PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Vishay Precision Group, Inc. for use at the 2014 Annual Meeting of Stockholders to be held at The Desmond Hotel and Conference Center, 1 Liberty Boulevard, Malvern, PA 19355 on Thursday, May 22, 2014 at 9:00 a.m., local time, or any adjournments thereof.

ABOUT THE MEETING

Why are we holding the 2014 Annual Meeting?

As a matter of good corporate practice, and in compliance with applicable corporate law and the rules of the New York Stock Exchange, we hold a meeting of stockholders annually. This year's meeting will be held on May 22, 2014. There will be at least three items of business that must be voted on by our stockholders at the meeting, and our Board of Directors (the "Board") is seeking your proxy to vote on these items. This proxy statement contains important information about Vishay Precision Group, Inc. and the matters that will be voted on at the meeting. Please read these materials carefully so that you have the information you need to make informed decisions. Throughout this proxy statement, we will refer to ourselves as "Vishay Precision Group, Inc.," "VPG," "we," "our," or the "Company." Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

In accordance with rules adopted by the Securities and Exchange Commission ("SEC"), we may furnish proxy materials, including this proxy statement and our 2013 Annual Report to Stockholders, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability of Proxy Materials (the "Notice"), which is being mailed to our stockholders on or about April 11, 2014, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice also instructs you as to how you may submit your proxy on the Internet. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials in the Notice. What is a proxy?

A proxy is your legal designation of another person to vote the shares of stock that you own. The person you designate to vote your shares is also called a proxy. When you submit a proxy, the people named on the proxy card are required to vote your shares at the annual meeting in the manner you have instructed.

What is the record date and why is it important?

The record date is the date used by our Board to determine which stockholders are entitled to receive notice of, and vote on the items presented at, the annual meeting. Our Board established April 3, 2014 as the record date for the 2014 Annual Meeting.

What is the difference between "Stockholders of Record" and "Beneficial Owners"?

If your shares are registered directly in your name with our transfer agent, you are considered to be the stockholder of record of those shares. The proxy statement, annual report and proxy card have been sent directly to you by the Company.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name." This proxy statement and annual report have been forwarded to you by your broker, bank, or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank, or nominee how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting.

Who can attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, are invited to attend the meeting.

What proposals will I be voting on and how does the Board of Directors recommend I vote?

The Board's recommendations are set forth together with the description of each proposal in this proxy statement. In summary, the Board recommends a vote:

FOR the election of five directors to hold office for terms of one year or until their successors are duly elected and qualified (see Proposal One);

FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the year ending December 31, 2014 (see Proposal Two);

FOR the approval, on an advisory basis, of the compensation for our named executive officers (see Proposal Three); and

for or against any other matters that come before the 2014 Annual Meeting, as the proxy holders deem advisable. Does VPG have more than one class of stock outstanding?

We have two classes of stock outstanding, common stock and Class B common stock. On the record date, there were 12,727,036 shares of common stock and 1,025,176 shares of Class B common stock outstanding and entitled to vote. What are the voting rights of each class of stock?

Each share of common stock will be entitled to one vote and each share of Class B common stock will be entitled to 10 votes with respect to each matter to be voted on at the annual meeting.

A list of stockholders entitled to vote at the annual meeting will be available for examination by VPG's stockholders during ordinary business hours for a period of ten days prior to the annual meeting at our headquarters, 3 Great Valley Parkway, Suite 150, Malvern, Pennsylvania 19355. A stockholder list will also be available for examination at the annual meeting.

What constitutes a quorum?

A quorum is the minimum number of votes required to be present at the annual meeting to conduct business. As set forth in VPG's by-laws, the holders of a majority of the votes represented by the outstanding shares of common stock and Class B common stock, voting together as a single class, present in person or represented by proxy, will constitute a quorum for the transaction of business at the annual meeting.

What vote is required to approve each proposal?

On each matter to be voted on at the 2014 Annual Meeting, the holders of common stock and Class B common stock will vote together as a single class. Assuming a quorum is present, the vote required and method of calculation for the proposals to be considered at the annual meeting are as follows:

Proposal One. The election of five directors to hold office for terms of one year, or until their successors are duly elected and qualified, requires a plurality of the votes cast with respect to each directorship.

Proposal Two. The ratification of the appointment of Ernst & Young LLP as VPG's independent registered public accounting firm for the year ending December 31, 2014 requires the affirmative vote of a majority of the votes cast on Proposal Two.

Proposal Three. The non-binding approval of our executive compensation requires the affirmative vote of a majority of the votes cast on Proposal Three.

Other Matters. All other matters voted on at the 2014 Annual Meeting will be determined by the affirmative vote of a majority of the votes cast at the Meeting. Aside from the three proposals above, we are not aware of any other matter to be presented at the 2014 Annual Meeting.

How are abstentions and broker non-votes considered?

Shares represented by proxies that are properly marked "abstain" will be counted for purposes of determining the presence of a quorum at the 2014 Annual Meeting. Abstentions will have no effect on the election of directors under Proposal One or on the votes under Proposals Two and Three.

Brokers holding shares for beneficial owners in street name must vote those shares according to specific instructions they receive from the beneficial owners. If instructions are not received, brokers may only vote the shares, in their discretion, on matters for which they are not precluded from exercising their discretion by the rules of the New York Stock Exchange ("NYSE"). Under the NYSE rules, a broker is permitted to vote shares on routine matters, which include ratifying the appointment of independent auditors, but do not include the election of directors or the approval, on an advisory basis, of a resolution approving our executive compensation. Accordingly, brokers may vote in their discretion only on Proposal Two. For your vote to be counted with respect to Proposals One and Three, you will need to communicate your voting decisions to your bank, broker or other holder of record before the date of the 2014 Annual Meeting.

A broker "non-vote" occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Broker non-votes will be counted in determining whether there is a quorum at the annual meeting but will not be regarded as votes cast. Because the Company has a plurality voting standard for the election of directors and because the other proposals on the agenda will be determined by a majority of the votes cast, broker non-votes will have no effect on the outcome of the vote on any of the proposals.

How do I vote my shares? Can I vote electronically?

If you are a holder of record of our common stock as of the record date, there are four ways to vote:

On the Internet. You can vote over the Internet at www.proxyvote.com, 24 hours a day, seven days a week, by following the instructions on your proxy card. You will need the 12-digit control number included on your proxy card. Over the Phone. You can vote using a touch-tone telephone by calling 1-800-690-6903, 24 hours a day, seven days a week, and following the instructions on your proxy card.

By Mail. If you requested a copy of our proxy materials by mail, you may complete, sign and mail your enclosed proxy card to Vote Processing, c/o Broadridge Financial Solutions, 51 Mercedes Way, Edgewood, NY 11717. In Person. You may vote by written ballot at the annual meeting.

The shares represented by your proxy, whether voted using the Internet, by phone, or mail, will be voted as directed with respect to each of the proposals set forth in the proxy statement, OR, if no direction is indicated by your proxy for a proposal, at the recommendation of the Board.

You may either vote "for all" or "withhold" your vote for the election of the director nominees under Proposal One, or you may vote for only some of the nominees. You may vote "for," "against" or "abstain" on each of Proposals Two and Three. Whether or not you plan to attend the meeting, we strongly encourage you to vote by proxy prior to the meeting. Can I change my vote after I return my proxy card?

Yes. You may revoke your proxy at any time before it is voted at the 2014 Annual Meeting. In order to revoke your proxy, you may either:

sign and timely return another proxy card bearing a later date;

provide written notice of the revocation to VPG's Corporate Secretary; or

attend the annual meeting and vote in person.

If your shares are held in a stock brokerage account or by a bank or other nominee, you must follow the instructions provided by your broker, bank, or nominee on how to revoke your proxy.

What will happen if I provide my proxy but do not vote on one or more proposals?

If you are the record holder of your shares, you should provide voting instructions for all proposals appearing on the proxy card. The persons named as proxies on the enclosed proxy card will vote your shares according to your instructions. However, if you fail to provide instructions on how you want your shares to be voted, properly signed and dated proxies will be voted in accordance with the recommendation of the Board.

If you hold your shares in "street name," you should provide voting instructions for all proposals appearing on the proxy card to your broker, bank, or other holder of record. If you do not provide voting instructions for all proposals, your broker, bank, or other holder of record might not be authorized to vote your shares on certain matters, in which event they will be recorded as "broker non-votes." See the discussion under the heading "How are abstentions and broker non-votes considered?" above.

What will happen if I do not provide my proxy?

If you are a stockholder of record, your shares will not be voted unless you attend the 2014 Annual Meeting and vote your shares in person.

If you are the beneficial owner of shares held in street name, your broker, bank, or other holder of record might not be authorized to vote your shares on certain matters and they will be recorded as "broker non-votes." See the discussion under the heading "How are abstentions and broker non-votes considered?" above.

Who paid to send me the proxy materials?

The cost of production and mailing of proxy materials, and the solicitation of proxies, is borne by VPG. The Board may use the services of VPG's directors, officers and other regular employees to solicit proxies personally or by telephone. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of the shares held of record by such fiduciaries, and VPG will reimburse them for the reasonable expenses incurred by them in so doing.

GOVERNANCE OF THE COMPANY

How is VPG governed?

At VPG, day-to-day business activities are carried out by our employees under the direction and supervision of Ziv Shoshani, our Chief Executive Officer ("CEO"). The Board oversees these activities. In doing so, each director is required to apply his or her business judgment in the best interests of VPG and its stockholders. The Board's primary responsibilities include:

Review of our performance, strategies, and major decisions;

Oversight of our compliance with legal and regulatory requirements and the integrity of our financial statements; Oversight of management, including review of the CEO's performance and succession planning for key management roles; and

Oversight of compensation for the CEO, key executives and the Board, as well as oversight of compensation policies and programs for all employees.

Additional description of the Board's responsibilities is included in our Corporate Governance Principles document, which is available to stockholders on our website and in print upon request, as described in this proxy statement.

Where can I find more information about the corporate governance practices of VPG?

Various corporate governance related documents are available on our website, including:

Corporate Governance Principles

Code of Business Conduct and Ethics

Code of Ethics Applicable to the Chief Executive Officer, Chief Financial Officer, and Principal Accounting Officer or Controller

Audit Committee Charter

Nominating and Corporate Governance Committee Charter

Compensation Committee Charter

To view these documents, access our Investor Relations page at http://www.vpgsensors.com and click on "Corporate Governance." Any of these documents can be obtained in print by any stockholder upon written request to VPG's investor relations department.

We intend to post any amendments to, or any waivers from, a provision of our Code of Ethics Applicable to the Chief Executive Officer, Chief Financial Officer, and Principal Accounting Officer or Controller on our website. What is the composition of our Board of Directors?

VPG has a single class of directors, all of whom are elected annually. The number of directors is fixed by the Board, subject to a maximum of nine directors as provided in the Company's charter documents. There are currently five members of the Board. As described in Proposal One, all five directors are nominated to serve for a term expiring at the annual meeting of stockholders in 2015. Biographical information on each of the directors is included in Proposal One.

How does the Board determine which directors are considered independent?

The Board has determined that, to be considered independent, an outside director may not have a direct or indirect material relationship with VPG. A material relationship is one which impairs or inhibits, or has the potential to impair or inhibit, a director's exercise of critical and disinterested judgment on behalf of VPG and its stockholders. The materiality standard applied by the Board includes, but is not limited to, the disqualifying relationships set forth in the governance listing standards of the NYSE.

Accordingly, the Board has concluded that Dr. Samuel Broydo, Saul Reibstein and Timothy Talbert qualify as independent directors. The Audit Committee, the Nominating and Corporate Governance Committee, and the Compensation Committee of the Board are composed entirely of independent directors.

How often did the Board meet during 2013?

The Board met seven times during 2013. In 2013, each director attended all of the meetings of the Board and any Committee on which such director served. Each of our five directors attended the 2013 annual meeting stockholders. It is the policy of the Board that directors are expected to attend the 2014 Annual Meeting and all future annual meetings of stockholders.

What is the role of the Board's Committees?

Nominating and Corporate Governance Committee - The functions of the Nominating and Corporate Governance Committee include identifying individuals qualified to become members of the Board; selecting, and recommending that the Board approve, the director nominees for the next annual meeting of stockholders; developing and recommending to the Board a set of corporate governance principles for VPG; overseeing the evaluation of the Board and the management of VPG; administering VPG's Related Party Transactions Policy; and performing other related functions specified in the Committee's charter. A copy of the Committee's charter is available to stockholders on our website and in print upon request.

The chairman of the Nominating and Corporate Governance Committee is designated under our Corporate Governance Principles to preside at the executive sessions of the Board's non-management directors. The current chairman of the Nominating and Corporate Governance Committee is Mr. Talbert.

Audit Committee - The functions of the Audit Committee include overseeing VPG's accounting and financial reporting processes; overseeing the audits of our consolidated financial statements and the effectiveness of our internal control over financial reporting; assisting the Board in its oversight of the integrity of our financial statements, our compliance with legal and regulatory requirements, the independence and qualifications of our independent registered public accounting firm, and the performance of our internal audit function and independent registered public accounting firm; and performing other related functions specified in the Committee's charter. The Audit Committee consists of three non-management directors, each of whom satisfies the independence requirements of the rules of the SEC and the governance listing requirements of the NYSE. All of the members of the Committee also satisfy the financial literacy requirements of the NYSE and the Board has determined that Mr. Reibstein, the chairman of the Committee, qualifies as an audit committee financial expert under the rules of the SEC. A copy of the Committee's charter is available to stockholders on our website and in print upon request.

Compensation Committee - The functions of the Compensation Committee include evaluating the performance of the Company's executive officers and, based on this evaluation, determining and approving the compensation of the executive officers; making recommendations to the Board with respect to, and administering, our incentive compensation plans and equity based compensation plans; and performing other related functions specified in the Committee's charter. The Compensation Committee is authorized, within the limits of the Company's Amended and Restated 2010 Stock Incentive Program, as amended (the "2010 Stock Incentive Program"), to determine the individuals who are to receive awards; the type of awards, including stock, stock options, restricted stock and restricted stock units ("RSUs"), and the vesting requirements with respect to those awards, and to administer and interpret the 2010 Stock Incentive Program. Dr. Broydo is the chairman of this Committee. A copy of the Committee's charter is available to stockholders on our website and in print upon request.

Board Leadership Structure and Role in Risk Oversight

The Board believes that it is important to retain the flexibility to combine or separate the responsibilities of the offices of Chairman of the Board and CEO, as may be in the best interests of the Company from time to time. The significant experience of Mr. Marc Zandman, our Chairman, with the Company's business (as a subsidiary of Vishay Intertechnology, Inc. ("Vishay Intertechnology") prior to the spin-off) uniquely qualifies him to serve as the Board's non-executive Chairman. At the same time, the active membership of our CEO, Mr. Ziv Shoshani, assures our Board of the benefit of his comprehensive knowledge of the Company's business, day-to-day operations, industry and competitive challenges.

Management continually monitors the material risks facing the Company, including financial risk, strategic risk, operational risk, and legal and compliance risk. The Board is responsible for exercising oversight of management's identification and management of, and planning for, those risks. Although the Board is ultimately responsible for risk oversight at the Company, the Board has delegated to certain Committees oversight responsibility for those risks that are directly related to their respective areas of focus.

The Audit Committee reviews our policies and guidelines with respect to risk assessment and risk management, including our major financial risk exposures, and oversees the steps management has taken to monitor and control those exposures.

The Compensation Committee considers risk issues when establishing and administering our compensation programs for executive officers and other key personnel.

The Nominating and Corporate Governance Committee oversees corporate governance risks, including matters relating to the composition and organization of the Board and recommends to the Board how its effectiveness can be improved by changes in its composition and organization.

Each of these Committees routinely reports to the Board on the management of these specific risk areas. To permit the Board and its Committees to perform their respective risk oversight roles, individual members of management who supervise the Company's risk management report directly to the Board or the relevant committee of the Board responsible for overseeing the management of specific risks, as applicable. For this purpose, management has a high degree of access and communication with the Board and its Committees.

The Board believes that open and constructive communication between management and the Board is essential for effective risk management and oversight. Members of the Company's senior management regularly attend Board and committee meetings and are available to address any questions or concerns raised on matters related to risk management. The Board and its Committees exercise their risk oversight function by carefully evaluating the reports they receive from management and by making inquiries of management with respect to areas of particular interest to the Board.

The following table summarizes the composition of these Committees:

* – Member

** - Chairman

How does the Board select nominees for the Board?

In selecting candidates for nomination at the annual meeting of our stockholders, the Nominating and Corporate Governance Committee begins by determining whether the incumbent directors whose terms expire at the meeting

desire, and are qualified, to continue their service on the Board. We are of the view that the repeated service of qualified incumbents promotes stability and continuity in the boardroom, giving us the benefit of the familiarity and insight into our affairs that our directors have accumulated during their tenure and contributing to the Board's ability to work as a collective body. Accordingly, it is the policy of the Nominating and Corporate Governance Committee, absent special circumstances, to nominate qualified incumbent directors who continue to satisfy the Committee's criteria for membership on the Board; who the Committee believes will continue to make important contributions to the Board; and who consent to stand for re-election and, if re-elected, to continue their service on the Board. If there are Board positions for which the Committee will not be re-nominating a qualified incumbent, the Committee will solicit recommendations for nominees from persons who the Committee believes are likely to be familiar with qualified candidates, including members of the Board and senior management.

The Nominating and Corporate Governance Committee may also engage a search firm to assist in identifying qualified candidates. If such a search firm is engaged, the Committee sets the fees and scope of engagement. The Nominating and Corporate Governance Committee will review and evaluate each candidate who it believes merits serious consideration, taking into account all available information concerning the candidate, the qualifications for Board membership established by the Committee, the existing composition and mix of talent and expertise on the Board and other factors that it deems relevant. In conducting its review and evaluation, the Nominating and Corporate Governance Committee will evaluate candidates recommended by stockholders. The Nominating and Corporate Governance Committee will evaluate candidates recommended by stockholders in the same manner as candidates recommended by other persons, except that the Committee may consider, as one of the factors in its evaluation of stockholder group in the equity of VPG and whether the stockholders intend to continue holding that interest through the annual meeting date. What qualifications must a director have?

Under a policy formulated by our Nominating and Corporate Governance Committee, we generally require that all candidates for director:

be persons of integrity and sound ethical character;

be able to represent all stockholders fairly;

have no interests that materially conflict with those of VPG and its stockholders;

have demonstrated professional achievement;

have meaningful management, advisory or policy making experience;

have a general appreciation of the major business issues facing VPG; and

have adequate time to devote to serve on the Board.

A limited exception to some of these requirements, other than the requirements of integrity and ethics and the absence of material conflict, may be made for a holder of substantial voting power. Directors may not stand for re-election after the age of 75 unless the Board makes an affirmative determination that, because of the importance and value of the continued service of a director, the retirement policy should be waived, except that no director may stand for re-election after age 85. This policy does not apply to any person who controls more than 20% of the voting power of the Company. We also require that a majority of directors be independent; at least three of the directors have the financial literacy necessary for service on the audit committee and at least one of these directors qualifies as an audit committee financial expert; at least some of the independent directors have served as senior executives of public or substantial private companies; and at least some of the independent directors have a formal policy with respect to the consideration of diversity in identifying director candidates, the benefits of board diversity are considered in the nominations process, including diversity of background and experience.

Can I recommend a nominee for director?

Yes. The Nominating and Corporate Governance Committee will consider recommendations for director nominations submitted by stockholders entitled to vote generally in the election of directors. Submissions must be made in accordance

with the Nominating and Corporate Governance Committee's procedures, as outlined herein and set forth on our website. For each annual meeting of our stockholders, the Nominating and Corporate Governance Committee will accept for consideration only one recommendation per stockholder or affiliated group of stockholders. The Nominating and Corporate Governance Committee will only consider candidates who satisfy our minimum qualifications for director, as summarized in this proxy statement and as set forth on our website. Stockholders should be aware, as discussed herein, that it is our general policy to re-nominate qualified incumbent directors and that, absent special circumstances, the Committee will not nominate other candidates when a qualified incumbent director consents to stand for re-election.

A stockholder wishing to recommend to the Nominating and Corporate Governance Committee a candidate for election as director must submit the recommendation in writing, addressed to the Committee, care of our Corporate Secretary, at Vishay Precision Group, Inc., 3 Great Valley Parkway, Suite 150, Malvern, PA 19355. Submissions must be made by mail, courier, or personal delivery. E-mailed submissions will not be considered. Submissions recommending candidates for election at an annual meeting of stockholders must generally be received no later than 120 calendar days prior to the first anniversary of the date of the proxy statement for the prior annual meeting of stockholders. However, in the event that the date of an annual meeting of stockholders is more than 30 days following the first anniversary date of the annual meeting of stockholders for the prior year, the submission must be made a reasonable time in advance of the mailing of our proxy statement for the current year. Each nominating recommendation must be accompanied by the information called for by our "Procedures for Securityholders" Submission of Nominating Recommendations," which is available upon request. This includes specified information concerning the stockholder or group of stockholders making the recommendation and the proposed nominee, any relationships between the recommending stockholder or stockholders and the proposed nominee and the qualifications of the proposed nominee to serve as director. The recommendation must also be accompanied by the consent of the proposed nominee to serve if nominated and elected and the agreement of the nominee to be contacted by the Committee, if the Committee decides in its discretion to do so.

In addition to being entitled to make a recommendation that the Committee nominate a candidate for election as a director, stockholders are also entitled to nominate candidates themselves for election to the Board at a meeting of stockholders, by providing the necessary information by the applicable deadlines. See the discussion under the heading "Stockholder Proposals and Nominations for the 2015 Annual Meeting" below.

How do stockholders and others communicate with the Board?

VPG stockholders may communicate with the Board, any Committee of the Board or any individual director, and any interested party may communicate with the non-management directors of the Board as a group, by delivering such communications either in writing addressed to our Corporate Secretary at Vishay Precision Group, Inc., 3 Great Valley Parkway, Suite 150, Malvern, PA 19355; or by e-mail to boardofdirectors@vpgsensors.com. Communications should not exceed 1,000 words.

During 2013, the Compensation Committee engaged the services of Meridian Compensation Partners, LLC ("Meridian") to advise the Compensation Committee on compensation matters, including compensation for non-employee directors. Based on input from Meridian, and at the recommendation of the Compensation Committee, the Board adopted the 2014 Non-Employee Director Compensation Plan (the "NEDC Plan"), effective as of the date of the 2014 Annual Meeting. Under the NEDC Plan, concurrent with each annual meeting, each non-employee director will receive an annual retainer fee of \$30,000 for serving on the Board, excluding the Chairman, who will receive an annual retainer fee of \$75,000 for his service. In addition, under the NEDC Plan, the chairmen of each of the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee will receive an annual retainer of \$10,000 for their services as chairmen of their respective committees. Under the NEDC Plan, each of our non-employee directors, other than our Chairman, will be granted RSUs worth \$40,000 effective immediately after each annual meeting. Our chairman will receive a grant of RSUs worth \$55,000 effective immediately after each annual meeting. These grants are subject to each director's election at the applicable annual meeting, and will vest on the first anniversary of their grant date.

Additionally, Mr. Talbert's service as the president of a federally regulated institution gives him relevant understanding of compliance with complex regulations and current accounting rules adding invaluable expertise to our Board. Under the Company's Corporate Governance Principles, directors may not stand for election or re-election after the age of 75, unless the Board makes an affirmative determination that, because of the importance and value of the continued service of a director, the retirement policy should be waived. Prior to his nomination for re-election in 2014, the Board made such a determination with respect to Dr. Broydo. This policy does not apply to any person who controls more than 20% of the voting power of the Company.

The Board of Directors recommends a vote "FOR ALL" the nominees for election as directors.

REPORT OF THE AUDIT COMMITTEE

Management is responsible for maintaining effective internal control over financial reporting, for assessing the effectiveness of internal control over financial reporting, and for preparing our consolidated financial statements. Our independent registered public accounting firm is responsible for, among other things, performing an independent audit of our consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) ("PCAOB") and issuing a report thereon. It is the responsibility of the Audit Committee to monitor and oversee these processes.

In fulfilling its oversight duties, the Audit Committee reviewed and discussed with management and our independent registered public accounting firm, Ernst & Young LLP, (a) the audited financial statements for the fiscal year ended December 31, 2013, (b) the effectiveness of our internal control over financial reporting, and (c) the other matters required to be discussed under Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended and as adopted by the PCAOB in Rule 3200T. These required communications addressed, among other topics, the independent registered public accounting firm's responsibility under the standards of the PCAOB; critical accounting policies and practices; judgments and accounting estimates; alternative accounting treatments; any significant audit adjustments; any disagreements or difficulties encountered in performing the audit; and other material communications between the independent registered public accounting firm and management. The Audit Committee received from the independent auditors written disclosures regarding the auditor's independence required by PCAOB Ethics and Independence Rule 3526, Communication with Audit Committees Concerning Independence, and has discussed with the independent auditors, the independent auditor's independence. The Audit Committee also considered the compatibility of non-audit services provided to VPG by Ernst & Young LLP, and the fees and costs billed or to be billed for these services, with the maintenance of the independent registered public accounting firm's independence. The Committee has concluded that the provision of the non-audit services by Ernst & Young LLP in 2013 did not impair the independent registered public accounting firm's independence. Under the Audit and Non-Audit Services Pre-Approval Policy that was adopted by the Audit Committee in July 2010, the Audit Committee must pre-approve all audit and non-audit services provided to VPG by the independent registered public accounting firm. The policy sets forth the procedures and conditions for pre-approval of these services. All of the audit and non-audit services provided by the independent registered public accounting firm since adoption of the Audit and Non-Audit Services Pre-Approval Policy were pre-approved by the Committee in accordance with such policy.

Based upon this review and discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the Securities and Exchange Commission. The Audit Committee has also appointed Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2014, but the Committee has determined to submit the appointment for ratification by stockholders (see Proposal Two).

Respectfully submitted,

The Audit Committee of the Board of Directors

Saul Reibstein, Chairman Dr. Samuel Broydo Timothy Talbert

Notwithstanding anything to the contrary set forth in any of our previous or future filings under the Securities Act or the Exchange Act that might incorporate this proxy statement or future filings with the SEC, in whole or in part, the above report shall not be deemed to be "soliciting material" or "filed" with the SEC and shall not be deemed to be

incorporated by reference into any such filing.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board is responsible for the selection of our independent registered public accounting firm. The Committee has determined to reappoint the public accounting firm of Ernst & Young LLP as independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2014, as well as to audit the effectiveness of our internal control over financial reporting. Ernst & Young LLP has served as our independent registered public accounting firm since the spin-off from Vishay Intertechnology. Although stockholder approval for the appointment of the independent registered public accounting firm to stockholders for their ratification. Representatives of the firm of Ernst & Young LLP are expected to be present at the 2014 Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions from stockholders.

Under the Audit and Non-Audit Services Pre-Approval Policy that was adopted by the Audit Committee in July 2010, the Audit Committee must pre-approve all audit and non-audit services provided to VPG by the independent registered public accounting firm. The policy sets forth the procedures and conditions for pre-approval of these services. The Audit Committee has pre-approved generally the engagement of the independent registered public accounting firm for services relating to our filings with the SEC (including comfort letters, comment letters and consents for securities offerings); acquisition or disposition related diligence activities; internal control review and compliance; interpretation and compliance with accounting and accounting-related disclosure rules and standards; certain attest services; domestic and international tax planning and compliance; and risk management.

The following table sets forth the aggregate fees billed by Ernst & Young LLP for audit and non-audit services rendered to VPG in 2013 and 2012. These fees are categorized as audit fees, audit-related fees, tax fees, and all other fees. The nature of the services provided in each category is described following the table.

	2013	2012
Audit fees	\$ 1,756,000	\$ 1,430,000
Audit-related fees	-	8,000
Tax fees	104,000	157,000
All other fees	2,000	2,000
Total fees	\$ 1,862,000	\$ 1,597,000

Audit fees. These fees generally consist of professional services rendered for the audits of the consolidated financial statements of VPG, quarterly reviews, subsidiary or equity investment audits, issuance of consents, income tax provision procedures, fees associated with the acquisition of the business of the George Kelk Corporation, and assistance with and review of documents filed with the SEC.

Audit-related fees. These fees generally consist of assurance and other services related to the performance of the audit or review of VPG's financial statements or that are traditionally performed by the independent registered public accounting firm, and consultations concerning financial accounting and reporting standards.

Tax fees. These fees generally relate primarily to tax compliance, including review and preparation of corporate tax returns, assistance with tax audits, review of the tax treatment for certain expenses, extra-territorial tax analysis, and tax due diligence relating to acquisitions. They also include fees for state and local tax planning and consultations with respect to various domestic and international tax matters.

All other fees. These fees generally consist of reviews for compliance with various government regulations, risk management and treasury reviews, assessments and audits of various contractual arrangements, and subscriptions to online accounting research tools.

In 2013, VPG did not make use of the rule that waives pre-approval requirements for non-audit services in certain cases if the fees for these services constitute less than 5% of the total fees paid to the independent registered public accounting firm during the year.

The Board of Directors recommends that you vote "FOR" the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2014.
