PROXY SUMMARY

This summary highlights selected information contained elsewhere in this proxy statement and may not contain all of the information that you should consider. Please read the entire proxy statement carefully before voting.

GENERAL INFORMATION

Proxy Statement Purpose	<p>The Board of Directors of Meritage Homes Corporation ("Meritage" or the "Company") is furnishing this Proxy Statement to solicit your proxy for our 2013 Annual Meeting. This Proxy Statement contains information to help you decide how you want your shares to be voted. This summary highlights selected information from this proxy statement and may not contain all of the information that is important to you. To understand the proposals fully, you should carefully read this entire proxy statement and the other proxy materials identified in the Notice of Internet Availability (the "Notice"). This proxy statement will be available on the internet, and the notice of proxy materials is first to be mailed to stockholders beginning on or about April 1, 2013.</p>
Date, Time and Place of Meeting	<p>The annual meeting will be held on Wednesday, May 15, 2013, at 10:00 a.m. local time at the Rosewood Crescent Hotel at 400 Crescent Court, Dallas, Texas, 75201. If you require directions to the annual meeting, please call (480) 515-8100.</p>
Who Can Vote	<p>Stockholders who hold shares of our common stock at the close of business on March 25, 2013, the record date, will be entitled to one vote for each share held regarding the matters proposed in this proxy statement. Only holders of record of common stock at the close of business on the record date will be permitted to vote at the meeting, either in person or by valid proxy. On the record date, there were 36,010,224 shares of Meritage common stock outstanding. The common stock is our only outstanding class of voting securities. Each share is entitled to one vote on each proposal to be voted on at the annual meeting.</p>
Voting Information	<p>You can vote in person at the annual meeting or submit a proxy to have your shares represented without attending the annual meeting. The shares represented by a properly executed proxy will be voted as you direct. To submit a proxy, you must follow the instructions provided in this proxy statement and in the Notice. You may submit your proxy via the Internet, regular mail, or by calling the telephone number provided in the Notice, and you will be asked to enter your 11- or 12-digit control number. If you request a printed copy of these materials, you may also fill out and sign the proxy card enclosed therein and return it by mail in the envelope provided.</p>

If you submit a signed proxy but do not indicate any voting instructions, your shares will be voted FOR the election as directors of the nominees named in this proxy statement, FOR the ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm, and FOR the advisory vote on Say on Pay proposal.

You can revoke your proxy any time before it is voted by written notice delivered to the Company's Secretary, by timely delivery of a later signed proxy (including via the Internet, regular mail, or telephone), or by voting in person at the annual meeting. Attendance at the meeting alone is not sufficient to revoke your proxy. You must also vote your shares to revoke your proxy.

Holders of Record

If your shares are registered directly in your name with our transfer agent, you are considered the “holder of record” of those shares. If your shares are held in a brokerage account or by another nominee, you are considered the “beneficial owner” of shares held in “street name”, and the Notice is being forwarded to you by your broker or nominee (the “record holder”) along with a voting instruction card. As the beneficial owner, you have the right to direct your record holder regarding how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions.

Voting Proxies

As the record or beneficial owner of shares, you are invited to attend the annual meeting. Please note, however, that if you are a beneficial owner, you may not vote your shares in person at the meeting unless you obtain a “legal proxy” from the record holder that holds your shares. Rules of the New York Stock Exchange (the “NYSE”) determine whether proposals presented at stockholder meetings are “routine” or “non-routine.” If a proposal is routine, a broker or other entity holding shares for a beneficial owner in street name may vote on the proposal without voting instructions from the owner. If a proposal is non-routine, the broker or other entity may vote on the proposal only if the beneficial owner has provided voting instructions. A “broker non-vote” occurs when the broker or other entity is unable to vote on a proposal because the proposal is non-routine and the beneficial owner does not provide instructions. If you do not give instructions to your record holder prior to the meeting, the record holder will be entitled to vote your shares in its discretion only on Proposal 2 (Ratification of Independent Registered Public Accounting Firm) and will not be able to vote your shares on Proposal 1 (Election of Directors), or Proposal 3 (Advisory Vote on Say on Pay) and your shares will be treated as a “broker non-vote” on those proposals.

Quorum

The presence in person or by proxy of stockholders representing a majority of the votes entitled to be cast at the meeting is necessary to constitute a quorum at the meeting. Abstentions and broker non-votes are counted as present for purposes of determining whether a quorum exists.

Our executive compensation program is designed to drive and reward superior corporate performance, both annually and over the long-term. The Board believes the Company's compensation policies and practices are effective in achieving the Company's goals of paying for performance and aligning the NEO's long-term interests with those of our stockholders. Executive compensation elements include:

NOTICE OF INTERNET AVAILABILITY

On or about April 1, 2013, a Notice of Internet Availability of Proxy Materials was mailed to stockholders of record as of the close of business on March 25, 2013 (the “record date”) and this proxy and the related materials were made available on our website. We are furnishing our proxy materials to our stockholders on the Internet in lieu of mailing a printed copy of our proxy materials to each stockholder of record. You will not receive a printed copy of our proxy materials unless you request one. The Notice instructs you as to how you may access and review on the Internet all of the important information contained in the proxy materials, or request a printed copy of those materials. The Notice also instructs you as to how you may vote your proxy.

PROXY SOLICITATION COSTS

We will bear the entire cost of proxy solicitation, including charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of our outstanding common stock. We intend to retain the services of Alliance Advisors or another proxy solicitation firm. We anticipate the costs associated with the proxy solicitation will not exceed \$20,000.

COMPANY INFORMATION

The following information should be reviewed along with the audited consolidated financial statements, notes to consolidated financial statements, report of independent registered public accounting firm and other information included in our 2012 Annual Report to Stockholders that

is available on our website at investors.meritagehomes.com. Information about Meritage is provided on our Internet website at www.meritagehomes.com. Our periodic and current reports, including any amendments, filed or furnished pursuant to section 13(a) or 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") are available, free of charge, on our website as soon as reasonably practicable after they are electronically filed with or furnished to the Securities and Exchange Commission ("SEC"). The information contained on our website is not considered part of our Exchange Act reports or this proxy statement.

CORPORATE GOVERNANCE

Meritage operates within a comprehensive plan of corporate governance for the purpose of defining responsibilities and setting high standards for ethical conduct. Our Board of Directors has established the following committees:

- Audit Committee
- Executive Compensation Committee
- Nominating/Governance Committee

The charter of each of these committees is available on our website, along with our Code of Ethics and our Corporate Governance Principles and Practices. Our committee charters, Code of Ethics and Corporate Governance Principles and Practices are also available in print, free of charge, to any stockholder who requests them by calling us or by writing to us at our principal executive offices at the address listed above, Attention: Secretary.

OTHER MATTERS

The management and Board of Directors of the Company know of no other matters to be brought before the meeting. If other matters are properly presented to the stockholders for action at the meeting or any adjournments or postponements thereof, it is the intention of the proxy holders named in this proxy to vote in their discretion on all matters on which the shares of common stock represented by such proxy are entitled to vote.

**ELECTION OF DIRECTORS
(PROPOSAL NO. 1)**

Our Board of Directors currently has eight members. The directors are divided into two classes serving staggered two-year terms. This year, our Class II Directors are up for election. The Board, upon the recommendation of its Nominating/Governance Committee, has nominated for re-election Peter A. Ax, Robert G. Sarver, Gerald Haddock and Michael R. Odell, each of whom are presently serving as Class II Directors.

Biographical information for each of our director nominees is set forth on page 15.

All nominees have consented to serve as directors. The Board of Directors has no reason to believe that any of the nominees will be unable to act as a director. However, should a nominee become unable to serve or should a vacancy on the Board occur before the annual meeting, the Board may either reduce its size or designate a substitute nominee. If a substitute nominee is named, your shares will be voted for the election of the substitute nominee designated by the Board. In the vote on the election of the director nominees, stockholders may:

- vote FOR all nominees;
- WITHHOLD votes for all nominees; or
- WITHHOLD votes as to specific nominees.

Unless you elect to vote differently by so indicating on your signed proxy, your shares will be voted FOR the Board's nominees. If a quorum is present, the four Class II nominees who receive the most votes will be elected. Broker non-votes and votes that are withheld will not count as either votes for or against the nominee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE ABOVE-NAMED NOMINEES AS DIRECTORS.

**RATIFICATION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM
(PROPOSAL NO. 2)**

The Board of Directors seeks an indication from stockholders of their approval or disapproval of the Audit Committee's appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2013. Deloitte & Touche LLP was appointed our auditor in 2005 and no relationship exists other than the usual relationship between auditors and clients.

If a quorum is present, an affirmative vote of the majority of the votes cast at the annual meeting is required to ratify the selection of Deloitte & Touche LLP as the Company's independent auditor. Abstentions will not be counted either for or against this proposal. If the appointment of Deloitte & Touche LLP as auditors for 2013 is not approved by stockholders, the adverse vote will be considered a direction to the Audit Committee to consider other auditors for next year. However, because of the difficulty in making any substitution of auditors after the beginning of the current year, the appointment in 2012 will stand, unless the Audit Committee determines there is a reason for making a change.

**THE BOARD OF DIRECTORS HAS APPROVED THIS PROPOSAL NO. 2 AND UNANIMOUSLY
RECOMMENDS A VOTE "FOR" PROPOSAL NO. 2.**

ADVISORY VOTE ON SAY ON PAY
(PROPOSAL NO. 3)

Stockholders will be given the opportunity to vote on the following advisory resolution (commonly referred to as “Say on Pay”):

RESOLVED, that compensation paid to the Company’s named executive officers, as disclosed herein pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion set forth herein is hereby APPROVED.

Background on Proposal

In accordance with the Dodd-Frank Act and related SEC rules, stockholders are being given the opportunity to vote at the annual meeting on this advisory resolution regarding the compensation of our NEOs.

At our 2012 Annual Meeting of Stockholders, the Company’s stockholders approved the compensation of our NEOs (on an advisory basis) by 98% of total votes cast. This high approval rating further indicates that our stockholders are in agreement with our Executive Compensation Committee and its direction of setting compensation arrangements based on thresholds that are in line with the goals of our stockholders. In addition, at our 2011 Annual Meeting of Stockholders, the stockholders indicated, on an advisory vote basis, that they preferred that we hold Say on Pay votes on an annual basis (a frequency vote is required to be held at least once every six years). In light of these results, the Company’s Board of Directors has decided to hold its future advisory votes on the compensation of named executive officers annually until the next frequency vote, which will be held on or before our 2017 Annual Meeting. This Proposal No. 3 represents this year’s Say on Pay vote.

For a comprehensive description of our executive compensation program, philosophy and objectives, including the specific elements of executive compensation that comprised the program in 2012, please refer to the Compensation Discussion and Analysis section of this proxy statement. The Summary Compensation Table and other executive compensation tables (and accompanying narrative disclosures) that follow it, beginning at page 31, provide additional information about the compensation that we paid to our NEOs in 2012. As described in the Compensation Discussion and Analysis, our executive compensation program is designed to drive and reward superior performance both annually and over the long term while simultaneously striving to be externally competitive. During 2012, through the combined efforts of our NEOs, Meritage was successful in achieving the following accomplishments:

Generated year-over-year increases in most of our key operating metrics including the following (dollars in thousands):

	2012	2011	% Increase	
Home Closing Units	4,238	3,268	30	%
Home Closing Revenue	\$1,184,360	\$860,884	38	%
Home Order Units	4,795	3,405	41	%
Home Order Value	\$1,414,772	\$907,922	56	%
Backlog Units	1,472	915	61	%
Backlog Value	\$479,266	\$248,854	93	%
Pre-Tax Income/(Loss)	\$28,854	\$(20,376))242	%
Diluted Earnings/(Loss) Per Share*	\$3.00	\$(0.65))562	%

* 2012 earnings include a \$76.3 million tax benefit, primarily due to the reversal of deferred tax assets.

Entry into new markets - In December 2011, we announced our entry into the Tampa market, expanding our presence in Florida, where we have experienced a high level of success over the last several years. Operations in the Tampa division provided its first closings in the fourth quarter of 2012, and ended the year with 34 orders and 32 homes in backlog. Most recently, we announced entry into Charlotte, North Carolina and reported our first orders there in the fourth quarter of 2012. In 2012, we also benefitted from the first full year of operations of the Raleigh, North Carolina division.

Capital transactions - Repurchased or redeemed \$285 million of senior notes due 2015 and \$26 million of senior subordinated notes due 2017; replaced with new debt with longer maturities and attractive interest rates including

\$300 million of 7.00% senior notes due 2022 and \$126.5 million of 1.875% convertible senior notes due 2032.

The Executive Compensation Committee continually evaluates the compensation packages for our NEOs and adjusts them as conditions warrant, including setting performance targets for both cash and equity awards, some of which have been forfeited over the last several years in cases where targets were not met. In connection with these reviews, the Company has over the last several years implemented prudent and responsible compensation policies in the stockholders' interest, some of which include:

• Base salaries have remained flat since 2010 for each of our NEOs.

• Other than auto allowances and reimbursement of certain life and disability or long-term care insurance premiums, our NEOs do not have any perquisites.

• NEOs must comply with security ownership requirements, as discussed on page 26.

• Incentive compensation is balanced between cash and equity awards, as discussed on page 23.

• Each employment agreement of our NEOs includes a provision for the clawback (or offset) of incentive bonuses to the extent any financial results are misstated as the result of the NEO's willful misconduct or gross negligence.

Effects of Advisory Vote

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to our NEOs and will not be binding on the Board or the Executive Compensation Committee. However, the Executive Compensation Committee will consider the outcome of the vote when making future executive compensation decisions.

If a quorum is present, approval of the advisory vote requires the affirmative vote of a majority of the votes cast at the annual meeting. Abstentions will not be counted either for or against this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE RESOLUTION SET FORTH ABOVE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Role of the Board of Directors

The Board of Directors ("the Board") is elected by the stockholders to oversee the stockholders' interests in the operation and overall success of our business. The Board serves as our ultimate decision-making body, except for those matters reserved to or that require a vote of our stockholders. The Board selects and oversees the members of senior management who are charged by the Board with conducting our business. We have established and operate in accordance with a comprehensive plan of corporate governance that defines and sets ethical standards for the conduct of our directors, officers and employees. This plan provides an important framework within which the Board can pursue our strategic objectives and ensure long-term stockholder value.

Corporate Governance Principles and Practices

We have adopted Corporate Governance Principles and Practices that define the key elements of our corporate governance framework and philosophy, including:

- director qualifications,
- independence criteria,
- director responsibilities,
- our committee responsibilities and structure,
- officer and director stock ownership requirements,
- director resignation policy,
- director access to officers and employees,
- our philosophy with respect to director compensation,
- Board evaluation process,
- confidentiality requirements,
- director orientation and continuing education, and
- our plans with respect to management succession.

Our Corporate Governance Principles and Practices are available on our website at investors.meritagehomes.com and we will provide a printed copy to any stockholder upon request. These principles are reviewed regularly by the Nominating/Governance Committee and changes are made as the Committee deems appropriate.

Director Qualifications

Our Board of Directors is comprised of a group of individuals whose previous experience, financial and business acumen, personal ethics and dedication and commitment to our company allow the Board to complete its key task as the over-seer and governing body of Meritage Homes Corporation. He joined Sears in 1994 where he served in executive operations positions of increasing responsibility, including as Vice President, Stores-Sears Automotive Group. Prior to Sears, Mr. Odell was a CPA with Deloitte & Touche LLP.

In case of a Board vacancy or if the Board elects to increase its size, determinations regarding the eligibility of director candidates are made by the Nominating/Governance Committee, which considers the candidate's qualifications as to skills and experience in the context of the needs of the Board of Directors and our stockholders.

Director Independence

The Nominating/Governance Committee also evaluates and reports to the Board of Directors regarding the independence of each candidate. Consistent with the rules and regulations of the NYSE, at least a majority of the Board of Directors must be independent. No director will be deemed to be independent unless the Board affirmatively determines that the director has no material relationship with the Company, either directly or as an officer, shareowner, member, partner or trustee of an

organization that has a relationship with the Company. The Board observes all criteria established by the NYSE and other governing laws and regulations. In its review of director independence, the Board considers all commercial, banking, consulting, legal, accounting, charitable or other business relationships the director may have with the Company.

As a result of its review, the Board of Directors has determined that a majority of Meritage's Board members are independent. Our independent directors are Peter L. Ax, Raymond Oppel, Richard T. Burke, Sr., Gerald Haddock, Dana Bradford and Michael R. Odell.

In making this determination, the Board of Directors evaluated whether there exists any relationships between these individuals, and Meritage determined no relationship exists between Meritage and any independent director. Steven J. Hilton is not considered independent because he is employed by the Company.

Prior to 2004, Robert G. Sarver was deemed an independent director. The Nominating/Governance Committee has continually monitored certain relationships between Mr. Sarver and Meritage along with relationships between Mr. Sarver and Mr. Hilton. Mr. Sarver and Mr. Hilton have certain business relationships unrelated to Meritage, including Mr. Sarver serving as trustee of certain of Mr. Hilton's family trusts. The Nominating/Governance Committee evaluated these relationships and determined that they did not impair Mr. Sarver's independence because they do not involve Meritage and are insignificant in relation to Mr. Sarver's net worth. During 2004, Mr. Sarver became the controlling owner of the Phoenix Suns basketball team, in which Mr. Hilton purchased a minority ownership interest. This relationship was closely evaluated by the Nominating/Governance Committee because of its significance to Messrs. Sarver and Hilton. The Nominating/ Governance Committee and the Board of Directors believe Mr. Sarver is a valuable member of the Board and that the Company benefits from his extensive business experience. Although Mr. Sarver does not have any material relationship with the Company which under the applicable rules and regulations would deem him not independent, the Nominating/Governance Committee has nevertheless concluded it is at this time in the best interest of Meritage's stockholders that Mr. Sarver not be deemed an independent director. Mr. Sarver does not serve on any Board committees.

The Board has also determined that all governance committees of the Board should be composed entirely of independent directors and therefore neither Mr. Hilton or Mr. Sarver serve on any Board governance committees.

Board Leadership Structure

Steven J. Hilton, our co-founder and CEO, also serves as a director and the Chairman of the Board. We believe Mr. Hilton's unique industry experience and continuing involvement in the day-to-day operations of the Company make him highly qualified to serve as our Board's Chairman. Mr. Hilton co-founded Meritage Homes and is thus intimately familiar with its history, culture and operations. Mr. Hilton possesses in-depth knowledge and expertise in the homebuilding industry as a whole and Meritage Homes in particular and is the Company's largest individual shareholder. The Board of Directors has concluded that this puts Mr. Hilton in a unique position and makes him the most compelling choice to serve both as Chairman of the Board and CEO to effectively represent the stockholders' interest.

Mr. Ax, our Audit Committee Chairman, also serves as the Board's lead independent director. Mr. Ax has extensive knowledge of capital markets and corporate finance and has previously served as CEO of a publicly traded corporation. We believe that Mr. Ax's role as our lead independent director serves as a counterbalance to and complements Mr. Hilton's position as Board Chairman and provides the appropriate level of independent director oversight. Additionally, our lead independent director presides over all independent directors meetings and can call special meetings of the independent directors as he deems necessary, bringing any matters the lead independent director feels should be addressed to the majority of our directors at any time.

CEO and Management Succession

Under the charter of the Nominating/Governance Committee, it is the role of the Nominating/Governance Committee to review and recommend to the Board of Directors changes as needed to the Company's Corporate Governance Principles and Practices, including items such as management succession, policies and principles for CEO selection and performance review, and policies regarding succession in the event of an emergency or departure of the CEO. Our Corporate Governance Principles and Practices provide, among other things, that our Executive Compensation

Committee is to conduct an annual review of the performance of the CEO.

The Board of Directors considers management evaluation and CEO succession planning an important responsibility of the Board. Under our Corporate Governance Principles and Practices, the Board of Directors is responsible for approving a succession plan for our CEO and other senior officers. Issues relating to CEO succession planning are addressed regularly (at least annually) by the Board.

Risk Oversight

Our Board of Directors has overall responsibility for the oversight of risk management. As part of this oversight, on a regular basis, our Board of Directors receives reports from various members of management and is actively involved in monitoring and approving key decisions relating to our operations and strategy. Additionally, the management teams at our divisions must obtain approvals from our corporate executive team prior to engaging in certain activities or committing prescribed amounts of the Company's financial and operational resources. As a result, senior management, who report directly to executive management, cannot authorize transactions that exceed prescribed thresholds that, while they may result in short-term benefits for their divisions, may expose us to unwarranted risks. Similarly, our executive management (including our NEOs) cannot engage in certain transactions without approval from our Board of Directors. For example, management must obtain approval from the Board of Directors, acting through the Land Committee, before proceeding with any land acquisition above a pre-established threshold. In addition, our General Counsel regularly reports to the Board of Directors information concerning ongoing litigation and possible legal and other risks that might expose the Company to liability or loss. The Board also annually reviews the Company's insurance programs.

Management also operates the business within parameters established by an annual budget that is reviewed and approved by the Board of Directors. At each regular Board meeting, management provides the Board of Directors a status report with respect to the budget and addresses any material variances. We believe our budgeting process provides a useful mechanism for identifying risks and the related rewards and provides a quantitative method for evaluating those risks and rewards. The Board of Directors also provides oversight of risk through its standing committees. For example:

Our Audit Committee is responsible for reviewing and analyzing significant financial and operational risks and how management is managing and mitigating such risks through its internal controls and risk management processes. Our VP of Internal Audit reports directly to the Audit Committee and provides routine updates on the progress and findings of the on-going internal audit reviews. Our external auditors also have at least quarterly discussions with our Audit Committee, and meet both with and without Company management present, to highlight what they perceive as our key financial risks. Our Audit Committee plays an important role in approving our annual internal controls monitoring plan and is regularly engaged in discussions with management regarding business risks, operational risks, transactional risks and financial risks.

Our Executive Compensation Committee oversees risks relating to the compensation and incentives provided to our senior executive officers. The Executive Compensation Committee negotiates and approves all of the employment agreements of our NEOs and the Committee approves all grants of equity awards to all of our eligible employees. Since 2009, we have begun using restricted share grants in lieu of stock options in our long-term equity compensation to provide an incentive to balance the assumption of risk while maintaining shareholder value. In addition, for our NEOs, half of these equity grants contain performance vesting criterion.

Since 2009, all of our Independent Directors sit on all of our governance Committees to provide greater Director participation in key policy decisions.

The Board and Board Committees

We currently have eight incumbent directors and the following committees:

• Audit Committee

• Executive Compensation Committee and

• Nominating/Governance Committee.

Our Board of Directors typically meets on a quarterly basis, with additional meetings held as required. During 2012, the Board of Directors held six meetings. Each director attended at least 75% of the aggregate of the Board and committee meetings of which they were a member. Directors are expected to attend our annual meetings of stockholders. All directors, with the exception of Richard T. Burke, Sr. attended our 2012 annual meeting, which was held on May 25, 2012.

The following table identifies the current members of our Board of Directors, and describes the current members of each of the committees and the number of meetings held during 2012:

Audit Committee

The Board of Directors has established an Audit Committee in accordance with Section 3(a)(58)(A) of the Exchange Act (Exchange Act), and the rules and regulations of the NYSE. The Audit Committee assists the Board of Directors in:

- fulfilling its oversight of the integrity of our financial statements,
- reviewing and approving any related party transaction between us and senior executive officers and directors,
- overseeing our compliance with legal and regulatory requirements,
- determining the independent registered public accounting firm’s qualifications and independence, and
- evaluating the performance of our internal audit function and independent registered public accounting firm.

The Audit Committee has the sole authority to appoint and replace our independent registered public accounting firm and approves all audit engagement fees and terms of all significant non-audit engagements with the independent registered public accounting firm in accordance with the pre-approval policies set forth in our Audit Committee charter. The Audit Committee has the authority to obtain advice and assistance from, and receives appropriate funding from us for, outside legal, accounting and other advisors as it deems necessary to carry out its duties.

The Audit Committee operates under a written charter established by the Board. The charter is available on our website at investors.meritagehomes.com and we will provide a printed copy to any stockholder upon request. Each member of the Audit Committee meets the independence requirements of the NYSE and the Exchange Act, and is financially literate, knowledgeable and qualified to review our financial statements. The Board of Directors has determined that Peter Ax, an independent director as defined by the NYSE’s listing standards, is an “audit committee financial expert.” Information about Mr. Ax’s past business and educational experience is included in his biography in this proxy statement under the caption “-- Class II Directors”.

The report of the Audit Committee is included in this proxy statement under the caption “Report of the Audit Committee.”

Executive Compensation Committee

The Board of Directors has established our Executive Compensation Committee (the “Compensation Committee”) in accordance with the NYSE’s rules and regulations. The Compensation Committee regularly reports to the Board of Directors and its responsibilities include:

- reviewing and approving goals and objectives relative to the compensation of our NEOs, evaluating our NEOs’ performance in light of these goals and approving the compensation of our NEOs,

• reviewing and incorporating stockholder preferences with respect to compensation agreements with our NEOs,
• overseeing all equity-based award grants,
• making recommendations to the Board of Directors with regard to non-NEO compensation and equity-based awards,
and
• producing a report on executive compensation to be included in our annual proxy statement.

18

The Compensation Committee is currently comprised of six members of the Board, each of whom is independent under the independence standards of the NYSE, a “non-employee director” under Section 16 of the Exchange Act, and an “outside director” for purposes of Section 162(m) of the Internal Revenue Code (the “Code”). Generally the Compensation Committee chairman is in charge of setting the schedule for the Compensation Committee’s meetings, as well as the agenda of each meeting.

The Compensation Committee operates under a written charter, which is available on our website at investors.meritagehomes.com. We will provide a printed copy of the charter to any stockholder upon request.

The Compensation Committee has the sole authority to hire outside advisors and consultants and to determine the terms, fees and costs of such engagements. However, no consultants were hired during 2011 or 2012 to assist in any compensation-related matters. In late 2010, the Company retained Pearl Meyer & Partners, an independent compensation consulting firm, to present the Board with an update of current compensation trends and practices among homebuilders.

The Compensation Committee determines executive compensation with respect to our NEOs independent of management. The Compensation Committee approves all grants of equity-based awards. For the NEOs, the number and type of equity award grants in most cases are determined or based on an employment agreement between the Company and the NEO, which are negotiated and approved by the Compensation Committee; however, they may be adjusted based on the Compensation Committee’s review of the NEO’s performance and competitive market factors. For non-NEOs, management is responsible for recommending to the Compensation Committee the persons to receive grants and the nature and size of the proposed award. Because management is responsible for the day-to-day operation of the Company, the Compensation Committee believes that management is in the best position to make this recommendation.

Compensation Committee Interlocks and Insider Participation.

None of the members of the Compensation Committee is, or has been, an employee of Meritage or any of its subsidiaries. There were no interlocking relationships between Meritage and other entities that might affect the determination of the compensation of Meritage’s executive officers.

Nominating/Governance Committee

The Board of Directors has established a Nominating/Governance Committee, which directly reports to the Board of Directors and is responsible for:

- identifying individuals qualified to become Board members and recommending director nominees for the next annual meeting of stockholders,
- reviewing and recommending changes as needed to the Company’s Corporate Governance Principles and Practices,
- addressing such items as management succession, including policies and principles for our CEO selection and performance review and succession in the event of an emergency or departure of the CEO,
- developing director qualifications and determining whether newly elected directors or prospective director candidates meet those qualifications,
- considering director nominations received from stockholders,
- reviewing the charters of the Compensation Committee, Audit Committee and Nominating/Governance Committee and any other committees
- leading the Board of Directors in its annual review of the Board’s performance,
- recommending nominees for the Compensation Committee, Audit Committee, Land Committee, and
- promoting adherence to a high standard of corporate governance and company values.

The Nominating/Governance Committee has the sole authority to retain and terminate any search firm used to identify director candidates, including sole authority to approve the search firm’s fees and other retention terms. The Nominating/Governance Committee operates under a written charter, which is available on our website at investors.meritagehomes.com. We will provide a printed copy of the charter to any stockholder upon request. Each member of the Nominating/Governance Committee meets the independence requirements of the NYSE.

Director Nomination Process

Stockholder Nominees. The policy of the Nominating/Governance Committee is to consider properly-submitted stockholder nominations for candidates for membership on the Board of Directors as described below. In evaluating such nominations, the Nominating/Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board and to address the membership qualifications and criteria described below. Any stockholder nominations proposed

for consideration by the Nominating/Governance Committee must include the nominee's name and qualifications for Board membership and should be submitted to:

Meritage Homes Corporation
17851 North 85th Street
Suite 300
Scottsdale, Arizona 85255
Attn: Secretary

The Secretary will forward all nominations to the Nominating/Governance Committee. In addition, our bylaws permit stockholders to nominate directors for consideration at an annual stockholder meeting. For a description of the process for submitting such nominations, and the deadline to propose actions for consideration at next year's annual meeting, please see "Stockholders Proposals" on page 42 of this proxy statement.

Director Qualifications. The Nominating/Governance Committee will evaluate prospective nominees using the standards and qualifications set forth in our Corporate Governance Principles and Practices and in our criteria for new directors. Prospective nominees must meet the Company's qualification requirements set forth in our Corporate Governance Principles and Practices and should have the highest professional and personal ethics and values, as well as broad experience at the policy-making level in business, government, education or public interest. Prospective nominees should be committed to enhancing stockholder value and should have sufficient time to devote to carrying out their duties and to provide insight based upon experience, talent, skill and expertise appropriate for the Board. Each prospective nominee must be willing and able to represent the interests of our stockholders.

Identifying and Evaluating Nominees for Directors. The Nominating/Governance Committee utilizes a variety of methods for identifying and evaluating nominees to serve as directors. The Nominating/Governance Committee assesses the current composition of the Board of Directors, the balance of management and independent directors and the need for Audit Committee expertise in its evaluation of prospective nominees. In the event that vacancies are anticipated, or otherwise arise, the Nominating/Governance Committee may seek recommendations from current Board members, professional search firms, outside legal, accounting and other advisors, or stockholders in order to locate qualified nominees. The Nominating/Governance Committee also evaluates each candidate in the context of maintaining and creating Board diversity, as previously discussed. After completing its evaluation, the Nominating/Governance Committee will make a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors, and the Board will determine the nominees after considering such recommendations.

Executive Sessions of Independent Directors

Our Corporate Governance Principles and Practices dictate that the non-management members of the Board of Directors will meet in executive session at least quarterly outside the presence of directors that are employees or officers of the Company. The non-management directors met in executive session four times during 2012. Peter Ax is our Lead Independent Director and presides over these executive session meetings.

Land Committee

In early 2013, the Board of Directors established a formal Land Committee, which directly reports to the Board of Directors. Prior to such time, the approvals for significant land transactions were obtained by an affirmative vote of a majority of the Board's independent directors. The new Land Committee is responsible for reviewing and approving/denying land acquisition transactions recommended by management in excess of a predetermined monetary threshold. The Committee is intended to function as an additional governance and approval mechanism for executive management's land acquisition approval policies and procedures.

As of the date of this filing, the Land Committee was comprised of Messrs. Ax, Oppel, Bradford and Haddock. The Board is currently analyzing the anticipated frequency of meetings and required time commitment from the committee's members in order to determine an appropriate compensation structure for directors serving on the Land Committee. To date, no compensation has been earned by or paid to any director for services affiliated with Land Committee functions and a Land Committee chair has not yet been appointed.

Code of Ethics

We are committed to conducting business consistent with the highest ethical and legal standards. The Board of Directors has adopted a Code of Ethics, which is applicable to all employees, including our senior and executive management and our

20

directors. The Code is available on our website at investors.meritagehomes.com and we will provide a print copy to any stockholder upon request.

Meritage Stock Pledging Policy

In February 2013, the Nominating/Governance Committee approved a modification to the Company's securities trading policy prohibiting all future pledging of the Company's equity securities by our employees, NEOs and Directors. In connection with this policy, the Company adopted a grandfather provision relating to existing pledges. As of the date our modified policy was adopted, only Messrs. Hilton and Sarver had outstanding pledges. Our grandfather provision exempts existing pledges and continuation or replacements thereto; provided, however, that with respect to these existing pledges (or continuations or replacements thereof) the number of shares pledged may not exceed the greater of (i) two-thirds of the total number of Meritage shares beneficially owned by Mr. Hilton or Sarver, as the case may be, or (ii) 200,000 shares. In establishing these grandfather provisions, the Board considered the particular circumstances of Mr. Hilton and Mr. Sarver, the founder of the Company and an original board member, respectively, both of whom have a significant ownership in the Company's equity securities.

Anti-Hedging Policy

We have a securities trading policy that sets forth guidelines and restrictions on transactions involving our stock, which are applicable to all employees, including our NEOs and Directors. Among other things, our policy prohibits purchases of stock on margin, calls or similar options on Meritage stock or from selling the stock short. These types of transactions would allow employees to own Company stock without the full risks and rewards of ownership. When that occurs, employees may no longer have the same objectives as the Company's other stockholders and therefore such transactions involving Meritage stock are prohibited.

Communications with the Board of Directors

Interested persons may communicate with the Board of Directors by writing to our Lead Independent Director at the address set forth on page 2. The Lead Independent Director will disseminate the information to the rest of the Board at his discretion.

COMPENSATION DISCUSSION AND ANALYSIS

The following discussion and analysis should be read in conjunction with the "Summary Compensation Table" and related tables that are presented immediately below.

Introduction and Summary

The purpose of this compensation discussion and analysis ("CD&A") is to provide information about each material element of compensation that we pay or award to, or that is earned by, our NEOs. For our 2012 fiscal year, our NEOs were:

Steven J. Hilton, Chairman and Chief Executive Officer

Larry W. Seay, Executive Vice President, Chief Financial Officer

C. Timothy White, Executive Vice President, General Counsel and Secretary and

Steven M. Davis, Executive Vice President, Chief Operating Officer

This CD&A addresses and explains the numerical and related information contained in the summary compensation tables and includes actions regarding executive compensation that occurred during 2012, including the award of bonuses related to 2012 performance, and the adoption of any new, or the modification of any existing, compensation programs, if applicable.

2012 Environment

During 2012, the overall housing market's results indicate the industry is stabilizing, largely driven by continued excellent housing affordability based on historical metrics, decreasing inventory home levels in many markets, and increasing consumer confidence levels related to the homebuilding industry and the overall economy. Increased interest and traffic in our communities resulted in positive order trends in all of our active divisions. While individual markets continue to experience varying results as local economic and employment situations strongly influence demand, most of our markets are benefiting from the homebuilding recovery. As the homebuilding market stabilizes

and recovers, our executive team remains focused on our main goals of growing our orders and revenue, generating profit and maintaining a strong balance sheet.

21

Meritage's financial and operational performance significantly improved in 2012 with gains in all of our key operating metrics. In 2012, we entered new markets in Tampa, Florida and Charlotte, North Carolina and strengthened our competitive position in most of our existing markets. We believe our results were due to a combination of market conditions as well as the strategic investments in our new communities, markets and product offerings that created a differentiated strategy that has benefited us through the recent downturn and into 2012 and will continue to provide us with growth and profitability opportunities in the future.

The profitability and growth of Meritage is dependent on the executive management's vision and actions to support these strategic goals and we feel we have taken, and continue to take, appropriate steps for Meritage to be well-positioned for success.

Overview

Compensation Philosophy and Objectives

Our executive compensation program is designed to drive and reward superior corporate performance both annually and over the long term while simultaneously striving to be externally competitive. We continually review our executive compensation program to ensure it reflects good governance practices and is in the best interests of stockholders, while meeting the following core objectives:

Pay for Performance A substantial portion of the total potential compensation for each NEO is intended to be variable on a pay-for-performance basis. The terms of the performance-based compensation contemplated in each NEO's employment agreement was based upon an assessment of external market data to ensure that the compensation formula is competitive relative to the compensation paid by companies with which we compete for executive talent. This compensation is derived based on (i) the performance of the Company as a whole, as measured against our peer group and (ii) the officer's role in the attainment of the Company's performance. Due to the economic recession and severe downturn the homebuilding industry experienced in recent years, the Compensation Committee has approved a greater percentage of long-term pay from performance awards to our NEOs than what has been our historical composition to more closely align the goals of management with those of our stockholders.

Stock Ownership We are committed to utilizing our compensation program to increase executive stock ownership over time. We believe that equity ownership directly aligns the interests of our executives with those of our stockholders and helps to focus our executives on long-term stockholder value creation. Commencing in 2007, we began to award restricted stock to our NEOs as we believe such awards provide our NEOs with an incentive to continue to increase long-term stockholder value, even during periods of declining stock prices. We believe the granting of equity awards is an important retention tool and is widely used in our industry.

Recruiting and Retention Due to the competitive nature of our industry, we are committed to providing total compensation opportunities that are competitive with, though not identical to, the practices of other large public homebuilders in our industry. We intend for our compensation program to be sufficiently aligned with industry practices so that we can continue to attract and retain outstanding executives who are motivated to help us achieve our mission.

Compensation Peer Group

We compete with homebuilding companies of various sizes for executive talent, and therefore the Compensation Committee generally reviews composite market data reflecting the market median compensation paid to executives with similar roles. On an informal basis, the Company reviews the compensation of its NEOs and compares it to industry peers, analyzing the relationship of the relative amounts of the components of compensation (e.g., salary, bonus, equity compensation and other compensation) to the relative size of each peer company's revenues, assets and equity. For the past several years, the peer group has been comprised of the top public homebuilders and for the current year was comprised of Beazer Homes USA, Inc., D.R. Horton, Inc., Hovnanian Enterprises, Inc., KB Home, Lennar Corporation, M.D.C. Holdings, Inc., M/I Homes, Inc., NVR, Inc., PulteGroup, Inc., The Ryland Group Inc.,

Standard Pacific Corp. and Toll Brothers, Inc.

For 2012, this analysis included a percentile ranking of the Company's NEOs' compensation as compared to the peer group's NEOs as well as a mathematical computation of predicted compensation assuming the relationship between compensation and revenue, assets or equity derived from the peer group is applied to Meritage Homes' financial results. Our analysis is informal in nature and is not by itself used to specifically set any particular element of compensation (whether salary, bonus, equity compensation, or otherwise) or compensation targets. Our analysis is used as an overall reasonableness check on the types and levels of compensation paid to our executive officers to ensure that the pay of our NEOs is not

excessive, nor too low as to not be deemed a sufficient tool to attract and maintain key talent. The analysis is completed on a retrospective basis and as such, it is used as a guide for our Compensation Committee in setting reasonable future compensation levels and benefits.

While market data is an important factor considered by the Compensation Committee when setting compensation, it is only one of multiple factors, and the amount paid to each executive may be more or less than the composite market predicted value based on the performance of the Company and the executive, the roles and responsibilities of the executive, experience level of the individual, internal equity and other factors that the Compensation Committee deems important.

Compensation Program and Payments

The key components of our executive compensation program are base salary, annual incentive compensation and long-term incentive compensation. In addition, our NEOs have the opportunity to participate in our company-wide 401(k) plan and to receive certain personal benefits, as described below. The employment agreements of our CEO and other NEOs were amended in 2010 and are further described in this proxy under the section “—Employment Agreements in Effect for 2012”.

At the 2012 Annual Stockholder meeting, our stockholders overwhelmingly supported our compensation program with 98% of total votes cast. In addition, we periodically solicit feedback from our largest stockholders, which has been generally positive and supportive of our compensation programs. The Executive Compensation Committee considered the 2012 voting results in connection with its 2012 and 2013 compensation decisions and did not implement significant changes to the compensation program as a result of the vote.

Base Salary

The purpose of the base salary is to provide a fixed amount of cash compensation that is not variable and is generally competitive with market practices. Consistent with industry practice and our pay-for-performance objective, the base salary for each of our NEOs is designed to account for only a portion of their overall target compensation. As compared to our compensation peer group, we target our NEO salaries to be commensurate with other public homebuilders. We believe the NEO base salaries are appropriate based on the officers' roles, responsibilities, experience and contributions to the company, as well as market data.

Annual Incentive Compensation

In accordance with the terms of each NEO's employment agreement, each NEO is eligible for annual incentive compensation. As compared to our peer group, we target our NEO incentive compensation to be commensurate with other public homebuilders. The incentive compensation is designed to generally comply with the requirements of Section 162(m) of the Code to ensure the tax deductibility of incentive compensation paid to our NEOs. Under Section 162(m), we cannot deduct compensation in excess of \$1 million that is paid to an NEO in any year unless the compensation qualifies as “performance-based” compensation under Section 162(m).

We believe investors within the public homebuilder industry look to several key financial metrics when valuing companies. These metrics include EBITDA (adjusted for non-recurring items), return on assets and return on equity. We believe these metrics are readily accepted by the capital markets and investment communities as key measures of a company's performance. The Compensation Committee has concluded that the combination of these metrics sets an optimal incentive program for our executive officers and aligns their interests with our stockholders. The Company believes that the use of these metrics together results in an appropriate and acceptable balance between operating results (adjusted EBITDA), balance sheet and capital resource management (return on assets and return on equity). For our NEOs, we have structured the cash incentive component of their compensation to result in the possible award of a percentage of the Company's Adjusted EBITDA, as defined below. In prior years and through 2012, the level of the cash incentive award was based upon our financial performance compared to other public homebuilders in multiple metrics. Beginning in 2013, the level of cash incentive award will be based on pre-determined annual targets of return on assets and return on equity. Due to the variability of operations among the peer group during the recent downturn and then the current economic recovery, an internal benchmarking measure was deemed to be a more relevant and meaningful target. The adjusted EBITDA percentages used to calculate the percentage of bonus to be paid will remain at 0.825%, 0.200%, 0.150% and 0.325% for Messrs. Hilton, Seay, White and Davis, respectively, for each of the return on assets and return on equity targets; however, instead of a comparison to the peer group, the

attainment of the goals will be benchmarked internally as follows:

23

% of Budgeted Target Achieved (1)	Percent of NEO annual incentive award as determined by adjusted EBITDA (2)
>90%	100%
80-89%	80%
70-79%	60%
60-69%	40%
50-59%	20%
Below 50%	zero

(1) Based on targets of return on assets and return on equity as established by the annual budget that is approved by the Board.

(2) One half of calculation applies to return on assets, remaining half applies to return on equity. Where actual results fall between the thresholds set forth above, payments will be interpolated along a linear continuum from the threshold exceeded to the next highest threshold.

When determining the amount (or exclusion) of bonus and incentive compensation to be paid for 2012, the Compensation Committee reviewed and considered the following information:

feedback from the full Board of Directors (excluding the CEO) regarding the performance of the CEO for 2012, the financial and stock performance of the Company, comparable public companies and other companies in our industry with which we compete, including the total relative stockholder return of our Company and our competitors, and

feedback from the CEO supporting the bonus and incentive compensation to be paid to each NEO (other than the CEO), based on achieving their specified goals and their personal and departmental contributions to the Company. For purposes of determining the executives' formula bonuses, "Adjusted EBITDA" means earnings before interest expense and interest amortized to cost of sales, taxes, depreciation and amortization ("EBITDA") adjusted to exclude impairments, one-time bond, refinancing and offering costs and significant litigation, settlement payments by the Company and similar costs associated with one-time extraordinary events as well as the deductions relating to the compensation of the Company's Chief Executive Officer, Chief Financial Officer, Chief Operating Officer and General Counsel. As discussed below, the Executive Compensation Committee does from time to time award discretionary bonuses for additional efforts or achievements. Also, each NEO's employment agreement provides that the Executive Compensation Committee has complete discretion to reduce the amount of the annual cash incentive bonus compensation based on any factors it deems appropriate or relevant.

The specific details of each NEO's 2012 incentive compensation are further described in this proxy under the section "Compensation Discussion and Analysis—Employment Agreements in Effect for 2012".

In 2012, the Executive Compensation Committee approved the payment of performance-based bonuses for the NEOs in accordance with the targets established in the NEOs' employment agreements, which are reflected in the table below. The Company's return on assets and return on equity was in the top half of its peer group and therefore, the NEOs each earned their maximum possible percentage of Adjusted EBITDA:

Discretionary Bonuses

In 2012, the Executive Compensation Committee approved discretionary bonuses to Messrs. Seay and White in the amount of \$50,000 and \$125,000, respectively. The Compensation Committee considered the following key factors in determining to award discretionary bonuses and the amounts of those bonuses:

- the Company's favorable year-over-year comparisons in key operating metrics as the year progressed;
- the total compensation awarded to the NEOs as compared to total compensation from prior years and in our industry peer group to ensure our continued competitiveness;
- the Company's past and current performance, as well as the Company's past and current stock performance; and
- the individual NEO's efforts and contribution during 2012.

Long-Term Incentive Awards

Long-term incentives are intended to provide compensation opportunities based on the creation of stockholder value and an increase in our stock price. The upside potential of stock option awards will be realized by the NEOs only if our stock price performance improves over the vesting period and/or the term of the awards. Historically, stock options granted to our NEOs generally have had a five-year pro-rata vesting schedule and a seven-year term.

Commencing in 2007, we began awarding our NEOs restricted stock awards as part of our total equity compensation structure. In addition, starting in 2009, we began granting performance-based restricted stock awards to our NEOs, as further discussed below. The restricted stock and performance-based restricted stock awards generally have a

three-year cliff vesting schedule.

25

In connection with our equity awards, we have also adopted equity ownership requirements as further discussed below in the section “Compensation Discussion and Analysis—Security Ownership Requirements.”

The Executive Compensation Committee believes that equity awards provide a strong long-term incentive for our NEOs (and other officers and employees) that, along with their stock ownership, help to align the interests of management with our stockholders. The Compensation Committee believes that these equity-based awards provide the opportunity for our executives to benefit from strong equity performance and, particularly in the case of the restricted stock awards, the NEOs focus on balancing stability and preservation of the stock value against being incentivized to potentially take on an imprudent level of additional risk to drive stock appreciation with more contingent equity awards such as stock options. The Company and the Compensation Committee also believe that an appropriate mix of cash compensation and non-cash compensation in the form of equity awards is necessary and appropriate because, among other reasons, equity-based awards do not require the use of our working capital. The Compensation Committee is mindful of the fact that equity awards represent an expense under generally accepted accounting principles and a cost to the Company and its stockholders in the form of dilution. Accordingly, we seek to achieve an appropriate balance between cash and non-cash compensation such that management is appropriately incentivized, our working capital and financial results are minimally affected and our stockholders do not experience undue dilution.

Other Compensation

The Compensation Committee does not believe in the extensive use of perquisites as a component of executive compensation. The Compensation Committee believes that the perquisites provided to our NEOs (above those received by all employees or officers in general) are limited, but help maintain the competitiveness of our compensation package as compared to our peer companies. The types of perquisites we provide to our NEOs generally consist of car allowances, and enhanced life and disability or long-term care insurance.

Tax Considerations

Section 162(m) of the Code limits the deductibility of executive compensation paid by publicly held corporations to \$1 million for each NEO. The \$1 million limitation generally does not apply to compensation that is paid pursuant to a performance-based plan approved by stockholders. Our policy is to comply with the requirements of Section 162(m) and generally maintain deductibility for all executive compensation, although we reserve the right, as do most public companies, to make non-deductible payments where we determine it is in the best interests of Meritage and its stockholders.

At the 2006 Annual Meeting of Stockholders, our stockholders approved the 2006 Incentive Plan. The purpose of the 2006 Incentive Plan is to provide for annual incentive awards to the Company’s key executives, including the NEOs, and it is the vehicle through which we pay our cash performance bonuses. The 2006 Incentive Plan is administered by the Compensation Committee and provides for cash awards payable to executives upon the attainment of certain predetermined performance goals for the Company. It is our intent that performance-based awards made pursuant to the 2006 Incentive Plan qualify as deductible compensation under Section 162(m) of the Code. Our stockholders reapproved the 2006 Incentive Plan at the 2010 Annual Meeting.

The current employment agreement for our CEO contemplates the payment of a base salary and benefits that will likely slightly exceed the limitations provided for under Section 162(m). We do not expect that we will incur a Section 162(m) excess resulting in a lost tax deduction that is material.

Security Ownership Requirements

In 2006, we adopted security ownership requirements for our directors and certain executive officers. The Board of Directors believes that these guidelines align the interests of our directors and executive officers with those of stockholders. Our directors and executive officers are required to comply with the following ownership guidelines:

- Directors, two times annual director fees (exclusive of committee or lead director fees),
- CEO, four times base salary, and
- COO, CFO and General Counsel, one times base salary

In the case of the appointment of a new executive officer or director, such person is expected to comply with the requirements within three years of the date of appointment. In order to enable our directors and officers to prudently manage their personal financial affairs, our policy provides that once compliance is obtained, subsequent changes in

stock price will not affect the person's compliance with the guidelines. For purposes of the security ownership requirement, stock options and non-vested restricted stock are not considered owned. As of December 31, 2012, all officers and directors were in compliance with their respective security ownership requirements.

Stock Options and Other Equity-Based Awards

Meritage has traditionally granted equity-based awards to directors, senior executive officers and other employees to provide a means for incentive compensation and to align the interests of management with the interest of Meritage's stockholders. In 2007, the Company began to grant restricted stock awards to select employees and since 2009, all equity awards company-wide have been comprised of restricted stock as a means of providing sufficient incentive compensation, bringing it more in line with industry trends.

We have comprehensive policies relating to the granting of stock options and other equity-based awards. Following is a summary of key aspects of our policies:

• All equity-based awards ("stock-based grants") must be approved by the Compensation Committee.

• All stock-based grants will be approved at formal meetings (including telephonic) of the Compensation Committee.

The grant date of such awards will be the date of the meeting (or a specified date shortly after the meeting) or, in the case of an employee, director or consultant not yet hired, appointed or retained, respectively, the subsequent date of hire, appointment or retention, as the case may be.

The annual stock-based grant shall be approved at a regularly scheduled meeting of the Compensation Committee during the first part of the year, but generally after the annual earnings release. We believe that coordinating the main annual award grant after our annual earnings release will generally result in this grant being made at a time when the public is in possession of all material information about us.

• The customary annual grant (including performance-based grants) to executive officers and directors shall generally occur approximately at the same time as the customary annual grant to other employees.

• The Company shall not intentionally grant stock-based awards before the anticipated announcement of materially favorable news or delay the grant of stock-based awards until after the announcement of materially unfavorable news.

• The Compensation Committee will approve stock-based grants only for persons specifically identified at the meeting by management.

Employment Agreements in Effect for 2012

In January 2010, we entered into new employment agreements with our CEO and each NEO, and the Executive Compensation Committee negotiated and approved the terms of each of these agreements. Each agreement was scheduled to expire on December 31, 2012; however, the automatic one-year extension renewal provisions continued the agreements for 2013. These renewal provisions extend the terms of the arrangements for one year unless on or before August 31 of any renewal term, the executive or the Company notifies the other that it wishes to terminate the agreement. Each of the employment agreements also includes a claw-back provision requiring the recovery by the Company of all or part of prior bonuses in the event the performance measure used to calculate the bonus is restated downward as a result of the executive's willful misconduct or gross negligence. We may recover any such claw-backs through an offset to future awards payable under the employment agreement, or from the executive directly. All NEOs have non-solicitation covenants, and Mr. Hilton's agreement also includes a non-compete covenant. A description of the other key components of each NEOs agreement follows.

Steven J. Hilton, CEO

Mr. Hilton's agreement provides Mr. Hilton with a base salary of \$1,017,500 per year, which can be adjusted from time to time, provided that it cannot be reduced without Mr. Hilton's consent. This agreement also provides that Mr. Hilton is entitled to payment of, or reimbursement for, amounts paid to purchase a \$5 million term life insurance policy and disability and/or long-term care insurance providing for a monthly benefit up to \$20,000, use of a chartered airplane for business purposes only, and use of a Company-provided automobile.

Mr. Hilton's agreement also provides for an annual cash incentive bonus based on the Company's attainment of defined performance objectives as outlined in the matrix on page 25. Mr. Hilton's employment agreement also contemplates that he will receive a minimum of 50,000 shares of restricted stock (or such equivalent number of shares subject to full value awards as the Compensation Committee determines in its discretion).

Larry W. Seay, Executive Vice President and Chief Financial Officer

Mr. Seay's agreement provides Mr. Seay with a base salary of \$500,000 per year, which can be adjusted from time to time, provided that it cannot be reduced without Mr. Seay's consent. This agreement also provides that Mr. Seay is

entitled to a \$1,200 per month automobile allowance, payment of, or reimbursement for, amounts paid to purchase disability and/or long-term care insurance providing for a monthly benefit up to \$20,000 and a \$3 million term life insurance policy.

Mr. Seay's agreement also provides for an annual cash incentive bonus based on the Company's attainment of defined performance objectives as outlined in the matrix on page 25. Mr. Seay's employment agreement also contemplates that he will receive an annual option grant to acquire a minimum of 36,667 shares of Company stock at an exercise price equal to fair market value on date of grant (or such equivalent number of shares subject to full value awards as the Compensation Committee determines in its discretion).

C. Timothy White, Executive Vice President, General Counsel and Secretary

Mr. White's agreement provides for a base salary of \$525,000 per year, which can be adjusted from time to time, provided that it cannot be reduced without Mr. White's consent. This agreement also provides that Mr. White is entitled to a \$1,200 per month automobile allowance, payment of, or reimbursement for, amounts paid to purchase disability and/or long-term care insurance providing for a monthly benefit up to \$20,000 and a \$3 million term life insurance policy.

Mr. White's agreement also provides for an annual cash incentive bonus based on the Company's attainment of defined performance objectives as outlines in the matrix on page 25. Mr. White's employment agreement also contemplates that he will receive an annual option to purchase a minimum of 15,000 shares of Company stock at an exercise price equal to the fair market value on the date of grant (or such equivalent number of shares subject to full value awards as the Compensation Committee determines in its discretion).

Steven M. Davis, Executive Vice President and Chief Operating Officer

Mr. Davis' agreement provides for a base salary of \$500,000 per year, which can be adjusted from time to time, provided that it cannot be reduced without Mr. Davis' consent. This agreement also provides that Mr. Davis is entitled to a \$1,200 per month automobile allowance, payment of, or reimbursement for, amounts paid to purchase disability and/or long-term care insurance providing for a monthly benefit up to \$20,000 and a \$3 million term life insurance policy.

Mr. Davis' agreement also provides for an annual cash incentive bonus based on the Company's attainment of defined performance objectives as outlined in the matrix on page 25. Mr. Davis' employment agreement also contemplates that he will receive an annual option to purchase a minimum of 15,000 shares of Company stock at an exercise price equal to the fair market value on the date of grant (or such equivalent number of shares subject to full value awards as the Compensation Committee determines in its discretion).

Discussion of CEO and NEO Compensation

Following is a discussion of the compensation paid, awarded or earned in 2012 to the Company's CEO and NEOs. As described below, since 2009, the Company conditioned some of its restricted stock award grants to NEOs on the achievement of performance criteria, specifically Adjusted Pre-Tax Income and G&A expenses being within a specified range and achievement of a certain level of customer service satisfaction rating. Following is a summary of the key reasons the Compensation Committee selected these metrics:

Adjusted Pre-Tax Income being within a specified range—the Committee believes that it is important that the executive officers be accountable for managing the business towards the budget approved by the Board. The Compensation Committee also considered the metrics of revenue and net income, but determined pre-tax income was the most appropriate measure because revenue does not take into account profitability of our core operations and after-tax net income takes into account factors largely outside the control of management, such as the creation and relief of non-cash deferred tax valuation allowances due to accounting rules and tax laws. One of the Company's main goals during the recent economic downturn was to return to profitability and we believe Adjusted Pre-Tax Income appropriately measures management's success in achieving this goal.

Adjusted G&A being within a specified range— the Committee believes that overhead cost control is critical to the success of the Company and that it is important to hold the executive officers accountable for managing costs within the budget approved by the Board.

Customer service satisfaction rating—the Committee believes the long-term success of the Company is dependent on delivering quality homes with excellent customer service. In short, it is a fundamental prerequisite for almost any business to achieve high customer satisfaction. Accordingly, the Committee incorporated a customer service component.

CEO Compensation

Mr. Hilton was compensated in 2012 pursuant to the terms of his employment agreement, which provided for a base salary, an annual cash incentive bonus based on Company performance, if earned, and other customary executive benefits.

28

Under this agreement, a substantial portion of Mr. Hilton’s potential compensation was performance-based to align his goals and efforts with the interests of our stockholders.

Salary. Mr. Hilton was paid a base salary of \$1,017,500 in 2012.

Restricted Stock. In 2012, Mr. Hilton was granted 18,750 restricted stock awards. These awards cliff vest on the third anniversary of the date of grant. Additionally, Mr. Hilton was awarded 18,750 shares of performance-based restricted stock, which cliff vest only if the following performance criteria are met:

Number of Shares	Measurement Date	Performance Criteria
6,250	February 10, 2015	125% of 2014 Adjusted Pre-Tax Income is greater than budget or 2014 Adjusted Pre-Tax Income is within \$9 million of budget
6,250	February 10, 2015	2014 Adjusted SG&A expense less than 15% of total revenue
6,250	February 10, 2015	2014 Customer Service Satisfaction Rating greater than or equal to 80

The number of shares and type of equity award for the 2012 grant was determined by the Compensation Committee and was deemed commensurate with compensation packages of other CEOs of public homebuilders when evaluated in connection with Mr. Hilton’s total cash and equity compensation as discussed previously in this proxy statement.

In connection with the grant of his 2010 performance-based restricted stock, which was earned in 2012 and vested in 2013, the following analysis was completed:

- The Company’s Adjusted Pre-Tax Income was \$35.7 million, which was within \$9 million of budget and, when multiplied by 125%, was greater than budget. Therefore, this performance trigger was met, releasing 11,250 shares of performance-based stock. The budget for Adjusted Pre-Tax Income was \$7.3 million for 2012.

- The Company’s 2012 Adjusted G&A expense was \$64.4 million, which was less than 110% of the \$60.8 million budget. This performance trigger was met, releasing 6,750 shares of performance-based restricted stock.

- The Company’s 2012 Customer Service Satisfaction Rating exceeded 80. This performance trigger was met, releasing 4,500 shares of performance-based restricted stock.

Accordingly, Mr. Hilton received 22,500 shares of the Company’s common stock on February 19, 2013.

Performance-Based Bonus. For 2012, Mr. Hilton received a cash performance-based bonus of \$1,719,745, pursuant to the terms set forth in his employment agreement as outlined on page 25 in this proxy statement.

Other Benefits. The Company also provided to Mr. Hilton other benefits consistent with our normal executive employment arrangements. These benefits are detailed in the All Other Compensation Table included in this proxy statement and in 2012 totaled less than \$31,000.

Other NEO Compensation

Following is a discussion of compensation paid during 2012 to the other NEOs named in this proxy statement.

Messrs. Seay, White and Davis were compensated in 2012 pursuant to the terms of their respective employment agreements, which provided for a base salary, a bonus based on Company performance, if earned, and other customary executive benefits. Under these agreements, a substantial portion of the NEOs’ potential compensation is performance-based to align their goals and efforts with the interests of our stockholders.

Salary. Messrs Seay, White and Davis were paid base salaries of \$500,000, \$525,000 and \$500,000, respectively, in 2012.

Restricted Stock. In 2012, Messrs. Seay, White and Davis were each granted 12,500 restricted stock awards. These awards cliff vest on the third anniversary of the date of grant. Additionally, Messrs. Seay, White and Davis were awarded 12,500 shares each of performance stock, which also cliff vest only if the following performance-based restricted criteria are met.

Number of Shares	Measurement Date	Performance Criteria
4,167	February 10, 2015	125% of 2014 Adjusted Pre-Tax Income is greater than budget or 2014 Adjusted Pre-Tax Income is within \$9 million of budget
4,166	February 10, 2015	2014 Adjusted SG&A expense less than 15% of total revenue
4,167	February 10, 2015	2014 Customer Service Satisfaction Rating greater than or equal to 80

The number of shares and type of equity award for the 2012 grant was determined by the Compensation Committee and was deemed commensurate with compensation packages of other NEOs of public homebuilders when evaluated in connection with Messrs. Seay, White, and Davis total cash and equity compensation as discussed previously in this proxy statement.

In connection with the grant of their 2010 performance-based restricted stock, which was earned in 2012 and vested in 2013, the following analysis was completed:

The Company's Adjusted Pre-Tax Income was \$35.7 million, which was within \$9 million of budget and, when multiplied by 125%, was greater than budget. Therefore, this performance trigger was met, releasing 7,500 shares of performance-based stock shares. The budget for Adjusted Pre-Tax Income was \$7.3 million for 2012.

The Company's 2012 Adjusted G&A expense was \$64.4 million, which was less than 110% of the \$60.8 million budget. This performance trigger was met, releasing 4,500 shares of performance-based stock.

The Company's 2012 Customer Service Satisfaction Rating exceeded 80. This performance trigger was met, releasing 3,000 shares of performance-based stock.

Accordingly, Messrs. Seay, White and Davis each received 15,000 shares of the Company's common stock on February 19, 2013.

Performance-Based Bonus. For 2012, Messrs. Seay, White and Davis received cash performance-based bonuses of \$416,908, \$312,681, and \$677,475, respectively, pursuant to the terms set forth in their respective employment agreements as discussed previously in this proxy statement. Messrs. Seay and White also received discretionary bonuses of \$50,000 and \$125,000, respectively, in 2012 as discussed on page 25 of this proxy.

Other Benefits. We also provided to Messrs. Seay, White and Davis other benefits consistent with our normal executive employment arrangements and his employment agreement. Nonqualified Deferred Compensation Plans

We do not currently have a deferred compensation plan, and no NEOs deferred any compensation during 2012.

Potential Payments upon Termination or Change-of-Control

Summary

During 2010, we entered into new employment agreements and change of control agreements with our CEO and each of our other NEOs. Under the terms of these agreements, our CEO and other NEOs are entitled to severance payments and other benefits in the event of certain types of terminations. These benefits can include cash payments, continuation of insurance benefits and the acceleration of outstanding stock options and restricted shares.

Following is a summary of the severance provisions contained in the employment agreements and change of control agreements between the Company and its NEOs.

Employment Agreements Severance Benefits

Each employment agreement provides the executive with severance benefits in certain situations upon his termination of employment. Following is a summary the potential severance payments and benefits depending on the reason for termination.

Voluntary termination by executive without Good Reason

If Mr. Hilton voluntarily terminates his employment with the Company without Good Reason, he will be entitled to receive from the Company (i) his base salary through the date of termination and (ii) at the Company's option, a \$5 million severance payment in monthly installments of \$208,333.33 over a period of two years in consideration of the non-compete and non-solicitation covenants contained in his agreements.

If Messrs. Seay, White or Davis voluntarily terminates their employment with the Company without Good Reason, they will be entitled to receive from the Company their base salary through the date of termination.

Voluntary termination by executive with Good Reason

If any executive voluntarily terminates his employment with Good Reason, he will be entitled to receive from the Company (i) his base salary through the date of termination and any bonus earned in a previous year but not yet paid, (ii) reimbursement of COBRA premiums and (iii) a severance payment equal to sum of (x) two times the executive's base salary on the date of termination and (y) two times the higher of (I) the executive's average actual bonus compensation* earned for the two years prior to termination and (II) the annual bonus paid to the executive in the year preceding the date of termination; provided, however, with respect to (a) Mr. Hilton, his severance payment shall not be less than \$5 million and shall not exceed \$10 million, (b) the severance payment for Messrs. Seay, White and Davis shall not exceed \$3 million, and (c) if Messrs. Seay, White or Davis' employment is terminated during the last six months of the Company's fiscal year, he will also be paid a pro rata bonus for that fiscal year. In addition, any restricted stock, options and other equity-based awards shall become immediately accelerated and fully vested and exercisable and all restrictions on restricted stock awards shall immediately lapse.

* Bonus compensation is determined as the greater of (i) the actual bonus paid to the executive or (ii) the fair value on the day of grant of the shares of the restricted stock, stock options and other equity awards that become vested in such year of termination.

Termination by the Company without Cause

If the Company terminates the executive Without Cause, each executive will be entitled to receive from the Company (i) his base salary through the date of termination and any bonus earned in a previous year but not yet paid, and, if such termination occurs during the final six months of the fiscal year, a pro rata portion of the bonus then in effect for that year, (ii) reimbursement of COBRA premiums and (iii) a severance payment as follows:

For Mr. Hilton, the sum of (x) two times Mr. Hilton's base salary on the date of termination and (y) two times his average bonus compensation* earned for the two years prior to termination; provided, however, Mr. Hilton's severance payment shall not be less than \$5 million and shall not exceed \$10 million.

For Messrs. Seay, White and Davis, sum of (x) one times the executive's base salary on the date of termination and (y) one times his actual bonus compensation* earned for the two years prior to termination; provided, however the severance payment for Messrs. Seay, White and Davis shall not exceed \$2 million.

In addition, any restricted stock, options and other equity-based awards shall become immediately accelerated and fully vested and exercisable and all restrictions on restricted stock awards shall immediately lapse.

Bonus compensation is determined as the greater of (i) the actual bonus paid to the executive or (ii) the fair value * on the day of grant of the shares of the restricted stock, stock options and other equity awards that become vested in such year of termination.

Termination by the Company for Cause

If the Company terminates any executive's employment for Cause, the executive will be entitled to receive only his base salary through the date of termination and any bonus earned in a previous year but not yet paid.

Death or Disability

If the executive's employment is terminated as a result of the executive's death or disability, the executive will be entitled to receive from the Company (i) his then current base salary through the date of termination and any bonus earned in the previous year but not paid, (ii) a pro rata portion of the executive's actual bonus for the year, and (iii) reimbursement of COBRA premiums. In addition, any restricted stock, options and other equity-based awards shall become immediately accelerated and fully vested and exercisable and all restrictions on restricted stock awards shall immediately lapse.

Change of Control Agreements Severance Benefits

General Terms

Termination Date: Effective so long as executive is employed by the Company

Triggering Event: Pursuant to each executive's change of control agreement, each executive is entitled to severance benefits if (i) his employment is terminated by the Company without Cause at anytime within 90 days prior to or within two years following a Change of Control or (ii) the executive terminates his employment for Good Reason at any time within two years following a Change of Control.

Severance Benefits

For Mr. Hilton, the severance payment is equal to the sum of (i) three times the higher of (x) Mr. Hilton's annual base salary on the date of termination or (y) his base salary on the date preceding the Change of Control and (ii) three times the highest of (x) Mr. Hilton's average annual incentive compensation* for the two years prior to termination of employment or (y) his annual incentive compensation* for the two years preceding the year in which the Change of Control occurred.

For Messrs. Seay, White and Davis, the severance payment is equal to the sum of (i) two times the higher of (x) the executive's annual base salary on the date of termination or (y) the executive's base salary on the date preceding the Change of Control and (ii) two times the highest of (x) the executive's average annual incentive compensation* for the two years prior to termination of employment or (y) the executive's annual incentive compensation* for the year preceding the year in which the Change of Control occurred.

In addition, any restricted stock, options and other equity-based awards shall become immediately accelerated and fully vested and exercisable and all restrictions on restricted stock awards shall immediately lapse.

Incentive compensation is determined as the sum of (a) the actual incentive compensation paid to executive and * (b) the fair value on the date of grant of the shares of restricted stock, stock options and other equity-based awards that become vested in such year of termination.

Other Matters Regarding the Employment Agreements and Change of Control Agreements

The terms “Good Reason”, “Cause” and “Change of Control” are defined in the employment and change of control agreements.

All severance payments under the employment agreements and change of control agreements are conditioned upon the delivery and non-revocation of a customary release by the executive in favor of the Company.

Each executive’s employment agreement and change of control agreement is structured so that the executive is entitled to the greater benefit under the two agreements, but is not entitled to duplicative benefits.

Each of the employment agreements and change of control agreements include customary provisions concerning the timing, limitation and alteration of payments to comply with Section 409A of the Internal Revenue Code.

Consistent with the SEC’s rules and regulations concerning executive compensation disclosure, the potential value of each executive’s benefits assumes that that the termination occurred on December 31, 2012, and with a closing stock price of \$37.35 on the last business day of 2012. The benefit derived from the acceleration of options was computed as the difference between the strike price and the closing price of our stock on the last day of 2012 for each equity award affected. Total termination benefits represent payments for severance, non-compete and non-disclosure covenants.

Director Compensation

In 2012, our non-employee directors received an annual retainer of \$50,000, committee chairmen received an additional annual payment of \$15,000, and other committee members received an additional payment of \$10,000. The lead director received an additional \$40,000 annually. In addition, during 2012, each of our directors (other than Mr. Hilton) received a grant of 6,000 shares of restricted stock, which cliff vest on February 10, 2015. Mr. Odell received a grant of 18,000 shares of restricted stock in 2012 in connection with his appointment to the Board in late 2011, which vests ratably over three years starting February 10, 2013. As discussed, the Board is still determining the amount of compensation that might be paid for serve on the Board's new Land Committee. The 2012 director compensation is set forth below:

Name	Fees Earned or Paid Stock Awards		All Other Compensation (\$)	Total (\$)
	in Cash (\$)	(\$)(1)(2)		
Robert G. Sarver	50,000	159,840	—	209,840

Dana Bradford	80,000	159,840	—	239,840
Michael R. Odell	80,000	479,520	—	559,520

As of December 31, 2012, the outstanding number of options and non-vested restricted stock awards held by the (1) non-employee directors was 29,500 for Messrs. Sarver, Oppel, Ax, Burke, and Haddock and 18,000 for Messrs. Bradford and Odell.

See Note 8 "Stock Based Compensation" of our Consolidated Financial Statements included in our 2012 Annual Report on Form 10-K for discussion of the assumptions used for computing the fair value of options and awards (2) granted. As required, the calculation is equal to the fair value of the award multiplied by the total number of awards granted in 2012, not the proportionate share of all existing unvested awards that vested in the current year.

As part of the reimbursement to directors for out-of-pocket expenses incurred in attending Board and committee meetings, we reimburse certain directors for charter aircraft service or other travel and lodging-related expenses. (3) During 2012, we made reimbursements of approximately \$49,500; \$4,000; \$3,000, \$6,800 and \$2,600 to Messrs. Burke, Haddock, Oppel, Bradford and Odell, respectively. The reimbursement to Mr. Burke included charter aircraft services for various Board members to two meetings.

SECURITIES AUTHORIZED FOR ISSUANCE
UNDER EQUITY COMPENSATION PLANS

The following table summarizes our equity compensation under all of our equity compensation plans as of December 31, 2012:

Plan Category	(a) Number of Shares to be Issued Upon Exercise of Outstanding Options, Warrants and Right (1)	(b) Weighted Average Exercise Price of Outstanding Options, Warrants and Rights	(c) Number of Securities Remaining Available for Future Issuance under Equity Compensation Plans (Excluding Securities Reflected in Column (a)(2)

Equity compensation plans not approved by stockholders	—	N/A	—

(1) Balance includes 609,585 options, 825,650 time-based restricted stock awards, and 180,000 performance-based restricted stock awards.

(2) The number of securities remaining available for issuance is comprised of shares under our Plan as defined in our annual report on Form 10-K. In addition to stock options, stock appreciation rights and performance share awards, the Plan allows for the grant of restricted stock shares. Under the Plan, awards other than stock options and stock appreciation rights are counted against the shares available for grant as 1.38 shares for every one share issued in connection with such awards.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Executive officers, directors and “beneficial owners” of more than ten percent of our common stock must file initial reports of ownership and changes in ownership with the SEC under Section 16(a) of the Exchange Act. SEC regulations require these reporting persons to furnish us with copies of all Forms 3, 4 and 5, and amendments thereto, that they file with the SEC. Based solely on our review of the copies of such forms furnished to us, or representations that no forms were required, we believe that during 2012 and through the date of this filing all of our officers, directors and greater than ten percent beneficial owners complied with all filing requirements of Section 16(a) of the Exchange Act.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Meritage maintains a written policy concerning conflict of interest transactions that generally applies, among other things, to transactions between the Company and related persons, including employees, officers and directors and applies to direct and indirect relationships and transactions. Because of the nature of our business, which involves the ownership, development, construction and sale of real estate and single family homes, our policy was carefully constructed to capture transactions and relationships between the Company or its competitors, and related persons and relationships between employees, directors, suppliers, vendors, subcontractors (“trades”) and others. At the same time, we were mindful to not inadvertently create the potential for conflicts relating to transactions that are primarily of a personal nature and do not involve the Company, or conflict with its business (for example, the construction of a vacation home or the purchase of a home from the Company pursuant to our home purchase policy that is available to most employees).

For transactions not exempted from the policy, Meritage’s policy requires that designated members of senior management must review and approve any transaction between a covered person (e.g., employees, officers and directors) and the Company, or between a covered person and a trade contractor. The policy provides that the Company’s legal and internal audit departments are to be involved in the review and approval process. For transactions involving directors or senior executive officers (including the officers named in this proxy statement), the proposed transaction must be approved in advance by the Audit Committee of the Board of Directors. Real estate transactions between the Company and related persons are subject to strict scrutiny.

Each of the transactions listed below was approved by the Audit Committee of the Board of Directors pursuant to the policy.

During 2012, 2011 and 2010, we chartered aircraft services from companies in which Mr. Hilton has a significant ownership interest. Payments made to these companies were as follows:

	Year Ended December 31,		
	2012	2011	2010
Air Charter Services	\$ 330,000	\$ 288,000	\$ 234,000

During 2009, we entered into an FDIC insured bank deposit account agreement with Alliance Bank of Arizona (“Alliance Bank”) through the Certificate of Deposit Account Registry Service (“CDARS”). In 2012, we entered into an additional FDIC insured bank deposit account agreement with Alliance Bank through the Insured Cash Sweep Service (“ICS”). CDARS and ICS are accepted and recognized services through which participating banks may accept and provide FDIC insurance coverage for large deposits that would otherwise exceed FDIC insurance limits (currently \$250,000) by placing, as custodian for the deposit customer (Meritage), that portion of the deposit exceeding FDIC insurance limits with other CDARS and ICS banks participating in the programs such that for FDIC insurance purposes, the deposit is divided into insured amounts and deposited with other network banks to allow for full FDIC coverage. CDARS and ICS deposits differ in that ICS deposits may offer “on demand” withdrawals whereas CDARS are certificates of deposits with pre-determined maturity dates and interest rates. Alliance Bank has divided these amounts into FDIC insured amounts deposited with other CDARS and ICS participating FDIC insured institutions. We do not pay any separate fees to Alliance Bank for these programs. Rather, Alliance Bank receives a small fee from the other CDARS and ICS institutions for certain funds placed. Robert Sarver, a Meritage director, is a director and the chief executive officer of Western Alliance Bancorporation, the parent company of Alliance Bank. In addition,

Steven Hilton, our Chairman and CEO is also a director of Western Alliance Bancorporation We placed cash deposits through Alliance Bank as the CDARS custodian or relationship bank and as the ICS custodian or relationship bank and earned market-rate interest on deposits pursuant to the CDARS and ICS programs as follows (in thousands):

REPORT OF THE AUDIT COMMITTEE

We have reviewed Meritage's audited consolidated financial statements and met with both management and Deloitte & Touche LLP, the Company's independent registered public accounting firm, to discuss those consolidated financial statements. Management has represented to us that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have also reviewed, and discussed with management and Deloitte & Touche LLP, management's report and Deloitte & Touche LLP's report and attestation on internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act. We have received from, and discussed with, Deloitte & Touche LLP the written disclosure and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding independence. These items related to that firm's independence from Meritage. We also discussed with Deloitte & Touche LLP those matters required to be discussed by Statement on Auditing Standards No. 114, as amended, "The Auditor's Communication with those charged with Governance" and Rule 2-07 of Regulation S-X "Communications with Audit Committees." Based on these reviews and discussions, we recommended to the Board that Meritage's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2012.
