Questions and Answers about the Proxy Materials and the 2012 Annual Meeting

What proposals will be voted on at the 2012 Annual Meeting?

The following three proposals will be voted on at the 2012 Annual Meeting:

- The election of five directors, nominated by our Board of Directors, to serve until the 2013 Annual Meeting of Shareholders or until their successors are duly elected and qualified;

- The ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2012; and
- The approval of an amendment to our Restated Articles of Incorporation to increase the number of shares of our authorized common stock from 10,000,000 to 50,000,000.

In addition, our management will report on our performance during the fiscal year ended September 30, 2011 and respond to appropriate questions from shareholders.

What are the Board's recommendations?

Our Board recommends that you vote:

- FOR each of the Board's recommendations for nominees for election to our Board of Directors listed in Proposal No. 1;
- FOR Proposal No. 2 to ratify the appointment of Hein & Associates LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2012; and
- FOR Proposal No. 3 to approve the amendment to our Restated Articles of Incorporation to increase the number of shares of our authorized common stock from 10,000,000 to 50,000,000.

Will there be any other items of business on the agenda?

We do not expect any other items of business because the deadline for shareholder proposals and director nominations has already passed. Nonetheless, in case there is an unforeseen need, the accompanying proxy gives discretionary authority to the persons named on the proxy with respect to any other matters that might be brought before the meeting. Those persons intend to vote that proxy in accordance with their best judgment.

Who is entitled to vote?

Shareholders of record at the close of business on February 2, 2012 (the Record Date) are the only persons entitled to notice of, and to vote at, the Annual Meeting. Each shareholder of record is entitled to one vote for each share of our common stock held. As of the Record Date, there were 9,418,166 shares issued and outstanding of our common stock, our only outstanding voting securities.

What is the difference between holding shares as a shareholder of record and as a beneficial owner?

Shareholder of Record. If your shares are registered directly in your name, you are considered the shareholder of record with respect to those shares. The Proxy Statement and proxy card have been sent directly to you by LOGIC.

Beneficial Owner. If you hold shares through a stock brokerage account or through a bank, trust, or other nominee, then the broker, bank, trust, or other nominee is considered the shareholder of record with respect to those shares and you are considered the beneficial owner of those shares held in street name. The Proxy Statement has been forwarded to you by your broker, bank, trust, or other nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instruction form included in the mailing.

How do proxies work?

The Board of Directors is asking for your proxy. Giving us your proxy means that you authorize us to vote your shares at the Annual Meeting in the manner you direct. In the election of directors, you may vote FOR, AGAINST, or ABSTAIN with respect to each of the director nominees. With respect to Proposal No. 2 and Proposal No. 3, you may vote FOR, AGAINST, or ABSTAIN.

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign and return the enclosed proxy card but do not specify how to vote, we will vote your shares FOR all of the Board's recommended director nominees to the Board; FOR the ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm; and FOR the approval of an amendment to our Restated Articles of Incorporation to increase the number of shares of our authorized common stock from 10,000,000 to 50,000,000.

How do I vote?

Shareholders of record may vote using any of the following methods:

By Mail Sign and date each proxy card you receive and return it in the prepaid envelope. Sign your name exactly as it appears on the proxy. If you return your signed proxy but do not indicate your voting preferences, we will vote your shares FOR all of the Board's recommended director nominees to the Board; FOR the ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm; and FOR the approval of an amendment to our Restated Articles of Incorporation to increase the number of shares of our authorized common stock from 10,000,000 to 50,000,000. Shareholders of record may vote by mail or in person at the Annual Meeting.

By Telephone or the Internet If you are a beneficial owner, you will receive instructions from the shareholder of record that you must follow in order for your shares to be voted. Telephone and Internet voting will be offered to shareholders owning shares through most banks and brokers. Follow the instructions located on your voting instruction form. Please be aware that if you vote over the Internet, you may incur costs such as telephone and Internet access charges for which you will be responsible. If you vote by telephone or via the Internet, you do not need to return your voting instruction form to your bank or broker.

In Person at the 2012 Annual Meeting Shares held in your name as the shareholder of record may be voted at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares. ***Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions or vote by telephone or the Internet so that your vote will be counted if you later decide not to attend the Annual Meeting.***

What does it mean if I receive more than one proxy card?

If you hold your shares in multiple registrations, or in both registered and street name, you will receive a proxy card for each account. Please mark, sign, date, and return each proxy card you receive. If you choose to vote by telephone

or Internet, please vote each proxy card you receive.

What are the voting procedures for the election of directors?

A shareholder may cumulate his or her votes and cast the number of votes equal to the number of directors to be elected, which at this Annual Meeting is five, multiplied by the number of votes to which the shareholder's shares are entitled to vote. For example, if you own 100 shares of stock and there are five directors to be elected at the annual meeting, you may allocate 500 FOR votes (five times 100) among as few or as many of the five nominees to be voted on at the annual meeting as you choose. A shareholder may cast all such cumulated votes for a single candidate or split votes between multiple candidates, provided that votes cannot be cast for more than the total number of candidates. However, no shareholder will be entitled to cumulate votes unless the candidate's name has been placed in nomination prior to the voting and the shareholder has given notice to our Corporate Secretary prior to the commencement of voting of the shareholder's intention to cumulate his or her vote.

If any one shareholder provides notice of his or intention to cumulate their votes for a candidate in nomination, then all shareholders entitled to vote may cumulate their votes for candidates in nomination. As of the date of mailing of this Proxy Statement, there has been notice of a shareholder's intention to cumulate his or her votes and accordingly, all shareholders entitled to vote may cumulate his or her votes in the election of directors.

In any election of directors, regardless of whether cumulative voting is available to shareholders, the candidates receiving the highest number of affirmative votes up to the number of directors to be elected are elected.

Cumulative voting, if available, applies only to the election of directors. On all other matters that properly come before the Annual Meeting, each shareholder of record is entitled to one vote for each share of our common stock held.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of common stock outstanding on the Record Date will constitute a quorum. As of the Record Date, there were 9,418,166 shares issued and outstanding of our common stock. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

A broker non-vote occurs when a broker or other nominee returns a proxy but does not have either discretionary authority by law to vote on a particular proposal or specific voting instructions from the beneficial owner of the shares with respect to a particular proposal. Generally, brokers or other nominees have discretionary authority by law to vote only on routine proposals.

At our Annual Meeting, brokers will have discretionary authority to vote on the ratification of the appointment of Hein & Associates LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2012, without having received specific voting instructions from the beneficial owner of the shares. In all other instances, brokers and other shareholders of record who serve as nominees for a beneficial owner may not vote on a proposal without having received specific voting instructions from the beneficial owner.

Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. Whether shareholders submit their proxies by mail, telephone, or the Internet, a shareholder may revoke a proxy by sending a written notice of revocation to our Corporate Secretary at LOGIC Devices Incorporated, 1375 Geneva Drive, Sunnyvale, CA 94089, or by submitting a valid later-date proxy (either by mail, telephone, or the Internet) at any time prior to the date of the Annual Meeting.

Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Corporate Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting. Note, only shareholders of record may vote in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares.

Unless properly revoked as described, executed and unrevoked proxies will be voted in the manner set forth in this Proxy Statement or as otherwise instructed by the shareholder giving the proxy.

How are proxies solicited?

The cost of this solicitation will be borne by LOGIC Devices Incorporated. In addition to solicitation by mail, our officers, directors, and employees may solicit proxies by telephone, facsimile, or in-person. We may also request banks and brokers to solicit their customers who have a beneficial interest in our common stock registered in the names of nominees and will reimburse such banks and brokers for their reasonable out-of-pocket expenses. We may retain an outside firm to solicit proxies on our behalf.

How can I submit a shareholder proposal for the 2013 Annual Meeting?

The proxy proposal submission rules of the SEC permit shareholders of a company, after timely notice to the company, to present proposals for shareholder action in the company's proxy statement where such proposals are consistent with applicable law, pertain to matters appropriate for shareholder action, and are not properly omitted by company action in accordance with the proxy proposal submission rules.

Our 2013 Annual Meeting of Shareholders is expected to be held on or about March 7, 2013 and proxy materials in connection with that meeting are expected to be mailed on or about February 1, 2013. Shareholder proposals prepared in accordance with the proxy proposal submission rules must be received at our corporate office on or before October 4, 2012, in order to be considered for inclusion in our Board of Directors' proxy statement and proxy card for the 2013 Annual Meeting of Shareholders. Any such proposal must be in writing and signed by the shareholder. The presiding officer of the meeting may refuse to acknowledge any matter not made in compliance with the foregoing procedure.

Based upon written representations received by us from our officers, directors, and 10% or greater shareholders, and our review of the statements of beneficial ownership changes filed with us by our officers, directors, and 10% or greater shareholders during fiscal year 2011, we believe all reporting requirements under Section 16(a) for fiscal year 2011 were met in a timely manner by our directors, executive officers, and greater than 10% beneficial owners with the following exceptions:

PROPOSAL No. 1 ELECTION OF DIRECTORS

The Board of Directors recommends a vote FOR each of the Board's recommended nominees for director.

Our Board of Directors currently consists of five directors. Our bylaws provide that each director shall have a one-year term and must be re-elected at each annual meeting of shareholders. Therefore, five directors will be elected at our Annual Meeting to serve until the 2013 Annual Meeting of Shareholders, or until their respective successors are elected. Proxies cannot be voted for a greater number of persons than the number of nominees named. Our Corporate Governance and Nominating Committee has nominated, and our Board of Directors has ratified the nomination of, the five persons named below. All of the nominees are current directors of LOGIC Devices Incorporated.

Shares represented by proxies as to which the authority to vote for a nominee has been withheld will be deemed present and entitled to vote for purposes of determining the existence of a quorum and calculating the number of votes cast, but will be deemed not to have been voted in favor of the candidate with respect to whom the proxy authority has been withheld. In the unlikely event that the nominees are not candidates for election at the Annual Meeting, the persons named as proxies will vote for such other persons as the Board or proxies may designate.

Brokers and other nominees do not have authority to vote for any nominee for director without specific voting instructions from the beneficial owner. As such, if a broker returns a non-vote proxy indicating a lack of authority to vote in the election of any nominee for director, then the shares covered by the broker non-vote will be deemed

present and entitled to vote at the meeting for the purposes of determining a quorum, but not present and entitled to vote in the election of any nominees for director for whom the non-vote proxy was returned. If you hold shares in any brokerage account or through a bank, trust, or other nominee and wish to vote those shares in the election of any of the nominees for director, then you should instruct the broker, bank, trust, or other nominee how to vote the shares using the voting instructions provided.

Required Vote

-

With regard to the election of directors, the candidates receiving the highest number of affirmative votes up to the number of directors to be elected are elected. Thus, assuming a quorum is present at the Annual Meeting, the five nominees who receive the most affirmative votes will be elected as directors.

CORPORATE GOVERNANCE

Director Independence

As of January 30, 2012, our Board of Directors has determined that Mr. Howard L. Farkas, Mr. Hal Shoemaker, and Mr. Robert Stanley are independent directors as defined by Rule 5605(a)(2) of the NASDAQ Listing Rules and the rules under the Securities Exchange Act of 1934. Mr. James T. Hooper is not considered independent and defined by Rule 5605(a)(2) of the NASDAQ Listing Rules, and therefore, he is not considered an independent committee member of the two committees on which he is appointed, the Compensation Committee and the Nominating and Corporate Governance Committee.

Other than Mr. Farkas and Mr. Stanley, no member of our Compensation Committee had any relationship with us that would be required to be disclosed as a related party transaction. As of February 2, 2012, we have raised \$370,000 through private placements to Mr. Farkas in exchange for 965,666 shares of our common stock, and raised \$225,000 through private placements to Mr. Stanley in exchange for 986,681 shares of our common stock. Before we could consider entering into any other transactions in which any executive officer, director, nominee or any family member of the foregoing would have any direct or indirect interest, regardless of the amount involved, the terms of such transaction would have to be presented to our Board of Directors (other than any interested director) for approval.

We use the independence standards set forth by Rule 5605(a)(2) of the NASDAQ Listing Rules. In reviewing the independence of our directors against these standards, we consider relationships and transactions between each

director and members of the director's family with us and our affiliates. The Board has determined that each member of our Audit Committee is independent as defined by Rule 5605(a)(2) of the NASDAQ Listing Rules and as defined by Rule 10A-3(b)(1) under the Exchange Act.

Board Meetings

During the fiscal year ending September 30, 2011, our Board of Directors held four regularly scheduled and special board meetings and, in addition, took action from time to time by unanimous written consent. Each director attended at least 75% of the aggregate number of meetings of the Board of Directors held during the period for which such director served on our Board of Directors and of the Committees on which such director served. We do not have a formal policy that requires the attendance of directors at our Annual Meeting of our Shareholders; however, we encourage all Board members to attend shareholder meetings that are held in conjunction with a Board meeting. All of our Board members attended the 2011 Annual Meeting held March 10, 2011.

Committees of our Board of Directors and Committee Independence

Our Board of Directors has appointed and established a Compensation Committee, a Nominating and Corporate Governance Committee, and an Audit Committee. The Board has adopted written charters for each of its Committees, copies of which are available on our website, www.logicdevices.com. The composition and function of these committees are set forth below.

Compensation Committee. The Compensation Committee reviews and approves the compensation and other terms of employment, including recommendations regarding equity awards, of our President and Chief Executive Officer, and our other senior management. The Compensation Committee oversees compensation programs and policies, including our stock incentive plan. It reviews our compensation levels, including reviewing and approving equity awards to our executive officers, and reviews and recommends annually all decisions related to our executive compensation for approval by the entire Board of Directors.

The Compensation Committee solicits input from our Chief Executive Officer regarding the duties, responsibilities, and performance of the other executive officer and the results of performance reviews. The conclusions reached and recommendations based on these reviews, including with respect to the salary adjustments and annual award amounts, are presented to the Compensation Committee, who can exercise their discretion in modifying any recommended adjustments or awards to executive officers.

The Compensation Committee has the sole authority to retain any third party to assist with the assessment of executive compensation, but did not choose engage a compensation consultant during fiscal year 2011.

The Board of Directors has made a determination that Howard L. Farkas, Chair of the Audit Committee, qualifies as an audit committee financial expert and meets the criteria set forth in Item 407(d)(5)(ii) of Regulation S-K and is independent as defined by Rule 5605(a)(2) of the NASDAQ Listing Rules. As he previously owned and operated a certified public accounting business, Mr. Farkas has an understanding of generally accepted accounting principles and financial statements and has the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves.

Board Leadership Structure

We currently have separate individuals serving as our principal executive officer and as our Chairman of the Board. Mr. Volz has served as our President and Chief Executive Officer since December 1983. Mr. Farkas has served as Chairman of the Board since our inception in 1983. The Board believes the separation of these positions has served our Company well for many years, and intends to maintain this separation where appropriate and practicable.

Risk Oversight Management

Our Board of Directors takes an active role, as a whole and at the committee level, in overseeing management of our Company's risks. Our management keeps the Board of Directors apprised of significant risks facing us and the approach being taken to understand, manage and mitigate such risks. Specifically, strategic risks are overseen by the full Board of Directors; financial risks are overseen by the Audit Committee; risks relating to compensation plans and arrangements are overseen by the Compensation Committee; risks associated with director independence and potential conflicts of interest are overseen by the Nominating and Corporate Governance Committee or the full Board of Directors, as appropriate. Additional review or reporting on enterprise risks is conducted as needed or as requested by the full Board of Directors or the appropriate committee.

Consideration of Director Nominees

Our Nominating and Corporate Governance Committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the Board of Directors for nomination or election. It will utilize a variety of methods for identifying and evaluating nominees for director.

In evaluating nominations for candidates for membership on our Board of Directors, the Nominating and Corporate Governance Committee will seek to achieve a balance of knowledge, experience, and capability on the Board and to address the following membership criteria. Members of the Board should have the highest professional and personal ethics and values. They should have broad experience at the policy-making level in business, government, education, technology, or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all directors' duties. The Nominating and Corporate Governance Committee believes it appropriate for at least one, and, preferably, multiple, members of the Board of Directors to meet the criteria for an audit committee financial expert as defined by rules of the SEC, and for a majority of the members of the Board of Directors to meet the definition of independent director under the NASDAQ Listing Rules. The Nominating and Corporate Governance Committee also believes it appropriate for key members of our management to participate as members of the Board of Directors.

One of the Board's objectives is that its membership be composed of experienced and dedicated individuals with diversity of backgrounds, perspectives and skills. The Nominating and Corporate Governance Committee will select candidates for Director based on their character, judgment, diversity of experience, business acumen, and ability to act on behalf of all shareholders. We do not have a formal diversity policy. However, the Nominating and Corporate Governance Committee endeavors to have a Board representing diverse viewpoints as well as diverse expertise at policy-making levels in many areas, including business, accounting and finance, healthcare, manufacturing, marketing and sales, education, legal, government affairs, regulatory affairs, research and development, business development, international aspects of our business, technology, and in other areas that are relevant to our activities.

Prior to each Annual Meeting of Shareholders, the Nominating and Corporate Governance Committee identifies nominees first by evaluating the current Directors who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate's prior service as a Director, and the needs of the Board of Directors with respect to the particular talents and experience of its Directors. In the event that a Director does not wish to continue in service, the Nominating and Corporate Governance Committee determines not to re-nominate the Director, or a vacancy is created on the Board of Directors as a result of a resignation or retirement, an increase in the size of the Board or other event, the Committee will consider various candidates for Board membership, including those suggested by the Committee members, by other Board of Directors members, by any executive search firm engaged by the Committee or by shareholders. The Committee did not pay fees during the past fiscal year to any third party to identify, evaluate, or to assist in identifying or evaluating, potential nominees, but may determine it necessary in the future. The Committee recommended all of the nominees for election included in this Proxy Statement.

A shareholder who wishes to suggest a prospective nominee for LOGIC's Board of Directors should notify our Corporate Secretary, Kimiko Milheim, in writing with any supporting material the shareholder considers appropriate. In order to nominate a candidate for director, a shareholder must give timely notice in writing to our Corporate Secretary and otherwise comply with the provisions of our bylaws. In general, our Bylaws provide that a shareholder's nomination of a candidate for director must be given to our Corporate Secretary not less than 45 days prior to the first anniversary of the date of the mailing of materials regarding the prior year's annual meeting, which mailing date is identified above in this Proxy Statement; unless the date of the next annual meeting is changed by more than 30 days from the date contemplated at the time of mailing of the prior year's proxy statement, in which case notice must be received a reasonable time before.

Shareholder nominations should be addressed to: Corporate Secretary, LOGIC Devices Incorporated, 1375 Geneva Drive, Sunnyvale, CA 94089.
