Plan Committee
Savings and Investment Plan for
Employees of Weingarten Realty
Houston, Texas

We have audited the accompanying statement of net assets available for benefits of the Savings and Investment Plan for Employees of Weingarten Realty (the "Plan") as of December 31, 2006 and the related statement of changes in net assets available for benefits for the year then ended. These financial statements and the schedule referred to below are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2006 and the changes in net assets available for benefits for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2006, is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**SAVINGS AND INVESTMENT PLAN FOR
EMPLOYEES OF WEINGARTEN REALTY
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – PLAN DESCRIPTION

The following description of the Savings and Investment Plan for Employees of Weingarten Realty (the “Plan”) provides only general information. The Plan provides retirement and related benefits for employees of Weingarten Realty Investors (“WRI”) and its wholly owned subsidiary, Weingarten Realty Management Company (“WRMC”), (collectively, the “Company”). Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a contributory, defined contribution 401(k) plan available to qualifying employees of the Company. Mickey Townsell, (Vice President/Human Resources at WRI) is the plan administrator. To be eligible to participate in the Plan, an employee must have attained the age of 21 and have completed at least one hour of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to contribute up to the maximum amount allowed by the Internal Revenue Service (“IRS”) of their annual compensation, subject to certain limitations, with the contributions and earnings thereon being nontaxable until withdrawn from the Plan. The Company will match up to 50% of the first 6% of the participant’s compensation for each plan year (limited to maximum amount allowed by IRS). The match is invested in various investment options as directed by the participant.

The Company may also make discretionary contributions. Discretionary contributions are allocated to the individual participant based on the ratio of the participant’s compensation to the compensation of all participants during the year. No discretionary contributions are invested in Weingarten Realty Common Shares. No discretionary contributions were made during the years ended December 31, 2006 and 2005.

Rollovers

Rollovers represent funds transferred to the Plan from other qualified plans of the participants.

Participants’ Accounts

Each participant’s account is credited with the participant’s and the Company’s contributions and an allocation of net plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participants may direct the investment of their account balances into various investment options offered by the Plan. Currently, the Plan offers 15 funds as investment options for participants.

Vesting

Participants are immediately vested in their pre-tax deferred contributions and any income or loss thereon. Participants become 100% vested in Company contributions after five years of service.

Payment of Benefits

Upon termination of service, due to death, disability, retirement or separation, a participant may elect to receive either a lump-sum distribution or installment payments under various options. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan.

Forfeitures

All employer contributions credited to a participant's account, but not vested are forfeited by the participant upon withdrawal of the fully vested value of his or her account. Forfeitures of employer contributions credited to a participant's account are applied to reduce subsequent employer contributions. During the years ended December 31, 2006 and 2005, forfeitures in the amounts of \$35,219 and \$24,912 respectively, were used to reduce the Company's contributions. Forfeited non-vested accounts totaled \$15,562 and \$35,219 at December 31, 2006 and 2005, respectively.

Participant Loans

Participants may borrow up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan amount is \$1,000. The loans are secured by the balance in the participant's account and bear interest at 5.0% - 10.5%. The loans are repaid ratably through semi-monthly payroll deductions over a period of five years or less, unless the loan is to purchase a principal residence in which case the repayment period shall not exceed 15 years.

Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Company. Also certain other administrative expenses of the Plan are paid directly by the Plan and participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Investments in registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the plan at year end. The unit price of the Weingarten Realty Investors Stock Fund and common trust investment fund is based on the market value and fair values of underlying assets of the funds as determined by the trustee. Participant loans are valued at cost, which approximates fair value.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INVESTMENTS

In the event of plan termination, participants' accounts would become fully vested in their employer contributions.

NOTE 5 – INCOME TAX STATUS

The Plan obtained its latest determination letter on January 19, 2005, in which the IRS stated that the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC") including amendments to comply with certain provisions of the General Agreement of Tariffs and Trade, the Uniform Services Employment Reemployment Rights Act, the Small Business Job Protection Act, the Taxpayer Relief Act of 1997, the Internal Revenue Restructuring and Reform Act of 1998 and the Community Renewal Tax Relief Act of 2000 (collectively "GUST").
