**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

- (e) On March 9, 2009, the Compensation and Organization Committee of the Registrant's Board of Directors approved the 2009 Annual Management Incentive Program, or Program, for the Registrant's named and other executive officers. Under the Program, 40% of the par incentive award for each of the Registrant's executive officers is based on a formula related to adjusted consolidated net earnings, 40% is based on specified focus targets and 20% is based on other specified targets. No awards will be earned under the Program unless the Registrant's 2009 earnings before interest, taxes, depreciation and amortization (as defined for purposes of the Program), or EBITDA, at least equals the amount of awards under the Program. Awards under the Program may not exceed twice the amount of the par incentive award. The Program includes a clawback provision allowing the Registrant's Board of Directors to recoup an award inappropriately paid to an executive officer if the executive officer's fraud or intentional misconduct was a substantial contributing factor to the Registrant having to restate its financial statements.

The Registrant's Board of Directors approved the following operating focus targets for the Registrant's named executive officers under the Program: wallboard spread; L&W Supply Corporation adjusted operating profit; USG Building Systems business units gross profit and working capital. The Compensation and Organization Committee approved the following other targets for the named executive officers under the 20% portion of the Program: wallboard cost, EBITDA and liquidity. Each named executive officer is assigned two of these other targets.
