Each holder of shares of common stock is entitled to one vote per share on all matters properly brought before the Annual Meeting. The holder of our Series C preferred stock will vote as a single class with holders of common stock on all matters properly brought before the Annual Meeting on an as-converted basis. The 1,048,420 shares of Series C preferred stock outstanding as of March 5, 2003 are convertible into 16,774,720 shares of common stock and accordingly an aggregate of 53,924,165 votes are entitled to be cast by the holders of common stock and Series C preferred stock at the meeting.

VOTING

The presence at the Annual Meeting of shares representing a majority of the voting power associated with our issued and outstanding common stock and Series C preferred stock will be necessary to establish a quorum for the conduct of business at the Annual Meeting. As of the record date, our directors and executive officers beneficially owned 31,020,361 shares of our common stock (representing 57.5% of the votes entitled to be cast at the meeting), including 29,313,798 shares beneficially owned by directors as a result of their affiliation with Explorer Holdings, L.P. ("Explorer"). Excluding shares beneficially owned by Explorer, shares held by directors and executive officers of our company entitle them to exercise approximately 3.2% of the voting power of the shares entitled to vote at the Annual Meeting on an as-converted basis.

Brokers holding shares in "street name" may vote the shares only if the beneficial owner provides instructions on how to vote. Brokers will provide beneficial owners instructions on how to direct the brokers to vote the shares. With respect to the election of directors, broker non-votes and the decision to

We urge stockholders to vote promptly either by signing, dating and returning the enclosed proxy card in the enclosed envelope, or for stockholders who own their shares in street name through a broker, in accordance with the telephone or Internet voting instructions your broker may include with this mailing.

PROPOSAL 1 -- ELECTION OF DIRECTORS

Director Nominees and Voting Requirements.

There are currently ten members of our Board of Directors. Pursuant to our Articles of Incorporation, the directors have been divided into three groups. At this year's Annual Meeting, three directors will be elected by the holders of our common stock and Series C preferred stock, voting together as a single class, to hold office for a term of three years or, in each case, until their respective successors have been duly elected and qualified.

The Board of Directors has nominated Daniel A. Decker, Thomas F. Franke and Bernard J. Korman for election as directors. The holders of the Series A and Series B preferred stock (voting together as a single class) have the right to elect two additional directors to our Board of Directors in accordance with the terms of the Series A and Series B preferred stock and our Bylaws since dividends on the Series A and Series B preferred stock have been in arrears for more than 18 months. No persons have been validly nominated for these positions in accordance with our Bylaws, and nominations are now closed for the Annual Meeting. Explorer, the sole holder of the Series C preferred stock, also has the right to elect two other additional directors to our Board of Directors in accordance with the terms of the Series C preferred stock and our Bylaws. By letter dated January 21, 2003, Explorer, without waiving its rights under the terms of the Series C preferred stock or the Stockholders Agreement described below, has advised us that it is not currently seeking the election of the two additional directors resulting from the Series C dividend arrearage unless the holders of the Series A and Series B preferred stock seek to elect additional directors.

Unless authority to vote for the election of directors has been specifically withheld, the persons named in the accompanying proxy card intend to vote FOR the election of the nominees named above to hold office for the terms indicated above or until their respective successors have been duly elected and qualified.

Under our Bylaws, directors are elected by a plurality of the votes cast at the Annual Meeting. As a result, broker non-votes and the decision to withhold authority to vote for any or all of the director nominees named above will have no impact on the outcome of the voting.

If any nominee becomes unavailable for any reason (which event is not anticipated), the shares represented by the enclosed proxy may (unless the proxy contains instructions to the contrary) be voted for such other person or persons as may be determined by the holders of the proxies. In no event would the proxy be voted for more than three nominees.

Stockholders Agreement with Explorer Holdings, L.P.

On July 14, 2000, Explorer invested \$100.0 million in exchange for 1,000,000 shares of Omega's Series C preferred stock. In connection with Explorer's Series C investment, Omega entered into a Stockholders Agreement with

Edgar Filing: OMEGA HEALTHCARE INVESTORS INC - Form DEF 14A

Explorer dated July 14, 2000. As a condition to the closing of Explorer's additional \$31.3 million investment in February 2002, we amended the Stockholders Agreement with Explorer to provide that Explorer would be entitled to designate to our Board of Directors that number of directors that would generally be proportionate to Explorer's ownership of voting securities, currently not to exceed six directors. The Stockholders Agreement provides that Explorer shall be entitled to designate a majority of the total number of directors so long as Explorer owns a majority of our issued and outstanding voting securities. Explorer currently beneficially owns a majority of our voting securities and therefore would be entitled to designate a majority of our directors. Explorer has agreed to vote its shares in favor of three independent directors as defined under the rules of the New York Stock Exchange who are not affiliates of Explorer, so long as Explorer owns at least 15% of our voting securities. Explorer has the right to elect additional preferred stock directors if the dividends on shares of the Series C preferred stock are in arrears for four or more dividend periods. By letter dated January 21, 2003, Explorer advised us that it does not currently intend to designate additional directors at this time, although reserving its rights under the Stockholders Agreement and under the terms of the Series C preferred stock to do so. The Stockholders Agreement terminates February 20, 2007. (See "Certain Transactions - Explorer Holdings, L.P., Dividend and Governance Right Deferral.")

DIRECTORS AND OFFICERS OF OUR COMPANY

Board of Directors and Committees of the Board

The Board of Directors held seven meetings during 2002. All members of the Board of Directors attended more than 75% of the Board of Directors or Committee meetings held during 2002.

The Board of Directors has an Audit Committee consisting of Messrs. Kloosterman, Korman and Plavin, a Compensation Committee consisting of Messrs. Franke, Kloosterman and McNamara and an Independent Directors Committee consisting of Messrs. Franke, Kloosterman, Korman, Lowenthal and Plavin.

The Board of Directors does not have a standing Nominating Committee and the functions that would typically be performed by this Committee are performed by the entire Board of Directors, except that each nominee that is not designated by Explorer pursuant to the Stockholders Agreement will be designated by the Independent Directors Committee.

The Audit Committee met three times in 2002. Its primary function is to assist the Board of Directors in fulfilling its oversight responsibilities with respect to (i) the financial information to be provided to stockholders and the Securities and Exchange Commission ("SEC"); (ii) the system of internal controls that management has established; and (iii) the external audit process. In addition, the Audit Committee selects our company's independent accountants and provides an avenue for communication between the independent accountants, financial management and the Board of Directors.

The Compensation Committee met twice during 2002 and has responsibility for the compensation of our key management personnel and administration of our 2000 Stock Incentive Plan and our 1993 Deferred Compensation Plan.

The Independent Directors Committee met once during 2002 and has responsibility for passing upon those issues with respect to which a conflict may exist between us and Explorer, including issues with respect to the allocation of costs between us and Explorer pursuant to the Advisory Agreement between Omega and Explorer. (See "Certain Transactions - Explorer Holdings, L.P., Advisory Agreement.")

Compensation of Directors

Edgar Filing: OMEGA HEALTHCARE INVESTORS INC - Form DEF 14A

For the year ended December 31, 2002, each non-employee director received a cash payment equal to \$10,000 per year, payable in quarterly installments of \$2,500. Each non-employee director also received a quarterly grant of shares of common stock equal to the number of shares determined by dividing the sum of \$2,500 by the fair market value of the common stock on the date of each quarterly grant, currently set at February 15, May 15, August 15, and November 15. In addition, each non-employee director is entitled to receive fees equal to \$1,000 per meeting for attendance at each regularly scheduled meeting of the Board of Directors. For each teleconference or called special meeting of the Board of Directors, each non-employee director will receive \$1,000 for meetings with a duration in excess of 15 minutes and \$500 for meetings with a duration of less than 15 minutes. In addition, we reimbursed the directors for travel expenses incurred in connection with their duties as directors. Employee directors received no compensation for service as directors.

The cash compensation, not including reimbursement for expenses, paid by us in consideration of Mr. Decker's and Mr. McNamara's service on the Board of Directors as Explorer designees was paid directly to Explorer under the advisory agreement.

Each non-employee director was awarded options with respect to 10,000 shares at the date the plan was adopted or upon their initial election as a director. Each non-employee director is also awarded an additional option grant with respect to 1,000 shares on January 1 of each year they serve as a director. All grants have been and will be at an exercise price equal to 100% of the fair market value of our common stock on the date of the grant. Non-employee director options vest one third after each year for three years.

EXECUTIVE COMPENSATION

Compensation Committee Report

The Compensation Committee (the "Committee") administers our 2000 Stock Incentive Plan and 1993 Deferred Compensation Plan, and has responsibility for other incentive and benefit plans. The Committee determines the compensation of our executive officers and reviews with the Board of Directors all aspects of compensation for our executive officers.

Historically, our policy and the guidelines followed by the Committee have been directed toward providing compensation to our executive officers in order to achieve the following objectives:

- 1) Assist in attracting and retaining talented and well-qualified executives;
- 2) Reward performance and initiative;
- 3) Be competitive with other healthcare real estate investment trusts;
- 4) Be significantly related to accomplishments and our short-term and long-term successes, particularly measured in terms of growth in funds from operations on a per share basis; and
- 5) Encourage executives to achieve meaningful levels of ownership of our

Edgar Filing: OMEGA HEALTHCARE INVESTORS INC - Form DEF 14A

stock.

The following is a discussion of each element of our executive compensation:

Annual Base Salary

Our approach to base compensation levels has been to offer competitive salaries in comparison with prevailing market practices. The Committee examined market compensation levels and trends in connection with the hiring of the executives during 2001. Additionally, the Committee has also considered the pool of executives who currently are employed in similar positions in public companies, with emphasis on salaries paid by healthcare real estate investment trusts.

The Committee has evaluated executive officer salary decisions in connection with an annual review and based on input from our Chairman of the Board of Directors and our Chief Executive Officer. In undertaking the annual review, the Committee considered the decision-making responsibilities of each position and the experience, work performance and team-building skills of each incumbent. The Committee has viewed work performance as the single most important measurement factor, followed by team-building skills and decision-making responsibilities.

Annual Cash Bonus

Our historical compensation practices have embodied the principle that annual cash bonuses should be based primarily on achieving objectives that enhance long-term stockholder value, and that meaningful stock ownership by management, including the grant of stock options in connection with their hiring and as part of our company's rights offering, is desirable in aligning stockholder and management interests.

The Committee has considered overall company performance and the performance of the specific areas of the company under the incumbent's direct control. It was the Committee's view that this balance supported the accomplishment of overall objectives and rewarded individual contributions by executive officers. Individual annual bonuses for each named executive have been consistent with market practices for positions with comparable decision-making responsibilities.

In 2002, Mr. Pickett was eligible for a cash bonus of up to 100% of his annual base salary and the other executive officers were eligible for a cash bonus of up to 50% of their annual base salaries. In determining the amount of the annual cash bonuses, the Committee considered a variety of factors, including sustained levels of recurring Funds from Operations, the successful implementation of asset management initiatives, control of expenses and satisfaction of Omega's strategic objectives. Considering these factors, the Committee paid each of the senior executives, including Mr. Pickett, a cash bonus equal to 42.5% of such employee's maximum potential bonus.

Long Term Incentives

In 2002, the Committee did not make any grants under its 2000 Stock Incentive Plan or its 1993 Deferred Compensation Plan.

2002 Chief Executive Officer Compensation

In connection with retaining the services of Mr. Pickett to act as our Chief Executive Officer, we entered into an Employment Agreement dated June 12, 2001, with Mr. Pickett. The Committee believes that the terms of the Employment Agreement are consistent with the duties and scope of responsibilities assigned

Edgar Filing: OMEGA HEALTHCARE INVESTORS INC - Form DEF 14A

to Mr. Pickett as Chief Executive Officer. In order to align Mr. Pickett's interests with the long-term interests of Omega, Mr. Pickett's compensation package includes significant equity-based compensation, including stock options and restricted stock. For a detailed description of the terms of the Employment Agreement see "Compensation and Severance Agreements - C. Taylor Pickett Employment Agreement" below.

For the fiscal year ended December 31, 2002, the Committee awarded Mr. Pickett an annual cash bonus of \$191,250, an amount equal to 42.5% of his potential bonus. This bonus was determined by the Committee substantially in accordance with the policies described above relating to all of our executive officers.

Tax Deductibility of Executive Compensation

The SEC requires that this report comment upon our policy with respect to Section 162(m) of the Internal Revenue Code. From time to time, Mr. McNamara recused himself from the Compensation Committee meetings to enable the Committee to qualify as a committee of outside directors as set forth in Section 162(m) of the Internal Revenue Code. Section 162(m) disallows a federal income tax deduction for compensation over \$1.0 million to any of the named executive officers unless the compensation is paid pursuant to a plan which is performance-related, non-discretionary and has been approved by our stockholders. We did not pay any compensation during 2002 that would be subject to Section 162(m). We believe that, because we qualify as a REIT under the Internal Revenue Code and therefore are not subject to federal income taxes on our income to the extent distributed, the payment of compensation that does not satisfy the requirements of Section 162(m) will not generally affect our net income, although to the extent that compensation does not qualify for deduction under Section 162(m) a larger portion of stockholder distributions may be subject to federal income taxation as dividend income rather than return of capital. We do not believe that Section 162(m) will materially affect the taxability of stockholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each stockholder. For these reasons, Section 162(m) does not directly govern the Compensation Committee's compensation policy and practices.

Mr. Pickett's base salary is \$450,000 per year, subject to increase by us and provides that he will be eligible for an annual bonus of up to 100% of his base salary based on criteria determined by the Compensation Committee of our Board of Directors. We issued Mr. Pickett 50,000 shares of our restricted common stock on June 12, 2001, which vest after he has completed two years of service. In connection with the employment agreement, Mr. Pickett was granted an incentive stock option to purchase 172,413 shares of our common stock and a nonqualified stock option to purchase 627,587 shares of our common stock. The incentive stock option has vested as to 25% of the shares on December 31, 2002; as to an additional 25% after Mr. Pickett completes two years of service; as to an additional 25% ratably on a monthly basis in 2004; and as to the final 25% ratably on a monthly basis in the first six months of 2005, in each case provided Mr. Pickett continues to work for us on the applicable vesting date. The nonqualified stock option will become vested as to 50% of the shares after Mr. Pickett completes two years of service and will become ratably vested as to the remainder of the shares on a monthly basis over the next 24 months of service following that two year anniversary.

If we terminate Mr. Pickett's employment without cause or if he resigns for good reason, he will be entitled to payment of his base salary for a period of 12 months or, if shorter, for the remainder of the term of the agreement. Additionally, Mr. Pickett will be entitled to payment of an amount equal to the

Edgar Filing: OMEGA HEALTHCARE INVESTORS INC - Form DEF 14A

bonus paid in the prior year, payable in 12 monthly installments. Mr. Pickett is required to execute a release of claims against us as a condition to the payment of severance benefits. The vesting of Mr. Pickett's options may be subject to acceleration upon the occurrence of certain events such as termination without cause or resignation for good reason and will become fully vested if, within one year following a change of control, he is terminated without cause or resigns for good reason.

Mr. Pickett is restricted from using any of our confidential information during his employment and for two years thereafter or from using any trade secrets during his employment and for as long thereafter as permitted by applicable law. CERTAIN TRANSACTIONS

Explorer Holdings, L.P.

Explorer owns 1,048,420 shares of Series C preferred stock and 12,539,078 shares of our common stock, representing 54.4% of our outstanding voting power as of February 28, 2003. Daniel A. Decker, our Chairman of the Board of Directors, is a partner of the investment partnership that controls Explorer. Donald J. McNamara, the Chairman of such partnership, is also one of our directors. Christopher W. Mahowald is one of our directors and holds an equity investment in Explorer. Explorer is currently entitled to designate a majority of the members of our Board of Directors pursuant to our Stockholders Agreement with Explorer. (See "Stockholders Agreement with Explorer Holdings, L.P.")

Series C Investment Agreement. Under the terms of an investment agreement dated May 11, 2000 between us and Explorer in connection with Explorer's purchase of Series C preferred stock and an investment agreement dated October 25, 2001 between us and Explorer in connection with Explorer's additional investment, we agreed to reimburse Explorer for its out-of-pocket expenses, up to a maximum amount of \$2.5 million, incurred in connection with the Series C investment and up to \$1.0 million incurred in connection with Explorer's additional investment. To date, we have reimbursed Explorer for approximately \$2.2 million of these expenses including \$0.4 million in 2002.

Advisory Agreement. Under the terms of an amended and restated advisory agreement dated October 4, 2000 between us and an affiliate of Explorer, we have agreed to pay Explorer an advisory fee if such affiliate provides assistance to us in connection with the evaluation of growth opportunities or other financing matters. On June 1, 2001, in connection with such affiliate's agreement to provide certain specified financial advisory, consulting and operational

Edgar Filing: OMEGA HEALTHCARE INVESTORS INC - Form DEF 14A

services, including but not limited to assistance in our efforts to refinance, repay or extend certain indebtedness and assist in efforts to manage our capitalization and liquidity, we agreed to pay such affiliate a fee equal to 1% of the aggregate amount of our indebtedness that is refinanced, repaid or extended, based on the maximum amount available to be drawn in the case of revolving credit facilities, up to a maximum fee of \$3.1 million. Upon the closing of the rights offering and Explorer's investment on February 21, 2002, such affiliate had fulfilled all of its obligations under the agreement and was paid the \$3.1 million.

Direct Expenses. In addition to the Series C Investment costs and the advisory fee costs of \$3.1 million, we agreed to reimburse Explorer for Explorer's direct expenses. To date, we have reimbursed Explorer for approximately \$0.6 million of such direct expenses, including \$12,000 in 2002.

Dividend and Governance Right Deferral. We entered into a dividend deferral letter agreement dated November 15, 2000 with Explorer relating to the extension of the dividend payment payable in connection with our Series C preferred stock for the dividend period ended October 31, 2000. The deferral period expired on April 2, 2001. The amount of the deferred dividend payment was \$4.67 million representing the total unpaid preferential cumulative dividend for the October 2000 dividend. In exchange for the deferral, we also agreed to pay Explorer a fee equal to 10% of the daily unpaid principal balance of the unpaid dividend amount from November 15, 2000 until the dividend was paid. Under certain circumstances, the portion of the unpaid dividend amount and fee which is not paid in cash may be payable with additional shares of Series C preferred stock. Shares of Series C preferred stock issued pursuant to this agreement are valued at \$100 per share, the stated per share liquidation preference, and are convertible into our common stock at \$6.25 per share. In consideration of the payment of the deferral fee, Explorer agreed that the deferral of the subject dividend would not be considered an unpaid dividend and, as a result, the October 31, 2000 dividend period will not be included in the determination of when Explorer's right to elect additional directors will vest. In full payment of our obligations under the dividend deferral letter agreement, we issued 48,420 shares of Series C preferred stock to Explorer on April 2, 2001.

Omega Worldwide

Services Agreement. We entered into a services agreement with Omega Worldwide, Inc. ("Worldwide") which provided for the allocation of indirect costs incurred by us to Worldwide. The allocation of indirect costs was based on the relationship of assets under our management to the combined total of those assets and assets under Worldwide's management. Upon expiration of this agreement on June 30, 2000, we entered into a new agreement requiring quarterly payments from Worldwide of \$37,500 for the use of offices and administrative and financial services provided by us. Upon the reduction of our accounting staff, the services agreement was renegotiated again on November 1, 2000 requiring quarterly payments from Worldwide of \$32,500. Costs allocated to Worldwide for 2001 and 2000 were \$130,000 and \$404,000, respectively. The former services agreement expired in November 2001.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will be given the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions from stockholders at the Annual Meeting.

The aggregate fees billed by Ernst & Young LLP for professional services rendered to our company for the audit of the company's annual financial statements for fiscal year 2001 and 2002 and the reviews of the financial statements included in the company's Forms 10-Q for fiscal years 2001 and 2002 were approximately \$193,000 and \$216,000, respectively.

Audit-Related Fees

The aggregate fees billed by Ernst & Young LLP for professional services to our company relating to employee benefit audits, due diligence related to mergers and acquisitions, accounting consultations and audits in connection with acquisitions, internal control reviews, attest services that are not required by statute or regulation and consultation concerning financial accounting and reporting standards, taken as a whole, were \$0 for fiscal years 2001 and 2002.

Tax Fees

Edgar Filing: OMEGA HEALTHCARE INVESTORS INC - Form DEF 14A

The aggregate fees billed by Ernst & Young LLP for professional services to our company relating to tax compliance, tax planning and tax advice, taken as a whole, were approximately \$174,000 and \$149,000 for fiscal years 2001 and 2002, respectively.

We reimbursed certain fees and expenses of an investment banking firm selected to act as placement agent in connection with a planned commercial mortgage-backed securities ("CMBS") transaction pursuant to our agreement with the placement agent. We were unable to complete the proposed CMBS transaction due to the impact on our operators resulting from reductions in Medicare reimbursement and concerns about potential Medicaid rate reductions. The placement agent engaged the transaction support group based in a different office of Ernst & Young LLP to provide the placement agent with certain procedures agreed upon by Ernst & Young LLP and the placement agent. Among the placement agent expenses that were reimbursed by us were \$1.2 million for services provided to the placement agent by Ernst & Young LLP.

Determination of Auditor Independence

The Audit Committee has considered the provision of non-audit services by our principal accountants and has determined that the provision of such services was consistent with maintaining the independence of Ernst & Young LLP.

Audit Committee's Pre-Approval Policies

The Audit Committee's current practice is to pre-approve all audit services and all permitted non-audit services to be provided to our company by our independent auditor; provided, however pre-approval requirements for non-audit services are not required if all such services (1) do not aggregate to more than 5% of total revenues paid by us to our accountant in the fiscal year when services are provided; (2) were not recognized as non-audit services at the time of the engagement; and (3) are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee.

STOCKHOLDER PROPOSALS

November 7, 2003 is the date by which proposals of stockholders intended to be presented at the 2004 Annual Meeting of Stockholders must be received by us for inclusion in our proxy statement and form of proxy relating to that meeting.

In addition, our Bylaws provide that in order for business to be brought before the Annual Meeting, a stockholder must deliver or mail written notice to our Secretary at our principal executive office not less than 60 days nor more than 90 days prior to the first anniversary of the preceding year's Annual Meeting, provided, however, that if the date of the Annual Meeting is advanced by more than 30 days or delayed by more than 60 days from such anniversary date, notice must be delivered not more than 90 days prior to such Annual Meeting nor less than 60 days prior to such Annual Meeting or if later, not later than the close of business on the tenth day following the day on which the date of such meeting is publicly announced. The notice must state the stockholder's name, address, class and number of shares of our stock and briefly describe the business to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest of the stockholder and of the beneficial owner, if any, on whose behalf the proposal is made. The notice must also include a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person pursuant to which the nominations are to be made by such stockholder, a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the person named in the notice, and the consent of the nominee to serve as a director.

EXPENSES OF SOLICITATION

The total cost of this solicitation will be borne by us. In addition to use of the mails, proxies may be solicited by our directors, officers and regular employees of Omega personally and by telephone, telex or facsimile. We may reimburse persons holding shares in their own names or in the names of the nominees for expenses such persons incur in obtaining instructions from beneficial owners of such shares. We have also engaged Georgeson Shareholder Communications, Inc. to solicit proxies for a fee not to exceed \$10,000, plus out-of-pocket expenses.
