Dear Fellow Stockholders: July 17, 2015

We look forward to the 2015 Annual Meeting of Stockholders (“2015 Annual Meeting”) of AMERCO (the “Company”) and are pleased to once again offer our meeting materials over the internet and to webcast this annual meeting. We believe that using the internet to distribute our materials and to host the meeting will allow more stockholders to participate in the meeting. We also expect that this approach will lower costs associated with the meeting and is consistent with our environmental sustainability initiatives.

During the meeting, six proposals will be presented for your consideration and approval:

Proposal 1: The election of the following directors, each to hold office and serve as a member of the Board until the 2016 Annual Meeting of Stockholders: Edward J. Shoen, James E. Acridge, Charles J. Bayer, John P. Brogan, John M. Dodds, Michael L. Gallagher, Daniel R. Mullen and Samuel J. Shoen.

Proposal 2: An advisory vote to approve the compensation paid to the Company’s Named Executive Officers as disclosed in this Proxy Statement.

Proposal 3: The ratification of the appointment of BDO USA, LLP as the Company’s independent registered public accounting firm for the fiscal year ended March 31, 2016.

Proposal 4: A proposal received from Company stockholder proponents to ratify and affirm the decisions and actions taken by the Board of Directors (the “Board”) and executive officers of the Company with respect to AMERCO and its subsidiaries, for the fiscal year ended March 31, 2015.

Proposal 5: An advisory proposal received from a Company stockholder proponent to recommend the Board and management act expeditiously to effectuate an IPO and subsequent REIT conversion of the real estate and self-storage businesses.

Proposal 6: An advisory proposal received from a Company stockholder proponent for the Board and management to declare and issue a dividend of seven shares of nonvoting common stock for each common share held to all AMERCO shareholders.

I encourage you to read this proxy statement for more information on each of these proposals, and to vote on each proposal.

In addition, stockholders may also vote on any other business as may properly come before the 2015 Annual Meeting or any continuation, postponement or adjournment thereof. On such other business, to the maximum extent allowed by the SEC's proxy and NASDAQ rules, any proxy holders will vote as they determine in their discretion.

I encourage stockholders to participate in the 2015 Annual Meeting via the webcast, in order to reduce the carbon footprint resulting from the meeting. I also encourage you to vote, whether or not you attend or participate in the meeting. The Board has fixed the close of business on June 29, 2015 as the record date for determination of stockholders entitled to notice of and to vote at the 2015 Annual Meeting or any adjournment or postponement thereof. If you vote over the internet or telephone, your vote must be received by 11:59 p.m. Eastern Time on August 26, 2015 to be counted. Mail-in ballots should be mailed by August 16, 2015.

Sincerely yours,

/s/ Edward J. Shoen

TO BE HELD ON THURSDAY, AUGUST 27, 2015

This proxy statement (“Proxy Statement”) is furnished in connection with the solicitation of proxies on behalf of the Board of Directors (the “Board”) of AMERCO, a Nevada corporation (the “Company”), with respect to the 2015 Annual Meeting of Stockholders of AMERCO and any adjournment thereof (the “Annual Meeting”). The matters to be voted upon at the Annual Meeting are:

- i. The election of the following directors, each to hold office and serve as a member of the Board until the 2016 Annual Meeting of Stockholders: Edward J. Shoen, James E. Acridge, Charles J. Bayer, John P. Brogan, John M. Dodds, Michael L. Gallagher, Daniel R. Mullen and Samuel J. Shoen;
- ii. An advisory vote to approve the compensation paid to the Company’s Named Executive Officers as disclosed in this Proxy Statement;

- iv. A proposal received from Company stockholder proponents to ratify and affirm the decisions and actions taken by the Board and executive officers with respect to AMERCO and its subsidiaries, for the fiscal year ended March 31, 2015 (“Fiscal 2015”).
- v. An advisory proposal received from a Company stockholder proponent to recommend the Board and management act expeditiously to effectuate an IPO and subsequent REIT conversion of the real estate and self-storage businesses.
- vi. An advisory proposal received from a Company stockholder proponent for the Board and management to declare and issue a dividend of seven shares of nonvoting common stock for each common share held to all AMERCO shareholders.

The Notice of Internet Availability of Proxy Materials (the “Notice”) is first being sent to stockholders on or about July 17, 2015. The Proxy Statement and the form of proxy relating to the Annual Meeting are first being made available to stockholders on or about July 17, 2015.

The Board has fixed the close of business on June 29, 2015 as the record date for determination of stockholders entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof (the "Record Date").

Why am I being provided with these materials?

Owners of record of AMERCO common stock as of the close of business on the Record Date are entitled to vote in connection with the Annual Meeting. As a stockholder, you are requested to vote on the proposals described in this Proxy Statement. This Proxy Statement describes the proposals presented for stockholder action at our Annual Meeting and includes information required to be disclosed to stockholders in connection with the Annual Meeting.

Why have I received a Notice of Internet Availability of Proxy Materials?

In accordance with applicable laws and regulations, we are permitted to furnish proxy materials to our stockholders on the internet, in lieu of mailing printed copies of the documents. You will not receive a printed copy of the proxy materials unless you request a printed copy. The Notice instructs you as to how to access the proxy materials on the internet. The Notice also instructs you as to how to vote. If you would like to receive a printed copy of the proxy materials, please follow the instructions for requesting such materials included in the Notice. You may also download or print these materials, or any portion thereof, from any computer with internet access and a printer.

Who can vote in connection with the Annual Meeting?

You may vote if you were the record or beneficial owner of AMERCO common stock as of the close of business on the Record Date. As of the Record Date, there were 19,607,788 shares of common stock outstanding and entitled to vote.

How do I attend the Annual Meeting?

The Annual Meeting will be webcast live over the internet at amerco.com and will be hosted at the U-Haul Central Towers, 2721 N. Central Avenue, Phoenix, Arizona 85004, at 9:00 a.m., local time, on August 27, 2015. Rather than physically attending the Annual Meeting, we encourage stockholders to attend the Annual Meeting via the live webcast. We believe this is one way to reduce the carbon footprint resulting from the Annual Meeting. In-person attendance at the Annual Meeting is limited to stockholders as of the Record Date or their legal proxies, and valid photo identification and a copy of such proxy, if applicable, is required for any such attendee. If your shares are held in “street name” (for instance, through a brokerage firm or bank), you will also need to bring evidence of your beneficial ownership, such as a recent statement from your brokerage account. We discuss holders in “street name” in more detail below.

What am I voting on?

You are voting on:

Proposal 1: The election of the following directors, each to hold office and serve as a member of the Board until the 2016 Annual Meeting of Stockholders: Edward J. Shoen, James E. Acridge, Charles J. Bayer, John P. Brogan, John M. Dodds, Michael L. Gallagher, Daniel R. Mullen and Samuel J. Shoen.

Proposal 2: An advisory vote to approve the compensation paid to the Company’s Named Executive Officers as disclosed in this Proxy Statement.

Proposal 3: The ratification of the appointment of BDO USA, LLP as the Company’s independent registered public accounting firm for Fiscal 2016.

Proposal 4: A proposal received from Company stockholder proponents to ratify and affirm the decisions and actions taken by the Board and executive officers of the Company with respect to AMERCO and its subsidiaries, for Fiscal 2015.

Proposal 5: An advisory proposal received from a Company stockholder proponent to recommend the Board and management act expeditiously to effectuate an IPO and subsequent REIT conversion of the real estate and self-storage businesses.

Proposal 6: An advisory proposal received from a Company stockholder proponent for the Board and management to declare and issue a dividend of seven shares of nonvoting common stock for each common share held to all AMERCO

shareholders.

In addition, stockholders may also vote on any other business as may properly come before the Annual Meeting or any continuation, postponement or adjournment thereof. On such other business, to the maximum extent allowed by the Securities and Exchange Commission's ("SEC's") proxy and NASDAQ rules, the proxy holders will vote as they determine in their discretion.

How does the Board recommend that I vote my shares?

The Board recommendations are as follows:

Proposal 1: The Board recommends a vote "FOR" each of the director nominees named in this proxy statement;

Proposal 2: The Board recommends a vote "FOR" such proposal;

Proposal 3: The Board recommends a vote "FOR" such proposal;

Proposal 4: The Board recommends a vote "FOR" such proposal;

Proposal 5: The Board recommends a vote "AGAINST" such proposal; and

Proposal 6: The Board makes no voting recommendation with respect to such proposal.

We encourage all stockholders to vote their shares. If you own your shares pursuant to the AMERCO Employee Stock Ownership Plan (“ESOP”) and you do not vote, the ESOP Trustee will vote your shares on your behalf, in its discretion. If you own your shares in “street name” we encourage you to specifically direct your broker (or other record holder) to vote your shares by returning appropriate voting instructions which will be provided to you from such broker or other record holder.

What types of votes are permitted on each Item?

Proposal 1: You may either vote “FOR” all the nominees to the Board, you may “WITHHOLD” for all nominees, or you may “WITHHOLD” your vote from any nominee you specify

Proposal 2: You may vote “FOR,” “AGAINST” or “ABSTAIN”

Proposal 3: You may vote “FOR,” “AGAINST” or “ABSTAIN”

Proposal 4: You may vote “FOR,” “AGAINST” or “ABSTAIN”.

Proposal 5: You may vote “FOR,” “AGAINST” or “ABSTAIN”.

Proposal 6: You may vote “FOR,” “AGAINST” or “ABSTAIN”.

If you vote “ABSTAIN” (in the case of Proposals 2, 3, 4, 5 or 6) or “WITHHOLD” in the case of Proposal 1, your vote will not be counted as a vote cast on such Proposal.

Who will pay the costs of soliciting these Proxies?

The Board is soliciting proxies from stockholders and directors, officers or other employees may assist in such effort by mail, email, telephone, facsimile or in person. We are not paying any specific third-party to solicit proxies on behalf of the Board, but should any costs arise related to the solicitation of proxies then the Company shall bear such costs. We will not provide compensation, other than usual compensation to our directors, officers and other employees who solicit proxies.

How many votes are needed to approve each Item?

Proposal 1: The eight nominees receiving the most “FOR” votes will be elected.

Proposal 2: There must be a “FOR” vote from the majority of votes cast.

Proposal 3: There must be a “FOR” vote from the majority of votes cast.

Proposal 4: There must be a “FOR” vote from the majority of votes cast.

Proposal 5: There must be a “FOR” vote from the majority of votes cast.

Proposal 6: There must be a “FOR” vote from the majority of votes cast.

What is an advisory shareholder vote?

An advisory shareholder vote is non-binding. Proposals 2, 5 and 6 are advisory. Such votes afford shareholders the opportunity to provide the Board with feedback (through voting) as to the shareholder’s view on the proposal in question. Shareholder approval or disapproval of an advisory proposal does not require particular Board action; however, shareholder feedback pursuant to an advisory vote will be considered by the Board and addressed as deemed appropriate in the judgment of the Board.

How many votes must be present, whether in person or by proxy, to hold the Annual Meeting?

In order for the Annual Meeting to proceed, holders of one-third of the outstanding shares of common stock of the Company entitled to vote must be present, in person or by proxy, at the meeting. This is referred to as a quorum. Abstentions, withheld votes, and broker non-votes are included and counted for purposes of establishing a quorum at the meeting.

What are broker non-votes?

Broker non-votes occur with respect to shares held in “street name”, in cases where the record owner (for instance, the brokerage firm or bank) does not receive voting instructions from the beneficial owner and does not have discretionary voting authority with respect to a particular matter. Brokerage firms and banks have discretionary voting authority to vote with respect to “routine” matters; however they do not have discretionary authority to vote on “non-routine” matters. The following proposals will be considered “non-routine” and therefore your broker will not be able to vote your shares with respect to these proposals unless the broker receives specific voting instructions from you: Proposal 1 (Election of Directors), Proposal 2 (Advisory Vote to Approve the Compensation Paid to the Company’s Named Executive Officers), Proposal 4 (Stockholder Proposal to Ratify and Affirm the Decisions and Actions Taken by the Board and Executive Officers with respect to AMERCO and its Subsidiaries for Fiscal 2015), Proposal 5 (Stockholder Proposal to Recommend the Board and Management Act Expeditiously to Effectuate an IPO and Subsequent REIT Conversion of the Real Estate and Self-Storage Businesses) and Proposal 6 (Stockholder Proposal for the Board and Management to Declare and Issue a Dividend of Seven Shares of Nonvoting Common Stock for Each Common Share Held to All AMERCO Shareholders. Broker non-votes will not be counted towards any of the foregoing proposals and will have no effect on the outcome of such proposals. However, broker non-votes (as well as “abstain” and withheld votes) will be counted towards the presence of a quorum.

What if my AMERCO shares are not registered directly in my name?

If the record owner of your shares is a brokerage firm or bank, then your shares are considered to be held in “street name”. If at the Record Date your shares were held in “street name” or you otherwise were not the record holder of such shares, then you are the beneficial owner of such shares, and such shares are not registered directly in your name. The organization holding your account is considered the stockholder of record for purposes of the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. You will receive the Notice and other proxy materials if requested, as well as voting instructions, directly from that organization. As discussed directly above, if you own your shares in “street name” and do not instruct your broker, banker or other designated record holder of the shares as to how to vote, such person or entity will only have discretion to vote on Proposal 3 (the Ratification of the Appointment of BDO USA, LLP as the Company’s Independent Registered Public Accounting Firm for Fiscal 2016), which is considered to be a “routine” matter. We encourage you to specifically direct your broker (or other designated record holder) as to how to vote your shares by returning your voting instructions form or other documents so requested from your broker or other designated record holder.

If I am a stockholder of record of AMERCO, how do I cast my vote?

There are several ways to cast your vote:

- You may vote over the internet, by going to proxyvote.com. You will need to type in the control number indicated on your proxy card and follow the instructions.
- You may vote over the telephone by dialing 1-800-690-6903 and follow the recorded instructions. You will need the control number indicated on your proxy card.

Edgar Filing: AMERCO /NV/ - Form DEF 14A

- You may vote by mailing in the proxy card ballot. To vote by mail, you must first request and obtain a paper copy of the materials, which will include a proxy card. Then, complete, sign and date your proxy card and mail it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717.
- You may vote in person, at the commencement of the Annual Meeting.

If you vote over the internet or telephone, your vote must be received by 11:59 p.m. Eastern Time on August 26, 2015 to be counted. If you vote by mail, please ensure that your completed Proxy Card is mailed no later than August 16, 2015.

How do I vote if I hold my stock through the AMERCO ESOP?

If you hold your stock through the ESOP, you may vote in the same manner as stockholders of record, as described immediately above. If you do not vote your stock held through the ESOP, the ESOP Trustee will vote your shares for you, in the Trustee's discretion.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of our common stock that you owned as of the close of business on the Record Date.

Who tabulates the votes cast at the Annual Meeting?

We have hired Broadridge Financial Solutions, Inc. or its designee (“Broadridge”) to tabulate the votes cast in connection with the Annual Meeting. In addition, an employee of Broadridge or its designee will be present at the meeting to serve as the Inspector of Elections.

Could other matters be decided at the Annual Meeting?

We are not aware of any other matters that will be considered at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, all shares validly represented by proxies will be voted in accordance with the discretion of the appointed proxy holder.

What does it mean if I receive more than one Notice or Proxy Card?

If you receive more than one Notice or Proxy Card, your shares are owned in more than one name or in multiple accounts. In order to ensure that all of your shares are voted, you must follow the voting instructions included in each Notice and Proxy Card.

How will I know the voting results?

Preliminary voting results will be announced at the Annual Meeting. Final results will be published on Form 8-K filed with the SEC shortly following the Annual Meeting.

How can I access the Proxy Statement and Annual Report electronically?

To access the Proxy Statement and Annual Report electronically, please visit proxyvote.com or the Company’s Investor Relations website, amerco.com. You may also consent to receive all future Company proxy statements and annual reports electronically via e-mail. To sign up for e-delivery, please go to amerco.com, and click on the yellow “Electronic Delivery Enrollment” box toward the top of the page and follow the instructions.

How can I revoke my Proxy?

You may change or revoke your vote by filing with the Company's Secretary by the close of business on August 26, 2015, either a notice of revocation or a signed Proxy Card bearing a later date or by later re-voting by telephone or over the internet. You may also revoke your vote with respect to your shares if you attend the Annual Meeting in person and so request, although attendance at the meeting will not automatically revoke your proxy absent specific action on your part.

PROPOSAL 1

THE ELECTION OF DIRECTORS

The independent directors have nominated the following individuals (all current directors) to stand for election at this Annual Meeting: Edward J. Shoen, James E. Acridge, Charles J. Bayer, John P. Brogan, John M. Dodds, Michael L. Gallagher, Daniel R. Mullen and Samuel J. Shoen, and to serve as members of the Board until the 2016 Annual Meeting or until their respective successors are duly elected and qualified or their earlier death, resignation or removal. As of the filing date of this Proxy Statement, each of the nominees is willing and able to serve as a director of the Company. See "Board of Directors and Corporate Governance - Directors" for information regarding each of the director nominees.

The person named in the enclosed proxy will vote to elect all of the nominees as directors for terms ending at the 2016 Annual Meeting, unless you withhold authority to vote for any or all of the nominees by marking the proxy to that effect or so voting in person. If one or more of the eight (8) nominees becomes unavailable to serve prior to the date of the Annual Meeting, the person named as proxy holder will vote those shares for the election of such other person(s) as the Board may recommend, unless the Board reduces the total number of directors.

Directors are elected by a plurality of the shares cast, whether in person or by proxy. Votes may be cast “FOR” all nominees, “WITHHOLD” for all nominees, or “WITHHOLD” as to specific nominees. The eight nominees who receive the greatest number of votes cast “FOR” the election of such nominees shall be elected as directors.

The Board recommends a vote “FOR” approval of Proposal 1, which includes a vote “for” each director nominee.

PROPOSAL 2 – Advisory Vote TO APPROVE THE Compensation paid to the Company’s Named Executive Officers

In accordance with the requirements of Section 14A of the Exchange Act (which were added by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”)) and the related rules of the SEC, the Company is providing stockholders the opportunity to vote on a non-binding, advisory resolution to approve the compensation of the Named Executive Officers as disclosed below in this Proxy Statement (commonly referred to as “say-on-pay”), including the Compensation Discussion and Analysis (the “CD&A”), the tabular disclosures regarding compensation of our Named Executive Officers and the narrative disclosure accompanying these tables.

At our 2011 annual meeting, our stockholders supported an annual frequency for this advisory vote. The Board has determined that, until the next required stockholder vote on the frequency of future stockholder advisory approvals of our executive compensation or until the Board determines that such vote shall be conducted at a different interval, the Company will seek advisory approval of our executive compensation on an annual basis.

As discussed in the CD&A, we believe that our compensation policies and decisions are focused on pay-for-performance principles and are strongly aligned with the long-term interests of our stockholders. The objectives of the Company’s executive compensation program are to retain current executive officers, to encourage existing personnel to self-develop and magnify functional responsibilities and to entice qualified individuals to join the Company in executive positions as such positions are created or vacated. Our compensation program is intended to encourage an environment of teamwork, loyalty and fairness at all levels of the Company. This proposal gives you as a stockholder the opportunity to express your views regarding the Company’s executive compensation policies and procedures. The vote is not intended to address any specific item of compensation but rather the overall compensation of our Named Executive Officers and the policies and procedures described in this Proxy Statement.

Although this advisory vote is non-binding, the Board and the Compensation Committee value the views of stockholders and will consider the outcome of the vote when making future compensation decisions for Named Executive Officers.

The Board recommends a vote “FOR” approval of Proposal 2, as follows:

Resolved, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 401 of Regulation S-K, including the Compensation Discussion and Analysis and compensation tables and narrative discussion is hereby approved.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The purpose of this CD&A is to provide material information about the Company's compensation philosophy, objectives and other relevant policies and to explain and put into context the material elements of the disclosure that follows in this Proxy Statement with respect to the compensation of our Named Executive Officers. For Fiscal 2015, the Company's Named Executive Officers were:

Edward J. Shoen, Chairman and President of AMERCO;

James P. Shoen, Vice President of U-Haul Business Consultants;

John C. Taylor, President of U-Haul;

Jason A. Berg, Principal Financial Officer and Chief Accounting Officer of AMERCO; and

Laurence J. De Respino, General Counsel

Compensation Philosophy and Objectives

The objectives of the Company's executive compensation program are to retain current executive officers, to encourage existing personnel to self-develop and magnify functional responsibilities and to entice qualified individuals to join the Company in executive positions as such positions are created or vacated. The compensation program is intended to encourage an environment of teamwork, loyalty and fairness at all levels of the Company.

While this CD&A focuses on the compensation of the Named Executive Officers, the philosophy and objectives we discuss are generally applicable to all of the Company's senior officers.

Implementation of Objectives

It is the duty of the Compensation Committee to review and determine the annual compensation paid to the President and review regularly the general compensation policies for the Company's other executive officers. The Compensation Committee and the President implement these policies while keeping in mind the Company's approach to overhead costs and such executive officer's impact on the Company's objective of providing customers with an affordable product and service. The Compensation Committee traditionally delegates significant responsibility to the President for establishing and reviewing the performance of the other Named Executive Officers, appropriate levels and components of compensation, and any other items as the Compensation Committee may request.

The Compensation Committee evaluates the compensation of the President at least annually to ensure that it is fair, reasonable and aligned with the Company's overall objectives. The President performs this function for the remainder of the Named Executive Officers.

The Compensation Committee did not utilize any benchmarking measure in Fiscal 2015 and traditionally has not tied compensation directly to a specific performance measurement, market value of the Company's common stock or benchmark related to any established peer or industry group. Rather, the Company generally seeks to compensate individual executives commensurate with historic pay levels for such position, adjusted for time and tenure with the Company. Salary increases are strongly correlated to the President's assessment of each Named Executive Officer's performance and his recommendation on the appropriateness of any increase. The Company also generally seeks to increase or decrease compensation, as appropriate, based upon changes in an executive officer's functional responsibilities within the Company.

The intention of the Company has been to compensate the Named Executive Officers in a manner that maximizes the Company's ability to deduct such compensation expenses for federal income tax purposes. However, the Compensation Committee and the President have the discretion to provide compensation that is not "performance-based" under Section 162(m) of the Internal Revenue Code when they determine that such compensation is in the best interests of the Company and its stockholders. For Fiscal 2016, the Company expects to deduct most or all of the compensation expenses paid to the Named Executive Officers.

Elements Used to Achieve Compensation Objectives

The principal components of the Company's compensation program in Fiscal 2015 were:

- Base salary;
- Discretionary cash bonus;
- Certain long-term incentives; and
- Other benefits.

Base Salary. The Company pays its Named Executive Officers base salaries commensurate with the scope of their job responsibilities, individual experience, performance, and the period of time over which they have performed their duties. The base salary is typically reviewed annually with adjustments made based upon an analysis of performance and the addition or removal of functional responsibilities. There are no guarantees of base salary adjustments. The amount of base salary paid to each of the Named Executive Officers during Fiscal 2015 is shown in the Summary Compensation Table ("SCT").

Discretionary Cash Bonus. Discretionary cash bonuses are awarded on occasion to Named Executive Officers based upon subjective criteria determined by the Compensation Committee or the President. These criteria may include such factors as level of responsibility, contributions to results, and retention considerations. The Company has not entered into any agreements stipulating or guaranteeing bonuses for any of its Named Executive Officers. The amount of discretionary cash bonuses paid to each of the Named Executive Officers during Fiscal 2015 is shown in the SCT.

Certain Long-Term Incentives. The Company did not grant in Fiscal 2015 equity interests to Named Executive Officers other than through its ESOP, which is available to all employees of the Company. The Company has not implemented any specific policy requiring its Named Executive Officers or other officers and/or employees to own the Company's common stock.

Other Benefits. The Named Executive Officers participate in employee benefits plans generally available to all full-time employees of the Company on a non-discriminatory basis including medical, dental, vision, and prescription drug insurance, life insurance, accidental death and dismemberment insurance, disability insurance, a 401(k) plan, vacation and sick pay, and postretirement benefits. The Company does not provide other perquisites to its executive officers; therefore such additional tables are not provided as they are inapplicable.

Compensation Risk Assessment

The Company has assessed the risks that could arise from its compensation policies for all employees, including employees who are not Named Executive Officers, and does not believe that such policies are reasonably likely to have a material adverse effect on the Company. In consideration of these matters and after reviewing each element of the Company's compensation programs including base salary, cash incentives and equity compensation, we determined that (i) our Named Executive Officers' compensation, including incentive compensation, is not a significant percentage of revenue for the Company or any applicable subsidiary's revenue, (ii) due in large part to the equity ownership of two of our five Named Executive Officers, our Company is a Controlled Company which we believe creates a strong alignment between the interests of management and stockholders, and (iii) due to the limited nature of our incentive compensation and range of potential increases in salaries year over year, as well as our overall conservative approach to compensation, our policies and programs do not encourage excessive risk-taking by our management or our Board and result in a strong alignment between the interests of management and stockholders.

2014 Advisory Vote on the Compensation of the Company's Named Executive Officers

AMERCO provided stockholders with an advisory vote on its compensation of the Company's Named Executive Officers in 2014. At our 2014 annual meeting of stockholders, more than 99% of the votes cast on this proposal were in favor of our executive compensation program and policies. The Compensation Committee evaluated the results of the vote and, due in large part to the substantial stockholder support of our executive compensation program, the Compensation Committee did not make any significant changes to our executive compensation program and policies for Fiscal 2015 compensation. The Compensation Committee will continue to consider the outcome of future advisory votes when making future compensation decisions for the Named Executive Officers.

The compensation for the remaining Named Executive Officers is determined by the President. Base salaries for the Named Executive Officers did not materially change in Fiscal 2015.

A discretionary bonus was paid to John C. (“JT”) Taylor, Jason A. Berg and Laurence J. De Respino in Fiscal 2015 in recognition of their service to the Company as determined by the President. RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BDO USA, LLP has served as the Company’s principal independent registered public accounting firm since August 2002 and the Audit Committee has selected BDO USA, LLP to audit AMERCO’s financial statements for Fiscal 2016. The following table shows the fees that AMERCO and its consolidated entities paid or accrued for the audit and other services provided by BDO USA, LLP for Fiscal 2015 and 2014.

	March 31,	
	2015	2014
	(In thousands)	
Audit fees	\$ 2,847	\$ 2,773
Audit-related fees	65	60
Tax fees	-	-
All other fees	-	-
Total	\$ 2,912	\$ 2,833

Audit Fees. This category includes the audit of AMERCO’s annual financial statements included in the Annual Report on Form 10-K and the effectiveness of internal control over financial reporting as of fiscal year end, review of financial statements included in AMERCO’s Quarterly Reports on Form 10-Q, and services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings for those fiscal years. This category also includes advice on accounting matters that arose during, or as a result of, the audit or the review of interim financial statements, statutory audits required by U.S. jurisdictions and the preparation of an annual “management letter” on internal control matters.

Audit-Related Fees. This category consists of assurance and related services provided by BDO USA, LLP that are reasonably related to the performance of the audit or review of AMERCO's financial statements and are not reported above under "Audit Fees." The services for the fees disclosed under this category include benefit plan audits.

Tax Fees. This category consists of professional services provided by BDO USA, LLP for tax compliance, tax advice and tax planning.

Each year, the Audit Committee approves the annual audit engagement in advance. The Audit Committee also has established procedures to pre-approve all non-audit services provided by the independent registered public accounting firm. All Fiscal 2015 non-audit services listed above were pre-approved. The Audit Committee has determined that the provision of services by BDO USA, LLP described in the preceding paragraphs were compatible with maintaining BDO USA, LLP's independence as the Company's principal independent registered public accounting firm.

PROPOSAL 3 - RATIFICATION OF APPOINTMENT OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

BDO USA, LLP currently serves as the Company's independent registered public accounting firm, and has conducted the audit of the Company's accounts since 2002. The Audit Committee has appointed BDO USA, LLP to serve as the independent registered public accounting firm to conduct an audit of our accounts for Fiscal 2016.

Selection of the Company's independent registered public accounting firm is not required to be submitted to a vote of the stockholders for ratification. The Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. However, the Board has elected to submit the selection of BDO USA, LLP as the Company's independent registered public accounting firm to stockholders for ratification as a matter of good corporate practice. Even if stockholders vote in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Representatives of BDO USA, LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The Board recommends a vote "FOR" Proposal 3, the ratification of appointment of the Company's independent registered public accounting firm.

PROPOSAL 4 - STOCKHOLDER PROPOSAL REGARDING RATIFICATION OF THE DECISIONS AND ACTIONS OF THE BOARD OF DIRECTORS AND EXECUTIVE OFFICERS FOR FISCAL 2015

Proposal 4 for consideration is a proposal from Company stockholders to ratify and affirm the decisions and actions taken by the Board and Executive Officers with respect to AMERCO and its subsidiaries for Fiscal 2015. This proposal originates from the stockholder proposal originally received by the Company on September 24, 2008, approved at our 2009 Annual Meeting of Stockholders by a vote of 74% of shares voted, and which provided as follows:

"Motion:

We do hereby submit a proposal for inclusion in the AMERCO Annual Meeting Proxy statement, that AMERCO include on the ballot and in the annual meeting materials for such respective annual meetings a stockholder proposal from the undersigned stockholder proponents (or such other stockholder proponent(s) as may make the request, or as a management proposal in the event the undersigned are no longer stockholders of the Company and no comparable

proposal is received from another stockholder), that all decisions and actions made by the AMERCO Board of Directors and Executive Officers, with respect to AMERCO and its subsidiaries, for the time frame of April 1 of the year prior to the date of such Proxy Statement through March 31 of the year of such Proxy Statement, be ratified and affirmed.

Reason for Making the Proposal:

To support the AMERCO Board of Directors and Executive Officers on their decisions for these time periods. We believe the Company is headed in a positive direction due to their leadership and guidance.

Relevant Notices:

- 1) We do not have any material interest in the subject matter of the proposal.
- 2) We are not members of any partnership, limited partnership, syndicate or other group pursuant to any agreement, arrangement, relationship, understanding, or otherwise, whether or not in writing, organized in whole or in part for the purpose of acquiring, owning or voting shares of AMERCO stock.
- 3) The above stockholders have continuously held at least \$2,000 in market value of AMERCO shares and we intend to hold the stock through the date of the annual meeting.”

In regard to this Proposal 4, reference is hereby made to the Company’s 2015 Annual Report on Form 10-K, as well as the Company’s other public reports and other filings with the SEC, for disclosures relating to the Company.

The Board recommends a vote “FOR” approval of Proposal 4, regarding the ratification of the decisions and actions of the Board and executive officers for Fiscal 2015.

PROPOSAL 5 – ADVISORY STOCKHOLDER PROPOSAL TO RECOMMEND THE BOARD AND MANAGEMENT ACT EXPEDITIOUSLY TO EFFECTUATE AN IPO AND SUBSEQUENT REIT CONVERSION OF THE REAL ESTATE AND SELF-STORAGE BUSINESSES

Proposal 5 is a proposal from Company stockholder AFR Value Partners, L.P. (“AFRVP”), with an address of c/o Applied Fundamental Research, LLC, 50 Church Street, 5th Floor, Cambridge, MA 02138, owner of 1,917 shares of common stock of AMERCO as of the date of its proposal. The text of Proposal 5 and its supporting statement appear exactly as received by the Company. All statements contained in Proposal 5 and its supporting statement are the sole responsibility of the proponent thereof. The Board recommends a vote against Proposal 5 based on the reasons set forth in the Company’s Statement in Opposition following Proposal 5.

Shareholder Proposal:

“Resolved, that the stockholders of Amerco recommend that the Board of Directors and management act expeditiously, consistent with effective tax considerations, to engage an investment banking firm to effectuate an IPO and subsequent REIT conversion of the Real Estate and Self-Storage Businesses.”

Supporting Statement

“AFRVP believes that Amerco’s Moving Equipment Rental and Insurance businesses hold back the fair valuation of its Real Estate and Self-Storage businesses. AFRVP believes that if Amerco’s Real Estate and Self-Storage businesses were a stand-alone REIT, that it would trade at a higher multiple of operating income more in line with those of self-storage peers such as Sovran Self Storage, Inc., Extra Space Storage Inc., and CubeSmart.

AFRVP believes that the only significant obstacles to an IPO and subsequent REIT conversion of the Real Estate and Self-Storage businesses involves the initial time and effort required to put in place financial reporting infrastructures for these two entities in a manner appropriate for an IPO and a subsequent REIT conversion, and the establishment of an appropriate and equitable division of costs between a) the Real Estate and Self-Storage businesses as owners of a given location’s underlying real estate and self-storage facilities, and b) other AMERCO business lines that conduct various operations at the same location in addition to managing the self-storage facilities located at that location. AFRVP believes that the long-term benefit to Amerco Shareholders from an IPO and subsequent REIT conversion of the Real Estate and Self-Storage businesses outweighs the initial costs and effort required to separate these businesses. AFRVP also believes that by effectuating an IPO and subsequent REIT conversion of the Real Estate and Self-Storage businesses, the senior management

teams from each of the Company's businesses can be more properly measured and incentivized by having their compensation tied directly to the shareholder value they create for their respective entities in the future.

Therefore, AFRVP is proposing that Stockholders adopt this resolution on a non-binding, advisory basis at the Annual Meeting in order to prove to the Board that Stockholders support effectuating an IPO and subsequent REIT conversion of the Real Estate and Self-Storage Businesses.”

Board's Statement in Opposition:

The Board recommends voting AGAINST Proposal 5, the advisory proposal requesting that the Board of Directors and management act expeditiously, consistent with effective tax considerations, to engage an investment banking firm to effectuate an IPO and subsequent REIT conversion of the Real Estate and Self-Storage Businesses (together, the “REIT Transaction”).

This is not a matter of first impression for the AMERCO Board or individual Board members. The self storage industry is replete with REITs. Over the years, the Board has been in dialogue with thoughtful proponents of the REIT structure and has analyzed the input. The AMERCO Board and management continue to refine the Company's operational and financial plans in a non-REIT structure.

The Board has considered the proposed REIT Transaction, with a view to the interests of the Company as required by applicable law, including NRS Section 78.138, and concluded that the REIT Transaction is not in the best interests of the Company, including without limitation the Company's employees, suppliers, creditors and customers; and the long-term as well as short-term interests of the Company and its stockholders.

In our Chairman's Letter to Shareholders in 2004, our “AMERCO Shareholder Value Proposition” was presented. Our approach specified in that letter has not changed. We continue to maintain a long time horizon in our management of the business, with a focus on investing and building value for the long term. The present success of the Company is the result of decisions and actions put into motion many years ago. As stated in the Shareholder Value Proposition, AMERCO's intent is to operate with an entrepreneurial, aggressive management team. We intend to maintain a substantial insider ownership, including significant ownership positions held by Shoen family members and employees through the AMERCO Employee Stock Ownership Plan. The Shareholder Value Proposition includes developing a self-funding balance sheet and financing expansion through profits. It includes encouraging a coincidence of interest between ownership, management, U-Haul system members and Dealers. Moreover, we intend to maintain a reasonable price/earnings ratio on our common stock, with emphasis on the strength of the Company and not the strength of the stock price.

Success of the proposed REIT Transaction is uncertain. The proposed REIT Transaction presents numerous operational, tax and financial considerations, some of which are disadvantageous to our long term success and the

Shareholder Value Proposition, and in the judgment of the Board outweigh the potential benefit of the proposed REIT Transaction. Below is a non-exhaustive list of such considerations.

Operational considerations

*The implications on our business, competitive advantage and financial results, including loss of synergies within our moving and storage operating segment and loss of the integrated moving and storage business;

*The time commitment and likely diversion of existing management to effectuate the REIT Transaction.

*The sale or disposition of our real estate and self-storage business to a REIT, who may then lease such properties back to us and serve as our real property lessor;

*Lease and other contractual terms with the REIT, including, without limitation, the cost of rent payments, and the lost or reduced ability to control our capital improvements, the location of our properties and our expansion, investment and innovation opportunities;

*The operational and financial goals of a REIT, and how those goals may differ from, or conflict with, Company goals. The implications of potential, actual or perceived conflicts of interest between the Company and the REIT and their respective management teams, owners and other constituencies, and the likelihood that this will create misdirection of management at the customer level;

*The possibility that a REIT may dispose of key real estate locations or not acquire certain additional locations, with a potential focus on maximizing near-term results;

- *The impact of dual management objectives when confronted with inevitable changing circumstances and economic cycles;
- *The possibility that the Company may be precluded from acquiring real estate in the future, by virtue of the terms of the proposed REIT Transaction;
- *The risks, costs and managerial distraction associated with an initial public offering, and the implementation and on-going compliance, allocation of costs, and financial reporting associated with the proposed REIT Transaction;
- *The impact of the regulatory requirements of a REIT, including, without limitation, the prohibition on concentrated equity ownership and the related party rent rules;
- *The impact of the proposed REIT Transaction on our fleet renewal program, our Dealer network, our storage affiliates, and other programs and constituencies, and the message the proposed REIT Transaction may send to our customers, employees, dealers, affiliates, suppliers, creditors and shareholders;
- *The implications of the REIT regulatory requirement that a REIT distribute 90% of taxable earnings to shareholders, and the impact of this requirement on expansion, investment and innovation opportunities and our intent to maintain a self-funding balance sheet.

Tax considerations

- *The tax implications to the shareholders of the Company, including the impact of a mandatory distribution of historical accumulated earnings and profits, and whether such distribution would be paid with cash or a combination of cash and stock issuance, and the dilutive impact to existing shareholders of any such stock issuance;
- *The tax implications of the proposed REIT Transaction to the Company, including, without limitation, taxes on lease payments to the REIT;
- *The uncertainty and cost associated with obtaining and maintaining Internal Revenue Service approval of REIT status; the potential conditions imposed by the IRS; and the risks associated with possible loss of REIT status.

Financial considerations

- *The implications on our existing debt agreements, including, without limitation, the due on sale and change of control provisions, prepayment and defeasance premiums, and lock-out provisions, and the costs and risks associated with the refinancings or recapitalizations required by virtue of the proposed REIT Transaction;
- *The implications on the cost and other terms of our future borrowings;
- *The implications on the Company's future financial flexibility and liquidity, including, without limitation, the loss of real estate liquidity;

*The uncertainty associated with the potential trading price of the Company and the REIT following the proposed REIT Transaction, and the uncertainty associated with the expectations of REIT stockholders.

The Board has previously evaluated a REIT structure, and will continue to evaluate varying financial strategies and strategic options for sustainable long-term value creation. We welcome ideas for improving shareholder value, and we appreciate the opportunity to engage with our shareholders and foster long-term relationships.

The Board recommends voting AGAINST Proposal 5.

PROPOSAL 6 – ADVISORY STOCKHOLDER PROPOSAL FOR THE BOARD AND MANAGEMENT TO DECLARE AND ISSUE A DIVIDEND OF SEVEN SHARES OF NONVOTING COMMON STOCK FOR EACH COMMON SHARE HELD TO ALL AMERCO SHAREHOLDERS

Proposal 6 is a proposal from Company stockholder Mark V. Shoen, with an address of 707 S. Country Club Drive, Mesa, Arizona 85210. As disclosed in the Security Ownership of Certain Beneficial Owners and Management table, Mark V. Shoen is a member of a “group”, as defined in Section 13(d) of the Securities Act, which owns approximately 55.6%, or 10,897,889 shares, of AMERCO common stock. Mark V. Shoen is the beneficial owner of 3,813,713 shares (3,813,697 as of the date of Proposal 6) of AMERCO common stock. He is the brother of Edward J. Shoen, Chairman, and James P. Shoen, Vice President of U-Haul Business Consultants; and the uncle of Director Samuel J. Shoen and Executive Vice President, Stuart M. Shoen.

The text of Proposal 6 and its supporting statement appear exactly as received by the Company. All statements contained in Proposal 6 and its supporting statement are the sole responsibility of the proponent thereof. The Board makes no voting recommendation with respect to Proposal 6.

Shareholder Proposal:

“Resolved, that the shareholders of AMERCO recommend to the Board of Directors and management to act expeditiously to declare and issue a dividend of 7 (seven) shares of nonvoting common stock for each common share held to all AMERCO shareholders of record as of a to-be determined record date in the reasonably foreseeable future, and to take all steps appropriate or incident to such a transaction, including without limitation the listing of such separate class of shares on a national securities exchange. Such nonvoting common stock to have rights identical to the existing voting common in all matters other than voting.”

Supporting Statement:

I am proposing that Stockholders adopt this resolution on a nonbinding advisory basis at the Annual Meeting in order to demonstrate to the Board that Stockholders support the declaration of a dividend of nonvoting common shares identical with the present common in all rights other than voting.

Reason for the Proposal:

I submit this Shareholder Proposal because shareholders other than myself have indicated to the Corporation an interest in a split of the existing AMERCO common stock. I believe this dividend proposal addresses their interests and will generate support by a majority of the present holders of AMERCO common stock.

It is my understanding that the Corporation presently has the authorized serial common stock necessary for such a dividend.

Additional Required Disclosures:

1. Proponent's address: 707 S. Country Club Drive, Mesa, AZ 85210.

I am proposing that Stockholders adopt this resolution on a nonbinding advisory basis at the Annual Meeting in order

2. I have an interest in this Proposal, in that as a shareholder of AMERCO, I believe I will benefit from enhanced corporate stability and management focus on long-term goals.
3. I am a member of a “group”, as defined in Section 13(d) of the Act, which owns approximately 55.6% of the outstanding voting shares of AMERCO. This group exists in part for the purpose of owning voting and voting shares of AMERCO.
4. I have continuously held at least \$2,000 in market value of AMERCO shares for more than one year.
5. I intend to hold at least \$2,000 in market value of AMERCO shares through the date of the 2015 Annual Meeting of Shareholders of AMERCO.

Since June 2010, the stock price for AMERCO common stock has risen from approximately \$45.00 per share to \$329.30 per share as of July 10, 2015. It is the Company's understanding that some shareholders believe that this increase in the price of AMERCO common stock makes it difficult for retail investors to purchase AMERCO common stock, and that low trading volume makes it difficult for institutional investors to purchase or sell AMERCO common stock without causing a significant price change. Proposal 6 will decrease the price per share of AMERCO common stock, will increase the publicly traded float (in terms of number of shares) of AMERCO common stock and is not expected to impact the Company's business operations. Because the Proposal 6 is an advisory vote, the Board will evaluate the Proposal after the vote before making a substantive decision.

The Board makes no voting recommendation with respect to Proposal 6.

Board Diversity

The Company does not have a specific written policy regarding Board diversity as it relates to the selection of nominees for the Board. However, Board diversity is considered by our Board to be desirable. We believe Board diversity strengthens our alignment with our constituencies and fosters improved decision making, goal setting and resource allocation. Board candidates are considered based upon various criteria, including, but not limited to, their broad-based business and professional skills and experiences, viewpoints and perspectives, concern for the long-term interests of our constituencies, and their personal integrity. The Board considers each nominee in the context of the Board as a whole, with the objective of assembling a Board that can best maintain the success of our business. For instance, we believe our directors are knowledgeable and experienced in various business sectors and governmental or academic endeavors, many of whom are serving or have served on other boards, which further illustrates the diversity present on our Board and the ultimate benefit to our Company and stockholders.

Leadership Structure and the Board’s Role in Risk Oversight

Currently, the roles of President and Board Chairman are combined, which we believe fosters clear accountability, effective decision-making, and alignment on corporate strategy. Specifically, our Board believes that its current leadership structure, with Edward J. Shoen serving as both President and Board Chairman, is appropriate and best

serves the interests of our Company and our stockholders. The Company does not have a lead independent director.

1

Management is responsible for managing the risks that the Company faces. The Board is responsible for overseeing management's approach to risk management and supports the achievement of the Company's objectives, including strategic objectives, to improve long-term performance and enhance stockholder value. A fundamental part of risk management is not only understanding the risks the Company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the full Board in reviewing our strategic objectives and plans is a key part of the Board's assessment of management's approach and tolerance to risk. While the Board has ultimate oversight responsibility for overseeing management's risk management process, various committees of the Board assist them in fulfilling that responsibility.

The Board has delegated to its various committees the oversight of risk management practices for categories of risk relevant to their functions. For example, through its Audit Committee, our Board oversees the management by our financial reporting group of our financial statement disclosure controls, systems of internal control over financial reporting, significant financial and accounting matters, as well as the Company's compliance with legal and regulatory requirements. Through its Compensation Committee, our Board manages potential business risks inherent in our compensation programs to ensure that they do not encourage unacceptable levels of risk. The Executive Finance Committee oversees risks associated with the Company's credit and debt positions and liquidity, monitors the level of risk associated with investment policies and investment portfolios, and evaluates current strategic endeavors by evaluating both short and long term debt structures.

Director Independence

Although we are not required to have a majority of independent directors as a result of our status as a "controlled company" under the NASDAQ Listing Rules, our Board has affirmatively determined, based upon the recommendation of our Independent Governance Committee, that all of our directors, except Edward J. Shoen and Samuel J. Shoen, are "independent" under the NASDAQ Listing Rules. In addition, the directors who serve on our Audit Committee each satisfy standards established by the SEC providing that to qualify as "independent" for the purposes of membership on that committee, members of audit committees may not (1) accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company other than their director compensation or (2) be an affiliated person of the Company or any of its subsidiaries.

"CONTROLLED COMPANY" STATUS AND DIRECTOR INDEPENDENCE

As of June 1, 2015, Edward J. Shoen, Chairman of the Board and President of AMERCO, James P. Shoen, a Director of AMERCO, and Mark V. Shoen collectively are the beneficial owners of 9,139,166 shares (approximately 46.6%) of the outstanding common shares of AMERCO. Edward J. Shoen, James P. Shoen, Mark V. Shoen, Rosemarie T. Donovan, as Trustee (Trustee of the Shoen Irrevocable Trusts) and David Holmes, as Trustee (Successor Trustee of the Irrevocable "C" Trusts) (collectively, the "Reporting Persons") are parties to a stockholder agreement dated June 30, 2006, (the "Stockholder Agreement") in which the Reporting Persons agreed to vote their shares as one block as provided in the Stockholder Agreement. Pursuant to the Stockholder Agreement, a collective 10,897,889 shares or

approximately 55.6% of the Company's outstanding common stock are voted at the direction of a majority in interest of the Reporting Persons. For additional information, refer to the Schedule 13Ds filed with the SEC on July 13, 2006, March 9, 2007, June 26, 2009 and on May 1, 2013.

As a result of their stock ownership and the Stockholder Agreement, Edward J. Shoen, Mark V. Shoen and James P. Shoen are in a position to significantly influence the business affairs and policies of the Company, including the approval of significant transactions, the election of the members of the Board and other matters submitted to our stockholders. There can be no assurance that the interests of the Reporting Persons will not conflict with the interest of our other stockholders. Furthermore, as a result of the Reporting Persons' voting power, the Company is a "controlled company" as defined in the Nasdaq Listing Rules and, therefore, may avail itself of certain exemptions under the Nasdaq rules, regarding having a majority of independent directors and independent director oversight of executive compensation and director nominations.

OTHER INFORMATION REGARDING THE BOARD OF DIRECTORS

The full Board of the Company met in regularly scheduled Board meetings six times during Fiscal 2015. For Fiscal 2015, each director attended at least 85% of the scheduled Board meetings and meetings for the committees on which such respective individual served. The independent Directors met in executive session, without the presence of management, as part of each regularly scheduled Board meeting.

Directors are encouraged to attend our annual meetings of stockholders. Participation via the webcast is encouraged, particularly in cases where travel from out of town would otherwise be required. All directors attended our 2014 Annual Meeting of Stockholders, which was held on August 28, 2014.

The Board has established the following standing committees: Audit Committee, Executive Finance Committee, Compensation Committee and Independent Governance Committee. The Company does not have a nominating committee. Currently, the responsibility for director nominations is vested in the independent members of the Board; however, as a “controlled company” the Company is not required to do so under the NASDAQ Listing Rules, and the Company reserves the right to cease having the responsibility for director nominations vested in the independent members of the Board. The Board does not believe that a nominating committee is necessary because the independent directors participate in the nominating process. The Board has adopted a resolution addressing the director nomination process and related matters; however, the Board may, in the future, choose to change its director nomination policy, including its policy related to stockholder nomination of directors. This process is described below, under the heading “Director Nomination Process.”

See page 23 of this Proxy Statement for a discussion of director compensation.

Listed below are descriptions of the Company’s committees, and the memberships thereof. The charters for the Independent Governance Committee, Audit Committee and Compensation Committee are available at amerco.com.

Audit Committee. The Audit Committee is comprised of Charles J. Bayer, John P. Brogan, John M. Dodds and Daniel R. Mullen. The Audit Committee assists the Board in fulfilling its oversight responsibilities as to financial reporting, audit functions and risk management. The Audit Committee monitors the financial information that is provided to stockholders and others, the independence and performance of the Company's independent Registered Public Accounting Firm and internal audit department and the systems of internal control established by management and the Board. The Audit Committee operates pursuant to a written charter approved by the Board that is available at amerco.com. The Board has determined that each member of the Audit Committee meets the applicable requirements of audit committee members under NASDAQ Listing Rules. Mr. Mullen is designated the Audit Committee "financial expert" and is independent as defined by the rules of the SEC and the other similar financial sophistication rules under NASDAQ regulations. Stockholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Mullen's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on Mr. Mullen any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an "audit committee financial expert" pursuant to SEC and NASDAQ requirements does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board. Messrs. Brogan and Bayer have been determined by the Board to meet the qualifications of "audit committee financial expert" as well and are independent as defined by the rules of the SEC and the other similar financial sophistication rules under NASDAQ regulations. The Audit Committee met seven times during Fiscal 2015.

Executive Finance Committee. The Executive Finance Committee is comprised of Charles J. Bayer, John P. Brogan and Edward J. Shoen. The Executive Finance Committee is authorized to act on behalf of the Board in approving any transaction involving the finances of the Company. The committee has the authority to give final approval for the borrowing of funds on behalf of the Company without further action or approval of the Board. This committee acted by unanimous written consent on six occasions during Fiscal 2015.

Compensation Committee. The Compensation Committee is comprised of John P. Brogan, John M. Dodds and James E. Acridge. The Compensation Committee reviews the Company's executive compensation plans and policies, including benefits and incentives, to ensure that they are consistent with the goals and objectives of the Company. The committee reviews and makes recommendations to the Board regarding management recommendations for changes in executive compensation and monitors management plans and programs for the retention, motivation and development of senior management. The Compensation Committee operates pursuant to a written charter that is available at amerco.com, and met one time during Fiscal 2015.

Independent Governance Committee. The Independent Governance Committee is comprised of Paul A. Bible, Michael L. Gallagher and Thomas W. Hayes. Mr. Bible and Mr. Hayes are not members of the Company's Board. The Independent Governance Committee monitors and evaluates the Company's corporate governance principles and standards and proposes to the Board any modifications which are deemed appropriate for sound corporate governance. The committee may review other matters as referred to it by the Board. The committee has the authority and a budget from which to retain professionals. Each member of the Independent Governance Committee is determined by the Board to be free of any relationship that would interfere with his or her exercise of independent judgment as a member of this committee. The Independent Governance Committee met three times during Fiscal 2015. The non-Board members of the Independent Governance Committee are encouraged to attend all Board meetings of the Company.

Mr. Hayes has served as a member of the Independent Governance Committee since 2003 and brings to AMERCO over 30 years of broad executive and financial management experience. He is the former Treasurer, Auditor General and Director of Finance for the State of California. He was also the President of a multibillion dollar investment management company and has held leadership positions in restructuring troubled public and private sector entities and is designated as an audit committee financial expert by Fremont General, a NYSE listed firm. In addition, Mr. Hayes is a United States Marine Corps combat veteran.

Mr. Bible has served as a member of the Independent Governance Committee since 2003. He is a sole practitioner at his law firm, Paul A. Bible, Attorney at Law, and currently serves as the chairman of the compliance committee for (i) H Group Holding, Inc., an affiliate of the Hyatt Corporation; (ii) Jacobs Entertainment, Inc., the holding company of Black Hawk Gaming & Development Company, Inc.; (iii) Colony Resorts LVH Acquisitions, LLC; and (iv) RIH Resorts, LLC. He is the former chairman of the Board of Trustees of the University of Nevada, Reno Foundation, and is the former chairman of the Nevada Gaming Commission.

See “Security Ownership of Certain Beneficial Owners and Management” and “Certain Relationships and Related Transactions” for additional information relating to the directors.

DIRECTOR NOMINATION PROCESS

Director Qualifications. Persons nominated to the Board must have personal integrity and high ethical character. A candidate should not have any interests that would materially impair his or her ability to exercise independent judgment or otherwise discharge the fiduciary duties owed by a director to the Company and its stockholders. Candidates must be able to represent fairly and equally all stockholders of the Company without favoring any particular stockholder group or other constituency of the Company and must be prepared to devote adequate time to the Board and its committees. In selecting nominees for director, the Board will assure that:

- at least three of the directors satisfy the financial literacy requirements required for service on the Audit Committee; and

- at least one of the directors qualifies as an audit committee financial expert under the rules of the SEC and NASDAQ rules and regulations.

Identifying Director Candidates. The Board utilizes a variety of methods for identifying and evaluating nominees to serve as directors. The Board has a policy of re-nominating incumbent directors who continue to satisfy the Board’s criteria for membership and whom the directors believe continue to make important contributions to the Board and who consent to continue their service on the Board.

In filling vacancies of the Board, the directors will solicit recommendations for nominees from the persons the directors believe are likely to be familiar with (i) the needs of the Company and (ii) qualified candidates. These persons may include members of the Board and management of the Company. The directors may also engage a professional search firm to assist in identifying qualified candidates.

In evaluating potential nominees, the directors will oversee the collection of information concerning the background and qualifications of the candidate and determine whether the candidate satisfies the minimum qualifications required by the Board for election as director and whether the candidate possesses any of the specific skills or qualities that under the Board's policies must be possessed by one or more members of the Board.

The directors may interview any proposed candidate and may solicit the views about the candidate's qualifications and suitability from the Company's President and other senior members of management. Diversity in terms of business and professional skills and experience, viewpoints, perspective, education and other factors, is considered in the decision making process.

The directors will make their selections based on all the available information and relevant considerations. The directors' selection will be based on who, in the view of the directors, will be best suited for membership on the Board.

In making its selection, the directors will evaluate candidates proposed by stockholders under criteria similar to other candidates, except that the directors may consider, as one of the factors in their evaluation, the size and duration of the interest of the recommending stockholder in the stock of the Company. The directors may also consider the extent to which the recommending stockholder intends to continue to hold its interest in the Company, including whether the recommending stockholder intends to continue holding its interest at least through the time of the meeting at which the candidate is to be elected.

Stockholder Nominees. The policy of the Board is to consider properly submitted stockholder recommendations for candidates for membership on the Board as described below. The evaluation process for such nominations is overseen by the Company's independent directors. In evaluating any recommendations or nominations, the independent directors seek to achieve qualified directors who can represent fairly and equally all stockholders of the Company and based on the membership qualifications and criteria described above. Any stockholder nominations for consideration by the independent directors should be mailed or delivered to the Company's Secretary at 2721 N. Central Avenue, Phoenix, Arizona 85004. A nomination by a stockholder must be accompanied by the following information about the stockholder:

- the stockholder's name and address;

- the number of shares of the Company's stock owned by the recommending stockholder and the time period for which such shares have been held;

- if the recommending stockholder is not a stockholder of record, a statement from the record holder of the shares (usually a broker or bank) verifying the holdings of the stockholder and a statement from the recommending stockholder of the length of time that the shares have been held; and

- a statement from the stockholder as to whether the stockholder has a good faith intention to continue to hold the reported shares through the date of the next annual meeting at which the candidate would be elected.

If the recommendation is submitted by a group of two or more stockholders, the above information must be submitted with respect to each stockholder in the group. The recommendation must be received by the Company not later than 120 days prior to the first anniversary of the date of the proxy statement for the prior annual meeting, except in the event that the date of the annual meeting for the current year is moved more than 30 days from the anniversary date of the annual meeting for the prior year, the submission will be considered timely if it is submitted a reasonable time in advance of the mailing of the Company's proxy statement for the annual meeting for the current year. The recommendation must be accompanied by consent of the proposed nominee to be interviewed by the independent directors and other Board members and to serve as director of the Company.

The recommendation must also contain information about the proposed nominee, including:

- the proposed nominee’s name and address;

- the information required by Items 401, 403 and 404 of SEC Regulation S-K (generally providing for disclosure of arrangements or understandings regarding the nomination, the business experience of the proposed nominee, legal proceedings involving the proposed nominee, the proposed nominee’s ownership of securities of the Company, and transactions and relationships between the proposed nominee and the Company);

- a description of all relationships between the proposed nominee and any of the Company’s competitors, customers, suppliers, labor unions or other persons with special interests regarding the Company;

- the qualifications of the proposed nominee; and

- a statement from the recommending stockholder that in his or her view, the nominee, if elected, would represent all the stockholders and not serve for the purpose of advancing or favoring any particular stockholder or other constituency of the Company.

The secretary of the Company will forward all recommendations and nominations to the independent directors. The acceptance of a recommendation from a stockholder does not imply that the independent directors will recommend to the Board the nomination of the stockholder recommended candidate. In addition, the Company's Bylaws permit stockholders to nominate directors at an annual meeting and nothing in the above procedures is intended to conflict with the provisions of the Company's Bylaws governing nominations by stockholders.

The information contained in this Proxy Statement about the Company's nominations process is just a summary. A complete copy of the policies and procedures with respect to stockholder director nominations can be obtained from the Company, free of charge, by writing to our Secretary at the address listed below.

Director Compensation

The Company's director compensation program is intended to fairly pay Directors for their time and efforts on behalf of AMERCO and its direct subsidiaries, as the case may be, in recognition of their fiduciary obligations to stockholders and for their liability exposure. Directors are compensated in the form of a cash fee. The Company offers no stock options or equity grants to its Directors. For Fiscal 2015, the annual fee for all services as a Director of the Company was \$67,500. Additionally, Audit Committee and Independent Governance Committee members receive a \$55,000 annual fee for service on each such committee, and Executive Finance Committee and Compensation Committee members receive a \$25,000 annual fee for service on each committee. The non-Board Independent Governance Committee members receive an annual fee of \$67,500. These amounts are paid in equal monthly installments. The Company also reimburses Directors and the non-director committee members for the incidental costs associated with their attendance at Board and committee meetings. Director fees paid to Edward J. Shoen and James P. Shoen are included in the Summary Compensation Table.

Substantially all of the equity interest of SAC Holdings is controlled by Blackwater Investments, Inc. (“Blackwater”), which is wholly-owned by Mark V. Shoen, a significant stockholder of AMERCO. The Company does not have an equity ownership interest in SAC Holdings. The Company recorded interest income of \$5.9 million, \$7.1 million and \$8.4 million, and received cash interest payments of \$5.7 million, \$17.2 million and \$12.6 million, from SAC Holdings during Fiscal 2015, 2014 and 2013, respectively. During the first quarter of fiscal 2014, SAC Holdings made a payment of \$10.4 million to reduce its outstanding deferred interest payable to AMERCO. The Company received repayments of \$20.2 million during the third quarter of fiscal 2015 on these notes and interest receivables. After this repayment the scheduled maturities of these notes are in 2017. The largest aggregate amount of notes receivable outstanding during Fiscal 2015 was \$71.5 million and the aggregate notes receivable balance at March 31, 2015 was \$50.4 million. In accordance with the terms of these notes, SAC Holdings may prepay the notes without penalty or premium at any time.

During Fiscal 2015, AMERCO and U-Haul held various junior notes from Private Mini Storage Realty, L.P. (“Private Mini”). The equity interests of Private Mini are ultimately controlled by Blackwater. The Company recorded interest income of \$4.9 million, \$5.3 million and \$5.4 million, and received cash interest payments of \$5.1 million, \$5.4 million and \$5.4 million, from Private Mini during Fiscal 2015, 2014 and 2013, respectively. The largest aggregate amount outstanding during Fiscal 2015 was \$65.5 million, and the aggregate notes receivable balance at March 31, 2015 was \$56.5 million. The Company received repayments of \$9.0 million during the third quarter of fiscal 2015 on these notes and interest receivables. In July 2015, we received a repayment of \$56.8 million on these notes and interest receivable.

The Company currently manages the self-storage properties owned or leased by SAC Holdings, Mercury Partners, L.P. (“Mercury”), Four SAC Self-Storage Corporation (“4 SAC”), Five SAC Self-Storage Corporation (“5 SAC”), Galaxy Investments, L.P. (“Galaxy”), and Private Mini pursuant to a standard form of management agreement, under which the Company receives a management fee of between 4% and 10% of the gross receipts plus reimbursement for certain expenses. The Company received management fees, exclusive of reimbursed expenses, of \$25.8 million, \$25.8 million and \$23.7 million from the above mentioned entities during Fiscal 2015, 2014 and 2013, respectively. This management fee is consistent with the fee received for other properties the Company previously managed for third parties. SAC Holdings, 4 SAC, 5 SAC, Galaxy and Private Mini are substantially controlled by Blackwater. Mercury is substantially controlled by Mark V. Shoen. James P. Shoen, a significant stockholder of AMERCO and an estate planning trust benefitting the Shoen children have an interest in Mercury.

The Company leases space for marketing company offices, vehicle repair shops and hitch installation centers from subsidiaries of SAC Holdings, 5 SAC and Galaxy. Total lease payments pursuant to such leases were \$2.6 million in each of Fiscal 2015, 2014 and 2013. The terms of the leases are similar to the terms of leases for other properties owned by unrelated parties that are leased to the Company.

At March 31, 2015, subsidiaries of SAC Holdings, 4 SAC, 5 SAC, Galaxy and Private Mini acted as U-Haul independent dealers. The financial and other terms of the dealership contracts with the aforementioned companies and their subsidiaries are substantially identical to the terms of those with the Company’s other independent dealers

whereby commissions are paid by the Company based upon equipment rental revenue. However, in some instances the dealership contracts with these entities is for a specified term of years, as opposed to being on a month-by-month term. The Company paid the above mentioned entities \$52.1 million, \$49.9 million and \$43.8 million in commissions pursuant to such dealership contract during Fiscal 2015, 2014 and 2013, respectively.

A person otherwise entitled to attend the Annual Meeting will cease to be so entitled if, in the judgment of the chairman of the meeting, such person engages in disorderly conduct impeding the proper conduct of the Annual Meeting. Stockholders of record or their proxies and beneficial owners may be asked to show proof of entitlement to attend the Annual Meeting. Stockholders of record voting by proxy will not be admitted to the meeting unless their proxies are revoked, in which case the holders of the revoked proxies will not be permitted to attend the meeting. In addition, the media will not be given access to the meeting. The meeting will be webcast over the internet at amerco.com and such webcast will be open to the public. We encourage stockholders and other stakeholders and media members to watch the Annual Meeting via our webcast. We believe this is one way to reduce the carbon footprint attributable to the Annual Meeting.

B. With the exception of cameras and recording devices provided by the Company, cameras and recording devices of all kinds (including stenographic) are prohibited in the meeting room.

C. Pursuant to Article II, Section 9 of the Bylaws after calling the meeting to order, the Chairman will require the registration of all stockholders intending to vote in person, and the filing of all proxies with the Inspector of Elections.

D. Pursuant to Article II, Section 9 of the Bylaws the Chairman of the meeting has, among other things, absolute authority to determine the order of business to be conducted at the Annual Meeting and to establish rules for, and appoint personnel to assist in, preserving the orderly conduct of the business of the Annual Meeting (including any informal, or question-and answer, portions thereof).
