Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Home Depot, Inc. (the "Company") is filing this amendment to its Current Report on Form 8-K filed on August 21, 2014, which reported the promotion of Craig A. Menear, President, U.S. Retail, to the position of Chief Executive Officer ("CEO") and President of the Company, effective November 1, 2014, and the decision of current Chairman and CEO Francis S. Blake to step down from the CEO position, effective November 1, 2014, and remain as Chairman. On October 15, 2014, the independent members of the Board of Directors of the Company (the "Board"), upon the recommendation of the Leadership Development and Compensation Committee of the Board, approved the compensation for Mr. Menear and Mr. Blake in their new roles.

In connection with his promotion, Mr. Menear's new annual base salary will be \$1,300,000, effective November 1, 2014, and his new annual incentive target under the Company's Management Incentive Plan ("MIP") will be 200% of base salary. For fiscal 2014, the amount of his annual incentive award will be determined using the applicable target percentage for the portion of the year that he served in each of the three roles he has held during the fiscal year, subject in each case to performance against the pre-established performance goals set by the Leadership Development and Compensation Committee in early fiscal 2014. In addition, Mr. Menear will be granted an award of stock options having a value of \$3,500,000 at the next regularly scheduled meeting of the Leadership Development and Compensation Committee. Twenty-five percent of the options will become vested and exercisable on each of the second, third, fourth and fifth anniversaries of the grant date, subject to Mr. Menear's continued employment through the applicable vesting dates.

In his role as Chairman, Mr. Blake will continue to be employed as an executive officer of the Company. Effective November 1, 2014, Mr. Blake's annual base salary will be \$750,000, and his annual incentive target under the MIP will remain 200% of base salary, payout of which will be based on achievement of the pre-established performance goals set by the Leadership Development and Compensation Committee in early fiscal 2014. At this time, it is not expected that Mr. Blake will be granted any future equity awards.
