Owners of record at the close of business on February 14, 2012 (the “Record Date”), will be entitled to vote at the Annual Meeting or at any adjournments or postponements thereof. A complete list of the stockholders entitled to vote at the Annual Meeting will be made available for inspection by any stockholder of record at the offices of the Company during market hours from February 14, 2012, through the time of the Annual Meeting.

Your vote is very important. For this reason, our Board of Directors is soliciting your proxy to vote your shares of the Company’s common stock, \$0.02 par value per share (the “Common Stock”) at the meeting. The entire cost of soliciting proxies will be borne by the Company. The cost of solicitation will include the cost of supplying necessary additional copies of the solicitation materials and the Company’s 2011 Annual Report to Stockholders (the “Annual Report”) to beneficial owners of shares held of record by brokers, dealers, banks, trustees, and their nominees, including the reasonable expenses of such record holders for completing the mailing of such materials and Annual Report to such beneficial owners.

In voting at the Annual Meeting, each stockholder of record on the Record Date shall be entitled to one vote on all matters. Holders of a majority of the outstanding shares of Common Stock, including holders of our preferred stock, \$0.01 par value per share (the “Preferred Stock”), who vote with the Common Stock, must be represented in person or by proxy in order to achieve a quorum to vote on all matters.

All stockholders are cordially invited to attend the Annual Meeting in person. We are also providing proxy material access to our stockholders via the Internet. See “Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on March 16, 2012.” Please give the proxy materials your careful attention.

PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
To Be Held March 16, 2012

General

The enclosed proxy is solicited on behalf of the Board of Directors (the “Board” or “Board of Directors”) of National Holdings Corporation, a Delaware corporation (the “Company”), for use at the Annual Meeting of Stockholders to be held on March 16, 2012 (the “Annual Meeting”), and any adjournment or postponement thereof. The Annual Meeting will be held at 10:00 A.M. (local time) at the Company’s offices, located at 120 Broadway, 27th Floor New York, New York 10271. This proxy statement, the enclosed proxy card and the Company’s Annual Report for the fiscal year ended September 30, 2011, are being mailed on or about February 21, 2012, to stockholders entitled to vote at the meeting.

Record Date and Voting Shares

The close of business on February 14, 2012 has been fixed as the record date (the “Record Date”) for determining the stockholders of record entitled to notice of and to vote at the Annual Meeting. At the close of business on the Record Date, there were outstanding and entitled to vote 21,946,704 shares of Common Stock, \$0.02 par value (the “Common Stock”), 46,050 shares of Series A Convertible Preferred Stock, \$0.01 par value (the “Series A Preferred Stock”), 34,169 shares of Series C Convertible Preferred Stock, \$0.01 par value (the “Series C Preferred Stock”), and 60,000 shares of Series D Convertible Preferred Stock, \$0.01 par value (the “Series D Preferred Stock”). Each share of Series A Preferred Stock is convertible into 80 shares of Common Stock. Each share of Series C and D Preferred Stock is convertible into 100 shares of Common Stock. The holder of each share of Series A Preferred Stock is entitled to the number of votes equal to the number of shares of Common Stock into which such share of Series A Preferred Stock could be converted at the Record Date. The holder of each share of Series C and Series D Preferred Stock is entitled to the number of votes equal to the number of shares of Common Stock into which such share of Series C and D Preferred Stock could be converted, less one share, at the Record Date. Accordingly, as of the Record Date, there were 34,953,229 shares entitled to vote, consisting of 21,946,704 shares of Common Stock outstanding, 3,684,000 shares of Common Stock entitled to vote underlying the Series A Preferred Stock, 3,382,525 shares of Common Stock entitled to vote underlying the Series C Preferred Stock, and 5,940,000 shares of Common Stock entitled to vote underlying the Series D Preferred Stock. Each share of Common Stock entitles the holder thereof to one vote upon any proposal submitted for a vote at the Annual Meeting.

Directors are elected by a plurality of the votes, which means that the nominee who receives the largest number of properly executed votes will be elected as a director. Shares that are represented by proxies that are marked “withhold authority” for the election of a director nominee will not be counted in determining the number of votes cast for that person. Any other matters properly considered at the meeting will be determined by a majority of the votes cast at the Annual Meeting.

Voting of Proxies

Shares of Common Stock represented by proxies which are properly executed, duly returned and not revoked, will be voted in accordance with the instructions contained therein. Except as discussed below with regard to shares held in “street name” by a bank or broker, if no instruction is indicated on the proxy, the shares of Common Stock represented

thereby will be voted: (i) FOR the election of the Class II Directors for a term ending in 2015; and (ii) at the discretion of the person or persons voting the proxy, with respect to any other matter that may properly be brought before the Annual Meeting. The execution of a proxy will in no way affect a stockholder's right to attend the Annual Meeting and vote in person. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

Pursuant to the rules of the New York Stock Exchange ("NYSE"), brokers do not have discretion to vote the shares of customers who fail to provide voting instructions on non-routine proposals, and the proposal to elect directors constitutes a non-routine matter. If the shares you own are held in "street name" by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides to you. Accordingly, if you do not give instructions to your bank or brokerage firm with respect to the election of directors, your shares will be treated as "broker non-votes" on these particular matters. Broker non-votes do not count as votes cast on such a proposal. Under Section 216 of the Delaware General Corporation Law, on matters other than the election of directors, an action of the stockholders generally requires the affirmative vote of a majority of shares present in person or represented by proxy at the meeting and entitled to vote on the matter. Accordingly, an abstention on any matter other than the election of directors will have the same effect as a vote against that matter.

Your broker will not be able to vote your shares with respect to the election of directors if you have not provided instructions to your broker. We strongly encourage you to submit your proxy card and exercise your right to vote as a stockholder. The Company believes that the tabulation procedures to be followed by the Inspector of Elections are consistent with the general requirements of Delaware law concerning voting of shares and determination of a quorum.

Revocation of Proxies

You may revoke or change your proxy at any time before the Annual Meeting by filing with the Secretary of the Company, at 1200 North Federal Highway, Suite 400, Boca Raton, FL 33432, a notice of revocation or another signed proxy with a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person.

If any stockholder is unable to attend the Annual Meeting, such stockholder may vote by proxy. If a proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified in the proxy, unless it is properly revoked prior thereto. Votes cast in person or by proxy at the Annual Meeting will be tabulated by the Inspector of Elections appointed for the meeting and will determine whether or not a quorum is present. The holders of a majority of the shares of stock entitled to vote at the meeting, present in person or represented by proxy shall constitute a quorum for the transaction of business.

Solicitation

The Company will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this proxy statement, and any additional solicitation materials furnished to the stockholders. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, telegram or other means by directors, officers or employees of the Company. No additional compensation will be paid to these individuals for any such services.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on March 16, 2012

We are providing proxy material access to our stockholders via the Internet. Accordingly, these can be accessed at <http://www.nationalsecurities.com/aboutsecfilings.php>. The proxy materials include a copy of this proxy statement, a copy of our annual report on Form 10-K for the fiscal year ended September 30, 2011, a copy of the Form 10-K/A for the fiscal year ended September 30, 2011, and a copy of the form of proxy included herein.

Stockholder Proposals for 2013 Annual Meeting

Any stockholder who intends to present a proposal at the Company's 2013 Annual Meeting of Stockholders must ensure that the proposal is received by the Corporate Secretary at 1200 North Federal Highway, Suite 400, Boca Raton, FL 33432:

- not later than October 24, 2012, if the proposal is submitted for inclusion in our proxy materials for that meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"); or
- on or before January 22, 2013, if the proposal is submitted for the 2013 annual meeting pursuant to the Company's by-laws, in which case the notice of the proposal must meet certain requirements set forth in our by-laws.
- on or after September 24, 2012, and on or before October 24, 2012, if the proposal is submitted for inclusion in our proxy materials for the purpose of nominating a person or persons to the Board of Directors at the 2013 annual meeting.

Dissenters' Right of Appraisal

Under Delaware General Corporation Law § 262(b) and (c), stockholders are not entitled to dissenters' rights on any proposal referred to herein.

Householding of Proxy Materials

The Securities and Exchange Commission (the "SEC") has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Company if you hold Common Stock directly. Requests in writing should be addressed to: National Holdings Corporation, 1200 North Federal Highway, Suite 400, Boca Raton, FL 33432, Attention: Secretary. Requests may also be made by calling the Secretary at (561) 981-1007.

Such appointment was reaffirmed pursuant to the terms of a Securities Purchase Agreement dated March 31, 2008. Under the terms of the Securities Purchase Agreements, St. Cloud Capital Partners II, L.P. has the right to name a nominee for election to the Board of Directors. Mr. Rozelle was named by St. Cloud Capital Partners II, L.P. as its nominee, and was elected as a member of the Board of Directors in February 2012, following the resignation of Marshall S. Geller, the former St. Cloud Capital Partners II, L.P. nominee, in January 2012.

Pursuant to a Voting Agreement dated July 1, 2008, each of Mark Goldwasser, Leonard Sokolow and Christopher C. Dewey (a former director of the Company who resigned in April 2011), agreed to vote their shares of Common Stock in favor of Mark Goldwasser, Leonard Sokolow, Christopher C. Dewey, Jorge A. Ortega, and up to three directors nominated by Mr. Goldwasser and up to one additional director nominated by Mr. Sokolow, and agreed to take all other necessary or desirable action within his control (including, without limitation, execution of written consents or resolutions in lieu of meetings), from time to time and at all times in whatever manner shall be necessary, to ensure that each is continuously nominated to serve as a director of the Company.

Mr. Plimpton was elected to the Board of Directors in 2010 pursuant to the terms of a Share Purchase Agreement dated July 21, 2010. Under the terms of the agreement, the Company agreed to take all actions necessary to appoint Mr. Plimpton as a director of the Board of Directors. Furthermore, Mr. Plimpton cannot be removed as a director of the Company by the Board other than as permitted by law.

Mr. Weiss and Mr. Coviello were appointed as Chairman of the Board of Directors and as a member of the Board of Directors, respectively, in 2010 pursuant to the terms of a Securities Purchase Agreement dated September 29,

Corporate Governance

The Company's business affairs are conducted under the direction of the Board of Directors in accordance with the Delaware General Corporation Law and the Company's Certificate of Incorporation and Bylaws. Members of the Board of Directors are informed of the Company's business through discussions with management, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees. Certain corporate governance practices that the Company follows are summarized below.

Board Leadership Structure

Our current Chief Executive Officer is Mark Goldwasser. Michael S. Weiss serves as our non-executive Chairman of the Board of Directors of the Company. Leonard Sokolow serves as both Vice Chairman of the Board of Directors and as President of the Company. It is our belief that the dual functions carried out by Mr. Sokolow do not impair his capacity to perform the obligations requisite of his stations.

Risk Oversight

Assessing and managing risk is the responsibility of our management. The Board of Directors oversees and reviews certain aspects of the Company's risk management efforts. The Board of Directors is involved in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board of Directors and its committees. Among other areas, the Board is directly involved in overseeing risks related to the Company's overall strategy, including product, go-to-market and sales strategy, executive officer succession, business continuity, crisis preparedness and corporate reputational risks.

The committees of the Board execute their oversight responsibility for risk management as follows:

- The Audit Committee has responsibility for overseeing the Company's internal financial and accounting controls, work performed by the Company's independent registered public accounting firm and the Company's internal audit function. As part of its oversight function, the Audit Committee regularly discusses with management and the Company's independent registered public accounting firm the Company's major financial and controls-related risk exposures and steps that management has taken to monitor and control such exposures. In addition, the Company, under the supervision of the Audit Committee, has established procedures available to all employees for the anonymous and confidential submission of complaints relating to any matter to encourage employees to report questionable activities directly to the Company's senior management and the Audit Committee.
- The Compensation Committee is responsible for overseeing risks related to the Company's cash and equity-based compensation programs and practices.
- The Corporate Governance Committee is responsible for overseeing risks related to the composition and structure of the Board of Directors and its committees and the Company's corporate governance. In this regard, the Corporate Governance Committee conducts an annual evaluation of the Board and its committees, plans for Board member succession, executive officer succession plans and reviews transactions between the Company and its officers, directors, affiliates of officers and directors or other related parties for conflicts of interest.

Code of Ethics and Business Conduct

We have adopted the National Holdings Corporation Code of Ethics and Business Conduct (the "Code of Conduct"), a code of conduct that applies to our directors, officers and employees. The Code of Conduct was filed as an exhibit to our Annual Report on Form 10-K for the fiscal year ended September 30, 2003, and is publicly available on the SEC's

website at www.sec.gov. If we make any substantive amendments to the Code of Conduct or grant any waiver, including any implicit waiver from a provision of the Code of Conduct to our directors or executive officers, we will disclose the nature of such amendment or waiver in a report on Form 8-K.

Independence

We are currently not listed on any national securities exchange, but in evaluating the independence of our directors, we have applied the independence standards of The Nasdaq Stock Market and those found in the Exchange Act. Under those standards, the Board of Directors has determined that all of the members of the current Board of Directors are independent except Messrs. Goldwasser and Sokolow.

Meetings and Committees of the Board of Directors and Corporate Governance Matters

During the fiscal year ended September 30, 2011, the Company's Board of Directors met or acted by unanimous written consent a total of 8 times. Each director attended or participated in 75% or more of the aggregate of the total number of meetings of the Board of Directors and committees on which he served during the time he served as a director.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, a Compensation Committee, and a Corporate Governance Committee.

Director Qualifications. The Board of Directors does not currently have a nominating committee, as the Company believes that having the full Board deliberate the nomination process is in the Company's best interest. Board of Director nominations are recommended by the directors, which has recommended the nominees named above for election at the 2012 Annual Meeting. In making its nominations, the Board of Director identifies candidates who meet the current challenges and needs of the Board of Directors. In determining whether it is appropriate to add or remove individuals, the Board of Directors will consider issues of judgment, diversity, age, skills, background and experience. In making such decisions, the Board of Directors considers, among other things, an individual's business experience, industry experience, financial background and experiences. The Board of Directors also considers the independence, financial literacy and financial expertise standards required by our Board of Directors committees' charters and applicable laws, rules and regulations, and the ability of the candidate to devote the time and attention necessary to serve as a director and a committee member.

Identifying and Evaluating Nominees for Director. In the event that vacancies are anticipated or otherwise arise, the Board of Directors considers various potential candidates for director. Candidates may come to the attention of the Board through current directors, professional search firms engaged by us, stockholders or other persons. Candidates are evaluated at regular or special meetings of the Board of Directors and may be considered at any point during the year.

Stockholder Nominees. Candidates for director recommended by stockholders will be considered by the Board of Directors. Such recommendations should include the candidate's name, home and business contact information, detailed biographical data, relevant qualifications for membership on our Board of Directors, information regarding any relationships between the candidate and us within the last three years, including stockholdings in us, and a written indication by the recommended candidate of the candidate's willingness to serve, and should be sent to the Board of Directors at the address listed on page 11 of this proxy statement.

The Board of Directors will evaluate recommendations for director nominees submitted by directors, management or qualifying stockholders in the same manner, using the criteria stated above. All directors and director nominees will submit a completed form of directors' and officers' questionnaire as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Board of Directors.

Audit Committee

The Audit Committee currently consists of Leonard J. Sokolow, Frank S. Plimpton and Robert W. Lautz, Jr.

On January 22, 2003, the Board adopted a charter for the Audit Committee, as amended and restated on January 12, 2004 and January 27, 2009, a copy of which is available on our website, www.nationalsecurities.com. The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management is responsible for the Company's internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. The independent public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee has the power and authority to engage the independent public accountants, reviews the preparations for and the scope of the audit of the Company's annual financial statements, reviews drafts of the statements and monitors the functioning of the Company's accounting and internal control systems through discussions with representatives of management and the independent public accountants.

Under SEC rules, companies are required to disclose whether their audit committees have an “audit committee financial expert” as defined in Item 407(d) of Regulation S-K under the Exchange Act. The Board of Directors has determined that Mr. Sokolow is a financial expert. The Audit Committee meets quarterly and on an on-needed basis. The Committee met four times during the year ended September 30, 2011. Mr. Sokolow has been the Chairman of the Audit Committee since July 1, 2008.

The Audit Committee has submitted the following report:

On December 28, 2011, the Audit Committee met to review the results of the fiscal year 2011 audit. The Audit Committee reviewed the Company’s audited financial statements as of and for the fiscal year ended September 30, 2011, with management and the Company’s independent public accountants, Sherb & Co., LLP. This review included the matters required to be discussed by Statement on Auditing Standards No. 61, “Communication with Audit Committees,” as issued and amended by the Auditing Standards Board of the American Institute of Certified Public Accountants. The Audit Committee discussed with Sherb & Co., LLP their independence from management and from the Company, and has received the written disclosures and the letter required by Independent Standards Board Standard No. 1, as adopted by the Public Company Accounting Oversight Board in Rule 3600T from Sherb & Co., LLP confirming their independence.

Based on the above review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements as of and for the fiscal year ended September 30, 2011, be included in the Company’s Annual Report on Form 10-K for the fiscal year ended September 30, 2011.

On July 1, 2008, concurrent with the closing of the merger of the Company and vFinance, Inc., Messrs. Goldwasser and Sokolow (the “Executives”) each entered into substantially identical five-year employment agreements with the Company, pursuant to which Mr. Goldwasser is employed by the Company as Chairman and Chief Executive Officer and Mr. Sokolow is employed by the Company as Vice Chairman and President. Under the terms of the employment

agreements, the Executives were entitled to each receive an annual base salary of \$450,000, which will increase 5% per year, and a non-accountable automobile expense allowance of \$1,000 per month.

On November 23, 2009, each of Messrs. Goldwasser's and Sokolow's employment agreements were amended to revise the bonus payable under such agreements. As revised, for the fiscal year beginning October 1, 2009, the bonus will be payable quarterly in an amount equal to seven and one-half (7.5%) percent of the Company's annual Adjusted EBITDA (as defined below) in excess of \$1,500,000 (of which 50% will be paid as soon as practicable in cash after the end of each fiscal quarter ("Paid Portion"), and 50% will accrue until the conclusion of the fiscal year ("Accrued Portion")).

To the extent that the Adjusted EBITDA for any fiscal year is between \$1,500,000 and \$4,500,000, up to 100% of the Accrued Portion may, at the Board's discretion, be satisfied by the issuance of the Company's restricted Common Stock, at its then fair market value. To the extent that the Adjusted EBITDA for such fiscal year exceeds \$4,500,000, the Accrued Portion shall be paid in cash.

For the purpose of the bonuses, "Adjusted EBITDA" means the net income of the Company for a particular fiscal quarter before interest, taxes, depreciation and amortization, adjusted to exclude non-cash compensation expense (including the amortization of costs associated with the issuance of stock options) and write down of forgivable loans. At the conclusion of the fiscal year, the Company and the Executives 'true up' the annualized bonus, the Paid Portion and the Accrued Portion, with payment (if any) to be made as soon as practicable following the determination of such 'true up' amount. To the extent that the 'true up' calculation results in a negative amount (i.e., the Paid Portion exceeds the annualized bonus) then (i) the Company will have no right to clawback such amount from the Executive but (ii) such amount will first be deducted from the annualized bonus (if any) to be paid for future periods. All bonuses will be subject to applicable withholding taxes, which will be paid by the Company; other similar deductions and any payment of Accrued Portion payable in Common Stock shall accordingly be calculated net of such withholding on the aggregate bonus amount paid.

The Executives will continue to be eligible to receive such additional bonuses as the Board of Directors of the Company will determine based upon the Board's assessment of their performance in the various areas, which bonuses may be paid in cash and/or Common Stock at the Board's discretion.

Each employment agreement terminates upon the earliest to occur of: (i) the death of the employee; (ii) a termination by the Company by reason of the disability of the employee; (iii) a termination by the Company with or without Cause; (iv) a termination by the employee with or without Good Reason; (v) upon a Change in Control; or (vi) the non-renewal of the agreement. Upon the termination due to the death or disability of the employee, by the Company without Cause, by the employee with Good Reason, upon a Change of Control, or upon the expiration of the employment agreement if the Company or the employee refuses to extend the term of the employment agreement, the employee will be entitled to: (i) any accrued but unpaid salary or bonus or unreimbursed expenses; (ii) any bonus payable for the portion of the fiscal year during which the termination occurs; (iii) 100% of the employee's base salary (150% in the event of termination by the Company without Cause or by the employee with Good Reason); (iv) the continuation of health benefits until the earlier of (a) 18 months after termination and (b) the date the employee accepts other employment; and (v) all unvested options granted pursuant to the employment agreements will become immediately vested and be exercisable for a period of nine months. See "Potential Termination and Change in Control Payments" for the definitions of "Cause," "Good Reason," and "Change in Control."

Pursuant to each employment agreement, each of Messrs. Goldwasser and Sokolow were granted non-qualified stock options to purchase 1,000,000 shares of Common Stock at an exercise price of \$1.64 per share, which was equal to the average of the 10-day closing market price of the Common Stock prior to the effective date of the employment agreements. As of September 30, 2011, all 1,000,000 shares of each of the Messrs. Goldwasser's and Sokolow's options have vested. The options expire June 30, 2015.

Potential Termination and Change in Control Payments

Mark Goldwasser, Leonard Sokolow, and Alan Levin are the only Named Executive Officers who have an employment agreement with us that provides for potential payments in the event of his termination.

Pursuant to the employment agreements governing the employment of the aforementioned with us, they would be entitled to compensation upon termination of their agreement by us without Cause by the individuals for “Good Reason,” or as a result of non-renewal of the agreement by either party, or as a result of his disability or his death, or upon a change of control. According to the employment agreements:

- “Good Reason” means: (i) the assignment to the executive of any duties inconsistent in any material respect with the executive’s position; (ii) the Company’s material failure or refusal to perform any of the compensation obligations required to be performed in accordance with the agreement after a reasonable notice and an opportunity to cure same; (iii) a material diminution in title, duties, responsibilities, reporting relationship or positions; (iv) the relocation of the executive’s principal office location; (v) any decrease in salary or bonuses payable pursuant to the terms of the agreement without the executive’s written consent; and (vi) in the case of Mr. Levin, the cessation of his position for any reason without his written consent. Any one of these events shall not be deemed to constitute Good Reason if, within a 30-day notice period, the event or circumstance giving rise to Good Reason has been fully corrected by the Company. In September 2010, Messrs. Goldwasser and Sokolow agreed that should the Board of Directors deem it necessary to hire a new chief executive officer of the Company, neither such event nor the appointment of Michael Weiss as Chairman of the Board of Directors, would constitute Good Reason under their respective employments agreements.
- “Cause” shall mean (i) the executive’s commission of a felony or other crime involving moral turpitude, or the commission of any other act or omission involving dishonesty or fraud with respect to the Company or any of its subsidiaries or affiliates; (ii) alcoholism or drug addiction that materially impairs the executive’s ability to perform his duties; (iii) the substantial and repeated failure to perform duties as reasonably directed by the Board (or in the case of Mr. Levin, as reasonably directed by the President), after reasonable notice and an opportunity to cure same; (iv) any material breach or violation of executive’s fiduciary duty owed to the Company or any of its subsidiaries or affiliates; (v) acts of willful misconduct or gross negligence with respect to the Company or any of its subsidiaries or affiliates; (vi) any material breach of the agreement which are not cured after reasonable notice is provided; or (vii) action taken by a regulatory body or self-regulatory organization that substantially impairs the executive’s ability to perform his duties pursuant to the agreement.
- “Change in Control” means (i) consummation of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets or stock of the Company (a “Business Combination”), in each case, unless, following such Business Combination, all or substantially all of the individuals or entities who were the beneficial owners, respectively, of the voting securities of the Company entitled to vote generally in the election of directors immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of, respectively, the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Business Combination (including, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company’s assets either directly or through one or more subsidiaries); (ii) approval by the Company’s stockholders of a complete dissolution or liquidation of the Company; or (iii) any “person” (as such term is defined in Section 3(a)(9) of the Exchange Act and as used in Sections 13(d)(3) and 14(d)(2) of the Exchange Act), is or becomes a “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 35% or more of the combined voting power of the Company’s then outstanding securities eligible to vote for the election of the Board of Directors of the Company.
