A Special Meeting of Stockholders of Alteon Inc., a Delaware corporation, will be held at the Mack-Cali Business Campus, 4 Gatehall Drive, Parsippany, New Jersey 07054, on September 15, 2004, at 9:00 A.M., local time, for the following purposes:

- (1) To consider and vote upon a proposal to amend our certificate of incorporation to increase the number of authorized shares of common stock from 100,000,000 to 175,000,000; and
- (2) To transact such other business as may properly come before the meeting or any adjournment or adjournments thereof.

Only stockholders of record at the close of business on August 2, 2004, are entitled to vote at the meeting, or at any adjournment of the meeting. A complete list of those stockholders will be open to the examination of any stockholder at our principal executive offices at 6 Campus Drive, Parsippany, New Jersey 07054, for a period of 10 days prior to the meeting. The meeting may be adjourned from time to time without notice other than by announcement at the meeting.

WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING IN PERSON, PLEASE COMPLETE, DATE AND SIGN THE ENCLOSED PROXY CARD AND MAIL IT PROMPTLY IN THE ENCLOSED RETURN ENVELOPE. THE PROMPT RETURN OF PROXIES WILL INSURE A QUORUM AND SAVE ALTEON THE EXPENSE OF FURTHER SOLICITATION. IF YOU RECEIVE MORE THAN ONE PROXY CARD BECAUSE YOUR SHARES ARE REGISTERED IN DIFFERENT NAMES OR ADDRESSES, EACH SUCH PROXY CARD SHOULD BE SIGNED AND RETURNED TO ASSURE THAT ALL OF YOUR SHARES WILL BE VOTED.

PROXY STATEMENT

We are furnishing this Proxy Statement in connection with our Special Meeting of Stockholders to be held on September 15, 2004, at the Mack-Cali Business Campus, 4 Gatehall Drive, Parsippany, New Jersey 07054, at 9:00 A.M., local time, and at any adjournment or adjournments thereof. Stockholders of

Edgar Filing: ALTEON INC /DE - Form DEF 14A

record at the close of business on August 2, 2004, will be entitled to vote at the meeting and at any adjournment of the meeting. As of August 2, 2004, there were 48,472,898 shares of common stock issued and outstanding and entitled to vote. Each share of common stock is entitled to one vote on any matter presented at the meeting.

You may vote in person at the meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

Alteon's Board of Directors is asking for your proxy. Giving us your proxy by properly signing and returning the accompanying proxy card means you authorize us to vote your shares at the meeting in the manner you direct. We will vote as you direct.

If you properly sign and return the enclosed proxy card but do not specify how to vote, we will vote your shares (i) FOR the approval of the amendment to our certificate of incorporation to increase the number of authorized shares of common stock from 100,000,000 to 175,000,000, and (ii) in the discretion of the persons named in the enclosed form of proxy, on any other proposals which may properly come before the meeting or any adjournment of the meeting.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. However, if you hold shares through someone else, such as a stockbroker, you may receive material from them asking how you want to vote. Each proxy card should be signed and returned to assure that all of your shares are voted.

You may revoke your proxy any time before it is voted by submitting a new proxy with a later date, by voting in person at the meeting or by notifying Alteon's Secretary in writing. However, your mere presence at the meeting does not revoke the proxy.

In order to carry on the business of the meeting, we must have a quorum. This means the holders of at least a majority of our common stock must be represented at the meeting, either by proxy or in person. Votes that are withheld and broker non-votes will be counted for purposes of determining the presence or absence of a quorum.

The proposed amendment to our certificate of incorporation must be approved by the affirmative vote of the holders of at least a majority of the outstanding shares of our common stock. Only votes cast "for" the matter will constitute affirmative votes. Votes withheld or abstentions, because they are not cast "for" the proposal, will have the same effect as negative votes or votes cast "against" the proposal. Proxies submitted by brokers that do not indicate a vote for the proposal because such brokers do not have discretionary voting authority on the proposal and have not received instructions from their customers on the proposal (i.e., broker non-votes) will have the same effect as a vote against the proposal to amend our certificate of incorporation because the proposal requires the affirmative vote of a majority of the outstanding shares of our common stock. The vote required to approve any other matter that may be properly brought before the meeting will be determined in accordance with the Delaware General Corporation Law. To the extent that any proposal considered at the meeting, including an adjournment, may be taken upon the favorable vote of a majority of the votes present in person or represented by proxy at the meeting, broker non-votes will not be considered to be shares present for the purpose of calculating the vote on such proposals and will not affect the outcome of proposals which require the affirmative vote of a majority of shares represented at the meeting.

This Proxy Statement, together with the related proxy card, is being mailed to you on or about August 11, 2004.

APPROVAL OF AMENDMENT
TO OUR CERTIFICATE OF INCORPORATION
TO INCREASE THE AUTHORIZED NUMBER OF SHARES
OF COMMON STOCK FROM 100,000,000 SHARES TO 175,000,000 SHARES

The Board of Directors has adopted a resolution recommending that the stockholders consider and adopt at the meeting an amendment to Article FOURTH of Alteon's certificate of incorporation. The proposed amendment would increase the number of authorized shares of common stock, \$.01 par value per share, from 100,000,000 to 175,000,000 shares.

For the reasons described below, the Board of Directors believes that the proposed amendment is in the best interests of Alteon and its stockholders. If the amendment is approved, it will become effective upon the filing of a certificate of amendment to the certificate of incorporation with the Secretary of State of Delaware. The text of the proposed amended Article FOURTH is set forth below:

FOURTH: The total number of shares of all classes of stock which the Corporation shall have authority to issue is 176,993,329 shares. The Corporation is authorized to issue two classes of stock designated "Common Stock" and "Preferred Stock," respectively. The total number of shares of Common Stock authorized to be issued by the Corporation is 175,000,000, and each such share of Common Stock shall have a par value of \$.01 per share. The total number of shares of Preferred Stock authorized to be issued by the Corporation is 1,993,329 and each such share shall have a par value of \$.01 per share."

We will require additional funding to complete our ongoing clinical trials and to implement our business plan and expect to raise the required capital through, among other means, the sale of our common stock. Because the number of shares of common stock which we are required to reserve for issuance upon the conversion of our outstanding Series G Preferred Stock and Series H Preferred Stock varies inversely with the market price of our common stock, in light of the recent price of Alteon's common stock and the current market environment, we may not have sufficient authorized common stock to meet both our financing needs and our obligations to reserve shares of common stock. Accordingly, the Board of Directors believes that it is in the best interest of Alteon to increase the authorized common stock at this time so that we may issue such stock from time to time to raise the required capital without the costs and delays incident to obtaining stockholder approval at the time of such issuance.

Except as described in this paragraph, we have not entered into any arrangements or understandings whereby we would be required to issue any of the additional shares of common stock for which authority is now sought. We recently completed the sale of 8,000,000 shares of our common stock and have agreed to sell to the purchasers of those shares an additional 3,200,000 shares of our common stock if those purchasers so elect prior to December 31, 2004. In addition, depending on the market price of our common stock, we may issue the additional shares upon the conversion of our Series G Preferred Stock and Series H Preferred Stock and the exercise of currently outstanding warrants.

In the future, we may also issue the additional shares of common stock in connection with the acquisition of the share or assets of other corporations, stock splits or dividends, dividend reinvestment programs and employee benefit plans.

As of July 7, 2004, there were 48,472,898 shares of common stock issued and

Edgar Filing: ALTEON INC /DE - Form DEF 14A

outstanding. We have reserved additional shares of common stock in connection with the conversion of our outstanding preferred stock, the exercise of outstanding warrants and the exercise of options granted under our Amended and Restated 1987 Stock Option Plan and Amended 1995 Stock Option Plan. As described above, in the opinion of the Board of Directors, the remaining authorized and unissued shares of common stock may not be sufficient to meet our capital needs based on the recent price of Alteon's common stock and the current market environment.

The newly authorized shares of common stock, which will be identical to the shares of common stock presently authorized, may be issued for such consideration as shall be authorized from time to time by the Board of Directors, subject to any required regulatory approvals, but without further action by the stockholders

2

unless specifically required by applicable law or rules of the American Stock Exchange or any other exchange or market system on which the common stock is then traded. In connection with any issuance and sale of such shares, the number of shares to be issued and sold and the terms upon which they may be issued and sold will necessarily be determined by conditions existing at the time of such issuance and sale.

Our stockholders do not have preemptive rights to subscribe on a pro rata basis to any future issuance of shares. If Alteon elects to issue additional shares of common stock, stockholders would not have any preferential right to purchase them, and their ownership would therefore be diluted. Although the Board is not aware of any efforts by any person to acquire control of Alteon, the authorized but unissued shares could be used to make it more difficult to effect a change in control, and thereby make it more difficult for stockholders to obtain an acquisition premium for their shares or remove incumbent management. The amendment is not part of a plan by our Board of Directors to propose a series of new anti-takeover measures, and the Board of Directors does not presently intend to propose additional anti-takeover measures in future proxy solicitations.

In accordance with the Delaware General Corporation Law, the proposed amendment to our certificate of incorporation must be approved by the affirmative vote of the holders of at least a majority of the outstanding shares of our common stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSED AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 100,000,000 TO 175,000,000 SHARES.

OTHER MATTERS

The Board of Directors is not aware of any matter to be presented for action at the meeting other than the matters referred to above and does not intend to bring any other matters before the meeting. However, if other matters should properly come before the meeting, it is intended that holders of the proxies will vote thereon in their discretion.

STOCKHOLDERS' PROPOSALS

Stockholders deciding to submit proposals for inclusion in our proxy statement and form of proxy relating to our 2005 annual stockholders' meeting must advise Alteon's Secretary of such proposals in writing by December 22, 2004. In addition, the proxy solicited by the Board of Directors for the 2005 annual stockholders' meeting will confer discretionary authority to vote on any stockholder proposal presented at that meeting of which notice was untimely. In

Edgar Filing: ALTEON INC /DE - Form DEF 14A

accordance with our bylaws, notice of a proposal will be considered untimely, unless Alteon's Secretary receives written notice of such proposal by March 4, 2005 (but not earlier than February 2, 2005).
