PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

September 9, 2014

We are sending this proxy statement to shareholders of Tucows Inc., a Pennsylvania corporation (“Tucows” or the “Company”), in connection with our Board of Directors’ solicitation of proxies for use at our annual meeting of shareholders on September 9, 2014. We have also enclosed our 2013 Annual Report on Form 10-K (which does not form a part of the proxy solicitation material).

VOTING INFORMATION

Record Date

The record date for the annual meeting was July 11, 2014. You may vote all shares of our common stock that you owned as of the close of business on that date. On July 11, 2014, we had 11,287,867 shares of common stock outstanding. Each share of common stock is entitled to one vote on each matter to be voted at the annual meeting. This proxy statement or the Notice of Internet Availability of Proxy Materials (the “Notice”) are being mailed or made available on the Internet on or about July 29, 2014 to shareholders of record as of the close of business on the record date.

How to Vote

By mail. If you hold your shares through a securities broker (that is, in street name), you may complete and mail the voting instruction card forwarded to you by your broker. If you hold your shares in your name as a holder of record, you can vote your shares by proxy by completing, signing and dating the proxy card and returning it in the enclosed postage-paid envelope. A properly completed and returned proxy card will be voted as you instruct, unless you subsequently revoke your instructions.

By telephone. If you hold your shares through a securities broker, you may vote by telephone by following the instructions included with the voting instruction card forwarded to you by your broker. If you vote your shares via telephone, you may incur additional charges.

By Internet. If you hold your shares through a securities broker, you may vote your shares via the Internet by following the instructions included with the voting instruction card forwarded to you by your broker. If you vote your shares via the Internet, you may incur costs such as telephone and Internet access charges.

At the annual meeting. Submitting your vote by mail or via the Internet does not limit your right to vote in person at the annual meeting if you later decide to do so. If you hold your shares in street name and want to vote in person at the annual meeting, you must obtain a proxy from your broker and bring it to the annual meeting.

Revoking Your Proxy

You can revoke your proxy at any time before your shares are voted at the annual meeting. If you are a shareholder of record, you can send a written notice of revocation to our secretary at our principal executive office (96 Mowat Avenue, Toronto, Ontario, M6K 3M1, Canada) and request another proxy card. If you hold your shares through a broker, bank or other nominee, you can revoke your proxy by contacting the broker, bank or other nominee and asking for a new proxy card. If you submitted your proxy by Internet or by telephone, you can vote again by voting over the Internet or by telephone. You can also attend the annual meeting and vote in person. Merely attending the annual meeting will not revoke your proxy.

Returning Your Proxy without Indicating Your Vote

If you return a signed proxy card without indicating your vote and do not revoke your proxy, your shares will be voted according to the Board of Directors' recommendations.

Quorum Required to Hold the Annual Meeting

On September 9, 2014, we need the presence of, in person or by proxy, shareholders entitled to cast at least a majority of the votes that all shareholders are entitled to cast, on a particular matter to be acted upon at the meeting, in order to constitute a quorum for the purpose of consideration of and action on the matter. If a quorum is present then the shareholders can continue to do business and vote on other matters until adjournment. Votes withheld in the election of directors are treated as present for purposes of determining a quorum. If your shares are held in "street name" and you do not give your broker voting instructions, your broker generally will have discretion to vote your shares for "routine" matters such as the proposal to ratify KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014. If your broker votes your shares on this proposal you will be deemed present for purposes of determining a quorum. For more information regarding "routine" and "non-routine" matters and "broker non-votes," see "— Street Name Shares and Broker Non-Votes."

Vote Required to Elect Directors

A plurality of the votes cast is required for the election of directors. Accordingly, the six nominees for election as directors who receive the highest number of votes actually cast will be elected.

Vote Required to Ratify the Appointment of KPMG LLP

The affirmative vote of a majority of the votes cast by all shareholders represented at the annual meeting, in person or by proxy, and entitled to vote is required to ratify the appointment of KPMG LLP as our independent public accountant for the year ending December 31, 2014.

Vote Required regarding Advisory Votes on the Compensation of Our Named Executive Officers

The affirmative vote of a majority of the votes cast by all shareholders represented at the annual meeting, in person or by proxy, and entitled to vote is required to approve, on an advisory basis, the compensation of our named executive officers.

Vote Required regarding the Frequency of Advisory Votes on the Compensation of Our Named Executive Officers

For the non-binding advisory vote on the frequency of shareholder advisory votes on the compensation of our named executive officers, the frequency receiving the highest number of votes from shareholders represented at the annual meeting in person or by proxy and entitled to vote will be considered the frequency preferred by the shareholders. Because this vote is non-binding, our Board of Directors may determine the frequency of future advisory votes on the compensation of our named executive officers in its discretion.

Withholding Your Vote or Voting to “Abstain”

In the election of directors, you may withhold your vote for any of the nominees. Withheld votes will be excluded entirely from the vote and will have no effect on the outcome. For the other three proposals, you may vote to “abstain.” If you vote to “abstain” for any of these three proposals, your shares will be excluded entirely from the vote and will have no effect on the outcome of that proposal.

Street Name Shares and Broker Non-Votes

A “broker non-vote” occurs when a bank, broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have authority to vote on that particular proposal without receiving voting instructions from the beneficial owner. Under applicable New York Stock Exchange (“NYSE”) rules, brokers cannot exercise discretion to vote shares in an uncontested election of directors or on matters relating to executive compensation (each, a “non-routine” proposal) if the shareholder does not give the broker voting instructions for these matters. To the extent that brokers have not received voting instructions, brokers report such number of shares as “non-votes.” Accordingly, subject to the rules of the NYSE concerning transmission of proxy materials to beneficial owners, and subject to any proxy voting policies and procedures of those brokerage firms, if your shares are held in “street name” and you wish to vote your shares on: (1) the election of directors, (2) approval, in an advisory vote, of our executive compensation and (3) approval, in an advisory vote, the frequency of shareholder votes of our executive compensation, you must give your broker voting instructions for these proposals.

“Broker non-votes” will have no effect on the votes for (1) the election of directors, (2) approval, in an advisory vote, of our executive compensation and (3) approval, in an advisory vote, the frequency of shareholder votes of our executive compensation. “Broker non-votes” will not occur in connection with the proposal to ratify KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2014 because this is a “routine” matter and brokers, banks, trustee and other nominees have discretionary voting authority to vote shares on this proposal without specific instruction from the beneficial owner of such shares.

Postponement or Adjournment of the Annual Meeting

If the annual meeting is postponed or adjourned, your proxy will still be valid and may be voted at the rescheduled meeting. You will still be able to revoke your proxy until it is voted.

PROPOSAL No. 1

ELECTION OF DIRECTORS

Our business is managed under the direction of our Board of Directors. Our Second Amended and Restated Bylaws, as amended (the “Bylaws”) provide that our Board of Directors determines the number of directors from time to time, which is currently set at a maximum of seven. Our directors are all subject to annual election. The current term of office of all of our directors expires upon election of their successors at the 2014 annual meeting.

Our Board of Directors is presently composed of seven members of whom six are standing for re-election. Our Board of Directors has determined that, as of the date of the annual meeting, the number of directors that constitutes a full board will be set at six. Our Board of Directors proposes that these six directors nominees be elected for a term of one year until the 2015 annual meeting and until their successors are duly selected and qualified. Dr. Lloyd Morrisett, current member of our Board of Directors, will retire and will not stand for re-election. We thank Dr. Morrisett for his years of services on our Board of Directors. All director nominees have agreed to be named in this proxy statement and to serve if elected.

Our Board of Directors expects that all of the nominees will be available for election and be willing to serve as a director. In the event that any of the nominees become unavailable or unwilling to serve as a director, proxies received will be voted for substitute nominees to be designated by our Board of Directors or, in the event no such designation is made, proxies will be voted for a lesser number of nominees.

Directors are expected, but are not required, to attend our annual meeting of shareholders. Elliot Noss attended our 2013 Annual Meeting of Shareholders in person while the remainder of the Board of Directors were available by teleconference.

Executive Sessions of Independent Directors

The independent directors meet without management present at regularly scheduled executive sessions at each quarterly Board meeting and some special Board meetings. Mr. Karp was responsible for chairing the executive sessions for 2013.

Committees

Our Board of Directors has two committees, an Audit Committee and a Corporate Governance, Nominating and Compensation Committee. Our committees generally meet in connection with regularly scheduled quarterly and annual meetings of our Board of Directors, with additional meetings held as often as its members deem necessary to perform its responsibilities. From time to time, depending on the circumstances, our Board of Directors may form a new committee or disband a current committee.

The Audit Committee currently consists of Mr. Schwartz (Chair), Mr. Karp and Dr. Morrisett. Mr. Gissin will be appointed as a member of the Audit Committee to replace Dr. Morrisett upon Dr. Morrisett's retirement effective on the date of the annual meeting. Our Board of Directors has determined that Mr. Gissin is independent within the meaning of the NASDAQ listing standards and meet the additional independence requirements of the NASDAQ listing standards applicable to audit committee members.

The Audit Committee held five meetings during 2013. The Audit Committee also took action by unanimous written consent on one occasion during 2013. The Audit Committee's purposes are:

To assist the Board of Directors in its oversight of (1) our accounting and financial reporting processes and the audits of our financial statements, and (2) our compliance with legal and regulatory requirements;

To interact directly with and evaluate the performance of the independent auditors, including to determine whether to engage or dismiss the independent auditors and to monitor the independent auditors' qualifications and independence; and

To prepare the report required by the rules of the SEC to be included in our Annual Report on Form 10-K.

Each of the members of our Audit is able to read and understand fundamental financial statements including balance sheets, income statements and cash flow statements. Additionally, our Board of Directors has determined that Mr. Schwartz qualifies as an "audit committee financial expert" as defined under Item 407(d)(5) of Regulation S-K.

The Corporate Governance, Nominating and Compensation Committee currently consists of Messrs. Karp (Chair), Schwartz and Ralls. The Corporate Governance, Nominating and Compensation Committee held five meetings during 2013. The Corporate Governance, Nominating and Compensation Committee's purposes are:

To determine, recommend and review the Company's executive compensation;

To review employee compensation and benefit programs;

To develop and recommend to our Board of Directors a set of corporate governance guidelines applicable to the Company and to periodically review the guidelines;

To oversee our Board of Directors' annual evaluation of its performance and the performance of the other Board committees;

To advise our Board of Directors regarding membership and operations of our Board of Directors;

To oversee the Company's director nominating process;

To identify individuals qualified to serve as members of our Board of Directors, to select, subject to ratification of our Board of Directors, the director nominees for the next annual meeting of shareholders and to recommend to our Board of Directors individuals to fill vacancies on our Board of Directors; and

To carry out responsibilities regarding related matters as required by the federal securities laws.

The Corporate Governance, Nominating and Compensation Committee may delegate authority to one or more members of the committee or one or more members of management when appropriate, but no such delegation is allowed if the authority is required by law, regulation or listing standard to be exercised by the Corporate Governance, Nominating and Compensation Committee as a whole.

Our executive officers do not play a formal role in determining their compensation. However, our Executive Vice President, Human Resources, reviews (i) information the Company purchased from Culpepper Compensation Survey and Services and (ii) published trends for the year from a variety of public sources, and, after discussing with Mr. Noss, our Chief Executive Officer, she provides consolidated information regarding executive officer compensation based on title to the Compensation Committee.

Board Leadership Structure and Responsibilities

Our Board of Directors oversees management's performance on behalf of our shareholders. Our Board of Directors' primary responsibilities are to (1) monitor management's performance to assess whether we are operating in an effective, efficient and ethical manner to create value for our shareholders, (2) periodically review our long-range plans, business initiatives, capital projects and budget matters and (3) approve compensation for our President and Chief Executive Officer who, with senior management, manages our day-to-day operations.

Our Board of Directors and its committees meet throughout the year on a set schedule, and also hold special meetings and act by written consent from time to time as appropriate. The independent directors meet without management present at regularly scheduled executive sessions at each quarterly Board of Directors meeting and some special Board of Directors meetings. Our Board of Directors has delegated certain responsibilities and authority to its Audit Committee and Corporate Governance, Nominating and Compensation Committee. The Audit Committee periodically discusses with management the Company's policies and guidelines regarding risk assessment and risk management, as well as the Company's major financial risk exposures and the steps that management has taken to monitor and control such exposures. The Audit Committee also reviews, evaluates and recommends changes to the Company's financial reporting policies and procedures. The Corporate Governance, Nominating and Compensation Committee reviews and evaluates the risks underlying the Company's compensation policies and plans and recommends changes to these policies and plans accordingly. Our Board of Directors believes that risk oversight actions taken by our Board of Directors and its committees are appropriate and effective at this time.

We believe it is beneficial to separate the roles of Chief Executive Officer and Chairman to facilitate their differing roles in the leadership of our company. The role of the Chairman includes setting the agenda for, and presiding over, all meetings of our Board of Directors, including executive sessions of independent directors, providing input regarding information sent to our Board of Directors, serving as liaison between the Chief Executive Officer and the independent directors and providing advice and assistance to the Chief Executive Officer. The Chairman is also a key participant in establishing performance objectives and overseeing the process for the annual evaluation of our Chief Executive Officer's performance. In addition, under our Bylaws, our Chairman has the authority to call special meetings of our Board of Directors and shareholders. In contrast, our Chief Executive Officer is responsible for handling our day-to-day management and direction, serving as a leader to the management team and formulating corporate strategy.

Currently our Co-Chairmen are Mr. Karp and Mr. Ralls, while Mr. Noss serves as our Chief Executive Officer. Both Mr. Karp and Mr. Ralls are independent directors. Mr. Karp has extensive executive leadership skills, long-standing senior management and board experience, a strong ethics and compliance focus and audit committee experience. Mr. Ralls has a wealth of industry experience, most notably the experience that he gained through his leadership of Netidentity.com. In addition, Mr. Ralls contributes a unique perspective to our Board of Directors' discussions and considerations based on two decades of investing and portfolio management experience.

We believe that this leadership structure for our Board of Directors provides us with the most effective level of oversight over the Company's business operations while at the same time enhancing our Board of Directors' ability to oversee our enterprise-wide approach to risk management and corporate governance and best serves the interests of our shareholders. It allows for a balanced corporate vision and strategy, which is necessary to address the challenges and opportunities we face at this time and demonstrates our commitment to good corporate governance. In addition, it allows for appropriate oversight of the Company by our Board of Directors, fosters appropriate accountability of management and provides a clear delineation of responsibilities for each position.

Role of the Board in Risk Oversight

One of our Board of Directors' key functions is providing oversight of our risk management process. Our Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through our Board of Directors as a whole, as well as through Board of Directors standing committees that address risks inherent in their respective areas of oversight. In particular, our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, our Corporate Governance, Nominating and Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking, monitors our major legal compliance risk exposures and our program for promoting and monitoring compliance with applicable legal and regulatory requirements, and our Board of Directors is responsible for monitoring and assessing strategic risk exposure and other risks not covered by our committees.

The full Board of Directors (or the appropriate committee in the case of risks that are under the purview of a particular committee) receives reports on the risks we face from our Chief Executive Officer or other members of management to enable us to understand our risk identification, risk management and risk mitigation strategies. When a committee receives the report, the chairman of the relevant committee reports on the discussion to the full Board of Directors during the committee reports portion of the next Board of Directors meeting. However, it is the responsibility of the committee chairs to report findings regarding material risk exposures to our Board of Directors as quickly as possible.

Director Nomination

Our Corporate Governance, Nominating and Compensation Committee is responsible for identifying potential nominees to our Board of Directors. In considering candidates for nomination, our Corporate Governance, Nominating and Compensation Committee seeks individuals who evidence strength of character, mature judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge. As set forth in the charter of our Corporate Governance, Nominating and Compensation Committee, Our Board of Directors endeavors to have directors who collectively possess a broad range of skills, expertise, industry and other knowledge and business and other experience useful to the effective oversight of our business. In addition, our Board of Directors also seeks members from diverse background so that our Board of Directors consists of members with a broad spectrum of experience and expertise and with a reputation for integrity. In determining whether to nominate a current director for re-election, our Corporate Governance, Nominating and Compensation Committee will take into account these same criteria as well as the director's past performance, including his or her participation in and contributions to the activities of the Board of Directors.

Our Corporate Governance, Nominating and Compensation Committee will evaluate and consider recommendations for director candidates from shareholders using the same criteria described above. As set forth in the charter of the Corporate Governance, Nominating and Compensation Committee, recommendations submitted by the Company's shareholders shall be submitted, along with the following to the attention of the Chairperson of the Corporate Governance, Nominating and Compensation Committee at 96 Mowat Avenue, Toronto, Ontario M6K 3M1 Canada at least 120 days before the first anniversary of the date on which we first mailed our proxy materials for our prior year's annual meeting of shareholders:

• the name and address of the recommending shareholder;

• the candidate's name and the information about the individual that would be required to be included in a proxy statement under the rules of the SEC;

- information about the relationship between the candidate and the recommending shareholder;

• the consent of the candidate to serve as a director; and

• proof of the number of shares of our common stock that the recommending shareholder owns and the length of time the shares have been owned.

Communications with our Board of Directors

A Tucows' shareholder who wishes to communicate with our Board of Directors may send correspondence to the attention of our Secretary at 96 Mowat Avenue, Toronto, Ontario M6K 3M1 Canada. The Secretary will submit the shareholder's correspondence to the Chairmen of the Board of Directors, the chairman of the appropriate committee, or the appropriate individual director, as applicable.

(1) For the purpose of the table we assumed an annual base salary at the executive's level as of December 31, 2013

Severance for Mr. Noss is compensation for one year plus one month additional compensation for each completed (2) year of service capped at 24 months. For Messrs. Cooperman and Woroch, severance compensation is for six months plus one month additional compensation for each completed year of service.

(3) For the purpose of the table we assumed that the annual incentive bonus target as of December 31, 2013 had been achieved and that no overachievement bonus or special bonuses would be payable.

For purposes of the above table, we have assumed that if we terminate Mr. Noss without cause all his unvested options vest automatically and that for Messrs. Cooperman or Woroch, that their options continue to vest through any severance period. On a change in control we have assumed that all unvested options for Messrs. Noss or (4) Cooperman vest automatically and that for Mr. Woroch, that his options continue to vest through and until the end of any severance period. Amounts disclosed in this table equal the closing market value of our common stock as of December 30, 2013, minus the exercise price, multiplied by the number of unvested shares of our common stock that would vest. The closing market value of our common stock on December 31, 2013 was \$14.00.

Pay for unused vacation, extended health, matching registered retirement savings plan benefit, life insurance and (5) accidental death and dismemberment insurance are standard programs offered to all employees and are therefore not reported.

Employment Agreements—Termination

Employment contracts are currently in place for each of the named executive officers, whose contracts detail the severance payments that will be provided on termination of employment and the consequent obligations of non-competition and non-solicitation.

The following details the cash severance payment that will be paid to each of the named executive officers in the event of termination without cause or termination for good reason.

Upon termination without cause, Mr. Woroch is entitled to a severance payment in the amount of six months' compensation plus one months' compensation for each additional completed year of service. Severance payments can be made in equal monthly installments. Mr. Woroch is bound by a standard non-competition covenant for a period of twelve months following his termination.

Messrs Noss and Cooperman's employment agreements are subject to early termination by us due to:

• the death or disability of the executive;

• for "cause;" or

• without "cause."

If we terminate Mr. Noss without “cause,” he is entitled to receive 12 months of compensation plus one month of compensation for each year of service, to a maximum of 24 months of compensation.

If we terminate Mr. Cooperman’s employment without “cause,” he is entitled to receive six months of compensation plus one month of compensation for each year of service.

For purposes of the employment agreements, “cause” is defined to mean the executive’s conviction (or plea of guilty or nolo contendere) for committing an act of fraud, embezzlement, theft or other act constituting a felony or willful failure or an executive’s refusal to perform the duties and responsibilities of his position, which failure or refusal is not cured within 30 days of receiving a written notice thereof from our Board of Directors.

Employment Agreements—Change in Control

Under their employment agreements, both Mr. Noss and Mr. Cooperman are also entitled to the change in control benefits described in the following paragraph if:

• the executive resigns with or without “good reason” within the 30-day period immediately following the date that is six months after the effective date of the “change in control;” or

• within 18 months after a “change in control” and executive’s employment is terminated either:

• without “cause;” or

• by resignation for “good reason.”

If an executive’s employment is terminated following a change in control under the circumstances described in the preceding paragraph, the executive is entitled to receive a lump sum payment based upon the fair market value of the Company on the effective date of the “change in control” as determined by our Board of Directors in the exercise of good faith and reasonable judgment taking into account, among other things, the nature of the “change in control” and the amount and type of consideration, if any, paid in connection with the “change in control.” Depending on the fair market value of the Company, the lump sum payments range from \$375,000 to \$2 million in the case of Mr. Noss, and from \$187,500 to \$1 million in the case of Mr. Cooperman. In addition to the lump sum payments, all stock options held by the executive officers will be immediately and fully vested and exercisable as of the date of termination.

A “change in control” is generally defined as:

• the acquisition of 50% or more of our common stock;

• a change in the majority of our Board of Directors unless approved by the incumbent directors (other than as a result of a contested election); and

AUDIT COMMITTEE REPORT

The purposes of the Audit Committee are described on page 13 of this proxy statement under the caption “Corporate Governance—Committees” and in the charter of the Audit Committee. In particular, it is the Audit Committee’s duty to review the accounting and financial reporting processes of the Company on behalf of the Board. In fulfilling our responsibilities, the Audit Committee has reviewed and discussed the audited consolidated financial statements contained in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, as amended, with our management and also with KPMG LLP, our independent auditors. Management is responsible for the financial statements and the reporting process, including the system of internal controls, and has represented to the Audit Committee that such financial statements were prepared in accordance with generally accepted accounting principles. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States.

The Audit Committee has also discussed with KPMG LLP the matters that are required to be discussed by the auditors with the Audit Committee under Public Company Accounting Oversight Board (PCAOB) Auditing Standard No. 16 (Communication with Audit Committees). Furthermore, the Audit Committee discussed with KPMG LLP their independence from management and the Company and the Audit Committee received written disclosures and the letter from KPMG LLP required by the applicable PCAOB requirements regarding the independent accountant’s communications with the Audit Committee concerning independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to our Board of Directors that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 as filed with the SEC.

PROPOSAL No. 2**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

KPMG LLP has served as our independent auditor since our merger with Tucows Delaware in August 2001. The Audit Committee of our Board of Directors has appointed KPMG LLP as the independent auditor of the Company and our subsidiaries for the year ending December 31, 2014. Although shareholder approval is not required, our Board of Directors desires to obtain shareholder ratification of this appointment. If the appointment is not ratified at the annual meeting, our Board of Directors will review its future selection of auditors. A representative of KPMG LLP is expected to be present at the annual meeting and will have the opportunity to make a statement, if he or she desires to do so, and to respond to appropriate questions.

The Board of Directors unanimously recommends a vote FOR ratification of the appointment of KPMG LLP as our independent auditor.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors.

The Audit Committee has adopted a pre-approval policy that provides guidelines for the audit, audit-related, tax and other non-audit services that may be provided to us by our independent auditors. Under this policy, the Audit Committee pre-approves all audit and certain permissible accounting and non-audit services performed by the independent auditors. These permissible services are set forth on an attachment to the policy that is updated at least annually and may include audit services, audit-related services, tax services and other services. For audit services, the independent auditor provides the Audit Committee with an audit plan including proposed fees in advance of the annual audit. The Audit Committee approves the plan and fees for the audit.

With respect to non-audit and accounting services of our independent auditors that are not pre-approved under the policy, the employee making the request must submit the request to our Chief Financial Officer. The request must include a description of the services, the estimated fee, a statement that the services are not prohibited services under the policy and the reason why the employee is requesting our independent auditors to perform the services. If the aggregate fees for such services are estimated to be less than or equal to \$25,000, our Chief Financial Officer will submit the request to the Chairman of the Audit Committee for consideration and approval, and the engagement may commence upon the approval of the Chairman. The Chairman is required to inform the full Audit Committee of the services at its next meeting. If the aggregate fees for such services are estimated to be greater than \$25,000, our Chief Financial Officer will submit the request to the full Audit Committee for consideration and approval, generally at its next meeting or special meeting called for the purpose of approving such services. The engagement may only commence upon the approval of full Audit Committee.

PROPOSAL No. 3:

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are providing our shareholders with an opportunity to vote, on an advisory, non-binding basis, on the compensation of our named executive officers as described in this proxy statement. This proposal, which is commonly referred to as the “say-on-pay” proposal, is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”).

Our executive compensation program is designed to attract, motivate and retain our executive officers, who are critical to our success. As described in the tables included in the sections above entitled “Executive Compensation - Summary Compensation Table” and “Executive Compensation – Outstanding Equity Awards at Fiscal Year-End” as well as our accompanying narrative disclosure to such tables and in “Executive Compensation – Potential Payments on Termination of Change In Control,” our executive compensation program contains elements of cash and equity-based compensation. Our Board of Directors and our Corporate Governance, Nominating and Compensation Committee believe that our compensation programs directly and substantially link rewards to measurable corporate performance and are designed to align the interests of our named executive officers with those of our shareholders and to reward our named executive officers for the achievement of our near-term and longer-term financial and strategic goals. The process for determining compensation packages requires that our Board of Directors and our Corporate Governance, Nominating and Compensation Committee use judgment and experience to determine the optimal components and amounts of compensation for each named executive officer,

We strongly encourage our shareholders to review this proxy statement, and in particular the information contained in the “Executive Compensation” section, including the tabular and narrative disclosure, for a more detailed discussion of our compensation philosophy, objectives and programs.

The say-on-pay vote gives you as a shareholder the opportunity to express your views regarding the compensation of our named executive officers by voting to approve or not approve such compensation as described in this proxy statement. This vote is advisory and will not be binding upon our Board of Directors or our Corporate Governance, Nominating and Compensation Committee. However, our Board of Directors and our Corporate Governance, Nominating and Compensation Committee value the opinion of our shareholders and will take into account the outcome of the vote when considering future executive compensation arrangements. The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC. If Proposal No. 4 below, is approved in accordance with our recommendation, the next say-on-pay vote will occur in 2017.

Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR the following non-binding advisory resolution:

RESOLVED, that the compensation paid to the Company's named executive officers as disclosed in the Company's proxy statement for the 2014 Annual Meeting of Shareholders pursuant to Item 402 of SEC Regulation S-K, including the tabular and narrative disclosures and any other related disclosure, is hereby APPROVED.

PROPOSAL NO. 4:

NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF THE VOTE ON EXECUTIVE COMPENSATION

In Proposal No. 3 above, we are providing our shareholders with an opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers. In this proposal, we are asking our shareholders to cast a non-binding advisory vote regarding the frequency of future “say-on-pay” votes. Shareholders may vote for a frequency of every one, two, or three years, or may abstain from voting. This proposal, which is often referred to as a “say-on-frequency” proposal, also is required by the Dodd-Frank Act.

Because this proposal calls for a non-binding advisory vote, our Board of Directors and our Corporate Governance, Nominating and Compensation Committee may determine to hold “say-on-pay” votes more or less frequently than the option selected by our shareholders (though no less frequently than once every three years). However, our Board of Directors and our Corporate Governance, Nominating and Compensation Committee value the opinions of our shareholders and will consider the outcome of the vote when determining the frequency of future “say-on-pay” votes. In the future, we will provide a “say-on-frequency” vote at least once every six years as required by the Dodd-Frank Act.

We believe that every three years is the optimal frequency for our say-on-pay vote for several reasons. As our compensation program is designed to incent performance over not just the short term but also the long term, shareholder input on executive compensation would be most useful if the effectiveness of our compensation program is evaluated and judged over a multi-year period. Additionally, a three-year vote cycle will provide our Board of Directors and our Corporate Governance, Nominating and Compensation Committee with time to consider the results of the advisory vote and to implement any changes to our compensation practices. By contrast, a more frequent vote might lead to a short-term perspective on executive compensation that is inconsistent with the longer-term approach taken by our Board of Directors and our Corporate Governance, Nominating and Compensation Committee and with which we currently view our business.

Before making its recommendation, our Board of Directors considered the arguments in favor of more frequent votes, including increased opportunities for stockholder input and the belief that annual votes might promote greater accountability on executive compensation. After considering the alternatives, our Board of Directors believes that, on balance, a three-year cycle is most appropriate for us. Our Corporate Governance, Nominating and Compensation Committee intends to periodically reassess this triennial approach and, if appropriate, may provide for a more frequent say-on-pay vote.

Recommendation of our Board of Directors

The Board of Directors recommends that shareholders select “EVERY THREE YEARS” on the proposal recommending the frequency of advisory votes on named executive officer compensation.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Corporate Governance, Nominating and Compensation Committee of our Board of Directors during 2013 are Messrs. Karp (Chair), Schwartz and Ralls. To ensure that our compensation policies are administered in an objective manner, our Corporate Governance, Nominating and Compensation Committee is comprised entirely of independent directors. None of the members of our Corporate Governance, Nominating and Compensation Committee has ever been an officer or employee of the Company or its subsidiaries. None of our executive officers serves as a member of the Board of Directors or compensation committee of any entity that has one or more executive officers on our Board of Directors or Corporate Governance, Nominating and Compensation Committee.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Review, Approval or Ratification of Transactions with Related Parties

Our Audit Committee is responsible for reviewing and, if appropriate, approving all related party transactions between us and any officer or director that would potentially require disclosure pursuant to the Audit Committee charter. We expect that any transactions in which related persons have a direct or indirect interest will be presented to the Audit Committee for review and approval. While neither the Audit Committee nor our Board of Directors have adopted a written policy regarding related party transactions, the Audit Committee makes inquiries to our management and our auditors when reviewing such transactions. Neither we nor the audit committee are aware of any transaction that was required to be reported with the SEC where such policies and procedures either did not require review or were not followed.

Related Party Transactions

There were no disclosabe related party transactions during 2013.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

We encourage stock ownership by our directors, officers and employees to align their interests with your interests as shareholders. Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than 10 percent of a registered class of our equity securities to file with the SEC reports of ownership and reports

of changes in ownership of our common stock and our other equity securities. These persons are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. Based solely on a review of the copies of such reports furnished to us and on the written representations of our directors, officers and greater than 10 % beneficial owners, we believe that during 2013, all Section 16(a) filing requirements applicable to our directors, executive officers and greater than 10% beneficial owners were satisfied, with the exceptions that a Form 4 was inadvertently filed late by Mr. Stern with respect to the purchase of 20,000 shares of common stock upon the exercise of options, and a Form 4 was inadvertently filed late by each of Messrs. Schwartz, Ralls, Morrisett, Karp, Ito and Gissin with respect to a grant of options.
