Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed, Tile Shop Holdings, Inc. (the “Company”), two of its former executive officers, three of its outside directors, two of its former outside directors, and certain companies affiliated with the directors, are defendants in a consolidated class action brought under the federal securities laws and now pending in the United States District Court for the District of Minnesota under the caption Beaver County Employees’ Retirement Fund, et al. v. Tile Shop Holdings, Inc., et al. Several related actions were filed in 2013 and subsequently consolidated. The plaintiffs are three investors who represent classes consisting of (1) all purchasers of Tile Shop common stock between August 22, 2012 and January 28, 2014 (the “class period”), seeking to pursue remedies under the Securities Exchange Act of 1934; and (2) all purchasers of Tile Shop common stock pursuant and/or traceable to the Company’s December 2012 registration statement, seeking to pursue remedies under the Securities Act of 1933. Six firms who were underwriters in the December 2012 secondary public offering are also named as defendants. The plaintiffs allege that during the class period, defendants failed to disclose certain related party transactions in the Company’s SEC filings and press releases. The plaintiffs assert claims under Sections 11, 12(a)(2), and 15 of the Securities Act of 1933, and under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934. In addition to attorneys’ fees and costs, the plaintiffs seek to recover damages on behalf of class members.

On January 19, 2017, the United States District Court for the District of Minnesota issued an order preliminarily approving a Stipulation of Settlement entered into on January 13, 2017 between the Company, the other defendants and the plaintiffs. The settlement is subject to final approval by the court, after giving class members notice and an opportunity to be heard. The settlement amount is \$9,500,000 (the “Settlement Amount”), which will be used to pay the claims of all authorized claimants, as allowed by the plan of distribution to be approved by the court, and certain other fees and expenses, including plaintiffs’ attorneys’ fees, awarded by the court. The Company will contribute approximately \$5,000,000 of the Settlement Amount and will seek recovery from its D&O excess insurance carrier of all or a portion of such amount. The remainder of the Settlement Amount will be paid by the Company’s D&O primary insurance carrier. The Stipulation of Settlement contains no admissions of liability on the part of the Company or the other defendants.

The foregoing description of the Stipulation of Settlement is not complete and is qualified in its entirety by reference to such agreement, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
