At the closing, Washington Trust will acquire all of the outstanding shares of Weston's capital stock for \$20 million in cash, subject to customary adjustments for the percentage of existing investment advisory client accounts transferred and other matters. In addition, the transaction is structured to provide for the contingent payment of additional amounts based on operating results during a three-year earn-out period ending December 31, 2008 with a guaranteed minimum payout of \$6.0 million in cash over the three-year period. Washington Trust expects to finance this transaction primarily through the issuance of trust preferred stock and other sources and does not expect to issue any common stock in connection with the transaction. It is currently anticipated that the acquisition, which is subject to state and federal regulatory approval, approval of the New Century Portfolio's shareholders and other customary conditions to closing, will most likely be completed in the third quarter of 2005. The Agreement and the press release issued by Washington Trust are attached hereto as Exhibits 10.1 and 99.1, respectively, and are incorporated herein by reference.
