Indenture

On November 13, 2018, Anixter International Inc., Anixter Inc. (“Anixter”) and Wells Fargo Bank, National Association, as trustee for the 2025 Notes (as herein defined), entered into an indenture, dated as of November 13, 2018 (the “2025 Indenture”), pursuant to which Anixter issued its \$250,000,000 6.00% Senior Notes due 2025 (the “2025 Notes”), which are guaranteed by Anixter International Inc.

The 2025 Notes were offered and sold by the initial purchasers to persons reasonably believed to be qualified institutional buyers in the United States pursuant to Rule 144A and outside the United States pursuant to Regulation S under the Securities Act of 1933, as amended (the “Securities Act”). The 2025 Notes have not been registered under the Securities Act, or any state securities laws, and, unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws.

Interest accrues on the 2025 Notes at 6.00% per annum. Interest on the 2025 Notes is payable semi-annually on June 1 and December 1 of each year, commencing June 1, 2019. The 2025 Notes mature on December 1, 2025. At any time prior to September 1, 2025, Anixter may from time to time redeem some or all of the 2025 Notes at a price equal to 100% of the principal amount of the 2025 Notes plus a “make-whole” premium, plus accrued and unpaid interest, if any, to the redemption date. At any time on or after September 1, 2025, Anixter may from time to time redeem some or all of the 2025 Notes at a price equal to 100% of the principal amount of the 2025 Notes, plus accrued and unpaid interest, if any, to the redemption date. If Anixter experiences certain kinds of changes of control, it must offer to repurchase all of the 2025 Notes outstanding at 101% of the aggregate principal amount of the 2025 Notes repurchased, plus accrued and unpaid interest.

The 2025 Notes and the 2025 Indenture contain customary events of default, including, without limitation, defaults on payments of interest and principal, breaches of covenants, and cross defaults to certain other indebtedness, subject in certain instances to grace periods, notice and cure periods. If an event of default occurs, the trustee or holders of 25% of the aggregate principal amount of the 2025 Notes may declare the 2025 Notes immediately due and payable. On certain events of bankruptcy, insolvency or reorganization, the 2025 Notes will automatically become immediately due and payable.

Anixter used the net proceeds of the sale of the 2025 Notes to fund a portion of the consideration for the notes tendered and accepted for purchase prior to November 9, 2018 in its tender offer for any and all of its outstanding 5.625% Senior Notes due 2019 (the “2019 Notes”) and related consent solicitation for certain amendments to the indenture governing the 2019 Notes (together, the “Tender Offer”) [and to pay fees and expenses related to the 2025 notes offering and the Tender Offer.

The above description of the 2025 Indenture and the 2025 Notes is qualified in its entirety by reference to the 2025 Indenture (including the form of 2025 Note), which is attached hereto as Exhibit 4.1, and incorporated into this Item 1.01 by reference.

Registration Rights Agreement

In connection with the issuance of the 2025 Notes, on November 13, 2018, Anixter International Inc., Anixter, and Wells Fargo Securities, LLC, for itself and as representative of the initial purchasers, entered into a registration rights agreement (the “Registration Rights Agreement”), which grants the holders of the 2025 Notes certain exchange and registration rights with respect to the 2025 Notes. Anixter International Inc. and Anixter have agreed to: (i) file a

registration statement enabling holders to exchange their unregistered Notes for publicly registered Notes with substantially identical terms; (ii) use commercially reasonable efforts to cause the registration statement to become effective; (iii) use commercially reasonable efforts to effect an exchange offer of the 2025 Notes for registered 2025 Notes within 365 days after the issue date of the 2025 Notes; and (iv) file a shelf registration statement for the resale of the 2025 Notes if an exchange offer cannot be effected within the time period listed above and in certain other circumstances. In the event that the exchange offer is not consummated and no shelf registration statement is declared effective within 365 days of the issue date, and in certain other instances, Anixter Inc. will be required to pay additional interest on the 2025 Notes.

The above description of the Registration Rights Agreement is qualified in its entirety by reference to the Registration Rights Agreement, which is attached hereto as Exhibit 4.2, and incorporated into this Item 1.01 by reference.

Third Supplemental Indenture

Following the receipt of the consent of the holders of the majority of the outstanding principal amount of the 2019 Notes in the Tender Offer, Anixter International Inc., Anixter and Wells Fargo Bank, National Association, as trustee for the 2019 Notes, entered into a Third Supplemental Indenture, dated as of November 12, 2018 (the “Third Supplemental Indenture”), amending and supplementing the indenture governing the 2019 Notes. The Third Supplemental Indenture, among other things, eliminates certain of the restrictive covenants applicable to the 2019 Notes and shortens the notice periods required for redemptions of the 2019 Notes. Although the Third Supplemental Indenture was effective upon execution, the amendments to the 2019 Notes and the indenture governing the 2019 Notes set forth in the Third Supplemental Indenture will become operative only upon the initial date of acceptance for purchase by Anixter of 2019 Notes validly tendered in the Tender Offer. Accordingly, the terms of the Third Supplemental Indenture will be null and void, and the terms of the indenture governing the 2019 Notes will continue in full force and effect without any modification by the Third Supplemental Indenture, if such acceptance for purchase does not occur.

The above description of the Third Supplemental Indenture is qualified in its entirety by reference to the Third Supplemental Indenture, which is attached hereto as Exhibit 4.3, and incorporated into this Item 1.01 by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
