31 January 2008

National Grid plc

Voting rights and capital update

National Grid plc's registered ordinary share capital as at close of 31 January 2008 consisted of 2,581,913,516 shares, of which 46,151,734 have been purchased in the market and registered as treasury shares, leaving a balance of 2,535,761,782 shares with voting rights.

The figure of 2,535,761,782 may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interests in, or a change to their interest in, National Grid plc under the Disclosure and Transparency Rules.

Note: This notification confirms actual capital as recorded on the register at the above date, allowing for changes recorded since the last notification. National Grid is currently undertaking a share repurchase programme. Where repurchases are made, separate covering announcements will, as required, identify numbers being repurchased and the supporting details indicate resultant share capital after market settlement and transfer to Treasury, or cancellation, of the shares involved (and any earlier repurchases which remain to be registered).

29th January 2008

National Grid plc (National Grid)

Cancellation of the NG. Deferred Shares:

In connection with its return of cash detailed in the Circular to Shareholders dated 6 June 2005, National Grid has today cancelled all outstanding Deferred Shares arising from fractional entitlements created following the conversion of its remaining B shares to ordinary shares in September 2007.
