Item 4. Purpose of Transaction

The following paragraphs supplement the information set forth in Item 4 of Reporting Person's Schedule 13D dated May 5, 2014.

On January 5, 2015, Jeffrey W. Ubben, Chief Executive Officer of the Reporting Persons, sent a letter to Rodolphe M. Vallee, Lead Director of MSCI Inc. (the "Company") expressing great frustration in the way in which the board of directors handled ValueAct Capital's request for a board seat and strongly encouraged the board to engage directly, without management or advisors, with the Company's larger shareholders to gain their perspectives on management's performance and on whether a ValueAct Capital director, in addition to one or two other independent directors, would be a beneficial addition to the Company's board.

A copy of the full text of this letter is attached hereto as Exhibit 2.

Item 5. Interest in Securities of the Issuer

(a) and (b). Set forth below is the beneficial ownership of shares of Common Stock of the Issuer for each person named in Item 2. Shares reported as beneficially owned by ValueAct Master Fund are also reported as

MSCI Inc.

Edgar Filing: MSCI Inc. - Form SC 13D/A

250 Greenwich Street, 49th Floor
New York, NY 10007

Dear Skip,

As you know, ValueAct Capital has been an investor in MSCI Inc. ("MSCI" or the "Company") since October of 2012 and owns approximately 9.3 million shares, or 8.3% of the Company. We have shared with you our investment philosophy: identify high-quality businesses and develop a deep understanding of them, invest long-term, and pursue board representation if we feel there is a role to play as a shareholder-director. We also explained to you our strong bias against the negativity of public shareholder campaigning. So we send this letter as a last resort out of great frustration at your response to our request for a board seat.

We first asked to join the MSCI board this past August due to our significant and unanswered questions of strategy and organization. We have the utmost respect for MSCI's leading franchise in performance benchmarking and index creation, which has been built organically over many years through hard and consistent work by your team for your clients. We believe MSCI's acquired business lines, Risk Management Analytics and Portfolio Management Analytics software, also have strong competitive positions and great potential. We have challenged management on its "One MSCI" strategy of centralizing management and in some cases bundling license contracts across the Index, Portfolio Analytics and Risk Analytics business lines because we have not seen market share gains in any of the businesses. And as the index business continues to grow at a double digit rate, with its attendant high incremental margin, we cannot understand where all the money is going. The answers to these challenges and others we have raised are not clear from the public record or our discussions with management. Most importantly, the track record of value creation in recent years is at the bottom of the Company's peers. (See attached Exhibit A to this letter.)

We are disappointed in your decision not to pursue our request for a board seat and the way in which you handled our request. We offered to travel to interview with all members of your Nominating and Governance Committee and any other director as necessary. Your CEO responded, after considerable delay, by arranging a single meeting with three directors, only one of whom was a member of the Nominating and Governance Committee. Further, this director, who was not even the Chairwoman of that committee, attended by phone and barely participated in the discussion.

We have served on 37 public company boards and we offered you an extensive reference list of board members and CEOs of public companies who know us from working with us. You told us that you did not follow up on a single

CUSIP NO. 00724F101

Page 15 of 15

reference. Frankly, we expected more effort and a more thorough process on the part of the Nominating and Governance Committee specifically and the MSCI board generally to educate itself on the ValueAct Capital governance track record and the support we have from shareholders, directors, and executives who have seen our work firsthand over the years.

The way the MSCI board handled our request for a board seat leaves us with serious concerns about the board's independence from management and alignment with shareholders. We strongly encourage the board to engage directly, without management or advisors, with the Company's larger shareholders to gain their perspectives on management's performance and on their interest in a major change in the governance of the company, including both ValueAct

Edgar Filing: MSCI Inc. - Form SC 13D/A

Capital representation and a change in the composition of the independent directors.

Sincerely,

Jeffrey W. Ubben
Chief Executive Officer
