Item 5.03. AMENDMENTS TO ARTICLES OF INCORPORATION OR BYLAWS; CHANGE IN FISCAL YEAR

On May 25, 2011, as described below, the shareholders of MidSouth Bancorp, Inc. (the “Company”) approved certain amendments to the Company’s Amended and Restated Articles of Incorporation (the “Articles of Incorporation”) to eliminate the ability of directors to vote by proxy at board meetings and modifying the procedures for shareholder nominations of directors. Following receipt of the requisite shareholder approvals, on May 25, 2011, the Company filed Articles of Amendment with the Louisiana Secretary of State to effect the proposed amendments. A description of the material terms of such amendments is included below.

Elimination of Ability of Directors to Vote by Proxy at Board Meetings

Prior to the filing of the Articles of Amendment, Subpart F of Article IV of the Articles of Incorporation specifically allowed for directors to vote at a board meeting by proxy. Such language has been deleted from Subpart F and, as a result, directors no longer have the ability to vote by proxy at board and committee meetings at which they are not in attendance.

Modification of the Director Nomination Process for Shareholders

The Company’s shareholder nomination process in Subpart H of Article IV of the Articles of Incorporation was amended as follows:

**Share ownership.** Unless otherwise required by law, the nominating shareholder individually, or together with a nominating shareholder group, must now hold at least 3% of the total voting power of the Company’s securities that are entitled to be voted on the election of directors. In addition, such securities must have been held continuously for at least three years as of the date the notice of such nomination and must continue to be held through the date of the subject election of directors. Subpart H did not previously include a minimum share ownership provision either in number of shares or time held.

**Independence.** As amended, Subpart H requires any shareholder nominee to meet the objective criteria for “independence” of the national securities exchange or national securities association rules applicable to the Company, if any.

**Time period for delivery of nominations.** A nominating shareholder or group is now required to provide nomination to the Company no earlier than 150 calendar days, and no later than 120 calendar days, before the anniversary of the date that the Company mailed its proxy materials for the prior year’s Annual Meeting, except that, if the Company did not hold an Annual Meeting during the prior year, or if the date of the meeting has changed by more than 30 days from the prior year (or if the Company is holding a special meeting or conducting an election of directors by written consent) then such nomination must be transmitted to the Company within a reasonable time before the Company mails proxy materials for such meeting. Prior to the amendment, shareholder nominations had to be received by January 15 of each year unless the Company called an Annual Meeting for a date after May 31, in which case the shareholder’s notice had to be delivered no later than the close of business on the tenth day following the day on which notice of the date of the Annual Meeting was given.

**Information regarding the nominating shareholder and the nominee.** The amendment also modified Subpart H of the Articles of Incorporation to further clarify what information is required in connection with a shareholder nomination and to include provisions requiring certain confirmations on the part of the nominating shareholder or group.

The foregoing description of the Articles of Amendment is qualified in its entirety by reference to the Amended and Restated Articles of Incorporation, which reflect the Articles of Amendment, a copy of which is filed hereto as Exhibit 3.1 and incorporated herein by reference.
