Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 1, 2019, the Board of Directors (the “Board”) of Twin Disc, Incorporated (the “Company”) accepted the resignation of Malcolm F. Moore from his position as Executive Vice President, Chief Operating Officer. Mr. Moore has served the Company as Executive Vice President since July 2015, and as Chief Operating Officer since August 1, 2016. Mr. Moore’s duties as Chief Operating Officer were reassigned effective May 1, 2019 as described below. His resignation as Executive Vice President and his last day of employment with the Company will be effective May 31, 2019.

At a meeting on May 1, 2019, in connection with Mr. Moore’s retirement, the Compensation and Executive Development Committee of the Board (the “Compensation Committee”) approved the following, subject to Mr. Moore's execution of a release in favor of the Company: (i) the full vesting of Mr. Moore’s 19,386 outstanding shares of the Company’s restricted stock awarded under the Twin Disc, Incorporated 2010 Long-Term Incentive Compensation Plan (the “2010 LTI Plan”), and (ii) the non-prorated payout of Mr. Moore’s outstanding performance shares for the performance period ending June 30, 2019, which were also awarded under the 2010 LTI Plan. Mr. Moore was awarded a target number of 19,386 performance shares for the performance period ending June 30, 2019, subject to adjustment based on the actual performance of the Company relative to the performance objectives and relative weights established under Mr. Moore’s July 28, 2016 Performance Stock Award Grant Agreement.

On May 1, 2019, the Board approved the hiring of James E. Feiertag, age 62, and appointed Mr. Feiertag to serve as the Company’s President and Chief Operating Officer effective May 1, 2019. In connection with Mr. Feiertag’s assumption of the role of President of the Company, the Board also approved the transition of the role of President from John H. Batten to Mr. Feiertag effective May 1, 2019. Mr. Batten will continue to serve as the Company’s Chief Executive Officer.

Prior to joining the Company, Mr. Feiertag served as the President and Chief Executive Officer of Bemis Manufacturing Company from October 2014 through March 2019. Before that, Mr. Feiertag served the Company as Executive Vice President from 2001 until 2014 and as Vice President, Manufacturing from 2000 to 2001.

At its meeting on May 1, 2019, the Compensation Committee approved the terms of Mr. Feiertag’s compensation. Mr. Feiertag will receive an annual base salary of \$440,000. He will not participate in the Company’s Corporate Incentive Plan (the “CIP”) for the 2019 fiscal year, but Mr. Feiertag will be eligible to participate in the CIP for the 2020 fiscal year with an expected target bonus of 65% of his 2020 base salary.

The Compensation Committee also granted 7,721 restricted shares under the Twin Disc, Incorporated 2018 Long-Term Incentive Compensation Plan (the “2018 LTI Plan”) that will vest on August 1, 2021 if Mr. Feiertag remains employed through such date. The restricted shares will also fully vest if Mr. Feiertag terminates employment due to death or disability, or if Mr. Feiertag is involuntarily terminated without cause or terminates employment for good reason following a change in control of the Company. A copy of the Restricted Stock Award Grant Agreement is attached hereto as Exhibit 10.1 and incorporated by reference.

In addition, the Compensation Committee awarded Mr. Feiertag a target number of 7,721 performance shares under the 2018 LTI Plan that will vest at the end of the 2021 fiscal year, provided certain performance goals are achieved. The performance shares will be paid out based on the following performance objectives and relative weights for each objective for the three fiscal year period ending June 30, 2021: (i) average return on invested capital (40%), (ii) average sales revenue (30%), and (iii) average annual earnings per share (30%). With respect to each performance objective, a value shall be determined as a percentage of the target based on the attainment of the performance objective for the performance period. If the Company does not obtain the threshold for that performance objective, such percentage shall be 0%. If the Company equals or exceeds the maximum for that performance objective, the percentage shall be 150%. Outcomes between the threshold and target will be interpolated linearly between the amount of threshold award and the amount of the target award applicable to that performance objective, and outcomes between target and maximum will be interpolated linearly between the amount of the target award and the amount of the maximum award applicable to that performance objective. The percentage for each performance objective will be multiplied by the weight accorded to that performance objective, and the sum of the weighted percentages for each of performance objectives will be multiplied by the target number of performance shares awarded. The maximum number of performance shares that can be earned by Mr. Feiertag pursuant to this award is 11,582. A copy of the form of Performance Stock Award Grant Agreement is attached hereto as Exhibit 10.2 and incorporated by reference.

Mr. Feiertag will also be eligible for an equity award under the 2018 LTI Plan to be granted at the Compensation Committee’s July 2019 meeting. The award will have an initial value of \$440,000. Half of the award will be restricted shares that will vest three years from the grant date and the other half will be performance shares that will vest at the end of the Company’s 2022 fiscal year if performance goals are achieved. The performance objectives will be established by the Compensation Committee at its July 2019 meeting.

Upon joining the Company, Mr. Feiertag entered into a Change in Control Severance Agreement and an Indemnity Agreement with the Company. A copy of the form of Change in Control Severance Agreement is attached hereto as Exhibit 10.3 and incorporated by reference, and a copy of the form of Indemnity Agreement is attached hereto as Exhibit 10.4 and incorporated by reference.

Mr. Feiertag has no family relationships, as defined in Item 401 of Regulation S-K, with any of the Company’s executive officers or directors, or any person nominated to become a director or executive officer. There is no arrangement or understanding between Mr. Feiertag and any other person pursuant to which Mr. Feiertag was appointed as the President and Chief Operating Officer of the Company. There are no transactions in which Mr. Feiertag has an interest requiring disclosure under Item 404(a) of Regulation S-K.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Effective May 1, 2019, the Board amended Article IV, Section 1 of the Restated Bylaws of the Company (“Bylaws”). The amendment removes a prior requirement that the Company’s President be selected from members of the Board.

A copy of the amended Bylaws is attached as Exhibit 3.1 and incorporated herein by reference. The description of the amended Bylaws is qualified in its entirety by reference to Exhibit 3.1.
