Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

Under The Taubman Centers, Inc. Non-Employee Directors' Deferred Compensation Plan, each non-employee director may defer the receipt of all or a portion of his or her director retainer (cash and stock) until the earlier of the termination of such director's service on the Company's Board of Directors and upon a change of control. Such deferred compensation is denominated in restricted stock units, and the number of restricted stock units received equals the deferred retainer fee divided by the fair market value of the Company's common stock on the business day immediately before the date the director would otherwise have been entitled to receive the retainer fee. The shares referred to above represent the quarterly retainer fee, which has been deferred in full.

The restricted stock units represent the right to receive equivalent shares of common stock at the end of the deferral period, and each director's account is 100% vested at all times. Therefore, the reporting person has elected to report the deferral as shares of common stock received on the grant date.

Under The Taubman Centers, Inc. Non-Employee Directors' Deferred Compensation Plan, each director's account is credited with dividend equivalents on the deferred restricted stock units when the Company pays cash dividends on its common stock, and such dividend equivalents are denominated in additional restricted stock units based on the fair market value of the Company's common stock on the business day immediately before the record date of the applicable dividend payment. The receipt of such dividends since the last Form 4 filing has been reflected in the column entitled 'amount of securities beneficially owned following reported transaction(s)', but has not been reported as a separate transaction.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
