FIRST MERCHANTS CORPORATION ANNOUNCES 21 PERCENT INCREASE IN FOURTH QUARTER EARNINGS PER SHARE

First Merchants Corporation (NASDAQ - FRME) has reported fourth quarter 2007 earnings per share of \$.51, a 21.4% increase over \$.42 earned in the fourth quarter of 2006. Net income for the quarter totaled \$9,310,000 compared to \$7,659,000 in fourth quarter of 2006.

2007 earnings per share totaled \$1.73, a 5.5% increase over the \$1.64 earned in 2006. Included in the year-to-date results are two strategic non-recurring expenses.

The first non-recurring expense is related to the early redemption of the Corporation's subordinated debentures payable to First Merchants Capital Trust I and subsequent redemption by First Merchants Capital Trust I of its outstanding common and preferred fixed rate securities (NASDAQ-FRMEP) as reported on Form 8-K on April 26, 2007. The early redemption of the debentures required the Corporation to accelerate the recognition of the remaining unamortized underwriting fee of approximately \$1.8 million, or \$.06 per share.

Additionally, in a January 24, 2007 press release, the Corporation announced its plan to integrate the data operations of its Columbus, Ohio, bank into the corporate operations center. The company also announced its plan to re-brand four bank charters into First Merchants Bank, NA. The successful completion of these actions cost \$1.1 million during 2007.

The combination of these non-recurring expenses totaled \$2.9 million, or \$.10 per share. Excluding these non-recurring expenses, earnings per share improved by \$.19, or 11.6 percent over 2006.

Total assets equaled \$3.78 billion at year-end, an increase of \$227 million, or 6.4 percent, over December 31, 2006. Loans and investments, the Corporation's primary earning assets, totaled \$3.33 billion, an increase of \$169 million, or 5.3 percent, over the same period last year.

Year-to-date net interest margin totaled 3.55 percent, a 16 basis point decline from the prior year total of 3.71 percent. The decline is meaningful, however, the Corporation's net interest margin did increase in the fourth quarter of 2007 as the Federal Reserve lowered its benchmark fed funds rate by 1 percent.

Total other income increased by \$5.9 million, or 17.2 percent. All reported line items produced increases ranging from a low of 9.8 percent to a high of 59.7 percent reflecting the Corporation's focus on fee for service business.

Total other expenses increased by \$6.1 million, or 6.4 percent, absent the non-recurring expenses totaling \$2.9 million, non-interest expense increased by

## Edgar Filing: FIRST MERCHANTS CORP - Form 8-K

\$3.2 million, or 3.4 percent.

The provision for loan losses increased by \$2.2 million to \$8.5 million, or 30 basis points based on the Corporation's continued evaluation of the adequacy of the allowance for loan losses. The increased provision in 2007 is reflective of net-charge off's totaling \$6.8 million, or 24 basis points, and increased non-performing assets of \$11.6 million. The reserve for loan losses increased by \$1.7 million in 2007 to \$28.2 million and the allowance for loan losses as a percentage of total loans outstanding remained at .98 percent.

Michael C. Rechin, President and Chief Executive Officer, stated that, "The tactical execution of our strategic plan during 2007 is reflective of the commitment our employees have to First Merchants Corporation. Given the distractions of a volatile market and a slowing economy, we believe that our employees have remained focused on meeting our customers' needs and providing great service as evidenced by our loan growth and our non-interest income growth." Rechin also added, "2007 was a turbulent year in the banking sector and this management team is pleased with the momentum our company continues to build. We are committed to our culture statement whereby we expect superior results from our company and ourselves. We are very aware of the economic and credit environment that our industry faces in 2008, but are confident in our ability to show continued progress."
