Effective January 15, 2002, the Company terminated its outsourcing arrangements for its insurance operations and certain data processing and record keeping functions. These services are now provided in-house. It has taken longer than anticipated to complete the conversion, obtain data from the prior provider and to reconcile information and accounts. As a result, the Company requires additional time to prepare its Annual Report on Form 10-KSB for the period ended December 31, 2001. The Company fully expects to be able to file the Form 10-KSB on or before the fifteenth calendar day following the prescribed due date.
