock is that we are increasing authorized common from 20 million to 40 million; no changes are being made to the preferred stock. The proposed amendment, a copy of which is included herein as Exhibit 3.1, reads in pertinent part as follows:

Article FOURTH of the Certificate of Incorporation filed with the Office of the Secretary of State of Delaware is hereby amended to read as follows:

"FOURTH. The total number of shares of stock of all classes of stock which the Corporation shall have authority to issue is 40,035,920 shares, of which 35,920 shares, with a par value of \$25.00 each, are to be Preferred Stock, and 40,000,000 shares, with a par value of \$.01 each, are to be common stock.

The amendment requires a vote of shareholders representing a majority of the outstanding shares of common stock of CTTC.

Purpose and Effect

The purpose of the increase in authorized capital stock is to permit the Company's officers and directors to obtain sufficient financing to enact its business plan. The Board of Directors believes that obtaining additional financing is essential to protect shareholder value and enable long term growth of the Company.

When issued, the additional shares of common stock authorized by the amendment will have the same rights and privileges as the shares of common stock currently authorized and outstanding. Holders of common stock have no preemptive rights and, accordingly, shareholders would not have any preferential rights to purchase any of the additional shares of common stock when such shares are issued. The Company does not presently have any agreements, arrangements or understandings with respect to the issuance of any of the newly authorized shares of

common stock.

Having a substantial number of authorized but unissued shares of common stock that are not reserved for specific purposes will allow us to take prompt action with respect to corporate opportunities that develop, without the delay and expense of convening an annual meeting of shareholders for the purpose of approving an increase in the Company's capitalization. The issuance of additional shares of common stock may, depending upon the circumstances under which such shares are issued, reduce shareholders' equity per share and may reduce the percentage ownership of common stock by existing shareholders. It is not the present intention of the Board of Directors to seek shareholder approval prior to any issuance of shares of common stock that would become authorized by the amendment unless otherwise required by law or regulation.

The issuance of additional shares of common stock will result in percentage dilution of existing shareholders, however the Board of Directors believes the additional value added by any such issuance will surpass any dilution on a per-shareholder basis.

While it is not intended for such a purpose, the increase in the authorized number of shares of the Company's common stock under the amendment could be used by its Board of Directors to make more difficult, and thereby discourage, delay or prevent, an attempt to acquire control of the Company. For example, shares could be privately placed with supporters of the Company's Board of Directors, or issued to simply dilute the stock ownership and voting power of a third party seeking a change in control. Under Delaware law our Board of Directors is required to make any determination to issue such stock based on its judgment as to the best interests of its shareholders; however the availability of additional unissued shares does make it possible for the Board to act in a manner that would discourage an acquisition attempt or other transaction that some, or a majority, of its shareholders might believe to be in their best interests. The increase in authorized capital is not in response to any current attempt to effect a change in control.

3. ELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

Mayer Hoffman McCann CPAs ("Mayer Hoffman McCann") have been the independent registered public accountants for the company. Pursuant to an asset purchase agreement, our former independent public accounting firm, Mahoney Cohen & Company, CPA, P.C. was acquired by the New York practice of Mayer Hoffman McCann P.C. ("MHM"), and the shareholders of Mahoney Cohen became shareholders of MHM. Following its acquisition of Mahoney Cohen, MHM changed its name to MHM Mahoney Cohen CPAs ("MHM Mahoney Cohen"), effective December 31, 2008. On June 8, 2010, MHM Mahoney Cohen changed their name to Mayer Hoffman McCann CPAs (The New York Practice of Mayer Hoffman McCann P.C.).

Fees Billed by Principal Accountants The following table presents fees for professional services billed by Mayer Hoffman McCann for the year ended December 31, 2011, the five months ended December 31, 2010 and the year ended July 31, 2010:

Audit Committee Pre-Approval of Services of Principal Accountants

The Audit Committee has the sole authority and responsibility to select, evaluate, determine the compensation of, and, where appropriate, replace the independent auditor. After determining that providing the non-audit services is compatible with maintaining the auditor's independence, the Audit Committee pre-approves all audits and permitted non-audit services to be performed by the independent auditor, except for de minimus amounts. If it is not practical for the Audit Committee to meet to approve fees for permitted non-audit services, the Audit Committee has authorized

its chairman, currently Mr. Yarbro, to approve them and to review such pre-approvals with the Audit Committee at its next meeting.

Ratification of Selection of Independent Public Accountants

The persons named in the enclosed proxy will vote to ratify the selection of Mayer Hoffman McCann as independent public accountants for the year ending December 31, 2012, unless otherwise directed by the shareholders.

Shareholder ratification of Mayer Hoffman McCann as the Company's independent public accountants is not required by the Company's bylaw or otherwise. However, the Company is submitting selection of Mayer Hoffman McCann to the shareholders for ratification as a matter of good corporate practice. If the shareholders do not ratify the selection of Mayer Hoffman McCann as the Company's independent public accountants, the Audit Committee will reconsider the selection of such independent public accountants. If the selection is ratified, the Audit Committee may, in its discretion, direct the appointment of different independent public accountants at any time during the year if it determines that such a change would be in the best interest of the Company and its shareholders.

Vote Required

The affirmative vote of a majority of the shares of Common Stock present or represented by proxy at the Annual Meeting is necessary for the ratification of Mayer Hoffman McCann CPAs as independent public accountants for the fiscal year ended December 31, 2012.

Recommendation

Our Board of Directors recommends that shareholders vote **FOR** the ratification of Mayer Hoffman McCann CPAs as independent public accountants for the fiscal year ended December 31, 2012.
