General Information

This Information Statement is being furnished to the stockholders of Nutra Pharma Corporation, a California corporation (Company, we, us or our), to advise them of the corporate action described herein, which has been authorized by the written consent of stockholders owning a majority of the Company's voting stock, in accordance with the requirements of the California Corporation Code.

This Information Statement will first be mailed to stockholders on or about March ____, 2018 and is being furnished for informational purposes only.

Our board of directors has determined that the close of business on March 7, 2018 was the record date (Record Date) for the stockholders entitled to notice about the actions authorizing the amendment of our articles of incorporation to increase the number of authorized shares of common stock from 2,000,000,000 to 8,000,000,000. The foregoing amendment is referred to herein as the Action.

Under Section 603 of the California Corporation Code, any action required or permitted by the California Corporation Code to be taken at a meeting of stockholders of a California corporation may be taken without a meeting, without prior notice and without a vote, if consents in writing, setting forth the action so taken, are signed by stockholders holding at least a majority of the voting power.

As of the Record Date, Rik J. Deitsch, who then owned of record approximately 3,000,000 shares of our Series A Preferred Stock (Series A Preferred Stock) representing 60.9% of our outstanding shares of voting stock as of the Record Date, executed and delivered to us a written consent authorizing and approving the Action.

Accordingly, the Action has been approved by the holders of a majority of our outstanding shares of voting stock and no further vote or further action of our stockholders is required to approve the Action. You are hereby being provided with notice of the approval of the Action by less than unanimous written consent of our stockholders. However, under federal law, the Action will not be effective until at least 20 days after this Information Statement has first been sent to stockholders. Stockholders do not have any dissenter or appraisal rights in connection with the Action.

On March 7, 2018, our board of directors approved the amendment of our articles of incorporation to increase the number of authorized shares of Common Stock from 2,000,000,000 to 8,000,000,000 and authorized our officers to deliver this Information Statement.

Our executive offices are located at 12538 W. Atlantic Blvd., Coral Springs, FL 33071.

Interest of Persons in Matters to be Acted Upon

No officer, director or principal stockholder has a substantial or material interest in the favorable outcome of the Actions other than as discussed herein.

VOTING SECURITIES

At the time of the stockholder action our issued and outstanding voting securities consisted of shares of Common Stock and Series A Preferred Stock. There were 1,999,996,261 shares of Common Stock issued and outstanding as of the Record Date and 3,000,000 shares of Series A Preferred Stock issued and outstanding as of the Record Date.

The rights of Series A Preferred Stock are set forth in the Certificate of Determination which became effective on October 4, 2017. The holders of shares of Series A Preferred Stock are entitled to vote together with the holders of Common Stock, as a single class, upon all matters submitted to holders of Common Stock for a vote.

Each share of Common Stock is entitled to one vote on all matters submitted to the holders of Common Stock for their approval. Each share of Series A Preferred Stock is entitled to 1,000 votes. The written consent of a majority of the outstanding shares of Common Stock and the outstanding shares of Series A Preferred Stock, voting together as a single class was necessary to authorize the Action described herein.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding Common Stock beneficially owned on the Record Date for (i) each stockholder known to be the beneficial owner of more than 5% of our outstanding Common Stock, (ii) each executive officer and director and (iii) all executive officers and directors as a group. In general, a person is deemed to be a beneficial owner of a security if that person has or shares the power to vote or direct the voting of such security, or the power to dispose or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which the person has the right to acquire beneficial ownership within 60 days, through the exercise of a warrant or stock option, conversion of a convertible security or otherwise. Unless otherwise indicated, each person in the table will have sole voting and investment power with respect to the shares shown. For purposes of this table, shares not outstanding which are subject to issuance on exercises of stock options, conversion of Series A Common Stock or outstanding convertible promissory notes that are held by one or more person(s) are deemed to be outstanding for the purpose of computing the percentage(s) of outstanding shares beneficially owned by such person(s) but are not deemed to be outstanding for the purpose of computing the percentage for any other person. The table assumes a total of 1,999,996,261 shares of Common Stock outstanding as of the Record Date.

Name of Beneficial Owner	Number of Shares Beneficially Owned	Percentage of Shares Outstanding
Executive Officers and Directors:		
Rik J. Deitsch (1)	3,043,298,859	60.9%
Harold H. Rumph	4,966,675	*%
Garry Pottruck	4,698,475	*%
Dan Oran	16,206,229	*%
Stewart Lonky	4,755,450	*%
All directors and executive officers as a group (3)		%

* Less than 1%

(1) Consists of 3,000,000 shares of Series A Preferred Stock which has 1,000 votes per share and votes with the common as a class, and 43,298,859 shares of common stock.

INCREASE IN AUTHORIZED COMMON STOCK

We are currently authorized by our articles of incorporation to issue 2,000,000,000 shares of Common Stock. As of the Record Date, there were 1,999,996,261 shares of Common Stock issued and outstanding. As of the Record Date there were outstanding convertible promissory notes convertible (excluding accrued interest through maturity) into shares of Common Stock at conversion prices ranging from \$0.0004 to \$0.001 per share (collectively, the Notes). We are also required to reserve approximately 4,000,000,000 shares of Common Stock in connection with the conversion of the Notes.

We are increasing our authorized shares of Common Stock so that we have a sufficient number of authorized and unissued shares of Common Stock to permit the conversion of all the Notes into Common Stock and provide for adequate reserves.

In addition to the foregoing, we are increasing our authorized shares of Common Stock because we will likely be required, in connection with the ongoing operation of our business, to issue shares of Common Stock, options, awards and warrants in connection with employee benefit and incentive and employment arrangements, for financing our future operations, for acquiring other businesses, for forming strategic partnerships and alliances, and for stock dividends and stock splits. No such specific issuances are currently anticipated.

Accordingly, our board of directors believes it is in our best interests and the best interests of our stockholders to increase the number of authorized shares of Common Stock to provide a sufficient number of authorized and reserved shares to allow for (i) the conversion of the Notes into Common Stock and (ii) the issuance of shares of Common Stock or other securities in connection with employee benefit and incentive plans and arrangements, the financing of our operations, the acquisition of other businesses, the establishment of joint ventures, and such other purposes as our board of directors determines.

The increase in the number of authorized shares of Common Stock to a level that continues to provide a meaningful number of authorized but unreserved shares will permit our board of directors to issue additional shares of Common Stock without further approval of our stockholders, and our board of directors does not intend to seek stockholder approval prior to any issuance of the authorized capital stock unless stockholder approval is required by applicable law or stock market or exchange requirements. Our issuance of additional shares of Common Stock may result in substantial dilution to our existing stockholders, and such issuances may not require stockholder approval.

Although from time to time we review various transactions that could result in the issuance of shares of Common Stock, other than shares of Common Stock issuable upon the conversion of the Notes, we have not reviewed any specific transaction to date that we presently anticipate will result in a further issuance of shares of Common Stock.

Other than limited provisions under the laws of California, we do not have in place provisions which may have an anti-takeover effect. The increase in the number of authorized shares of Common Stock to provide a sufficient number of authorized but unreserved shares to allow for the issuance of shares of Common Stock under various scenarios may be construed as having an anti-takeover effect by permitting the issuance of shares of Common Stock to purchasers who might oppose a hostile takeover bid or oppose any efforts to amend or repeal certain provisions in our articles of incorporation, as amended, or bylaws. We did not take action to increase the authorized shares of Common Stock to enable us to frustrate any efforts by another party to acquire a controlling interest or to seek representation on our board of directors.

The issuance of additional shares of Common Stock may have a dilutive effect on earnings per share and on the equity and voting power of existing holders of Common Stock. It may also adversely affect the market price of Common Stock. However, if additional shares are issued in transactions whereby favorable business opportunities are provided which allow us to pursue our business plans, the market price of Common Stock may increase.

The holders of Common Stock are entitled to receive dividends when, as, and if declared by our board of directors out of funds legally available therefor. We do not intend to declare and pay dividends in the near future. In the event of our liquidation, dissolution or winding up, the holders of Common Stock are entitled to share ratably in all assets remaining available for distribution to them after payment of liabilities and after provision has been made for each class of stock having preference over Common Stock. Holders of Common Stock have no conversion, preemptive or other subscription rights, and there are no redemption provisions applicable to Common Stock. The holders of Common Stock are entitled to one vote for each share held of record on all matters to be voted on by our stockholders.

On the Record Date, the amendment of our articles of incorporation, as amended, to increase the number of authorized shares of Common Stock to 8,000,000,000 was approved by the written consent of stockholders representing approximately 60.9% of our outstanding voting stock. On March 7, 2018, our board of directors approved such amendment. The approval of the amendment of our articles of incorporation, as amended, to authorize the increase of the number of authorized shares of Common Stock to 8,000,000,000 required such board approval and the affirmative vote of stockholders representing a majority of our outstanding voting securities. Such requirements have been met, so no vote or further action of our stockholders is required to approve the amendment of our articles of incorporation to authorize the increase of the number of authorized shares of Common Stock to 8,000,000,000. You are hereby being provided with notice of the approval of such amendment by less than unanimous written consent of our stockholders. The form of the Certificate of Amendment to Articles of Incorporation of Nutra Pharma Corporation, setting forth the amendment is attached to this Information Statement as Exhibit A.

Promptly after the twentieth day after the date this Information Statement has first been sent to stockholders, we intend to take all other required actions to complete the amendment of our articles of incorporation to increase the number of authorized shares of Common Stock to 8,000,000,000 consistent with the foregoing.
