Item 8.01 Other Events.

On May 15, 2013, XsunX, Inc., a Colorado corporation (the “Company”) issued a press release (the “Press Release”) announcing that Dr. John R. Tuttle had joined the Company’s Scientific and Business Development Advisory Board. The Press Release outlined how the Company welcomed Dr. Tuttle’s extensive entrepreneurial background and comprehensive knowledge of the Cleantech industry.

The Press Release further provided information related to Dr. Tuttle’s qualifications as follows: Dr. John R. Tuttle brings 30 years of experience in the semiconductor & photovoltaic industries to XsunX, and for the last several years has focused on assisting with operational and capital management of early-stage companies in the Cleantech sector. Previously, he was the co-founder, Chief Executive & Chairman of DayStar Technologies, Inc. where he took the company from 3 employees to an operational organization with world-class development and pilot production facilities, achieving an over 900% value creation for its IPO shareholders.

From 1986-1997, Dr. Tuttle held the position of Senior Scientist at NREL where his research guided the fabrication of thin-film CIGS PV devices with multiple world-record efficiencies. He has authored/co-authored over 70 publications, 14 Patent’s / Patent applications, and conducted over 100 presentations about technology & business development. Dr. Tuttle holds a Ph.D. in EE from the University of Colorado, an M.S. from the Colorado School of Mines and a B.S in Applied and Engineering Physics from Cornell University.

A copy of the Press release is attached hereto as Exhibit 99.1 and is hereby incorporated by reference into this Item 8.01.
