PART III - NARRATIVE

An individual customarily responsible for assisting in the preparation of Registrant's periodic reports (including Form 10-QSB) was injured during July and only recently (during the second week of August, 2002) has recovered sufficiently to return to work on a part-time basis and participate in the preparation of Registrant's Form 10-QSB for the quarter ended June 30, 2002. In view of the recent adverse publicity concerning a number of Issuers whose reports pursuant to the Securities Exchange Act of 1934 contained errors, and the recent passage of the Sarbanes-Oxley Act of 2002, Registrant has determined that it is desirable for the subject filing to be minimally delayed in order for such individual to participate fully in its preparation.
