Dear Stockholder:

It is my pleasure to invite you to the annual meeting of the stockholders of Sonic Corp. (the Company). We will hold the meeting on Thursday, January 20, 2005, at 1:30 p.m. on the Fourth Floor of the Sonic Headquarters Building, which is located at 300 Johnny Bench Drive, Oklahoma City, Oklahoma.

At the meeting, we will:

- (1) Elect two directors; and
- (2) Transact any other business which is proposed in accordance with our bylaws before the meeting is adjourned or postponed.

The Board of Directors has chosen the close of business on November 30, 2004, as the date used to determine the stockholders who will be able to attend and vote at the Annual Meeting. If you own stock in Sonic Corp. at the close of business on that date, you are cordially invited to attend the meeting.

Your vote is important. If you decide not to attend the annual meeting in person, you may vote on these proposals by proxy. To do so, please complete, date, sign and return the enclosed proxy card promptly. We have enclosed a postage-prepaid envelope to expedite the return of your completed proxy card. If you have voted by mail and later decide to attend the annual meeting, you may revoke your proxy by coming to the meeting and voting in person.

We look forward to seeing you at the meeting.

By order of the Board of Directors,

**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS OF
SONIC CORP.**

To Be Held Thursday, January 20, 2005

SOLICITATION OF PROXIES

Solicitation

Sonic Corp. (sometimes referred to herein as Sonic, we, us, our, or the Company) is furnishing this proxy statement to the stockholders of the Company to solicit their proxies for use at the annual meeting of stockholders to take place on Thursday, January 20, 2005, and at any adjournment of the meeting. We also may use the services of our directors, officers, and employees to solicit proxies personally or by telephone. We regularly retain the services of Corporate Communications, Inc., 523 Third Avenue South, Nashville, Tennessee, to assist with our investor relations and other stockholder communications issues. Corporate Communications, Inc. may assist in the solicitation of the proxies and will not receive any additional compensation for those services. Sonic will bear all of the costs of preparing, printing, assembling, and mailing this proxy statement and the proxy card and all of the costs of the solicitation of the proxies.

Reimbursement of Nominees

Sonic will reimburse any bank, broker-dealer, or other custodian, nominee, or fiduciary for its reasonable expenses incurred in completing the mailing of proxy materials to the beneficial owners of Sonic's voting common stock.

Revocation of Proxy

Any proxy given pursuant to this solicitation may be revoked by the stockholder at any time prior to the voting of the proxy by giving written notice to Ronald L. Matlock, Secretary of the Company. The persons named on the proxy card will vote the proxies at the annual meeting, if received in time and not revoked.

Mailing of Proxy Statement and Proxy Card

Sonic has had this proxy statement and the proxy card mailed to its stockholders on or about December 17, 2004.

Stockholder Proposals

In order for the Company to include a stockholder proposal in the proxy materials for the next annual meeting of stockholders, a stockholder must deliver the proposal to the Secretary of the Company no later than August 19, 2005.

VOTING RIGHTS AND PROCEDURE

All share numbers reflect the Company's three-for-two stock split implemented as a share dividend effective May 21, 2004 to stockholders of record on May 10, 2004.

Only the record holders of shares of the voting common stock of the Company as of the close of business on November 30, 2004, will have the right to vote at the annual meeting. As of the close of business on that date, the Company had 60,170,486 shares of common stock issued and outstanding (excluding 15,098,687 shares of common stock held as treasury stock). Each stockholder of record will have one vote for each share of common stock of the Company that the stockholder owned as of the record date. All shares of common stock may vote on all matters coming before the annual meeting, and a majority of all of the outstanding shares of common stock of the Company entitled to vote at the meeting, represented in person or by proxy, will constitute a quorum for the meeting. The Company will treat

all abstentions and nominee non-votes as present or represented at the meeting for the purposes of determining whether a quorum exists for the meeting.

With respect to the election of directors, the two nominees receiving the greatest number of votes will be elected. Abstentions and broker non-votes (discussed below) will not affect the outcome of the election because only a plurality of the votes actually cast is needed to elect directors. With respect to any other matter properly brought before the meeting, a majority of the shares represented at the meeting and entitled to vote is required for approval of these matters. Therefore, abstentions will have the effect of a vote against approval. Broker non-votes will not affect the outcome of the vote.

Proxies submitted by brokers that do not indicate a vote because they do not have discretionary authority and have not received instructions as to how to vote on a proposal (so-called broker non-votes) will be considered as present for quorum purposes but not as shares counted for determining the outcome of the vote.

ELECTION OF DIRECTORS**General**

Our certificate of incorporation provides for a classified board of directors, with three classes of directors each nearly as equal in number as possible. Each class serves for a three-year term and one class is elected each year. The Board of Directors is authorized by our bylaws to fix from time to time the number of directors that shall constitute the whole Board of Directors. The Board size has been set at nine members. Leonard Lieberman and H. E. Gene Rainbolt are members of the class to be elected at the annual meeting and have each been nominated to serve as a director for a three-year term expiring at the annual meeting to be held in 2008.

Both nominees will hold office until the stockholders elect their qualified successors. If either nominee becomes unable or unwilling to accept the election or to serve as a director (an event which the Board of Directors does not anticipate), the person or persons named in the proxy will vote for the election of the person or persons recommended by the Board of Directors.

Nominees

The following table sets forth the name, principal occupation, age, year in which the individual first became a director, and year in which the director's term will expire (if elected) for each nominee for election as a director at the annual meeting of stockholders.

Name and Principal Occupation	First Became a Director	Term Expires	Age
Leonard Lieberman ¹	December 1988	2005	75
H. E. "Gene" Rainbolt ²	January 1996	2005	75

¹Mr. Lieberman served as the Chief Executive Officer and a Director of Supermarkets General Corporation from 1983 to 1987. From 1987 to the present, Mr. Lieberman has primarily devoted his time to private investments. From January through April 1991, he served as Chairman, President and Chief Executive Officer of Outlet Communications, Inc. Mr. Lieberman serves as a Director of Enterprise News Media, Inc. and as a member of the Management Committee of Consolidated Container Company, LLC.

²Mr. Rainbolt has served as Chairman of the Board of BancFirst Corp. of Oklahoma City, Oklahoma, since 1989. From 1974 to 1985, Mr. Rainbolt served as Chairman of the Board of Federal National Bank of Shawnee, Oklahoma.

2

The Board of Directors recommends a vote For the election of each of the two nominees as a director.

Proxies cannot be voted for more than two nominees. E. Dean Werries, a current director, is not standing for re-election after the expiration of his term at the annual stockholders meeting. The Board of Directors has initiated its search for a qualified candidate to fill the vacant Board position. Pattye L. Moore resigned as President of the Company and entered into a consulting agreement with the Company effective as of October 31, 2004. The consulting agreement provided that Ms. Moore resign from her position on the Board of Directors (which would have expired at the annual stockholders meeting to be held January 20, 2005) and be re-appointed to the Board for a term expiring at the annual stockholders meeting to be held in January 2006. On November 10, 2004, the Board accepted the resignation of Ms. Moore of her position on the Board and also accepted the resignation of Leonard Lieberman of his position on the Board (which would have expired with the annual stockholders meeting to be held in January 2006). The Board then appointed Mr. Lieberman to fill the Board position vacated by Ms. Moore for a term expiring at the annual meeting to be held in January 2005 and appointed Ms. Moore to fill the Board position vacated by Mr. Lieberman for a term expiring at the annual meeting to be held in January 2006.

As Chairman Emeritus, Mr. Smith has the right to attend and participate on a non-voting basis at all meetings of the Board of Directors and receives the same director fees as the other independent directors.

Committees, Compensation, and Meetings of the Board of Directors

The Board of Directors has three standing committees: the Nominating and Corporate Governance Committee, the Audit Committee and the Compensation Committee. The charters for each of these committees are available at no charge in the Corporate Governance section of the Company's website at www.sonicdrivein.com. The Board has affirmatively determined that each director who serves on the committees is independent as that term is defined by applicable rules of the Securities and Exchange Commission (SEC) and NASDAQ listing standards.

The independent directors of the Company meet without the management directors at executive sessions in conjunction with each board meeting and at other appropriate times. The independent directors have designated Frank Richardson as the lead director to preside at all meetings of the independent directors.

Nominating and Corporate Governance Committee. In accordance with its written charter adopted by the Board of Directors, the Nominating and Corporate Governance Committee identifies individuals qualified to become Board members, recommends to the Board director nominees, and monitors significant developments in the law and practice of corporate governance. On November 10, 2004, the Nominating and Corporate Governance Committee nominated the two individuals named above for election as directors at the annual meeting of stockholders. The members of the Nominating and Corporate Governance Committee consist of all of the independent directors of the Company. Frank E. Richardson is the Chair of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee held four meetings during the Company's last fiscal year. The Nominating and Corporate Governance Committee will consider nominees recommended by the Company's stockholders. In order to recommend a nominee for the next annual meeting, stockholders must deliver the recommendation in writing to the Company on or before August 19, 2005, addressed to the attention of Ronald L. Matlock, Secretary of the Company, and must provide the full name, address, and business history of the recommended nominee.

4

Audit Committee. In accordance with its written charter adopted by the Board of Directors, the Audit Committee provides assistance to the Board in fulfilling its oversight responsibility relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Company's financial statements, and compliance by the Company with certain legal and regulatory requirements. The committee encourages free and open communication among the committee members, Ernst & Young LLP, the Company's independent registered public accounting firm, and management of the Company. In accordance with its charter, the Audit Committee pre-approves all non-audit services. Throughout the year, the committee periodically meets with representatives of Ernst & Young LLP and also meets with representatives of the internal audit function, without management present. The members of the Audit Committee are H. E. Rainbolt (Chair), Margaret M. Blair, Robert M. Rosenberg, and E. Dean Werries. Each of the members of the Audit Committee is independent, as defined by the rules of the SEC and the NASDAQ stock market listing standards. The Board of Directors has determined that Mr. Rainbolt is an audit committee financial expert as defined in Item 401(h) of Regulation S-K. In fiscal 2004, the Audit Committee met eight times, including meetings to review the quarterly financial statements prior to the releases of earnings to the public. A copy of the written charter for the audit committee was attached to the proxy statement for the Annual Meeting of Stockholders held in January 2003 and is also posted in the Corporate Governance section of the Company's website at www.sonicdrivein.com.

Compensation Committee. In accordance with its written charter adopted by the Board of Directors, the Compensation Committee's functions include reviewing and approving the base salary, annual incentive bonus awards and other compensation awards to the executive officers of the Company, as well as administering the Company's various stock option, stock incentive, and stock purchase plans. The members of the Compensation Committee are Leonard Lieberman (Chair), Federico F. Peña, and Frank E. Richardson. The Compensation Committee held four meetings during the Company's last fiscal year.

Compensation of Directors. During the last fiscal year, the Company compensated the independent directors for their services in the amount of \$12,000 per year, plus \$2,000 for every meeting of the Board of Directors attended. Audit Committee members received an additional \$1,000 per quarter for serving on the Audit Committee. The Chair of each of the Nominating and Corporate Governance, Audit and Compensation Committees received additional annual compensation of \$2,500. Other than the compensation described above, the Company did not pay any additional fees to directors for serving on its standing committees. The Company does not compensate directors who also serve as an officer or employee of the Company or its subsidiaries for their services as a director. The 2001 Sonic Corp. Directors' Stock Option Plan, as adopted in January 2001, provides for the grant of 10-year, non-qualified stock options to purchase 50,625 shares of common stock of the Company to each independent director of the Company upon the individual's initial election as a director, and provides for the annual grant of 10-year, non-qualified stock options to purchase 6,750 shares of common stock of the Company to each independent director of the Company beginning with the first year of the director's second three-year term and continuing annually for so long as the individual serves on the Board. The exercise price of the stock options equals the market value of the common stock at the date of the grant, and the stock options become exercisable with regard to one-third of the shares of common stock underlying the option on each of the first three anniversary dates of the grant of the stock option. In January 2004, the Company granted options to purchase 6,750 shares of common stock of the Company at \$22.33 per share to Dr. Blair and Messrs. Lieberman, Peña, Rainbolt, Richardson, Rosenberg and Werries.

Meetings of the Board of Directors. The Board of Directors of the Company held four meetings during the Company's last fiscal year. The independent directors met in executive session at each meeting and held two additional meetings during the last fiscal year. Each director attended at least 75% of the meetings of the Board and the Board committees on which he or she served.

Corporate Governance

The Nominating and Corporate Governance Committee has developed, and the Board has adopted, Corporate Governance Guidelines designed to formalize several existing practices and enhance governance efficiency and effectiveness. Among other things, these guidelines address the following:

The Nominating and Corporate Governance Committee is required to review with the Board annually the composition of the Board as a whole, including the directors' independence, skills, experience, age, diversity and availability of service to the Company.

The Board is required to conduct periodic self-evaluation through the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee is required to review and report to the Board at least annually on succession planning for the Chief Executive Officer and the Chief Executive Officer is required at all times to make available to the Board his or her recommendations of potential successors.

The independent directors are required to meet in conjunction with each regularly scheduled board meeting and at other appropriate times.

The Board and all committees are authorized to hire their own advisors.

Directors who change job responsibilities are required to notify the Board and give the Board the opportunity to review whether they should continue to serve as Board members.

Annually, the Nominating and Corporate Governance Committee follows a process designed to consider the re-election of existing directors and seek individuals qualified to become new board members for recommendation to the Board for any vacancies.

With respect to nominating existing directors, the Nominating and Corporate Governance Committee reviews relevant information available to it, including an assessment of the directors' continued ability and willingness to serve as directors. The Nominating and Corporate Governance Committee also assesses each person's contribution in light of the mix of skills and experience the Nominating and Corporate Governance Committee has deemed appropriate for the Board.

With respect to considering nominations of new directors when the opportunity arises, the Nominating and Corporate Governance Committee conducts a thorough search to identify candidates based upon criteria the Nominating and Corporate Governance Committee deems appropriate and considering the mix of skills and experience necessary to complement existing Board members. The Nominating and Corporate Governance Committee then reviews selected candidates and makes a recommendation to the Board. The Nominating and Corporate Governance Committee may seek input from other Board members or senior management in identifying candidates.

Each candidate for director must possess at least the following specific minimum qualifications:

Each candidate shall be an individual who has demonstrated integrity and ethics in his or her professional life and has established a record of professional accomplishment in his or her chosen field.

No candidate shall have any material personal, financial or professional interest in any present or potential competitor of the Company.

Each candidate shall be prepared to participate fully in activities of the Board of Directors, including active membership in at least one Committee of the Board of Directors and attendance at, and active participation in, meetings of the Board of Directors and the Committee(s) of the Board of which he or she is a member.

The Nominating and Corporate Governance Committee will consider nominations for the Board by stockholders the same way it evaluates other individuals for nomination as a new director. Such nominations must be made in accordance with the Company's bylaws.

The Company publishes in its Annual Meeting materials and SEC filings the names of its directors, any of whom may be contacted in writing in care of the Company. Written communication addressed to the Board in general is reviewed by the Chairman for appropriate handling. Written communication addressed to an individual Board member is forwarded to that person directly.

The Company encourages its Board members to attend the Annual Meeting of Stockholders and schedules Board and committee meetings to coincide with the stockholder meeting to facilitate the directors' attendance at the Annual Meeting of Stockholders. All of the directors attended the Annual Meeting of Stockholders held in January 2004.

²Of these option exercises, all of the options exercised by Mr. Hudson and by Ms. Moore would have expired in fiscal year 2004 if not exercised.

Termination and Change in Control Arrangements. The Company has employment contracts with J. Clifford Hudson, its Chairman of the Board, Chief Executive Officer and President, and the other senior executive officers. Mr. Hudson's contract, which expires in August 2005 (and which automatically extends each year for one additional year to maintain successive terms of two years unless specifically terminated or not renewed by the Company), provides that, if the Company terminates Mr. Hudson's employment other than for cause or fails to renew his contract, he will receive his base compensation for a 24-month period after termination (at an annualized base of \$525,000 as of August 31, 2004). Mr. Hudson's contract defines "cause" as (1) the willful and intentional failure substantially to perform his duties (other than because of physical or mental incapacity), (2) the commission of an illegal act in connection with his employment, or (3) the commission of any act which falls outside the ordinary course of his responsibilities and which exposes the Company to a significant level of undue liability. A determination of "cause" requires the affirmative vote of at least two-thirds of all members of the Board of Directors. The contracts for Ronald L. Matlock and Michael A. Perry, expire in August 2005. The contract for W. Scott McLain expires in January 2005. The contracts for all senior executive officers (except Mr. Hudson) automatically renew for successive one-year terms unless specifically terminated or not renewed by the Company. Those contracts provide for 12 months' salary upon termination of employment other than for cause. The contracts for all of the foregoing officers contain the same definition of "cause" as Mr. Hudson's contract.

The contracts for all of the foregoing officers also provide that, upon a change in control of the Company, if the Company terminates the officer's employment other than for cause or violates any term of the contract, the Company must pay the officer a lump sum equal to a specified multiple of the officer's then current salary, not to exceed the maximum payable without a loss of the deduction under Section 280(g) of the Internal Revenue Code. The specified multiple equals two times the amount of their annual salary for all of the officers of the Company, except for Mr. Hudson (who would receive three times his annual salary). The same lump sum provision applies if the officer should resign for "good reason," which includes (without limitation) the occurrence without the officer's consent after a change in control of the Company of (1) the assignment to the officer of duties inconsistent with the officer's office with the Company, (2) a change in the officer's title or office with the Company, or (3) a reduction in the officer's salary. The officers' contracts generally define a "change in control" to include any consolidation or merger of the Company in which the Company does not continue or survive or pursuant to which the shares of capital stock of the Company convert into cash, securities, or other property; any sale, lease, exchange, or transfer of all or substantially all of the assets of the Company; the acquisition of 50% or more of the outstanding capital stock of the Company by any person; or, a change in the make-up of the Board of Directors of the Company during any period of two consecutive years, pursuant to which individuals who at the beginning of the period made up the entire Board of Directors of the Company cease for any reason to constitute a majority of the Board of Directors, unless at least two-thirds of the directors then and still in office approved the nomination of the new directors.

Other than the foregoing agreements, the Company has no compensatory plan or arrangement with respect to its executive officers which would result from the resignation, retirement, or termination of any executive officer's employment with the Company, from a change in control of the Company, or from a change in an executive officer's responsibilities following a change in control of the Company.

Following her resignation as President of the Company effective October 31, 2004, Pattye Moore agreed to serve as a consultant to the Company for a two-year term. During the term of her consulting agreement, Ms. Moore has agreed to not be employed by or consult for any competitor of the Company. Ms. Moore will receive for her services during the term of the agreement compensation in the amount of \$15,000 per month, plus reimbursement of reasonable expenses incurred in connection with her consulting services.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We lease two parcels of real estate, upon which we operate two drive-in restaurants, from Plains Realty Corp. ("Plains"), a corporation in which J. Clifford Hudson, Chairman of the Board of Directors, Chief Executive Officer and President of the Company, owns a minority interest. The Company made rental payments during fiscal year 2004 for both parcels pursuant to leases entered into in 1988 and 1989. Both leases expire in January 2009. During the last fiscal year, the Company paid Plains a total of \$74,162 in rent pursuant to those two leases. We believe that the terms and conditions of the leases are no less favorable than those we could have obtained from third parties in arm's length transactions.

H.E. Rainbolt, a director of the Company, is Chairman of the Board and a principal stockholder of BancFirst Corp., the holding company of BancFirst of Oklahoma City ("BancFirst"). BancFirst is a participant in the Company's \$125 million revolving line of credit. During the last fiscal year, the largest amount outstanding under that line of credit was approximately \$80 million, in which BancFirst participated in approximately \$9.6 million.

REPORT OF COMPENSATION COMMITTEE

The following report of the Compensation Committee of the Board of Directors describes the committee's compensation policies with regard to the Company's executive officers for the last fiscal year, including the specific relationship of corporate performance to executive compensation. The report also discusses the committee's basis for the chief executive officer's compensation for the last fiscal year, including the factors and criteria upon which the committee based that compensation. As described above under Committees, Compensation, and Meetings of the Board of Directors, the Compensation Committee's functions include reviewing and approving the base salary, annual incentive bonus awards, and other compensation awards to the Company's chief executive officer and certain other executive officers of the Company. The Compensation Committee's functions also include the administration of the Company's stock option plans and the granting of stock options under those plans, the administration of the Company's stock purchase plan, and the administration of the Company's employee stock incentive plan and the granting of stock under that plan.

The following report shall not constitute a document deemed incorporated by reference by any general statement incorporating this proxy statement by reference into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates the information by reference, and the report shall not constitute information otherwise deemed filed under either of those acts.

Independent Compensation Consultant Report

For several years we have retained independent compensation consultants to advise us on the structure and competitiveness of the Company's executive compensation program and to recommend programs appropriate for the Company in the areas of salary, annual incentive programs, long-term incentives, benefits and employment contract provisions. In conducting the initial review, the consultant interviewed the executive officers of the Company, as well as the members of the Compensation Committee; identified a peer group of 11 comparable multi-unit restaurant companies; and analyzed the cash compensation, stock option and long-term incentive programs, and employment contract provisions available in that peer group according to available proxy statement information, as well as compensation data from other published surveys. Since the initial review, we have obtained annual updates of the review and report to the Company. The results of these reviews continue to show that the total compensation of the Company's executive officers falls below the average level of total compensation of the peer group executive officers. The Company and the Compensation Committee intend to continue to work with a consultant to develop changes to the Company's executive compensation program, when and if appropriate.

Compensation Policy and Overall Objectives

In order to attract, retain, and motivate superior executive talent, the Compensation Committee seeks to maintain compensation programs competitive with those provided by leading companies in the multi-unit restaurant business with similar size and business focus as the Company. The committee has adopted a compensation strategy to provide: (1) base salaries which are competitive but not above industry averages, (2) average or above-average total

10

annual cash opportunities, through incentives based on operating results, (3) above-average long-term incentives based on stock appreciation, and (4) other benefits for executives which are competitive but not above industry norms.

The primary components of the Company's executive compensation package consist of base salary, annual incentive bonus awards, and stock option awards. In connection with making decisions with respect to executive compensation, the Compensation Committee has taken into account as one of the factors which it considers, the provisions of Section 162(m) of the Internal Revenue Code which limits the deductibility by the Company of certain categories of compensation in excess of \$1,000,000 paid to certain executive officers. No executive officer's total compensation for the fiscal year ending August 31, 2004 exceeded the \$1,000,000 deductibility cap.

Discussion of Compensation Components

Base Salary. In reviewing each executive officer's base salary, the Compensation Committee takes into consideration the executive officer's responsibilities and performance, salaries for comparable positions at other companies, and fairness issues relating to pay for other Company executives. In making salary recommendations or decisions, the committee exercises its discretion and judgment based on those factors. The committee does not apply any specific formula to determine the weight of each factor.

Incentive Bonus Awards. The Company has adopted an incentive bonus plan, which covers all of the Company's executive officers, as well as other mid-level management personnel. Under the plan, the Compensation Committee measures the performance of the Company against an annual business plan prepared by management and reviewed and approved by the Board of Directors. Achievement of the earnings per share target set forth in the annual business plan may result in the payment of incentive payments equal to a percentage of the base salary of the

Edgar Filing: SONIC CORP - Form DEF 14A

covered officer (75% for Mr. Hudson, 60% for Ms. Moore, 40% for Messrs. Matlock and McLain and 35% for Mr. Perry.) Under the plan, the committee may award up to 50% of the incentive payments if the Company's earnings per share equal 85% or more of the annual business plan earnings per share goal and may award up to 100% of the incentive payments as the percentage of earnings per share achieved increases from 85% to 100% of the goal. The plan also allows the committee to increase the incentive payments ratably to the extent the Company exceeds the earnings per share target. However, the committee has the discretion whether and in what amounts to award any incentive bonuses.

Stock Option Grants. The 2001 Sonic Corp. Stock Option Plan is a stock-based incentive compensation plan under which employees selected by the Compensation Committee may receive awards in the form of stock options. Under that plan, employees may receive an annual grant of stock options to purchase a number of shares of common stock computed by (1) dividing the employee's annual salary and bonus by the current market price of the common stock and (2) multiplying that amount by a factor ranging up to two. In addition, the Compensation Committee grants special stock option awards to new members of management and to existing members of management who may have received a promotion.

Stock Incentive Plan. In November 1995, the Compensation Committee adopted and the Board of Directors approved the Stock Incentive Plan. Under that plan, the Company may issue up to 607,500 shares of common stock of the Company to key employees selected for participation in the plan by the Compensation Committee, which administers the plan. Participants in the Stock Incentive Plan receive awards of shares of restricted common stock (the Restricted Stock), subject to not vesting if the Company fails to achieve certain annual performance criteria. As the Company achieves the performance criteria, the portion of the award tied to the criteria will vest. Until the Restricted Stock vests, an escrow agent will hold the Restricted Stock. However, the participant will have the right to vote the Restricted Stock and receive any dividends on the stock. If the Company does not achieve the performance criteria, the portion of the award tied to that criteria will not vest and the right to receive dividends and to vote that portion of the Restricted Stock will terminate. Upon vesting, all restrictions on the vested portion will terminate and the participant will have the right to receive certificates representing the shares of vested Restricted Stock. There are no Restricted Stock grants currently outstanding.

Compensation of Chief Executive Officer

Mr. Hudson has served as the Company's Chairman of the Board since January 2000, and its Chief Executive Officer since April 1995. He served as President of the Company from April 1995 to January 2000 and reassumed the position of President in November 2004. On January 21, 2004, the Compensation Committee set Mr. Hudson's annual

11

compensation at \$525,000. The committee considered the results of the most recent update of the Company's independent compensation consultant regarding the range of compensation for the chief executive officers of the Company's competitive peer group and set Mr. Hudson's level of compensation below the average of that group. On April 29, 2004, the Compensation Committee granted Mr. Hudson options to purchase 42,697 shares of common stock, consistent with the standard formula described above. Effective November 10, 2004, the Compensation Committee approved the award of 101% of Mr. Hudson's potential incentive bonus for the fiscal year ended August 31, 2004, pursuant to the terms of the Company's incentive bonus plan, which percentage is consistent with the percentages approved for the other executive officers of the Company, after taking into account the performance of the Company for that year.

REPORT OF AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements included in the Annual Report of the Company for the fiscal year ended August 31, 2004 with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent registered public accounting firm the firm's independence from management and the Company including the matters in the written disclosures required by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002, Rule 3600T of the Public Company Accounting Oversight Board and the

Edgar Filing: SONIC CORP - Form DEF 14A

Independence Standards Board, a board jointly developed by the American Institute of Certified Public Accountants and the Securities and Exchange Commission to establish and improve auditor independence standards.

The Audit Committee discussed with the Company's internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditors and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee held eight meetings during fiscal year 2004.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended August 31, 2004, for filing with the Securities and Exchange Commission.
