Item 1.01. Entry Into a Material Definitive Agreement.

On December 14, 2005, the Compensation Committee (the "Compensation Committee") of the Board of Directors of CommScope, Inc. (the "Company")

Edgar Filing: COMMSCOPE INC - Form 8-K

approved an amendment to the Company's form of Non-Qualified Stock Option Agreement to, among other things, amend the vesting treatment for optionees who retire prior to the date that the options granted to them under the Company's Long Term Incentive Plan (the "LTIP") vest. Effective for options granted on and after December 14, 2005, options will not automatically vest upon an optionee's retirement at age 65, but will remain outstanding and will be eligible to vest in accordance with the schedule provided in the Stock Option Agreement provided the optionee complies with certain post-employment covenants.

On December 14, 2005, the Compensation Committee also approved the Company's form of Employee Performance Unit Award Agreement and Employee Phantom Stock Agreement. The Performance Unit Award Agreement provides that a grantee will be eligible to receive shares of Company common stock upon the third anniversary of the date of grant in respect of performance units which have vested as a result of the Company's performance during the applicable performance period. The relevant performance measure under the Performance Unit Award Agreement is the ratio of operating income, subject to certain adjustments, to revenue. The Phantom Stock Agreement provides that a grantee will be eligible to receive shares of Company common stock upon the third anniversary of the date of grant provided the grantee remains employed with the Company.

The form of Non-Qualified Stock Option Agreement, Employee Performance Unit Agreement and Employee Phantom Stock Agreement are each attached hereto as an exhibit.

The options and performance units granted to our named executive officers on December 14, 2005 are as follows (no executive officers were granted phantom stock):

Name and Title	Options Granted	Performance Units Granted		
		Threshold Performance	Target Performance	Maximum Performance
Frank M. Drendel Chairman and Chief Executive Officer	74,800	22,600	45,200	67,800
Brian D. Garrett President and Chief Operating Officer	23,300	7,050	14,100	21,150
Jearld L. Leonhardt Executive Vice President Finance and Chief Financial Officer	16,200	4,900	9,800	14,700
Randall W. Crenshaw Executive Vice President and General Manager, Enterprise	7,080	4,320	8,640	12,960

Edgar Filing: COMMSCOPE INC - Form 8-K

In addition, the Compensation Committee (i) granted options to purchase 31,220 shares of our common stock to our other executive officers and (ii) granted 38,160 performance units to our other executive officers which will vest if target performance levels are achieved. (Our other executive officers will vest in 19,080 performance units if threshold performance levels are achieved and 57,240 performance units if the maximum performance levels are achieved.)

The Compensation Committee also reviewed the rate at which earnings are credited to participants' accounts under the Company's Supplemental Executive Retirement Plan and determined that the rate at which earnings are credited should be set at 6% instead of 7%.
