Chief Executive Officer's Comments

Roy T.K. Thung, Chief Executive Officer, commented, "We are pleased that during the second quarter we:

- ◆ acquired (together with American Independence Corp. (NASDAQ: AMIC)) a 75% interest in Majestic Underwriters LLC;
- ◆ acquired a \$25 million annuity block;
- ◆ listed on the New York Stock Exchange;
- ◆ paid an 80% stock dividend;
- ◆ increased our annual cash dividend by 80%; and
- ◆ reported record operating results for the period.

IHC's 40% interest in the common stock of AMIC is burdened twice by income tax provisions: (i) by a non-cash provision for taxes recorded by AMIC on its income statement even though AMIC does not pay Federal income taxes, except for alternative minimum taxes, due to net operating loss carryforwards; and (ii) by an additional deferred tax provision at the IHC level which is not payable unless IHC were to sell its interest in AMIC or receive taxable dividends from AMIC. This burden amounted to \$1,037,000 for the first six months of 2004 and \$374,000 for the first six months of 2003."

Stockholders' Equity/Book Value

IHC's book value per share remained constant at \$12.15 per share at June 30, 2004 and December 31, 2003. IHC marks-to-market all of its fixed income securities; as a result, interest rate changes impact, positively and negatively, stated stockholders' equity. As of June 30, 2004, there were 14,061,310 common shares outstanding, net of treasury shares; subsequently, IHC's shareholders consented to an increase in its authorized common stock from 15,000,000 to 20,000,000 shares.

IHC is a holding company principally engaged in the life and health insurance business and the acquisition of blocks of policies through its subsidiaries, Standard Security Life Insurance Company of New York and Madison National Life Insurance Company, Inc. and its affiliate, American Independence Corp. Standard Life markets medical stop-loss, long-term and short-term disability, group life and managed health care products. Madison Life sells group life and disability, employer medical stop-loss, credit life and disability and individual life insurance. AMIC is a holding company principally engaged in the insurance and reinsurance business through Independence American Insurance Company and its employer medical stop-loss and managed care managing general underwriters.

Some of the statements included herein may be considered to be forward looking statements which are subject to certain risks and uncertainties. Factors which could cause the actual results to differ materially from those suggested by such statements are described from time to time in IHC's filings with the Securities and Exchange Commission.
