**Item 2. Acquisition or Disposition of Assets**

On September 2, 2003, Select Medical Corporation ( Select ) completed its previously announced acquisition of all of the outstanding shares of capital stock of Kessler Rehabilitation Corporation, a Delaware corporation ( Kessler ), from Henry H. Kessler Foundation, Inc., a New Jersey non-profit organization (the Foundation ), for approximately \$228.3 million in cash and \$1.7 million of assumed indebtedness, pursuant to a Stock Purchase Agreement, dated as of June 30, 2003, by and among Select, Kessler and the Foundation, as amended August 29, 2003 (the Stock Purchase Agreement ). The purchase price may be adjusted either upward or downward pursuant to a post-closing working capital adjustment depending upon whether Kessler s working capital is less than or greater than a target amount on the closing balance sheet. In addition, if during the eighteen months following the acquisition, Kessler collects accounts receivable in excess of the net accounts receivable reflected on the closing balance sheet, Select will pay to the Foundation 60% of such excess, net of any expenses of collection. The amount of the consideration was derived through arm s length negotiations. Select funded the acquisition with the proceeds from the sale of its 7 1/2% Senior Subordinated Notes due 2013 and cash on hand. The closing of the acquisition was effective as of 11:59 p.m. on August 31, 2003.

Kessler offers inpatient rehabilitation services through four free-standing rehabilitation hospitals in New Jersey and one rehabilitation hospital joint venture in Maryland, and outpatient rehabilitation services through 92 outpatient rehabilitation clinics in New Jersey, Massachusetts, Pennsylvania, Delaware, Maryland, Virginia, North Carolina, Georgia, Florida and Illinois. Kessler also operates a long-term care facility located in New Jersey. Kessler offers onsite rehabilitation services to individuals in third-party institutions such as nursing homes, hospitals, assisted living facilities, schools and the workplace. Kessler also offers home medical equipment, orthotics, prosthetics, oxygen and ventilator systems and infusion/intravenous services.

The above description of Select s acquisition of Kessler is a summary and as such is not intended to be complete. It is subject to, and qualified in its entirety by reference to, the Stock Purchase Agreement, which is attached as Exhibits 2.1 and 2.2 hereto and incorporated herein by reference.
