The Company’s delay in filing the Form 10-Q is due principally to the additional time the Company requires to complete its analysis of complex and technical accounting issues relating to discontinued operations as related to its Modesto operations. The Company is working diligently to address the foregoing matters and intends to file its Form 10-Q on or before November 13, 2018, the prescribed due date pursuant to this Form 12b-25, or as soon as practicable thereafter once such matters have been resolved.
