A:To participate in the offer, you must submit a properly completed Acceptance Form to Clarksons Platou Securities at or prior to 4:30 p.m. (CET) on January 23, 2018, which is the "Expiration Time" for the offer.

This list of questions is intended to help you properly complete your Acceptance Form. If you do not submit a properly completed Acceptance Form prior to the Expiration Time, you will not be allowed to participate in the offer.

Q:The Acceptance Form says I have two “Consideration Options.” What are these options, and how do I select the one I want?

A:Transocean has agreed to exchange each share of Songa Offshore validly tendered and accepted for payment in the offer for 0.35724 newly issued shares in Transocean Ltd. and USD 2.99726 principal amount of 0.5% Exchangeable Senior Bonds due 2023 to be issued by Transocean Inc.

However, you have the option to receive a cash payment of NOK 47.50 per share of Songa Offshore up to a maximum of NOK 125,000. This cash payment will be made instead of delivering an equal amount of Transocean shares and exchangeable bonds as described in detail in the Offer Document and Prospectus.

The “Consideration Options” listed in the Acceptance Form are provided so that you can indicate whether you want to receive this cash payment.

1. The first of the “Consideration Options” listed in the Acceptance Form is labeled “Option 1 – Cash Election.” You should select this option if you want to receive the cash payment described above. To select this option, simply mark the box next to “Option 1– Cash Election” at the top of page 2 of your Acceptance Form.
2. The second of the “Consideration Options” listed in the Acceptance Form is labeled “Option 2 – Consideration Shares and Exchangeable Bonds.” You should select this option if you do not want to receive the cash payment described above. To select this option, simply mark the box next to “Option 2 – Consideration Shares and Exchangeable Bonds” at the top of page 2 of your Acceptance Form.

You must select one of these two options when you complete your Acceptance Form. If you do not make a selection, we will assume you have selected “Option 1 – Cash Election.”

Q:How will you deliver my shares of Transocean and exchangeable bonds to me following the completion of the offer?

A:You have two options for how we will deliver your shares of Transocean and exchangeable bonds following completion of the offer. These are the options that are labeled “Settlement Options” at the bottom of page 2 of your Acceptance Form.

1. The first of the “Settlement Options” listed in the Acceptance Form is labeled “Option 1 – Delivery to an Eligible Customer Brokerage Account.”

If you select this option, your shares of Transocean and exchangeable bonds will be delivered to the brokerage account you specify. In order to receive your shares of Transocean and exchangeable bonds into your brokerage account, you must ensure your broker accepts delivery from Computershare’s DTC Participant account #2586 on the date the offer settles. We currently expect the offer will settle on January 30, 2018. If you select this option, please contact your bank or broker now and tell them Computershare’s DTC Participant account #2586 is expected to transfer your shares

of Transocean and exchangeable bonds on or about January 30, 2018. If Computershare cannot complete delivery after the third attempt, then they will use Option 2 below to deliver your shares of Transocean and exchangeable bonds.

2. The second of the “Settlement Options” listed in the Acceptance Form is labeled “Option 2 – Delivery through a Direct Registration System Account.”

If you select this option, your shares of Transocean will be registered in your name on Transocean’s records maintained by its transfer agent, Computershare. You will receive a statement reporting that these shares have been issued in your name following the completion of the offer. If you select this option, you will need to contact Computershare following the completion of the offer to transfer your shares of Transocean.

The exchangeable bonds can only be delivered through the systems of DTC maintained in the United States. As a result, if you select this option, your exchangeable bonds will be held by Computershare on your behalf until you specify a brokerage account with a broker who is, directly or indirectly, a DTC participant capable of taking delivery of such exchangeable bonds. You will be required to provide us with information for such a brokerage account following completion of the offer before you are able to claim and take delivery any exchangeable bonds that you are entitled to receive as a result of your participation in the offer. As a result, we strongly urge you to select and provide the information required by Option 1 above if you participate in the offer.

You must select one of these two options when you complete your Acceptance Form. If you do not make a selection, we will assume you have selected “Option 2 – Delivery through a Direct Registration System Account.”

Q:Do I have to choose one option from “Consideration Options” and “Settlement Options” when I complete my Acceptance Form?

A:Yes, you must choose one of each.

If you do not choose a “Consideration Options,” we will assume you have selected “Option 1– Cash Election.”

If you do not choose a “Settlement Options,” we will assume you have selected “Option 2 – Delivery through a Direct Registration System Account.”

Q:I would like to select Settlement Option 1 for delivery to my brokerage account. What information do I need to provide on the Acceptance Form?

A:You will need to provide us with the following information:

1. We will need your account information with your brokerage. This consists of your brokerage account number and contact information for someone at your broker that we can speak with to confirm your account details.
2. We will also need information on your bank's or broker's account with DTC to deliver the shares to them for your benefit. You likely will not have this information. To obtain this information, you will need to contact your bank or broker for assistance in completing the Acceptance Form.
