Item 8.01 Other Events.

On May 5, 2010, Comtech Telecommunications Corp (the “Company”) issued a press release announcing that its third-party supplier of new MTS ruggedized computers and certain related accessories has met and slightly exceeded Comtech’s estimated production and delivery schedule for its most recent quarter ended April 30, 2010. In addition, although minor production and technical issues remain, Comtech believes its third-party supplier is on track to meet or slightly exceed Comtech’s estimated production and delivery schedule for the remainder of its fiscal 2010. Comtech will provide a more specific update during its next quarterly earnings conference call which is anticipated to occur during the first week of June 2010.

In addition, the Company’s subsidiary, Comtech Mobile Datacom Corporation, received a ceiling increase of \$67.3 million to its Movement Tracking System (“MTS”) program contract. The total contract ceiling for its MTS contract is now \$672.4 million.

The foregoing description of the press release is qualified in its entirety to the press release, a copy of which is attached hereto and incorporated by reference herein as Exhibit 99.1.
