Item 5. Interests of Named Experts and Counsel.

Lawrence N. Fisher, Esq., Fluor's Chief Legal Officer, has passed upon the validity of the Fluor common stock being registered hereby. Mr. Fisher is an executive officer of Fluor and holds shares of Fluor common stock.

Item 6. Indemnification of Directors and Officers.

The General Corporation Law of the State of Delaware provides in general that a director or officer of a corporation (a) shall be indemnified by the corporation for all expenses of litigation or other legal proceedings when he is successful on the merits, (b) may be indemnified by the corporation for the expenses, judgments, fines and amounts paid in settlement of such litigation (other than a derivative suit) even if he is not successful on the merits if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation (and, in the case of a criminal proceeding, had no reasonable cause to believe his conduct was unlawful), and (c) may be indemnified by the corporation for expenses of a derivative suit (a suit by a stockholder alleging a breach by a director or officer of a duty owed to the corporation), even if he is not successful on the merits, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, provided that no such indemnification may be made in accordance with this clause (c) if the director or officer is adjudged liable to the corporation, unless a court determines that, despite such adjudication but in view of all the circumstances, he is entitled to indemnification of such expenses. The indemnification described in clauses (b) and (c) above shall be made only upon order by a court or a determination by (x) a majority of a quorum of disinterested directors, (y) under certain circumstances, independent legal counsel, or (z) the stockholders, that indemnification is proper because the applicable standard of conduct is met. Expenses incurred by a director or officer in defending an action may be advanced by the corporation prior to the final disposition of such action upon receipt of an undertaking by such director or officer to repay such expenses if it is ultimately determined that he is not entitled to be indemnified in connection with the proceeding to which the expenses related.

Fluor's Amended and Restated Certificate of Incorporation includes provisions that:

1. Eliminate, to the fullest extent permitted by Delaware law, director liability for monetary damages for breaches of fiduciary duty; and
2. Require that directors and officers be indemnified to the fullest extent permitted by Delaware law.

Item 7. Exemption from Registration Claimed.

Not applicable.
