**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

As previously reported, Giga-tronics Incorporated (“the Company”) received a notification letter from The NASDAQ Stock Market (“NASDAQ”) dated February 12, 2014, advising the Company of its failure to comply with the required minimum of \$2,500,000 in shareholders’ equity for continued listing on The Nasdaq Capital Market, pursuant to NASDAQ listing rule 5550(b)(1). The Company fell below the minimum requirement with reported shareholders’ equity of \$2,044,000 in its Form 10-Q for the quarterly period ended December 28, 2013.

NASDAQ stated in the February 12, 2014 letter that under the NASDAQ listing rules the Company had 45 calendar days to submit a plan to regain compliance. The Company submitted a plan on March 31, 2014, and NASDAQ notified the Company on April 10, 2014 of NASDAQ’s acceptance of the plan and the granting of an extension to comply with the required minimum of \$2,500,000 in shareholders’ equity by August 11, 2014. The terms of the extension required the Company to complete certain contemplated sales or other transactions by August 11, 2014, but the Company was unable to do so. The Company reported shareholders’ equity of \$540,000 in its Form 10-Q as of its quarter end on June 28, 2014.

On August 14, 2014, the Company received a notification letter from NASDAQ advising the Company of its failure to comply with the terms of the extension granted to meet the required minimum in shareholders’ equity. The Company requested, and was granted, a hearing initially scheduled on October 3, 2014. The hearing has since been postponed until November 6, 2014.

No assurance can be given as to the decision that the hearing panel might make. If the decision is to confirm the delisting, the Company has the right to appeal to the Nasdaq Listing Council. An appeal must include payment of a \$10,000 appeal fee. An appeal does not operate as a stay of the hearing panel’s decision. The Listing Council has authority to grant an exception to the listing requirements for a period not longer than 360 days from the date of the original staff delisting determination, which was February 12, 2014. If the Company’s Common Stock ceases to be listed for trading on the Nasdaq Capital Market, the Company expects that its Common Stock would be traded on the Over-the-Counter Bulletin Board on or about the same day or shortly thereafter.
