ITEM COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES.**2.05**

On August 2, 2006, Constellation Brands, Inc. (the “Company”) committed to the principal features of a plan to invest in new distribution and bottling facilities in the United Kingdom (“UK”) and to streamline certain of its Australian operations (collectively, the “Fiscal 2007 Wine Plan”). The initiatives are part of the Company’s ongoing efforts to maximize asset utilization, further reduce costs and improve long-term return on invested capital throughout its international operations. The UK portion of the plan includes new investments in property, plant and equipment and certain disposals of property, plant and equipment and is expected to increase wine bottling capacity and efficiency and reduce costs of transport, production and distribution. The UK portion of the plan also includes costs for employee terminations. The Australian portion of the plan includes the buy-out of certain grape supply and processing contracts and the sale of certain property, plant and equipment. The actions under the Fiscal 2007 Wine Plan are expected to commence by August 31, 2006, and the Company currently expects the Australian portion of the plan to be complete by the end of the Company’s current fiscal year, which ends on February 28, 2007 (“Fiscal 2007”) and the UK portion of the plan to be complete by the end of the fiscal year which ends on February 28, 2009 (“Fiscal 2009”).

As further detailed in the table below, the Company expects to incur approximately \$33 million of restructuring charges in connection with the Fiscal 2007 Wine Plan and approximately \$7 million of other related costs, all of which charges and costs will be recorded in the Company’s results of operations during Fiscal 2007, the fiscal year ending February 29, 2008 (“Fiscal 2008”) and Fiscal 2009. Additionally, the Company expects to record accelerated depreciation of approximately \$10 million for the disposals of certain property, plant and equipment in the UK, primarily during Fiscal 2007 and Fiscal 2008. The Company also concluded on August 2, 2006, that the expected sale of certain property, plant and equipment in Australia will result in an impairment charge of approximately \$10 million during Fiscal 2007 which impairment charge is not expected to result in any future cash expenditures. In connection with the Fiscal 2007 Wine Plan, the Company expects to incur aggregate cash expenditures of approximately \$40 million, primarily during Fiscal 2007, and an aggregate of approximately \$20 million of non-cash charges, primarily during Fiscal 2007. The following table sets forth the Company’s current expectations related to the Fiscal 2007 Wine Plan:
