Item 1.01 Entry into a Material Definitive Agreement

On June 3, 2005, the Board of Directors of National Fuel Gas Company (the *Company*) approved and adopted the National Fuel Gas Company Performance Incentive Program (the *Program*). The Program is designed to attract, retain, motivate and reward officers and key employees by providing them with long-term incentive opportunities directly linked to the Company's performance. Officers or key employees selected by the Chief Executive Officer (*CEO*) and approved by the Compensation Committee (the *Committee*) are eligible to participate in the Program, provided that the eligibility of the CEO to participate is determined by the Committee.

For each participant in the Program, the CEO establishes, subject to the approval of the Committee, a cash bonus opportunity (the *Target Incentive*) with respect to a performance period of more than one fiscal year, as designated by the Committee (the *Performance Period*). The Committee establishes one or more performance objectives (*Performance Conditions*) which must be achieved for a Participant to receive payment of the Target Incentive (or a multiple thereof). The Performance Condition is the Company's total return on capital as compared to that of a group of peer companies, unless an alternative measure is established by the Committee. The Committee establishes levels of performance at which 50%, 100% and 200% of the Target Incentive will be payable, and may establish additional levels of performance as well. For performance levels between established levels, a portion of the Target Incentive will be payable as determined by mathematical interpolation.

## Edgar Filing: NATIONAL FUEL GAS CO - Form 8-K

The Committee has designated a Performance Period of October 1, 2004 to September 30, 2007 and selected total return on capital as the Performance Condition. Payment will be made in accordance with the Program if the Company achieves performance as detailed below:

<u>National Fuel Rank as a Percentile of Peer Group</u>	<u>Percentage of Target Incentive Paid</u>
Less than 45.01%	0%
45.01%	50.00%
60.00%	100.00%
75.00%	150.00%
100.00%	200.00%

The Committee has approved the following Target Incentives for the following executive officers of the Company: P. C. Ackerman, \$525,000; D. J. Seeley, \$380,000; D. F. Smith, \$195,000; J. A. Beck, \$360,000; R. J. Tanski, \$60,000; A. M. Cellino, \$60,000; J. R. Pustulka, \$45,000; J. D. Ramsdell, \$100,000; and P. M. Ciprich, \$25,000.

Pursuant to Internal Revenue Service Transition Rules under Internal Revenue Code Section 409A, the Board of Directors of the Company also authorized on June 3, 2005 the payment in 2005 of certain amounts of compensation previously deferred under the Company's Deferred Compensation Plan, including the following approximate amounts to the following executive officers of the Company: D.
