Only stockholders of record at the close of business on April 9, 2002, are entitled to vote at the meeting, or at any adjournment of the meeting. A complete list of those stockholders will be open to the examination of any stockholder at our principal executive offices at 170 Williams Drive, Ramsey, New Jersey 07446, for a period of 10 days prior to the meeting. The meeting may be adjourned from time to time without notice other than by announcement at the meeting.

WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING IN PERSON, PLEASE COMPLETE, DATE AND SIGN THE ENCLOSED PROXY CARD AND MAIL IT PROMPTLY IN THE ENCLOSED RETURN ENVELOPE. THE PROMPT RETURN OF PROXIES WILL INSURE A QUORUM AND SAVE ALTEON THE EXPENSE OF FURTHER SOLICITATION. PROXY STATEMENT

We are furnishing this Proxy Statement in connection with our Annual Meeting of Stockholders to be held on June 5, 2002, at the Sheraton Crossroads Hotel, One International Boulevard, Mahwah, New Jersey 07430, at 9:00 A.M., local time, and at any adjournment or adjournments thereof. Stockholders of record at the close of business on April 9, 2002, will be entitled to vote at

## Edgar Filing: ALTEON INC /DE - Form DEF 14A

the meeting and at any adjournment of the meeting. As of April 9, 2002, there were 31,799,867 shares of common stock issued and outstanding and entitled to vote. Each share of common stock is entitled to one vote on any matter presented at the meeting.

You may vote in person at the meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

Alteon's Board of Directors is asking for your proxy. Giving us your proxy by properly signing and returning the accompanying proxy card means you authorize us to vote your shares at the meeting in the manner you direct. You may vote for all, one or none of our director candidates. We will vote as you direct.

If you properly sign and return the enclosed proxy card but do not specify how to vote, we will vote your shares (i) FOR the election of the nominees named below as directors; and (ii) in the discretion of the persons named in the enclosed form of proxy, on any other proposals which may properly come before the meeting or any adjournment of the meeting.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. However, if you hold shares through someone else, such as a stockbroker, you may receive material from them asking how you want to vote. Each proxy card should be signed and returned to assure that all of your shares are voted.

You may revoke your proxy any time before it is voted by submitting a new proxy with a later date, by voting in person at the meeting or by notifying Alteon's Secretary in writing. However, your mere presence at the meeting does not revoke the proxy.

In order to carry on the business of the meeting, we must have a quorum. This means the holders of at least a majority of our common stock must be represented at the meeting, either by proxy or in person. Votes that are withheld and broker non-votes will be counted for purposes of determining the presence or absence of a quorum.

The three nominees receiving the most votes will be elected to fill the seats on the Board. All other actions considered at the meeting, including an adjournment, may be taken upon the favorable vote of a majority of the votes present in person or represented by proxy at the meeting. Only votes for or against a proposal count. Brokers may submit proxies that do not indicate a vote for a proposal because such brokers do not have discretionary voting authority on the proposal and have not received instructions from their customers on that proposal (i.e., broker non-votes). These broker non-votes are not considered to be shares present for the purpose of calculating the vote on a proposal and will not affect the outcome of such a proposal.

This Proxy Statement, together with the related proxy card, is being mailed to you on or about April 24, 2002. Our Annual Report to Stockholders for the year ended December 31, 2001, including financial statements, is being mailed concurrently with this Proxy Statement to all stockholders of record as of April 9, 2002. In addition, we have provided brokers, dealers, banks, voting trustees and their nominees, at our expense, with additional copies of the Annual Report so that they may supply the material to beneficial owners as of April 9, 2002.

### COMMITTEES AND MEETINGS OF THE BOARD

The Board of Directors has a Compensation Committee, which reviews salaries and incentive compensation for employees of and consultants to Alteon, and an Audit Committee, which reviews the results and scope of the audit and other services provided by our independent auditors. In 2001, the Audit and Compensation Committees were comprised of Marilyn G. Breslow, Alan J. Dalby, Edwin D. Bransome, Jr., M.D., David McCurdy, George M. Naimark, Ph.D., Mark Novitch, M.D., and Thomas A. Moore (who served from the date of his election to the Board in October 2001). All of the members of the Audit Committee are independent, as such term is defined by Section 121 of the American Stock Exchange listing standards. The Audit Committee and Compensation Committee each held two meetings during the year ended December 31, 2001. There were nine meetings of the Board of Directors in 2001. With the exception of Ms. Breslow, Mr. Moore and Mr. McCurdy, each of the incumbent directors attended at least 75% of the aggregate of (1) the total number of meetings of the Board of Directors (held during the period for which he or she was a director) and (2) the total number of meetings held by all committees of the Board on which he or she served during the periods that he or she served. We have adopted a written charter for the Audit Committee.

### COMPENSATION OF DIRECTORS

All of the directors are reimbursed for their expenses for each Board and

committee meeting attended. Directors who are not compensated as Alteon employees receive \$1,500 per meeting for their service to the Board. Non-compensated directors also receive, upon the date of their election or re-election to the Board and on the dates of the next two Annual Meetings of Stockholders (subject to their continued service on the Board of Directors), a stock option to purchase 20,000 shares of common stock (subject to adjustment if they received stock options upon appointment to the Board between Annual Meetings of Stockholders to fill a vacancy or newly created directorship) at an exercise price equal to the fair market value of the common stock on the date of grant. Each of these options will vest and become exercisable on the date of Alteon's first Annual Meeting of Stockholders following the date of grant, subject to the director's continued service on the Board.

On December 15, 1998, Dr. Novitch entered into a two-year agreement with Alteon regarding his service as Chairman of the Board, pursuant to which he received \$60,000 a year, payable in monthly installments, and an option to purchase 200,000 shares of common stock at an exercise price of \$0.875 per share. Effective December 2000, this agreement was amended to, among other things, extend the term to June 30, 2001. Under the amended agreement, Dr. Novitch was granted an option to purchase an additional 50,000 shares at an exercise price of \$7.00 per share, and continued to receive \$60,000 per year, payable in monthly installments, until his retirement as Chairman of the Board in June 2001.

## COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

### General Policies

The Compensation Committee (the "Committee") of the Board of Directors is responsible for establishing and monitoring the general compensation policies and compensation plans of Alteon, as well as the specific compensation levels for executive officers. The Committee also acts as the Administrator under Alteon's Amended and Restated 1987 Stock Option Plan and Amended 1995 Stock Option Plan, and, from time to time, grants options under such Plans.

Under the supervision of the Committee, Alteon has developed and implemented compensation policies, plans and programs which (1) provide a total compensation package which is intended to be competitive within the industry so as to enable Alteon to attract and retain high-caliber executive personnel, and (2) seek to align the financial interests of Alteon's employees with those of its stockholders by relying heavily on long-term incentive compensation that is tied to performance.

The primary components of executive compensation include base salary and long-term equity incentives in the form of stock options. Alteon relies on long-term incentive compensation (i.e., stock options) to motivate the executive officers and other employees. This allows Alteon to retain cash for research and development projects. In determining the size of stock option grants to individual executives, the Committee considers a number of factors, including the following: the level of an executive's job responsibilities; the executive's past performance; the size and frequency of grants by comparable companies; the executive's salary level; the need to provide incentive for the purpose of retaining qualified personnel in light of our current conditions and prospects; the size of any prior grants; and the achievement of designated milestones by the executive. The Committee assigns no specific weight to any of the foregoing (other than achievement of designated milestones by the executive in cases where the executive's employment agreement provides for a grant of a specific size upon achievement of the milestone) when making determinations as to the size of stock option grants.

Executive officers are also eligible to earn an annual cash incentive award, the amount of which is based upon (1) the position level of the executive officer, and (2) the attainment of specific individual non-financial performance objectives. The Committee sets the performance objectives at the beginning of the fiscal year.

## Edgar Filing: ALTEON INC /DE - Form DEF 14A

The Chief Executive Officer is responsible for the development of the annual salary plan for executive officers other than himself. The plan is based on industry and peer group comparisons and national surveys and

7

on performance judgments as to the past and expected future contributions of the individuals. To maintain a competitive level of compensation, Alteon targets base salary at the upper percentiles of a comparative group composed of other biotechnology companies. Base salary may exceed this level as a result of individual performance. The Committee reviews the annual plan and makes recommendations to the Board of Directors, with any modifications it deems appropriate. The Committee believes it has established executive compensation levels which are competitive with companies in the industry, taking into account individual experience, performance of both Alteon and the individual, company size, location and stage of development.

### Compensation of the Chief Executive Officer

Mr. Moch's compensation was determined on the basis of his expertise and experience, which include over 20 years of experience in the biotechnology and venture capital fields. Mr. Moch received a base salary of \$326,025 in 2001. In connection with the extension of his employment agreement to December 2004, Mr. Moch received options to purchase 500,000 shares of Alteon's common stock at an exercise price of \$2.60 per share, which was the fair market value of Alteon's common stock on the date of grant. Of the total number of shares underlying this option, 300,000 vest in equal monthly installments over a thirty-six month period, and 200,000 vest in a lump sum in December 2006, subject to accelerated vesting in the event that the average fair market value for the Company's common stock reaches certain specified target prices. The Committee believes that Mr. Moch's compensation arrangements reflect the compensation package necessary to retain his services for Alteon in light of Alteon's current condition and prospects and is commensurate with his expertise and experience as well as with compensation offered by comparable biotechnology companies.

Effective January 1, 1994, the Internal Revenue Code does not permit corporations to deduct payment of certain compensation in excess of \$1,000,000 to the chief executive officer and the four other most highly paid executive officers. All compensation paid to our executive officers for 2001 will be fully deductible, and the Committee anticipates that amounts paid as cash compensation will continue to be fully deductible because the amounts are expected to be less than the \$1,000,000 threshold. Under certain circumstances, the executive officers may realize compensation upon the exercise of stock options granted under our stock option plans which would not be deductible by Alteon. Alteon expects to take such action as is necessary to qualify its stock option plans as "performance-based compensation," which is not subject to the limitation, if and when the Committee determines that the effect of the limitation on deductibility warrants such action.

### AUDIT COMMITTEE REPORT

The Audit Committee is responsible for reviewing the results and scope of the audit and other services provided by Alteon's independent accountant. Management is responsible for Alteon's financial reporting process including its system of internal control and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. Alteon's independent accountant is responsible for auditing those financial statements.

The Audit Committee's responsibility is to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The members of the Audit Committee are not employees of Alteon and are not accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, the Audit Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent accountant included in its report on Alteon's financial statements. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent accountant do not assure that Alteon's financial statements are presented in accordance with generally accepted accounting principles, that the audit of Alteon's financial statements has been carried out in accordance with generally accepted auditing standards or that Alteon's independent accountant is in fact "independent."

The Audit Committee has reviewed Alteon's audited annual financial statements for the year ended December 31, 2001, and the related report by Arthur Andersen LLP, Alteon's independent accountant, and has discussed the audited financial statements and report with management and with the independent accountant. The Audit Committee has also discussed with management and the independent accountant the matters required to be discussed by Statement on Auditing Standards 61, as currently in effect. These matters include significant accounting policies, management judgments and accounting estimates, management's consultation with other accountants, and any difficulties encountered in performing the audit, significant audit adjustment or disagreements with management.

As required by Independence Standards Board Standard No. 1, as currently in effect, Arthur Andersen LLP has disclosed to the Audit Committee any relationships between it (and its related entities) and Alteon (and its related entities), which, in its professional judgment may reasonably be thought to affect its ability to be independent. In addition, Arthur Andersen LLP has discussed its independence with the Audit Committee and confirmed in a letter to the Audit Committee that, in its professional judgment, it is independent of Alteon within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934.

Based on the review and discussions described above, the Audit Committee recommended to Alteon's Board of Directors that the audited financial statements be included in Alteon's annual report on Form 10-K for the fiscal year ended December 31, 2001, for filing with the Securities and Exchange Commission.

#### EMPLOYMENT AGREEMENTS AND TERMINATION OF EMPLOYMENT ARRANGEMENTS WITH EXECUTIVE OFFICERS

Kenneth I. Moch entered into a three-year amended and restated employment agreement with Alteon as of December 15, 1998. By letter agreement dated December 3, 2001, the term of Mr. Moch's amended and restated employment agreement was extended for an additional three years to December 15, 2004. Pursuant to this letter agreement, Mr. Moch received stock options to purchase an aggregate of 500,000 shares of our

10

common stock. Under the amended and restated employment agreement, Mr. Moch serves as our Chief Executive Officer and is entitled to an annual salary of \$300,000 (subject to annual review by the Board of Directors) plus an annual bonus of up to \$150,000 awarded at the discretion of the Board of Directors.

Robert C. deGroof, Ph.D., entered into a three-year employment agreement with Alteon as of March 14, 2000. Under the employment agreement, Dr. deGroof is

## Edgar Filing: ALTEON INC /DE - Form DEF 14A

entitled to an annual salary of \$200,000 (subject to annual review by the Board of Directors) plus an annual bonus of up to \$25,000 awarded at the discretion of the Board of Directors. Pursuant to the agreement, on March 14, 2000, Dr. deGroof received stock options to purchase an aggregate of 250,000 shares of our common stock.

As of October 21, 2000, Elizabeth A. O'Dell entered into a new employment agreement with Alteon. Under the terms of this agreement, which is due to expire on December 31, 2003, she is entitled to an annual salary of \$150,800 for the calendar year 2001. For periods after December 31, 2001, Ms. O'Dell's salary will be subject to annual review by the Board of Directors. Ms. O'Dell is also eligible, at the discretion of the Board of Directors, to receive an annual cash bonus of up to \$5,000.

In addition to provisions in the above-described agreements requiring each individual to maintain the confidentiality of our information and assign inventions to us, such executive officers have agreed that during the terms of their agreements and for one year thereafter, they will not compete with Alteon by engaging in any capacity in any business which is competitive with our business. The employment agreements of Mr. Moch, Dr. deGroof and Ms. O'Dell provide that either party may terminate the agreement upon 30 days' prior written notice, subject to a salary continuation obligation of Alteon if it terminates the agreements without cause. Mr. Moch will receive a 12-month salary continuation and Dr. deGroof and Ms. O'Dell will receive a six-month salary continuation under such circumstances.

All employment agreements between Alteon and its Vice Presidents provide that all unvested stock options held by such Vice Presidents will vest and become exercisable immediately in the event of a change in control of Alteon.

### CHANGE IN CONTROL SEVERANCE BENEFITS PLAN

In February 1996, we adopted the Alteon Inc. Change in Control Severance Benefits Plan to protect and retain qualified employees and to encourage their full attention, free from distractions caused by personal uncertainties and risks in the event of a pending or threatened change in control of Alteon. The Severance Plan provides for severance benefits to employees upon certain terminations of employment after or in connection with a change in control of Alteon as defined in the Severance Plan. Following a qualifying termination that occurs as a result of a change in control, officers of Alteon will be entitled to continuation of (i) their base salary for a period of 24 months, and (ii) all benefit programs and plans providing for health and insurance benefits for a period of up to 18 months. In addition, upon a change in control of Alteon, all outstanding unexercisable stock options held by employees will become exercisable.

### 401(k) PLAN

We have a tax-qualified employee savings and retirement plan (the "401(k) Plan") covering all of our employees. Pursuant to the 401(k) Plan, employees may elect to reduce their current compensation by up to the statutorily prescribed annual limit (\$11,000 in 2002) and have the amount of such reduction contributed to the 401(k) Plan. The 401(k) Plan does not require that we make additional matching contributions to the 401(k) Plan on behalf of participants in the 401(k) Plan. However, in 1998, we began making discretionary contributions at a rate of 25% of employee contributions up to a maximum of 5% of their base salary. Contributions by employees to the 401(k) Plan and income earned on such contributions are not taxable to employees until withdrawn from the 401(k) Plan. The Trustees under the 401(k) Plan, at the direction of each participant, invest the assets of the 401(k) Plan.

### INDEPENDENT PUBLIC ACCOUNTANTS

Arthur Andersen LLP served as our independent public accountants for the fiscal year ended December 31, 2001. In light of recent, well-publicized events involving Arthur Andersen LLP, the Audit Committee and the Board of Directors are considering whether or not to continue to work with Arthur Andersen LLP and, accordingly, have decided not to seek stockholder ratification of the selection of Arthur Andersen LLP as the Company's independent public accountants. Stockholder ratification of the selection of the Company's

13

independent public accountants is not required by the Company's bylaws or other applicable legal requirements; however, the Board of Directors currently intends to seek stockholder ratification of its selection of independent public accountants for the fiscal year ending December 31, 2003 at the Company's 2003 Annual Meeting of Stockholders.

One or more representatives of Arthur Andersen LLP is expected to attend the meeting and have an opportunity to make a statement and/or respond to appropriate questions from stockholders.

### AUDIT FEES

The aggregate fees billed to Alteon by Arthur Andersen LLP for the review of our annual financial statements, and the financial statements included in our quarterly reports on Form 10Q, for the fiscal year ended December 31, 2001, totaled \$47,000.

### FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

We did not engage Arthur Andersen LLP to provide advice to us regarding financial information systems design and implementation during the fiscal year ended December 31, 2001.

### ALL OTHER FEES

The aggregate fees billed to Alteon by Arthur Andersen LLP during the fiscal year ended December 31, 2001, for non-audit services (including tax related services), totaled \$69,500.

## Edgar Filing: ALTEON INC /DE - Form DEF 14A

The Audit Committee has determined that the provision of non-audit services is compatible with maintaining Arthur Andersen LLP's independence.

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission ("SEC"). Officers, directors and greater than 10% stockholders are required by SEC regulation to furnish Alteon with copies of all Forms 3, 4 and 5 they file.

Based solely on our review of the copies of such forms we have received and written representations from certain reporting persons that they were not required to file Forms 5 for specified fiscal years, we believe that all our officers, directors, and greater than 10% beneficial owners complied with all filing requirements applicable to them with respect to transactions during fiscal 2001, except that Thomas Moore inadvertently failed to timely report a transaction involving the purchase of stock, which was later reported on a Form 5.

### STOCKHOLDERS' PROPOSALS

Stockholders deciding to submit proposals for inclusion in our proxy statement and form of proxy relating to the 2003 Annual Meeting of Stockholders must advise the Secretary of Alteon of such proposals in writing by December 23, 2002. Any stockholder intending to propose a matter at the 2003 Annual Meeting of Stockholders, but not intending for Alteon to include the matter in its proxy statement or form of proxy relating to such meeting, must advise the Secretary of Alteon of such intention in writing at least 20 days prior to the date of such meeting. If Alteon does not receive such notice by that date, the notice will be considered untimely. Our proxy for the 2003 Annual Meeting of Stockholders will grant discretionary authority to the persons named therein to exercise their voting discretion with respect to any matter of which Alteon does not receive timely notice.

14

### OTHER MATTERS

The Board of Directors is not aware of any matter to be presented for action at the meeting other than the matters referred to above and does not intend to bring any other matters before the meeting. However, if other matters should properly come before the meeting, it is intended that holders of the proxies will vote thereon in their discretion.

### GENERAL

The accompanying proxy is solicited by and on behalf of the Board of Directors of Alteon, whose notice of meeting is attached to this Proxy Statement, and the entire cost of such solicitation will be borne by Alteon.

In addition to the use of the mails, proxies may be solicited by personal interview, telephone and telegram by directors, officers and other employees of Alteon who will not be specially compensated for these services. The Company has retained the services of Registrar and Transfer Company to assist in the proxy solicitation at a fee estimated to be \$20,000. We will also request that brokers, nominees, custodians and other fiduciaries forward soliciting materials to the beneficial owners of shares held of record by such brokers, nominees, custodians and other fiduciaries. We will reimburse such persons for their

reasonable expenses in connection therewith.

Certain information contained in this Proxy Statement relating to the occupations and security holdings of directors and officers of Alteon is based upon information received from the individual directors and officers.
