99.1 Press release issued by CIT Group Inc. on October 20, 2005.

This document contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. All forward-looking statements (including statements regarding future financial and operating results) involve risks, uncertainties and contingencies, many of which are beyond CIT's control, which may cause actual results, performance, or achievements to differ materially from anticipated results, performance, or achievements. All statements contained in this document that are not clearly historical in nature are forward-looking, and the words "anticipate," "believe," "expect," "estimate," "plan," and similar expressions are generally intended to identify forward-looking statements. Economic, business, funding market, competitive and/or regulatory factors, among others, affecting CIT's businesses are examples of factors that could cause actual results to differ materially from those described in the forward-looking statements. More detailed information about these factors are described in CIT's filings with the Securities and Exchange Commission, including its Annual Report on Form 10-K for the year ended December 31, 2004.
