Yes No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Yes No The Company has operations in the coffee industry by way of its 20% ownership in a coffee processing company in China and continues to maintain its oil and gas assets. The Company has earned no revenues from inception (March 19, 2007) to the six month period ending February 28, 2010.

On November 2, 2009, the Company filed with the State of Nevada a forward split of its authorized and issued shares of common stock on the basis of nine-for-one in the form of a special stock distribution to stockholders of record as November 2, 2009. The effective date for the distribution to stockholders was November 9, 2009.

On January 11, 2010, the Company entered into an agreement with Estate Coffee Holdings Ltd. (ECH), a private company incorporated pursuant to the laws of the State of Maryland (“Estate”) whereby the Company will acquire all of the issued and outstanding shares of ECH in exchange for the issuance of 900,000 restricted shares of the Company to Sean Tan, a creditor of ECH in settlement of debts and accrued interest expense on debt. ECH will operate its business as a wholly owned subsidiary of the Company. ECH holds a 20% interest in a coffee roaster in mainland China. Due to the forward split and the recent acquisitions, management required additional time to finalize the financial reporting.

The Company expects to report consolidated operating losses of \$99,256 for the six months ended February 28, 2010 compared to losses of \$12,138 from the same period in the previous year. Operating losses incurred from March 19, 2007 (date of inception) to the six month period ended February 28, 2010 are expected to total \$172,911. The increase in operational losses anticipated for the current fiscal year is a direct result of increased expenses related to business acquisition of Estate Coffee Holdings Ltd and subsequent goodwill written-off

The major categories resulting in the Company’s consolidated expected losses for the current period of \$99,256 are as follows: Professional fees- \$66,860 (2009- 5,048); Office and administrative expenses - \$3,742 (2009- \$918); Goodwill write off- \$27,791 (2009- 0); Loss from investment in DTS8 (holding 20% interest)- \$889 (2009- 0).
