Item 1.01 Conflict Minerals Disclosure

As of the date of this filing, based on our supplier responses to our survey and our analysis of such responses as they apply to the calendar year ended December 31, 2015, there is an indication of Democratic Republic of the Congo (“DRC”) sourcing by some of our suppliers, but we cannot ascertain if that DRC source was used in our products. Accordingly, we have continued to proceed with additional due diligence procedures for the purpose of determining the status of our products as it pertains to the source and chain of custody of any such conflict minerals. See Conflict Minerals Report, Exhibit 1.01.
