**Item 1.01. Entry into a Material Definitive Agreement.**

On July 12, 2013, MamaMancini's Holdings, Inc. (the "Company") conducted an initial closing (the "Initial Closing") of a private placement offering to accredited investors (the "Offering") of the Company's restricted common stock, par value \$0.00001 per share (the "Common Stock") at a price of \$1.50 per share.

In connection with the Initial Closing, the Company entered into definitive subscription agreements (the "Subscription Agreements") with 29 accredited investors (the "Investors") and issued an aggregate of 844,681 shares of Common Stock for aggregate gross proceeds to the Company of \$1,267,000.

The Company utilized the services of Spartan Capital Securities, LLC, a FINRA registered placement agent (the "Placement Agent") for the Offering. In connection with the Initial Closing, the Company paid the Placement Agent an aggregate cash fee and non-accountable allowance of \$164,710 and will issue the Placement Agent or its designees warrants to purchase 84,468 shares of Common Stock at \$1.50 per share (the "Warrants"). The Warrants are expected to be issued upon the consummation of the Offering. The net proceeds to the Company from the Initial Closing, after deducting the forgoing fees and other Offering expenses, are expected to be approximately \$1,102,290.

The Company intends to use the proceeds of the placement for general corporate purposes, including general and administrative expenses. The closing occurred following the satisfaction of customary closing conditions.

The subscription agreement contains representations and warranties that the parties made to, and solely for the benefit of, the other in the context of all of the terms and conditions of that agreement and in the context of the specific relationship between the parties. The provisions of subscription agreement, including the representations and warranties contained therein, are not for the benefit of any party other than the parties to such agreements, and are not intended as documents for investors and the public to obtain factual information about the current state of affairs of the parties to those documents and their agreements.

**Item 3.02. Unregistered Sale of Equity Securities**

Item 1.01 is hereby incorporated by reference.

## Edgar Filing: MamaMancini's Holdings, Inc. - Form 8-K

The securities issued pursuant to the Offering were not registered under the Securities Act of 1933, as amended (the "Securities Act"), but qualified for exemption under Section 4(2) of the Securities Act. The securities were exempt from registration under Section 4(2) of the Securities Act because the issuance of such securities by the Company did not involve a "public offering," as defined in Section 4(2) of the Securities Act, due to the insubstantial number of persons involved in the transaction, size of the offering, manner of the offering and number of securities offered. The Company did not undertake an offering in which it sold a high number of securities to a high number of investors. In addition, these shareholders had the necessary investment intent as required by Section 4(2) of the Securities Act since they agreed to, and received, share certificates bearing a legend stating that such securities are restricted pursuant to Rule 144 of the Securities Act. This restriction ensures that these securities would not be immediately redistributed into the market and therefore not be part of a "public offering." Based on an analysis of the above factors, the Company has met the requirements to qualify for exemption under Section 4(2) of the Securities Act.

A Copy of the form of Subscription Agreement relating to the Private Placement is filed as exhibit 10.1 to this Current Report on Form 8-K.
