**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On October 20, 2017, the Company's Board of Directors approved resolutions authorizing the Company to initiate delisting from the Nasdaq Stock Market. The decision to withdraw its listing from NASDAQ was taken following the Company's review and consideration of several factors including the likelihood of ongoing non-compliance with the NASDAQ listing requirements. The Board of Directors determined that the Company was unlikely to satisfy the requirements for a minimum share price of \$1.00 and a minimum shareholders' equity of \$2,500,000 by the deadline of October 31, 2017, previously imposed by Nasdaq panel and that an orderly transition to the OTCQB is in the best interests of the Company and its shareholders. The Company notified the NASDAQ stock market of its intention to withdraw its ongoing appeal. The last trading day on the NASDAQ is expected to be on or around October 27, 2017.

We expect that our common stock will trade on the OTCQB Market beginning on or around October 30, 2017 under the ticker symbol GIGA. Participation in the OTCQB Market requires completion of an application process, which includes satisfying eligibility standards and financial metrics. We submitted our application on October 23, 2017.

Giga-tronics Inc. will remain a public company following the delisting and our shares will continue to trade publicly. We will continue to make SEC filings on Forms 10-K, 10-Q and 8-K, and we will remain subject to the SEC rules and regulations applicable to reporting companies under the Exchange Act. We will maintain an independent Board of Directors with an independent Audit Committee and provide annual financial statements audited by a Public Company Accounting Oversight Board (PCAOB) auditor and unaudited interim financial reports, prepared in accordance with U.S. generally accepted accounting principles (GAAP).
